KEY=MAN - SHAYLEE COLON

Peter

The Myth, the Man and the writings

Bloomsbury Publishing This book critically examines all the early and important Petrine pseudepigrapha to identify a distinctive Petrine theology which, it is believed, was later swamped by the tide of western orthodoxy. Despite the diversity of the books and tractates, ranging from Jewish-Christian writings to avowedly Gnostic works, a remarkably consistent Petrine tradition does emerge; and Peter is shown essentially to be neither the impetuous, undiscerning, and even vacillating figure portrayed in the Gospels and Acts, nor the magisterial and pontifical figure of later Church tradition, but a visionary who was concerned above all to hold together both the moral and cognitive aspects of the Faith.

The Peter Myth

Wipf and Stock Publishers After the close of the New Testament era AD 70, Christianity entered a literary dark age which lasted until the middle of the second century. This period is filled with Christian pseudepigrapha, pious fiction, misleading forgeries, and genuine writings which have been misdated. The Peter Myth shines a ray of light into the darkness. The most explosive issue confronting the young church was whether gentiles needed to be circumcised and keep the Law. The apostles struggled with the terms of admission for twenty years and, in Acts 15, finally reached a consensus. We are saved by faith in Christ. There was a handful of believing Pharisees who refused to accept their decision, and insisted that gentiles were also bound by Torah. These men won over the churches of Galatia, where a hybrid form of Christianity began to unfold. They wrote their own Scriptures—which are still extant—and in an unrecorded schism, separated from the apostles. The Peter Myth connects the Galatian heresy with those Scriptures—the earliest writings of historic Christianity—to reconstruct an authentic history of the first and second century church.

Nostradamus, Bibliomancer

The Man, The Myth, The Truth

Red Wheel/Weiser Do you think Nostradamus, the famous 16th century "Prophet of Provence," was some kind of magician, perhaps a doctor, astrologer, and seer, too? If so, Peter Lemesurier's revelation that he was really just an ordinary man using an equally ordinary technique may come as a shock. After re-examining the original sources, Lemesurier concludes that Nostradamus was in fact neither a doctor nor an astrologer, nor even (by his own admission) a prophet. He merely believed that history repeats itself, thus and projected known past events onto the future. To do so, he used the process of bibliomancy—randomly selecting extracts of randomly chosen books, then claiming "divine inspiration." Unsurprisingly, he has almost never been proved right.

The Papacy and the Orthodox

Sources and History of a Debate

Oxford University Press The Papacy and the Orthodox examines the centuries-long debate over the primacy and authority of the Bishop of Rome, especially in relation to the Christian East, and offers a comprehensive history of the debate and its underlying theological issues. Siecienski masterfully brings together all of the biblical, patristic, and historical material necessary to understand this longstanding debate. This book is an invaluable resource as both Catholics and Orthodox continue to reexamine the sources and history of the debate.

Man and the Evolution Myth

An Amazonian Myth and Its History

Oxford University Press, USA Peter Gow unites the ethnographic data collected by the fieldwork methods invented by Malinowski with Levi-Strauss's analyses of the relations between myth and time. His book is an analysis of a century of social transformation in an indigenous Amazonian society, the Piro people of Peruvian Amazonia, taking as its starting point a single myth told to the author by a Piro man. Gow explores Piro history and ethnography outwards into the domains of myth-telling in general, and following the logic of certain important myths, further out into important domains of Piro experience such as visual art, shamanry and girls' initiation ritual. All of these domains, like the myths themselves, have been demonstrably changing over the period since the 1880s. The book then shows how these changes are in fact transformations of transformations, changes in social forms that are intrinsically about change. The logic of these changes are then followed through the historical circumstances of Piro people from the 1880s to the 1980s, to show how the intrinsically transformational nature of Piro social forms led them to respond in the ways that they did to the coming of rubber bosses, missionaries, and film-makers. This book makes an important contribution to debates in anthropology on the nature of history and social change, as well as addressing neglected areas such as myth, visual art, and the

methodological issues involved in addressing fieldwork and archival data.

Jesus, Man or Myth?

