KEY=PAUL - CAMACHO LARSON

Guide to Getting it on For Adults of All Ages Featuring more than 15 illustrations and more than five chapters, this sex book includes pages that help to bring a smile, a blush of crimson, or a moment of awe. **Guide to Getting it on A Book about the Wonders of Sex** A fully revised and updated edition of the category leader. Includes two new chapters and 5 new illustrations. **Guide to Getting It On A Book About the Wonders of Sex** Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies. **Guide to Getting It on** Proudly Announcing the 10th Edition of the GUIDE TO GETTING IT ON Few people had heard of Bumble and Hinge when the last edition of the "Guide To Getting It On" went to press four years ago. No one in their right mind would have guessed that Chaturbate would become the 28th most popular website in the US, or that women in college would pay for their tuition by selling pics on a website called OnlyFans. And good luck to any guy who calls a woman to ask her for a date instead of texting, because she'll probably think he's a stalker. Anyone who says "Why would we need a new edition of a book on sex?" needs to throw away their flip phone and wake up. Each new edition of the "Guide to Getting It On" has risen to the challenge of helping young adults negotiate an ever changing landscape of sex and relationships, and the new 10th edition is no different. Today's young adults are the first generation who began watching the most explicit porn in history on their phones in Middle School. They have very different expectations and needs from a

book on sex today than when the first edition of 'The Guide' was published more than twenty-five years ago and was praised as one of the best books on sex ever written. At a time when YouTube has become the source of all wisdom, the 10th edition of the "Guide To Getting It On" remains the one book on sex that people still want to buy, read and share with a partner. And for readers who value videos, several chapters of the 10th edition have links to videos that were made to go with the book.

The Secret Lives of Teen Girls What Your Mother Wouldn't Talk about But Your Daughter Needs to Know *ReadHowYouWant.com* In *The Secret Lives of Teen Girls*, Evelyn Resh, the mother of a teenage daughter and a certified nurse-midwife specializing in the treatment of teenage girls, explores the mysterious world of female, adolescent sexuality and how parents-especially mothers-can help their daughters through this tumultuous time. Secrets divulged by teenage girls during consultation have made Resh realize that, with rare exception, most adolescents are left to develop a sexual identity without any adult guidance and often without the most basic knowledge of what is happening to them physically and emotionally. She also realized that many girls are frequently subject to criticism and shaming about their normal, adolescent behavior. Resh believes these issues are what underlie many of the problems teens face during this crucial step into becoming a fully developed adult woman capable of making good, sound, safe, and independent decisions throughout life. Through compelling, frank, and sometimes humorous stories from both Resh and her patients, *The Secret Lives of Teenage Girls* explains to parents just what is going on with their teenage daughters during this essential phase of their development. She discusses many of the complicated problems she's seen in practice, including not just sexual activity but also eating disorders, substance abuse, mental illness, unplanned pregnancies, violence, and STDs. She also looks at less serious but still troubling issues like under-achievement, battles with parents, and lack of emotional and social support. In this insightful book, Resh provides parents with the tools to help their teen daughters negotiate the waters of their sexual development and emerge with their strength, their sexuality, and their self image intact.

Guide to Getting It on Unzipped From the author: I originally wrote this book for people who wanted to have better sex. But then it started winning awards and being used in college sex-ed courses. So I tried to make the book all things to all people, and it started to grow, and grow, and grow. But with this new edition, I've taken the Guide To Getting It On back to its roots. It is 576 pages, which is half the page count of the previous edition, and it is almost \$10 cheaper, at \$19.95. This edition is about you, assuming you are looking for a book that is down to earth, fun to read, and is your best ally when it comes to having really good sex."

101 Things I Wish I Knew When I Got Married Simple Lessons to Make Love Last *New World Library* With the divorce rate soaring at a dizzying 60 percent, young couples and experienced partners may lack the skills and understanding to sustain a committed relationship. Linda and Charlie Bloom present 101 nuggets of wisdom that deliver practical guidance and make it clear that regardless of past experience anyone can develop the basic strengths, skills, and capacities needed for a great relationship. Each lesson is presented as a simple, one-sentence thought followed by an explanation using real-life examples. This book demonstrates how couples can enrich their own relationships by working through love's challenges.

