#### HAPPY THANKSGIVING, SNOOPY!

---

Simon and Schuster Give thanks with Charlie Brown, Snoopy, and the rest of the Peanuts gang in this 8x8 storybook all about Thanksgiving! Thanksgiving is not working out the way Charlie Brown expected this year. His Grandma had to cancel dinner and now he's stuck at home. For Snoopy, it's shaping up to be a pretty typical Turkey Day: He has no plans, and no one has invited him anywhere. He's just going to play it 'Joe Cool' and pretend he's not lonely. Luckily, Charlie Brown and friends realize that if they want any kind of Thanksgiving celebration they're going to have to throw it themselves...at Joe Cool's 'dorm!' It's a nontraditional Thanksgiving, spent with people they weren't expecting to hang out with, but it's one they'll always be thankful for. After all, Thanksgiving is not really about what or where you eat, but about who you get to spend time with! © 2018 Peanuts Worldwide LLC

## BIRTH SETTINGS IN AMERICA

---

### OUTCOMES, QUALITY, ACCESS, AND CHOICE

*National Academies Press The delivery of high quality and equitable care for both mothers and newborns is complex and requires efforts across many sectors. The United States spends more on childbirth than any other country in the world, yet outcomes are worse than other high-resource countries, and even worse for Black and Native American women. There are a variety of factors that influence childbirth, including social determinants such as income, educational levels, access to care, financing, transportation, structural racism and geographic variability in birth settings. It is important to reevaluate the United States' approach to maternal and newborn care through the lens of these factors across multiple disciplines. Birth Settings in America: Outcomes, Quality, Access, and Choice reviews and evaluates maternal and newborn care in the United States, the epidemiology of social and clinical risks in pregnancy and childbirth, birth settings research, and access to and choice of birth settings.*
