## Part-Time Working Mummy

### A Patchwork Life

**Trapeze** THE SUNDAY TIMES BESTSELLER Want to know the truth about what life is like as a mum and step-mum with a chaotic patchwork family? This book is everything I've been through that's made me who I am, plus the lessons I've learned from many mistakes. I hope that it will make you laugh as well as give you strength to keep going when times get tough. After all, we are all in this together... Rachaele, aka Part-Time Working Mummy Hundreds of thousands of fans flock to the PTWM page online and now, in this book, Rachaele shares her behind-the-scenes experiences with single parenthood, unexpected pregnancy, domestic violence, relationships, bullying and much more - spreading kindness amidst the craziness along the way! \*\*\*\*\* Readers are raving about this book \*\*\*\*\* 'What can I say...amazing! The book is humbling, it's heart wrenching, it's funny and it's real life! The world needs more Rachaeles.' 'Thanks to Rachaele and this amazing book, I all of a sudden don't feel so bad about my parenting skills. A brave insight on Rachaele's life and how patchwork families can be amazing if you fill your home with love. A must have on your book shelf!' 'The most heart wrenching real book I've ever read, full of sadness, amazement and utter brilliance. Never has a book made me have a lump in my throat and burst into tears then have me in fits of laughter a few pages later... So real and so relatable.' 'I don't normally do reviews or books even but wow I couldn't put it down! Read it in one. A must read!' 'Straight-from-the-heart read - every mum needs to read this.'

### A Different Kind of Happy

### The Sunday Times bestseller and powerful fiction debut

**Random House** 'A powerful story of family, hope, growth and second chances' Anna Mathur Happiness comes in all shapes and sizes. Jo said goodbye to peace and quiet when she got pregnant at 19, but now she has a chance to hit refresh. A partner she loves, five amazing kids and a house by the sea. Jo must find a way to make the most of her second chance at happiness. She's surrounded by mums who seem to have it all together, but when normal is not an option, surprises can lead to a different kind of happy.

### A Different Kind of Happy

### The Sunday Times Bestseller and Powerful Fiction Debut

**Ebury Press** Jo said goodbye to peace and quiet when she got pregnant at 19, but now she has a chance to hit refresh. A partner she loves, five amazing kids and a house by the sea. But life is never simple and there is more than a little emotional baggage coming along for the ride. Starting with that tw\*t of an ex-husband who doesn't pull his weight. Then there's the untrained puppy, the work/life balance, a custody battle for the children and all the everyday ups and downs and chaos of being a patchwork family. Surrounded by family dramas and mums who seem to have all their sh\*t together, Jo must find a way to make friends and make it work in this new town. Barbecues on the beach and dog walks open up new conversations, but as Jo gets to know everyone better, the picture perfect families might be in need of more help than she first thought... When normal is not an option, surprises can lead to a different kind of happy family.

### Knee Deep in Life

### Wife, Mother, Realist... and why we're already enough

**Random House** SUNDAY TIMES BESTSELLER 'I just howled. Bloomin' love you!' Giovanna Fletcher 'You're hilarious. Thank you for making me laugh every day' Mrs Hinch When does Mary Effing Poppins arrive? Laura Belbin survived hitting her thirties (oh, to be wrinkle-free again), anxiety (just), motherhood (two adorable little shits) and the new body that went with it (a left tit that sags slightly more than the right, anyone?). In Knee Deep in Life she gives a fearless and filthy account of her transformation from no-responsibilities woman to being in demand 24/7, the heartaches and humiliations, and most importantly, her (definitely-pushed-to-the-limits-but-totally-indestructible) marriage to Steve, the man who helped her to hold it together when post-natal depression kicked in. Full of heart and wit - not to mention swearing that would make a sailor blush - this is the beast of a book Laura intends on riding into the hands of those people who doubt themselves every single day: the ones who have struggled to accept the way they look; the mums-to-be about to find themselves taking their first step towards parenthood; and the women bossing it like badasses every single day but never getting the credit they deserve. You are more than enough.

### Say Bonjour to the Lady

### Parenting from Paris to New York

**Clarkson Potter** A satirical guide pokes fun at how parents in New York and Paris differ in the ways they raise their children.