Guide to Getting it On! The

Universe's Coolest and Most Informative Book about Sex for Adults of All Ages Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies. **The Guide to Getting it On! A New and Mostly Wonderful Book about Sex for Adults of All Ages** Thorough, frank, humorous, and accessible, with candid illustrations throughout, this book starts where most books on sex leave off. Based on years of research and ideas contributed by a variety of people, including doctors, social workers, psychologists, surfers, priests and a prostitute, this is the thinking person's sex book. **Men's Sexual Health Fitness for Satisfying Sex** *Routledge* Men's Sexual Health is a breakthrough book about vital and satisfying male sexuality. It presents a new model of male and couple sexuality, which establishes positive, realistic expectations of pleasure and satisfaction, as opposed to the self-defeating traditional demand for perfect intercourse performance. Men and couples who adopt this approach will enjoy sexuality throughout the lifespan. The authors introduce the new "smart thinking," focused on an integration of mind and body, which confronts the myths and misunderstandings which limit male sexual growth. The book will help men and women understand how to pursue sexual and relational health, overcome sexual problems, with the goal of greater acceptance and satisfaction. The book advocates for positive, realistic Good-Enough Sex which will significantly enhance male and couple sexual satisfaction. **Sex Points Reclaim Your Sex Life with the Revolutionary Multi-Point System** *Hachette GO* The "Queen of Vibrators" and the "Orthodox Sex Guru" shares her easy, proven system to help women have a healthy, robust sex life. Dr. Bat Sheva Marcus believes a healthy, fulfilling sex life is a right for all women. But many women don't quite believe that themselves; they think that a diminished sex drive is natural, pain during sex is to be expected, and no orgasms?...well, too bad! As a veteran sex therapist, Dr. Marcus has seen everything and knows firsthand that all that is rubbish. Most of the books you find on how to have a good sex life focus on emotional intimacy and behavior--or, like the Cosmo quizzes say, sexy lingerie and a beach vacation. But there's more to it than that. For most women, while there are relationship and emotional components that are critical to a healthy sex life, there is also a hefty physiological or medical component driving their desire. And until you know what's really going on, all the lingerie and sexy couples' time won't really help. Your sex life is complex, made up many different aspects of your life; these variables shift and change over time--and all the variables need to work together to make your sex life work. Sex Points is the first book that helps women and identify analyze for themselves what factors are affecting their sex life and then gives a wide variety of ways to approach different problems. The book breaks down these variables in an easy-to-use system--one that uses a threshold of 100 points for a healthy sex life. Divided into four key areas--pain, arousal, libido, and orgasm--each variable has its own point value. The Sex Points Assessment helps you determine exactly what is keeping you from having a great sex life--where you are missing points. Specific chapters address the issues with practical suggestions. Whatever it is, the points system gives you a concrete picture of your situation and then gives you the tools to fix it. Covering everything from how to choose a vibrator to recapturing orgasms, to rekindling lust, embracing taboo fantasies, and parsing complicated relationships, to what sex really means

(hint: it's not just intercourse!), *Sex Points* is a revelatory guide to ensure women get the rich sex life they deserve. **An Intersectional Approach to Sex Therapy Centering the Lives of Indigenous, Racialized, and People of Color** *Routledge* When a Black, Indigenous, or racialized individual or relationship works with a sex therapist, a host of cultural circumstances can contribute to intimacy discord and sexual dysfunction. This collection brings together clinicians and educators who share their approaches, bridging sex therapy with a client's relationship to their racial, cultural, and ethnic identity. This essential book aims to enhance therapists' supervisory practices and clinical treatments when working with culturally diverse and marginalized populations, fostering greater understanding and awareness. Innovative tools that integrate the impacts of acculturation, minority status, intersectionality, and minority stress are discussed, with case studies, demonstrations, and critical questions included. This collection is a necessary read for anyone who is training to be or who is an established sex therapist, marriage and family therapist, relationship counselor, or sexuality educator and consultant. **What You Really Really Want The Smart Girl's Shame-Free Guide to Sex and Safety** *Seal Press* In this empowering, accessible guide, Jaclyn Friedman—co-editor of *Yes Means Yes*—gives young women the tools to decipher the modern world's confusing, hypersexualized, sometimes dangerous landscape so they can define their own sexual identity. Friedman decries the hypocrisy and mixed messages of our culture (we're failures if we don't act sexy, but we're sluts if we actually pursue sex; we need to be protected from rapists lurking in bushes, but deserve "whatever we get" if we have a drink at a party and wear a skirt), and encourages readers to separate fear from fact, decode the damaging messages all around them, and discover a healthy personal sexuality. Educational and interactive, *What You Really Really Want* includes revealing quizzes, creative exercises, and reality-based advice about sex and sexuality today. With Friedman's informed advice to guide them, readers will build new skills for safely expressing their sexuality with lovers and explore effective ways to talk about tricky issues with family and friends—and learn how to make the world a little safer for everyone else's sexuality along the way. **Titian to 1518 The Assumption of Genius** *Yale University Press* The work that Titian produced during the first decade of his career is beautiful and varied, but it has raised many questions of attribution and chronology. This book - the first thorough and coherent account of this period in Titian's life - reconstructs what he painted, when he painted it and what these paintings mean. Paul Joannides begins by discussing the probable course of Titian's early career and his relationship to the Bellinis. There are individual excursions on Giorgione and on Sebastiano del Piombo whose work has often been confused with his. Joannides then offers new interpretations of some of Titian's paintings, emphasizing their poetic and dramatic qualities. Among other topics, he associates for the first time the paintings in Saint Petersburg, Venice and Houston; lays out Titian's part of the Fondaco; connects the privately owned Resurrected Christ with the Fogg Circumcision; integrates the Dresden Venus and the Berlin Portrait into Titian's work; and establishes the dynamism and inventiveness of the great Assunta of 1516-18. Joannides provides detailed arguments in support of both new and familiar attributions, proposes a more closely reasoned and precise chronology **Sexual Intelligence What We Really Want from Sex--and How to Get It** *Harper*

