Successful Cash-Based Physical Therapy Practice Even When I Was Told It Was Unethical, a Bad Idea and That No One Would Pay More Than Their Copay for Physical Therapy!

[Lulu.com](#) **After seeing 43 patients in just one day as a physical therapy student, Aaron LeBauer knew he could not treat patients effectively in the insurance model. He opened his 100% cash-based clinic, LeBauer Physical Therapy, the day he graduated with his Doctor of Physical Therapy degree. He did this so he could treat patients the way he knew they needed to be cared for, not the way the insurance companies dictated. Everyone he told about his plan to charge \$100 or more per visit for physical therapy scoffed, rolled their eyes in disbelief, said it was impossible or that no patient would ever pay more than their copay for physical therapy. Over the next decade, LeBauer built his successful physical therapy clinic with his wife in Greensboro, NC. Not only has the clinic had a waiting list, but it has also employed an additional therapist and started offering wellness services. All the while, LeBauer still has plenty of time off to travel with his family.**

Blueprint to Business

An Entrepreneur's Guide to Taking Action, Committing to the Grind, And Doing the Things That Most People Won't

John Wiley & Sons Essential reading for any would-be entrepreneur **Blueprint to Business** is the ultimate guide to becoming a successful entrepreneur. Bestselling author and CEO Mike Alden puts aside the rainbows and sunshine, gets real about what it takes to 'make it,' and gives you the real-world guidance you need to hear. Through anecdotes and advice, he shares his experiences along with those of other top founders and entrepreneurs to give you a realistic picture of what it takes to build a business. It's a bit of tough love, a healthy dose of reality, and a tremendously motivating guide to striking out on your own; from motivation and commitment to business licenses and the IRS, this guide is your personal handbook for the biggest adventure of your career. So you want to start a business: how much are you willing to commit in terms of time, money, and energy? How do you plan to bring in customers? What will set you apart from the crowd? What will convince clients to come to you rather than your competitor with an established track record? These questions must be answered before you even begin planning—and then, you have to make that canyon-sized leap from planning to doing. This book guides you through the early stages with practical advice from a real-world perspective. Turn 'dreams' into goals, and goals into reality Discover just what it takes to build a successful business Dig into the paperwork and legal/regulatory requirements Adjust your expectations to reflect your abilities and willingness to commit Starting a business could be the best thing you've ever done—or it could be the worst. Mitigate the risk by setting yourself up for success from the very beginning with the invaluable advice in **Blueprint to Business**. Praise for **Blueprint to Business** "I've had the opportunity to work directly with Michael Alden on his children's book. His business know how and ability to get things done is unparalleled." —Naren Aryal, CEO Mascot

Books. "As an entrepreneur and author myself, I would recommend Blueprint to Business to anyone who is in business or looking to start a company. Michael Alden's no nonsense approach is much needed for anyone who wants the real truth about the life of an entrepreneur." —Ken Kupchik, author of The Sales Survival Handbook Cold Calls, Commissions, and Caffeine Addiction The Real Truth About Life in Sales "Michael Alden's story is truly inspirational. He has seen some extremely difficult times and has overcome extraordinary odds along his journey. He harnessed what he learned even as a young child to achieve great business success. The lessons in Blueprint to Business not only help those in business but it is for anyone who wants more out of life." —June Archer, author of YES! Every day can be a good day: The Keys to success that lead to an Amazing life "As a young entrepreneur, I have found that truly successful people help and teach others. Michael Alden has taken the time to help me with my business and my book. His experience is undeniable and I would recommend Blueprint to Business to any entrepreneur who wants to learn from someone who has done great things and continues to." —Casey Adams, social media influencer and author of Rise of The Young: How To Turn Your Negative Situation Into A Positive Outcome, and Build A Successful Personal Brand "Being an entrepreneur has its challenges. Michael Alden shares his business experiences to help others succeed. His advice and enthusiasm is directed towards teaching and leading through example. If you are looking to succeed in business this book is a must read!" —Christopher J. Wirth, entrepreneur, speaker, trainer, coach and host of the No Quit Living Podcast "I've known Mike for over ten years. I have had the opportunity to work very closely with him on dozens of transactions. His ability to get things done and work through obstacles is second to none. When most people would give up, Mike figures out a way to get things done." —Jim Shriner, television personality and author of Live Disease Free Naturally.

