Peppa Pig: Little Creatures - Read it Yourself with Ladybird

Peppa Pig: Little Creatures - Read it yourself with Ladybird

Level 1

Penguin UK An enhanced read-along audio ebook from Ladybird. There are many interesting little creatures in Grandpa Pig's garden for Peppa, George and their friends to learn about, including snails with their little houses and bees making honey! Read it yourself with Ladybird is one of Ladybird's best-selling series. For over thirty five years it has helped young children who are learning to read develop and improve their reading skills. Now, for the first time, each title is also available as an ebook with synched audio. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Peppa Pig: Little Creatures is a Level 1 Read it yourself title, suitable for very early readers who have had some initial reading instruction and are ready to take their first steps in reading real stories. Each story is told very simply, using a small number of frequently repeated words.

Peppa at the Petting Farm

Ladybird Peppa is very excited for her first trip to the petting farm! She can't wait to hold and stroke all the little animals, including chicks and guinea pigs. Which animal will she cuddle next? Meet the farmer, Mrs Badger and learn all about a petting farm in this new Peppa Pig adventure, perfect for little animal fans.

Language and Woman's Place

Text and Commentaries

Oxford University Press **The 1975 publication of Robin Tolmach Lakoff's *Language and Woman's Place*, is widely recognized as having inaugurated feminist research on the relationship between language and gender, touching off a remarkable response among language scholars, feminists, and general readers. For the past thirty years, scholars of language and gender have been debating and developing Lakoff's initial observations. Arguing that language is fundamental to gender inequality, Lakoff pointed to two areas in which inequalities can be found: Language used**

about women, such as the asymmetries between seemingly parallel terms like master and mistress, and language used by women, which places women in a double bind between being appropriately feminine and being fully human. Lakoff's central argument that "women's language" expresses powerlessness triggered a controversy that continues to this day. The revised and expanded edition presents the full text of the original first edition, along with an introduction and annotations by Lakoff in which she reflects on the text a quarter century later and expands on some of the most widely discussed issues it raises. The volume also brings together commentaries from twenty-six leading scholars of language, gender, and sexuality, within linguistics, anthropology, modern languages, education, information sciences, and other disciplines. The commentaries discuss the book's contribution to feminist research on language and explore its ongoing relevance for scholarship in the field. This new edition of *Language and Woman's Place* not only makes available once again the pioneering text of feminist linguistics; just as important, it places the text in the context of contemporary feminist and gender theory for a new generation of readers.

George's New Dinosaur (Peppa Pig)

Scholastic Inc. George's favorite toy is Mr. Dinosaur. When Mr. Dinosaur breaks, George gets a new toy: Dino-Roar! Dino-Roar walks, talks, and even sings--but can he replace George's old toy? This storybook is based on the Nick Jr. animated TV show!