Collins This is not your standard sex book. Sex therapist, sociologist, and Psychology Today contributor Dr. Marty Klein goes beyond the sex manuals to reveal how our mindsets during sex are more important than any tricks or techniques—and that the way to a healthier, more exciting, more fulfilling sex life lies in first developing our sexual intelligence. This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual. “Marty Klein is the Steve Jobs of sex advice. . . . Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential.” —Ian Kerner, best-selling author of *She Comes First*

Woman Cancer Sex *Routledge* *Woman Cancer Sex, Second Edition*, is an accessible and comprehensive resource for women living with and surviving cancer as they navigate specific challenges related to sex and sexuality. Women who have survived cancer remain sexual beings despite the challenges of cancer treatment, and they often have nowhere to go with their questions and concerns. This text interweaves stories from clinical practice with evidence-based tips and interventions for a range of physical and emotional side effects resulting from cancer and its treatment. Each chapter describes the experience of a woman with a particular kind of cancer and a variety of related problems, including loss of libido, physical pain, body image issues, depression, and struggles communicating with a partner and health care providers. Written by a leading voice in the field of cancer and sexuality, this book offers essential guidance surrounding questions about sexual health for women diagnosed with cancer. It will also be of use to health care providers including social workers and sex and couple therapists.

Becoming Cliterate Why Orgasm Equality Matters-And How to Get It *HarperOne* We’ve been thinking about sex all wrong. Mainstream media, movies, and porn have taught us that sex = penis + vagina, and everything else is just secondary. Standard penetration is how men most reliably achieve orgasm. The problem is, women don’t orgasm this way. We’ve separated our most reliable route to orgasm—clitoral stimulation—from how we feel we should orgasm—penetration. As a result, we’ve created a pleasure gap between women and men: 50% of 18-35-year-old women say they have trouble reaching orgasm with a partner 64% of women vs 91% of men said they had an orgasm at their last sexual encounter 55% of men vs. 4% of women say they usually reach orgasm during first-time hookup sex In *Becoming Cliterate*, psychology professor and human sexuality expert Dr. Laurie Mintz exposes the broader cultural problem that’s perpetuating this gap, and what we can do about it. Pulling together evidence from biology, sociology, linguistics, and sex therapy into one comprehensive, accessible, and prescriptive book, *Becoming Cliterate* features: Cultural & historical analysis of female orgasm (spoiler: the problem’s been going on for ages) An anatomy section (it’s all custom under the hood) Proven techniques for cliterate sex (it starts with training the sex organ between your ears) A comprehensive final chapter for men (because you don’t have to have a clitoris to be cliterate) By dispelling the lies, misunderstandings, and myths that have been holding us back, *Becoming Cliterate* tackles both personal and political problems and replaces them with updated outlooks and practical skills needed to change our collective perspective on sex. It’s time to finally inform women and men on how to have satisfying experiences in bed that benefit both parties. The revolution is