Lion Books Jesus Christ is one of the most revered and, at the same time, maligned figures in human history. What is the truth about him? Can we reliably know anything at all? In this clear and authoritative book, a leading historian and theologian faces head-on the difficult questions about the historical Jesus. He invites readers to lay aside any preconceived ideas that may have and to examine the evidence. They may be surprised at the findings. Each chapter tackles a different question. These include: • Did Jesus really exist? • How do we know the stories about him are true? • How was he born? • What was his place in Jewish tradition? • Wasn't he just a good man and charismatic leader? • Who did he think he was? • How could he be God and man at the same time? • Did he really do miracles? • What was so special about his teaching? • Did he really die on the cross? • Did he really rise from the dead?

The Duh! Book of Management and Supervision

Dispelling Common Leadership Myths

Common Sense Press (Melrose, FL) Managerial styles are influenced by habit, familiarity, and workplace culture. It's no wonder that well-intentioned professionals doing their best to be good organizational leaders often repeat unhelpful supervisory practices experienced in their early careers, even if they disliked them at the time. In the DUH! Book of Management and Supervision, the author disagrees with many accepted leadership principles (unabashedly referring to them as myths) and makes new and different approaches easier to imagine. Her challenging and controversial concepts illustrated with poignant stories suggest common-sense and immediately applicable alternatives more suitable in today's workplace.

The Search for Big Foot

Monster, Myth Or Man?

Ulysses

The Soldier King

Journeying home to his family after a ten-year war, mighty king Ulysses must first face Circe, an evil sorceress with the power to transform men into wild animals. Original.

Jesus Man, Not Myth

Peter Snow Narrated by John, the Beloved Disciple, this story of Jesus' life is told by imagining His interactions with the people of the Gospel story and their reactions to their life-changing encounters with Him.

1 Peter

Zondervan Academic A companion series to the acclaimed Word Biblical Commentary Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems: they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader to trace important subjects systematically within a given book a Scripture. The Word Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes in this series: Written by top biblical scholars Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series Distill deep and focused study on a biblical book into the most important themes and practical applications of them Give reader's an ability to see the "big picture" of a book of the Bible by understanding what topics and concerns were most important to the biblical writers Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day Ideal for sermon preparation and for other teaching in the church Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series, and will help pastors, bible teachers, and students as they seek to understand and apply God's word to their ministry and learning.

A Man Approved of God

*David's Books David J. Keyser, Ph.D. ** Christian Theology ** This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of Christ, The Holy Spirit and Biblical fiction.*

American Fiction, American Myth

Essays by Philip Young

Penn State Press Few experts in American literature have written as insightfully and brilliantly as did Philip Young, renowned Hemingway critic and scholar at large. His unique work bursts with a joy in the humanities, with a sensibility, a humor, and a style that communicate to academics and general readers alike. Although Young died in 1991, he survives in his remarkable prose. American Fiction, American Myth features nineteen groundbreaking essays in which Young masterfully reveals the &"so what?&" that he insisted all literary studies ought to have. In the first section, he demonstrates his fascination with such American myths as Pocahontas and Rip Van Winkle, reaching powerful conclusions about America and its people. In the second section, he becomes &"Our Hemingway Man,&" explaining his germinal and still provocative theory that Hemingway's severe wounding in World War I so traumatized the novelist that his fiction was to a great degree unwitting self-psychoanalysis. Young's book on Hemingway was the first of its kind, but Young was more than a one-author critic, as his essays demonstrate in the third section, exploring such diverse topics as Hawthorne's secret love, the Lost Generation that was never lost, F. Scott Fitzgerald's debt to T. S. Eliot, and the relationship between American fiction and American life. What Hemingway once said about himself can be equally

applied to Young: &"I am a very serious but not a solemn writer.&" The reader comes away from these essays dazzled by the power of Young's observations and the grace with which he expresses them.

Index to Fairy Tales, Myths and Legends

My Overdue Book

Too Many Stories Not to Tell

CreateSpace My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it

wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

Am I an Antisemite?