### Motherhood

### A Novel

**Henry Holt and Company** From the author of How Should a Person Be? ("one of the most talked-about books of the year"—Time Magazine) and the New York Times Bestseller Women in Clothes comes a daring novel about whether to have children. In Motherhood, Sheila Heti asks what is gained and what is lost when a woman becomes a mother, treating the most consequential decision of early adulthood with the candor, originality, and humor that have won Heti international acclaim and made How Should A Person Be? required reading for a generation. In her late thirties, when her friends are asking when they will become mothers, the narrator of Heti's intimate and urgent novel considers whether she will do so at all. In a narrative spanning several years, casting among the influence of her peers, partner, and her duties to her forbearers, she struggles to make a wise and moral choice. After seeking guidance from philosophy, her body, mysticism, and chance, she discovers her answer much closer to home. Motherhood is a courageous, keenly felt, and starkly original novel that will surely spark lively conversations about womanhood, parenthood, and about how—and for whom—to live.

### Emergencies Only

### An Australian Nurse's Journey Through Natural Disasters, Extreme Poverty, Civil Wars and General Chaos (16pt Large Print Edition)

In 2015, Amanda McClelland was awarded the Florence Nightingale Medal, in recognition of an extraordinary career dedicated to making a difference. As a nurse and a humanitarian aid worker she has battled against extreme poverty, disease epidemics and natural disasters, helping to rebuild broken lives and strengthen communities across the globe. From nursing in remote Indigenous communities in Australia's Top End to re-building villages after the devastating Boxing Day Tsunami in Aceh, from fighting famine in Sub Saharan Africa to facing kidnapping on the war-torn streets of Mogadishu, from battling cyclone damage in PNG to heading up the Red Cross's West African Ebola response, Amanda has faced huge challenges and collected incredible stories along the way. Emergencies Only is not a compendium of tragedy, but an eye-opening life-lesson in practicality, compassion and good humour, written with empathy and an eye for detail, and filled with the human stories that lie behind the headlines.

## Ships of Mercy

### The remarkable fleet bringing hope to the world's poorest people

**Hodder & Stoughton** *Ships of Mercy* tells the riveting true story of Mercy Ships, the astonishing fleet of hospital ships that sail the globe, bringing dramatic change to the lives of hundreds of thousands of people in the most impoverished and disease-stricken corners of the world. *Ships of Mercy* is a page-turner of the highest quality, an inspiring testimony both to the essence of the human spirit and God's amazing providence. It tells the story of a teenager's extraordinary vision brought to reality in the form of a multi-million dollar life-saving mission. It also tells the story of a family of people from diverse backgrounds who have sacrificed their comfort and security in order to perform remarkable acts of grace and kindness.

### Let's Pretend This Never Happened

**Penguin** The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. [Readers Guide Inside](#)

### The Diving Bell and the Butterfly

**Vintage** A celebration of the liberating power of consciousness—a triumphant book that lets us witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of French Elle, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

### Tippy Muffle's Mirror

**Troubador Publishing Ltd** Muffles are tiny, fluffy creatures, who carry the colours of their emotions in their fur, for all the world to read like a storybook. Tippy Muffle is very young but already she has become so scared and hurt that she has learned to hide away all her feelings deep inside. She hides her feelings so deeply, that her fur has become dull and grey. Can a new mummy and a new home help Tippy to feel safe and become a multicoloured Muffle again? 'The child who has had a difficult start in life will identify with the complex world of feelings, beautifully illustrated in the changing colours of Tippy's fur. The delightful Muffles are sure to enchant children of all ages.' Kim S Golding (CBE), Clinical Psychologist and author of *Using Stories to Build Bridges with Traumatized Children*

### Starfish

### One Family's Tale of Triumph After Tragedy

**Metro Books** "Sepsis strikes up like a fire in the forest, kills quickly, switching off the lights of life in hours, tearing limb from limb, leaving a shaking and humiliated half of you alive to grin and bear it like a wounded animal." The true story of a couple whose love is tested to its limit after their perfect life falls apart in a single moment. When Tom puts his small daughter to bed one chilly December evening, he has everything he could ever want - the house of his dreams, the life of a writer, a beautiful wife and a second baby on the way. By the next morning all of this is in jeopardy as Tom succumbs to the devastating illness that is sepsis. This is the incredible story of a family coming to terms with a life-changing diagnosis while battling to hold their family and their marriage together.