cuming—and *Becoming Cliterate* offers a radical, simple solution to progress and pleasure for all. **Come as You Are the bestselling guide to the new science that will transform your sex life** *Scribe Publications* A NEW YORK TIMES BESTSELLER An essential exploration of women's sexuality that will radically transform your sex life into one filled with confidence and joy. After all the books that have been written about sex, all the blogs and TV shows and radio Q&As, how can it be that we all still have so many questions? The frustrating reality is that we've been lied to — not deliberately, it's no one's fault, but still. We were told the wrong story. *Come as You Are* reveals the true story behind female sexuality, uncovering the little-known science of what makes us tick and, more importantly, how and why. Sex educator Dr Emily Nagoski debunks the common sexual myths that are making women (and some men!) feel inadequate between the sheets. Underlying almost all of the questions we still have about sex is the common worry: 'Am I normal?' This book answers with a resounding Yes! We are all different, but we are all normal — and once we learn this, we can create for ourselves better sex and more profound pleasure than we ever thought possible. PRAISE FOR EMILY NAGOSKI 'As a literary work, Nagoski's book deserves plaudits for the rare achievement of merging pop science and the sexual self-help genre in prose that's not insufferably twee ... "You are normal!" doesn't sound much like a battlecry, but in a world keen to sexually homogenise women from the gap of their thighs to the shape of their mons pubis, the sentiment lands like a bomb.' *The Guardian* 'Come As You Are screams female empowerment loud and proud.' *The Independent* **We Are Our Brains A Neurobiography of the Brain, from the Womb to Alzheimer's** *Random House* A vivid account of what makes us human. Based groundbreaking new research, *We Are Our Brains* is a sweeping biography of the human brain, from infancy to adulthood to old age. Renowned neuroscientist D. F. Swaab takes us on a guided tour of the intricate inner workings that determine our potential, our limitations, and our desires, with each chapter serving as an eye-opening window on a different stage of brain development: the gender differences that develop in the embryonic brain, what goes on in the heads of adolescents, how parenthood permanently changes the brain. Moving beyond pure biological understanding, Swaab presents a controversial and multilayered ethical argument surrounding the brain. Far from possessing true free will, Swaab argues, we have very little control over our everyday decisions, or who we will become, because our brains predetermine everything about us, long before we are born, from our moral character to our religious leanings to whom we fall in love with. And he challenges many of our prevailing assumptions about what makes us human, decoding the intricate "moral networks" that allow us to experience emotion, revealing maternal instinct to be the result of hormonal changes in the pregnant brain, and exploring the way that religious "imprinting" shapes the brain during childhood. Rife with memorable case studies, *We Are Our Brains* is already a bestselling international phenomenon. It aims to demystify the chemical and genetic workings of our most mysterious organ, in the process helping us to see who we are through an entirely new lens. Did you know? • The father's brain is affected in pregnancy as well as the mother's. • The withdrawal symptoms we experience at the end of a love affair mirror chemical addiction. • Growing up bilingual reduces the likelihood of Alzheimer's. • Parental religion is imprinted on our brains during early development, much as our native

language is. Praise for *We Are Our Brains* "Swaab's 'neurobiography' is witty, opinionated, passionate, and, above all, cerebral."—Booklist (starred review) "A fascinating survey . . . Swaab employs both personal and scientific observation in near-equal measure."—Publishers Weekly (starred review) "A cogent, provocative account of how twenty-first-century 'neuroculture' has the potential to effect profound medical and social change."—Kirkus Reviews

She Comes First The Thinking Man's Guide to Pleasuring a Woman Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

Wanting Sex Again How to Rediscover Your Desire and Heal a Sexless Marriage Berkley Offers strategies for women with low libidos to help overcome the emotional, physical, and mental obstacles that are affecting passion and intimacy in their marriages.

Cockfidence Whether you are single, dating or in a relationship this book will show you how to attract sexual desire from women and bring them to the heights of their erotic and orgasmic potential. It's Called a Breakup Because It's Broken The Smart Girl's Breakup Buddy Harmony A humorous but helpful handbook offers survival strategies for women who are getting over Mr. Wrong and struggling to rebuild their lives, covering everything from ending a relationship permanently to finding a brighter romantic future.

The Smart Girl's Guide to the G-Spot Cleis Press The G-spot, the powerhouse of female orgasm, is often veiled in mystery and confusion - many believing it to be nothing more than urban legend! With wit and panache, sex educator and bestselling writer Violet blue introduces readers to G-spot play. Beginning with an anatomical guide and incorporating suggestions for couple-play, positions, toys and safer sex, this guide will lead readers to thrilling new sensations and earth-shaking, bed-breaking, gale-force climaxes! Any girl can unleash her own orgasmic superpower with *The Smart Girl's Guide to the G-spot*.

