The song takes you through the personal journey of a little monster who discovers his self worth is not defined by his physical characteristics or by the definitions placed on him by others, but by how he allows his light and love to shine. Once he understands his own value he is able to see the perfection in others even when they are hurtful. He then goes on to show that if we all recognised the perfection in each other and acted from a place of love we can change the world to a better place. "Let us live the perfection that we are and uncover ourselves to shine like a star. Our potential never stops to spread love on this earth, it is why we are here, it is the reason for our birth." Karl's Story [Createspace Independent Publishing Platform](#) With an uncanny relevance to today's world and inspired by the life of its author, Karl's Story, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl .A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk . Karl's Story begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin .Their journey, their story, enchants children but in the sense of The Little Prince speaks timelessly to adults as well . Karl's Story tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all. When Time Stood Still [Createspace Independent Publishing Platform](#) Our lives are spent watching the clock. We go to sleep by it. Wake up to it. Rely on it. Race it.It's easy to forget that we're only given so much.We ignore it because we're convinced we'll always have more.I am proof that we aren't promised anything.The clock owes us nothing.I know this because not only was Time my name, I wasn't given enough of it.Sure I had challenges but I vowed to make the most of it, of my young life.My limitations wouldn't hold me back.Time was on my side.Then I was told otherwise.Now the clock was working against me.I would face this disease alone.Then he walked in and changed everything.He gave me a reason to fight.He helped me prepare.Like others before me, when time slowed I wasn't ready.I begged for more.But the clock, it stopped for no one.On the day my world went black, I refused to take him with me.Only he didn't listen.I was a doctor.A bringer of bad news.I read the chart.She was fucked.My hands, they were tied.I was a doctor who could not heal what was beyond that door.I had no hope to offer her.But I wanted this over with.The sooner the better.I walked in, looked up and saw color.Not one.All of them.They surrounded her.She was a patient.You did not cross that line.I would not cross that line.I should have kept my eyes closed.Life was easier when you didn't see.But they were open now.They saw her.They saw everything.Suddenly invisible lines ceased to matter.For me, Time mattered.How far would you go to make sure the one you loved had enough of it?Would you challenge the clock?Help them prepare?Could you watch them suffer?Could you accept a life without them in it?Or, would you follow them into the darkness?I did. This is our story. Always Wear Headphones [Bonsai Creative Studios LLC](#) Note: 50% of the proceeds from this book will be donated to a mental health organization focused on helping anxiety, depression, and suicide.* Hey YOU! Yes... you... the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I (stupidly) decide to proclaim my love for her

in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man... do I regret that moment -/ I wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like... "From navigating online dating apps and relationships, to self-centered friends, and emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well... If you made it down here I'd say this book is for you. If you didn't, oh well. #YOURLOSSBUDDY. Thanks for all the memories, James Merllot (The Protagonist of this story) *Donation will be made once a year in December.