### Peter Andre: All About Us - My Story

**Kings Road Publishing** Now for the first time ever an uninterrupted, no-holds-barred account of life with Jordan is presented by the man closest to her. Katie Price is never far from the limelight and her immensely successful biographies have emphasised her popularity across the generations. Revelations about her rise to fame and her intimate relationships have had the nation intrigued, entertained and empathising with the glamour model mother of two. But her jungle romance with Peter, initially billed as a publicity stunt, has blossomed into the love story of the decade with Aussie hunk Peter Andre sweeping the "OK!" girl off her feet in perfect fairy tale fashion. Exploding onto the music scene in 1990, Peter Andre has had several UK number ones and international top 10 hits and in this intimate and insightful autobiography, he reveals the high and lows of his music career. It contains revelations about life before Katie and growing up in Australia in a family with devout Jehovah's Witness values. Peter reflects on life married to Britain's hottest celebrity, what life is like caring for her sick child, and how they celebrated the arrival of their first son together, Junior.

### 25 Patchwork Quilt Blocks

### Projects and Inspiration from Katy Jones

Select from 25 rotary-cut blocks; find traditional designs as well as fresh interpretations and new blocks. Follow clear and accurate instructions, measurements, and diagrams for easy construction. Create skill-building projects such as a coaster, pillow, armchair sewing butler, and vibrant quilt.

### My Cup Runneth Over

### The Life of Angelica Cookson Potts

**Simon and Schuster** Believing she is too big, fourteen-year-old Angel tries dieting and kick-boxing to lose weight, but thanks to her friends and the school fashion show, she discovers that her size is just right. [Includes recipes.](#)

### Then She Was Gone

### A Novel

**Simon and Schuster** #1 NEW YORK TIMES BESTSELLER From the New York Times bestselling author of *Invisible Girl* and *The Truth About Melody Browne* comes a "riveting" (PopSugar) and "acutely observed family drama" (People) that delves into the lingering aftermath of a young girl's disappearance. Ellie Mack was the perfect daughter. She was fifteen, the youngest of three. Beloved by her parents, friends, and teachers, and half of a teenaged golden couple, Ellie was days away from an idyllic post-exams summer vacation, with her whole life ahead of her. And then she was gone. Now, her mother Laurel Mack is trying to put her life back together. It's been ten years since her daughter disappeared, seven years since her marriage ended, and only months since the last clue in Ellie's case was unearthed. So when she meets an unexpectedly charming man in a café, no one is more surprised than Laurel at how quickly their flirtation develops into something deeper. Before she knows it, she's meeting Floyd's daughters—and his youngest, Poppy, takes Laurel's breath away. Because looking at Poppy is like looking at Ellie. And now, the unanswered questions she's tried so hard to put to rest begin to haunt Laurel anew. Where did Ellie go? Did she really run away from home, as the police have long suspected, or was there a more sinister reason for her disappearance? Who is Floyd, really? And why does his daughter remind Laurel so viscerally of her own missing girl?

### Zen City

**John Hunt Publishing** The world of ZEN CITY is a world of passionate desires: the desire for power, the desire for order, and the desire for self-transcendence. ZEN CITY is a story about the struggle and violence of people who see themselves as striving for the ultimate. Along the way, ZEN CITY presents a sly critique of the practice and perversions of imported spirituality in twentieth-century America. PUBLISHERS WEEKLY starred review "...this book succeeds brilliantly, deftly weaving a tragic romance that's about all of us, and none at all!

## Tired and Tested

### The Wild Ride Into Parenthood

**Harpernorth** Welcome to the jungle... When you've grown up thinking your twenties are all about working hard, playing hard and trying not to get pregnant, life comes at you fast when you go from hump to bump. So you thought adulthood would mean a high-flying career and a luxury lifestyle, but instead have ended up with a Lycra-based wardrobe and a deep fear of what lies at the bottom of the ball-pit in soft play? Join comedian Sophie McCartney as she voyages deep into the uncharted territories of mating, birthing, feral offspring, mums overdoing it at the watering hole, and the perilous viper's nest of the school WhatsApp group. With laugh out loud humour and eye-watering honesty, Sophie shows how whether you've had a day full of whining or a night full of wine, there's joy to be had in the perfectly imperfect wild ride into parenthood.