Rethinking Sex A Provocation Penguin Part searing examination, part call to arms—a bold case against modern sexual ethics, from young Washington Post columnist Christine Emba. For years now, modern-day sexual ethics has held that "anything goes" when it comes to sex—as long as everyone says yes, and does so enthusiastically. So why, even when consent has been ascertained, are so many of our sexual experiences filled with frustration, and disappointment,

even shame? The truth is that the rules that make up today's consent-only sexual code may actually be the cause of our sexual malaise—not the solution. In *Rethinking Sex*, reporter Christine Emba shows how consent is a good ethical floor but a terrible ceiling. She spells out the cultural, historical, and psychological forces that have warped our idea of sex, what is permitted, and what is considered "safe." In visiting critical points in recent years—from #MeToo and the Aziz Ansari scandal, to the phenomenal response to "Cat Person"—she reveals how a consent-only view of sex has hijacked our ability to form authentic and long-lasting connections, exposing us further to chronic isolation and resentment. Reaching back to the wisdom of thinkers like Thomas Aquinas and Andrea Dworkin, and drawing from sociological studies, interviews with college students, and poignant examples from her own life, Emba calls for a more humane philosophy, one that starts with consent but accounts for the very real emotional, mental, social, and political implications of sex—even, she argues, if it means saying no to certain sexual practices or challenging societal expectations altogether. More than a bold reassessment of modern norms, *Rethinking Sex* invites us to imagine what it means to will the good of others, and in turn, attain greater affirmation, fulfillment, and satisfaction for ourselves.

The Ultimate Guide to Orgasm for Women How to Become Orgasmic for a Lifetime *Simon and Schuster* Owning our desires should be neither embarrassing nor uncomfortable. Nor should they be subject to anyone else's moral judgment of what is right or wrong, good or bad, normal or abnormal. Combining communication and information is the key. By shrugging off the taboos against talking about our preferences and experiences when we're being sexual, we will take the first and most important steps toward ensuring our own fulfillment. *The Ultimate Guide to Orgasm for Women* is an unflinchingly honest, responsible, and thoroughly comprehensive exploration of female sexuality. Topics include: The physical types of orgasm, such as electrical, flying, pounding, deep, waves, and blips; orgasm as an emotional release; the "elusive orgasm" and why some women have difficulty having one; how often we fake them and why; masturbation; multiple orgasms; the male-female dichotomy; penetration and the G-spot; defining the erotic; and the joy of sex toys.

THE ART OF SEDUCTION (PB) The Ultimate Guide to Prostate Pleasure Erotic Exploration for Men and Their Partners *Cleis Press* The first definitive guide to P-Spot pleasure will offer men erotic pleasure beyond what they imagined possible. Co-authored by one of the foremost experts on sexual health, Charlie Glickman, men who may not feel confident exploring anal play will be empowered to claim the prostate as an erogenous zone ripe for exploration. And men who already enjoy prostate play will find much to learn from this friendly, accessible how-to guide. The P-Spot covers tips and techniques for prostate play, as well as outlining important safety information and how to maintain prostate health.

The Sex You Want A Lovers' Guide to Women's Sexual Pleasure *Da Capo Lifelong Books* So many women are dissatisfied with their sexual relationships—even all these years after the "sexual revolution"—but what is it that women really want? In *The Sex You Want*, authors Lisa and Marcia Douglass answer this age-old question and much more, touching on subjects that include: how women's sexuality is influenced by societal forces; how women can fall into unhealthy sexual patterns; and how the way we talk about or censor discussions on sex affects our everyday practices, and offer ways to reverse the damaging