Createspace Independent Publishing Platform Properly, while I endeavor to expound the principles of Christian social justice, I shall also endeavor to show you how these principles can be applied. And just as properly, it will be my hope to bestir you to action-Christian action, American action-for faith without good works is dead. Thus, at the outset, while I am deeply grateful to everyone of you for, the heroic sacrifices you have made, and will make, to keep me on the air over this independent chain of radio stations, may I ask you for one more favor today-the favor of a prayer to the Holy Ghost. I beseech all of you to ask the spirit of understanding to fill me with prudence; and the spirit of fortitude to give me strength and courage to carry on the battle against the hidden powers of darkness-perhaps not quite so hidden today as yesterday. May I also suggest that you will ask your little children who are ignorant of the causes of poverty, wretchedness and exploitation-may I suggest that you ask these innocent children to whisper a prayer for one who fully recognizes how unworthy he is but who fully realizes what a golden opportunity God has given to him to be an instrument for good. You are anxious to know what topics I shall discuss during the insuing year. Roundly speaking, it is my hope that these addresses will be concerned chiefly with Christian social justice. While my ultimate objective is to help more and more men to save their immortal souls, I recognize how difficult it is for man to practice Christian virtue, to live a holy life in peace and contentment, when he and a great group of his fellowmen are denied unjustly an equitable share in the goods and wealth of this world-goods and wealth which our common Father in heaven bestowed upon all men for all men to use and enjoy-goods and wealth, which, alas, have been concentrated in the hands of a few to the detriment of the many because an un-Christian species of social injustice was foisted upon us in the past few centuries and because, as a result of this, an alien philosophy of social injustice, under the name either of Communism or Naziism, is endeavoring to win our allegiance today. Fearlessly, Christian social justice challenges these several systems for the attention and the support, in this instance, of the American public-a public composed of persons who, despite their many faults and shortcomings, will never surrender the heritage of Bethlehem, of Pilate's hall, of Calvary Hill or of the Easter morning sepulchre from whose empty depths there echo and re-echo the immortal words, *HI am the Resurrection and the Life.*" Fortified with these precious heritages it is our hope to carry on a campaign of instruction and inspiration even though we find ourselves opposed by the rugged individualists on the right and by the unchristly radicals on the left. It is our hope to convert a zealous band of followers into a group of active Christians-. Christians who, by the sincerity of their lives and the logic of their doctrines shall win millions of followers who are convinced that there is no way other than Christ's way for saving America and restoring prosperity and peace for all. My friends, at the outset, permit me to clarify the fundamental doctrine of Christian social justice-the doctrine that differentiates it from every other plan of life proposed for man to follow. It is this: Christ came on earth not only to redeem and save individuals but also to establish an absolutely new social order. Recognizing the chaotic condition of society in His own time; aware of the universal slavery practiced virtually by every nation; and conscious of the spiritual darkness which had encompassed every kingdom, empire, republic and tribe, our Saviour well understood that man, left to his natural abilities, was unable to acquire peace and prosperity in this world and save his immortal soul in the hereafter.

Tough Call

A Little Book on Making Big Decisions

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

CHARLES BEAN

Man, Myth, Legacy

Free Roll

Brandt Tobler Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

The Myths of Rome

*Liverpool University Press Dictionaries of classical mythology have long been the province of the Greek tradition—any mention of the Romans is often by contrast, painting a portrait of a people without gods, heroes, or a true mythology of their own. This two-hundred-year-old prejudice, born of the Romantic movement and nourished by the classical scholarship of the nineteenth century, portrayed the Romans as merely practical—a race of engineers, jurists, and empire-builders—in stark contrast to the authentically creative poets, dramatists, and philosophers of ancient Greece. Widely reviewed and celebrated on its initial publication three years ago, Peter Wiseman's *The Myths of Rome* dismantles those entrenched prejudices and ambitiously explores the neglected evidence for a uniquely Roman mythology. Inspiring writers, artists, and statesmen throughout the ages, the myths of Rome—iconographic and literary—have enjoyed a rich afterlife in Western culture, from the works of Botticelli and Shakespeare to the emblems of higher learning. This lavishly illustrated volume presents the Roman myths in all their glory, each presented in a format both accessible and appealing to the modern reader. Tracing the development of the world of Roman stories over time and imaginatively reconstructing our picture of early Roman civilization, this major reevaluation of Roman history and its influence on Western culture uses the mediums of myth and art to change our vision of the ancient republic.*