### We Were Liars

**Delacorte Press** #1 NEW YORK TIMES BESTSELLER • A modern, sophisticated suspense novel from National Book Award finalist, and Printz Award honoree E. Lockhart. Don't miss the eagerly anticipated prequel, *Family of Liars*, available May 2022! A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. Read it. And if anyone asks you how it ends, just LIE. "Thrilling, beautiful, and blisteringly smart, *We Were Liars* is utterly unforgettable." —John Green, #1 New York Times bestselling author of *The Fault in Our Stars*

### A Little History of the World

#### Illustrated Edition

**Yale University Press** E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

### Isabella: Girl on the Go

**Sourcebooks, Inc.** New York Times Bestseller! The precocious, purple-haired traveler spends the day playing with her dad as she pretends everyday things (like the sandbox) are extraordinary places. Isabella ends the day in her own home-sweet-home, the most wonderful place to be. Travel around the world to places like: •Pyramids of Giza •Eiffel Tower •Great Wall of China •Chichen Itza •Big Ben •Statue of Liberty

### Americanah

#### A novel

**Anchor** NATIONAL BESTSELLER • From the award-winning author of *We Should All Be Feminists* and *Half of a Yellow Sun*—the story of two Nigerians making their way in the U.S. and the UK, raising universal questions of race, belonging, the overseas experience for the African diaspora, and the search for identity and a home. Ifemelu and Obinze are young and in love when they depart military-ruled Nigeria for the West. Beautiful, self-assured Ifemelu heads for America, where despite her academic success, she is forced to grapple with what it means to be black for the first time. Quiet, thoughtful Obinze had hoped to join her, but with post-9/11 America closed to him, he instead plunges into a dangerous, undocumented life in London. Fifteen years later, they reunite in a newly democratic Nigeria, and reignite their passion—for each other and for their homeland.

### Child Life

#### A Collection of Poems

An anthology of poems by nineteenth-century authors from various countries about the experiences of childhood.

### Mobituaries

#### Great Lives Worth Reliving

**Simon and Schuster** From popular TV correspondent and writer Rocca comes a charmingly irreverent and rigorously researched book that celebrates the dead people who made life worth living.

### There's No Such Thing as Bad Weather

#### A Scandinavian Mom's Secrets for Raising Healthy, Resilient, and Confident Kids (from Friluftsliv to Hygge)

**Simon and Schuster** *Bringing Up Bébé* meets *Last Child in the Woods* in this “fascinating exploration of the importance of the outdoors to childhood development” (Kirkus Reviews) from a Swedish-American mother who sets out to discover if the nature-centric parenting philosophy of her native Scandinavia holds the key to healthier, happier lives for her American children. Could the Scandinavian philosophy of “There’s no such thing as bad weather, only bad clothes” hold the key to happier, healthier lives for American children? When Swedish-born Linda Åkeson McGurk moved to Indiana, she quickly learned that the nature-centric parenting philosophies of her native Scandinavia were not the norm. In Sweden, children play outdoors year-round, regardless of the weather, and letting babies nap outside in freezing temperatures is common and recommended by physicians. Preschoolers spend their days climbing trees, catching frogs, and learning to compost, and environmental education is a key part of the public-school curriculum. In the US, McGurk found the playgrounds deserted, and preschoolers were getting drilled on academics with little time for free play in nature. And when a swimming outing at a nearby creek ended with a fine from a park officer, McGurk realized that the parenting philosophies of her native country and her adopted homeland were worlds apart. Struggling to decide what was best for her family, McGurk embarked on a six-month journey to Sweden with her two daughters to see how their lives would change in a place where spending time in nature is considered essential to a good childhood. Insightful and lively, *There’s No Such Thing as Bad Weather* is a fascinating personal narrative that illustrates how Scandinavian culture could hold the key to raising healthy, resilient, and confident children in America.