consequences. With a detailed description of the female anatomy and a section on how to achieve the utmost in orgasmic pleasure, *The Sex You Want* will help women take control of their sexuality in ways that will not only change how they relate to their bodies, but how they live in the world. This new paperback version is illustrated and comes with a revised introduction. "A smart, new sex guide.... A step toward helping women own and appreciate their bodies."—*Glamour* **Sex How to Do Everything** *Dk Pub* In a totally fresh and appealing take on the subject, *SEX* is a completely new kind of sex book. This is a sex book for people who like having sex, who want to have more, and want to know how to do everything better. Unlike other sex manuals, which try to solve problems with sex, this is a book for people who love sex and want to expand their horizons. Written by the young, hip "super-sexpert" duo Em and Lo of *nerve.com* notoriety, this book is as witty and cool as it is instructive. This fun and energetic romp has over 300 explicit and authentic, but beautiful, "live" shots by renowned fashion and portrait photographer, Rankin. **Exploring Desire and Intimacy A Workbook for Creative Clinicians** *Taylor & Francis* This integrative book is like having a wise supervisor in the room with you. Stop "fixing" your clients--engage them in their own healing through the Four-Dimensional Wheel of Sexual Experience. Gina Ogden guides you in helping your clients explore the full range of their sexual issues and challenges—including couple communication, erectile dysfunction, vaginismus, low desire, affairs, trauma, religious proscriptions, pornography use, and more. Part I offers strategies that correspond to the core knowledge areas required for certification as a sexuality professional, while Part II puts these innovative approaches into action through following five case examples from seasoned practitioners. The numerous user-friendly elements, such as quizzes, worksheets, and "hot tips," will help you see the larger picture of an issue, become fluent with a diversity of sexual identities and behaviors, and expand your ability to offer safe, ethical, evidence-based therapy. **Sex Matters for Women A Complete Guide to Taking Care of Your Sexual Self** *Guilford Press* A guide to help women understand how their bodies work and to take charge of their sexuality, discussing anatomy, body image, trauma, overcoming difficulties, and related topics. **Tricks... to Please a Man** *Greenery Press (CA)* We may never understand the not-asking-for-directions thing, but now readers can take the mystery out of pleasing a man sexually with this compilation of juicy ways to spice up their bedroom play, harvested from sexual experts all over the U.S. New essays on up-to-the-minute safer-sex techniques, the changing sexual roles of men in the new millennium and male psychology and physiology round out this must-have manual for anybody whose ever wanted to make a man beg for more! **Just Watch Me Erotica for Women** *Cleis Press* A sassy selection of the very best erotica for women, by women, judiciously hand-picked by Violet Blue from the Best Women's Erotica series (Cleis Press - available from Turnaround). Blue, who is quickly becoming the 21st century's leading sex educator, recommends it to be read nice and slowly, to give readers a chance to savour every deliciously outrageous scenario evoked. Intended as an inspiration for bedroom adventures, her heady collection is filled to the brim with hair-raising, relatable encounters. **Guide to Getting it on For Adults of All Ages Guide to Getting It On! Best Little Sex Guide in the Whole Wide World** This guide replaces taboos with techniques and provides safe, practical advice for improving your sexual

relationships. It all comes down to communication and this is one book that has no problem with telling it how it is. **Enjoy Sex (How, When and If You Want To) A Practical and Inclusive Guide** *Icon Books* Plenty of books on sex suggest that it has to be done in a certain way, or in a certain kind of relationship, or with certain people. This isn't that kind of book. *Enjoy Sex* is a truly practical, friendly guide through the confusing, and sometimes alarming, world of sex and sexuality. Its radical approach puts your experience at the heart of the book, and invites you to explore what might be enjoyable to you. With the authors' engaging and thoughtful style, the book challenges the messages we receive about 'normal' sex, looks at how to understand and care for yourself, delves into ideas of pleasure for different bodies, ages and tastes, explores relationships, and tackles the tricky topics of communication and consent. So, throw out the rule book and learn to listen to your own desires. This may just be the most helpful book about sex ever.

Asexualities Feminist and Queer Perspectives *Routledge* What is so radical about not having sex? To answer this question, this collection of essays explores the feminist and queer politics of asexuality. Asexuality is predominantly understood as an orientation describing people who do not experience sexual attraction. In this multidisciplinary volume, the authors expand this definition of asexuality to account for the complexities of gender, race, disability, and medical discourse. Together, these essays challenge the ways in which we imagine gender and sexuality in relation to desire and sexual practice. *Asexualities* provides a critical reevaluation of even the most radical queer theorizations of sexuality. Going beyond a call for acceptance of asexuality as a legitimate and valid sexual orientation, the authors offer a critical examination of many of the most fundamental ways in which we categorize and index sexualities, desires, bodies, and practices. As the first book-length collection of critical essays ever produced on the topic of asexuality, this book serves as a foundational text in a growing field of study. It also aims to reshape the directions of feminist and queer studies, and to radically alter popular conceptions of sex and desire. Including units addressing theories of asexual orientation; the politics of asexuality; asexuality in media culture; masculinity and asexuality; health, disability, and medicalization; and asexual literary theory, *Asexualities* will be of interest to scholars and students in sexuality, gender, sociology, cultural studies, disability studies, and media culture. **The Good Vibrations Guide The G-spot** An eye-opening anatomy lesson and no-nonsense debunking of the myths and misinformation surrounding the G-spot. **the joy of sex**
