The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. Dynasties: Chimpanzees, a Level 3 Reader, is A2 in the CEFR framework. The text is made up of sentences with up to three clauses, introducing first conditional, past continuous and present perfect simple for general experience. It is

well supported by illustrations, which appear on most pages. A few years ago, the BBC made the TV programme *Dynasties* about animal families across the world. They chose to film David and his family - a group of chimpanzees in south-eastern Senegal. Sometimes families are happy and sometimes they fight. Sometimes life is good and sometimes it is not easy. It is the same for chimpanzees, and for all animal families. Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys.