### The Private Joys of Nnenna Maloney

**Dialogue Books** SHORTLISTED FOR THE DESMOND ELLIOTT PRIZE 2020 'A magnificent novel, full of wit, warmth and tenderness' Andrew McMillan 'Smart, serious and entertaining' Bernardine Evaristo How do you begin to find yourself when you only know half of who you are? As Nnenna Maloney approaches womanhood she longs to connect with her Igbo-Nigerian culture. Her once close and tender relationship with her mother, Joanie, becomes strained as Nnenna begins to ask probing questions about her father, who Joanie refuses to discuss. Nnenna is asking big questions of how to 'be' when she doesn't know the whole of who she is. Meanwhile, Joanie wonders how to love when she has never truly been loved. Their lives are filled with a cast of characters asking similar questions about identity and belonging whilst grappling with the often hilarious encounters of everyday Manchester. Okechukwu Nzelu brings us a funny and heart-warming story that covers the expanse of race, gender, class, family and redemption, with a fresh and distinctive new voice. Perfect for fans of *Queenie* by Candice Carty-Williams and Zadie Smith's *White Teeth*. 'Effortlessly capture[s] the tricky nuance of life, love, race, sexuality and familial relationships' Candice Carty-Williams, author of *Queenie* 'Edifying and hilarious, *The Private Joys of Nnenna Maloney* is a beautiful debut that you won't want to put down' Derek Owusu

## The Ten Basic Principles of Good Parenting

**Simon and Schuster** A guide to raising children covers the principles of adapting a parenting style to match a particular child's needs, establishing a structure and limits, and promoting such qualities as honesty, kindness, and independence.

## Like a Queen

The ultimate Queen's bible written by Australian blogger Constance Hall.

## How to Score

## Science and the Beautiful Game

How to Score reveals the secret science that lies behind "the beautiful game." From international team formations to the psychology of the pitch and the changing room, Ken Bray describes the influences that impact upon play. He answers many of British football's hottest questions: What is the perfect way to take a free kick? Which players are under more stress: attackers, midfield, or defenders? How do we know when a ball has crossed the goal-line? And how can teams win a penalty shoot out? This book analyzes many of the most memorable games over the last 50 years and the tactics of our favourite international and local athletes, as well as touching on big scientific themes such as aerodynamics, computer simulation, and game analysis, via a brief journey into football's history. Drawing on the latest research from the fields of physics, biology, physiology, computing, and psychology, British football's hidden rules are illuminated like never before. From down at the pub to up on the terraces, we love to talk about football—How to Score is essential reading for anyone who wants to understand the game's secrets.

## Splintered Hearts

## A Motorcycle Club Romance

**Independently Published** When Mila Coin goes to see her best friend Harper, the last thing she expects to find is a job, especially her dream job as a Nanny. Looking after three-year-old Asher is a pleasure but contending with his brooding Uncle Cooper is another matter altogether. Club President Cooper is used to getting his own way. He's bossy, dominating and everything Mila avoids in a man. But

when Cooper shows Mila how a real man behaves, she finds herself falling fast, addicted to the scraps of attention that he throws her way. Just when Mila thinks she's found her forever man, things take a dramatic turn and ghosts from the past threaten everything they have together. Can Mila survive the drama that surrounds Cooper and his beloved Hammers MC club and can he convince her that he is everything she's ever needed so they can build their happy ever after together. This story may contain situations that cause triggers for some readers.

## The Ship of Brides

### A Novel

**Penguin** From the New York Times bestselling author of *Me Before You* and *One Plus One*, in an earlier work available in the U.S. for the first time, a post-WWII story of the war brides who crossed the seas by the thousands to face their unknown futures 1946. World War II has ended and all over the world, young women are beginning to fulfill the promises made to the men they wed in wartime. In Sydney, Australia, four women join 650 other war brides on an extraordinary voyage to England—aboard HMS *Victoria*, which still carries not just arms and aircraft but a thousand naval officers. Rules are strictly enforced, from the aircraft carrier's captain down to the lowliest young deckhand. But the men and the brides will find their lives intertwined despite the Navy's ironclad sanctions. And for Frances Mackenzie, the complicated young woman whose past comes back to haunt her far from home, the journey will change her life in ways she never could have predicted—forever.