Online Money Blueprint

Online Money Making Made Easy

Anthony Ekanem **Everyone wants to make money. That's a given. And the internet can present some pretty lucrative possibilities. But it can also create a breeding ground for scammers. Sometimes it's tough to know what a scam is and what isn't. No one can tell you in all honesty that they haven't, at some time in their online career, been taken at least once by a hyped up scam. You have to understand that there are some folks who are a constant source of helpful information, and those that are hanging out looking for the quick cash. While you can make some easy profits doing business on the internet, you still must be vigilant and careful when buying. The old adage still rings true, especially**

online: "Let the Buyer Beware". Plus, when you sell products online, generally start-up costs are much lower than that of a traditional "brick-and-mortar" store. In many cases your monthly costs would be less than going for a night out. So, turning a profit is much, much easier to accomplish.

The Psychology of Selling

How to Sell More, Easier, and Faster Than You Ever Thought Possible

Thomas Nelson Inc **Double and triple your sales--in any market. The purpose of this book is to give you a series of ideas, methods, strategies, and techniques that you can use immediately to make more sales, faster and easier than ever before. It's a promise of prosperity that sales guru Brian Tracy has seen fulfilled again and again. More sales people have become millionaires as a result of listening to and applying his ideas than from any other sales training process ever developed.**

The Lean Startup

How Today's Entrepreneurs Use Continuous Innovation to Create Radically Successful Businesses

Currency **Most startups fail. But many of those failures are preventable. The Lean Startup is a new approach being adopted across the globe, changing the way companies are built and new products are launched. Eric Ries defines a startup as an organization dedicated to creating something new under conditions of extreme uncertainty. This is just as true for one person in a garage or a group of seasoned professionals in a Fortune 500 boardroom. What they have in common is a mission to penetrate that fog of uncertainty to discover a successful path to a sustainable business. The**

Lean Startup approach fosters companies that are both more capital efficient and that leverage human creativity more effectively. Inspired by lessons from lean manufacturing, it relies on “validated learning,” rapid scientific experimentation, as well as a number of counter-intuitive practices that shorten product development cycles, measure actual progress without resorting to vanity metrics, and learn what customers really want. It enables a company to shift directions with agility, altering plans inch by inch, minute by minute. Rather than wasting time creating elaborate business plans, The Lean Startup offers entrepreneurs—in companies of all sizes—a way to test their vision continuously, to adapt and adjust before it’s too late. Ries provides a scientific approach to creating and managing successful startups in a age when companies need to innovate more than ever.

Blueprints for a SaaS Sales Organization

How to Design, Build and Scale a Customer-Centric Sales Organization

An updated version of the must-have book for SaaS sales teams, which The SaaS Sales Method defines to include Marketing, Sales, and Customer Success. Because of their very nature, SaaS companies live and die on revenue growth. And once the service is ready there is a very small window in which to scale. Missing that window is the difference between massive success and mediocrity. With such high stakes, it is crucial to get a sales team and process in place that will scale. Yet most early stage companies build their sales teams by the seat of their pants. This book distills the authors' years of building high performance SaaS teams into a set of highly detailed instructions that will allow sales leaders to design, implement and execute all around sales plans. Blueprints for a SaaS Sales Organization provides detailed guidance for SaaS sales leaders on how to build an sales organization that works together across the entire customer relationship. It builds on the concepts in The SaaS Sales Method and provides detailed information on how to structure teams so that they apply fundamental sales skills during Moments That Matter.
