THE SMART RETIREMENT PLAN WHEN YOU'RE IN YOUR 40S, 50S AND 60S

Independently Published It's easy to blame the government, the economy, the weather, the job market, the housing market, or any other number of external factors for not building wealth. But the truth is that most people don't take the first step necessary to grow their savings and invest. They don't save 5% of their income, they don't start investing until the retirement age (and even then, not enough), and hence they never build enough to be secure throughout life. Most of us are also following outdated strategies that need some serious updating if we want to retire happy in our 40s, 50s or 60s. Right now is the time for some new thinking about how you can really build your wealth. This book will show you how to create a new savings and investing strategy that will not only set you up for a secure retirement, but for financial independence, too. The book will teach you: How to build a savings plan that will let you retire happy How to create an investment plan that will boost your wealth How to start investing today, regardless of where you are in life How to avoid the most common mistakes people make with their money In this book, you will also learn how to create a new future for yourself; a future where you will be truly financially secure. You can have everything you want out of life, but you MUST have a plan on how to get it! Let the Smart Retirement Plan guide you through your journey to a HAPPY and STRESS free retirement. HOW TO MAKE YOUR MONEY LAST

THE INDISPENSABLE RETIREMENT GUIDE

Simon and Schuster "With **How to Make Your Money Last**, you will learn how to turn your retirement savings into a steady paycheck that will last for life. Today, people worry that they're going to run out of money in their older age. That won't happen if you use a few tricks for squeezing higher payments from your assets--from your Social Security account (find the hidden values there), pension (monthly income or lump sum?), home equity (sell and invest the proceeds or take a reverse mortgage?), savings (should you buy a lifetime annuity?), and retirement accounts (how to invest and--critically--how much to withdraw from your savings each year?). The right moves will not only raise the amount you have to spend, they'll stretch out your money over many more years. You will also learn to look at your savings and investments in a new way. If you stick with super-safe choices the money might not last. You need safe money to help pay the bills in your early retirement years. But to ensure that you'll still have spending money 10 and 20 years from now, you have to invest for growth, today. Quinn shows you how. At a time when people are living longer, yet retiring with a smaller pot of savings than they'd hoped for, this book will become the essential guide"--

CREATING A HAPPY RETIREMENT

A WORKBOOK FOR PLANNING THE LIFE YOU WANT

Self-Counsel Press Our life can be viewed as three stages. In the first, we are told what to do and when to do it by our parents and teachers. In the second, our employers give us directions, usually with set working hours. In the third stage, when we retire, what we do with our time and lives is something we must decide. The transition into retirement, with seemingly endless options, can be challenging. Most books on retirement concentrate on the financial aspects of retirement. This is book does not. This is a workbook crafted to help you plan your own life after work: both long-term and day-to-day. It does not tell you what to do; it provides you with the tools to create your own action plan. The book leads

you and your partner through a series of exercises designed to help you understand and focus on what is important to you, and make the decisions which will help give your retirement years a structure. The book includes a access to a kit of forms and exercises; a workbook for planning your retirement.

WHAT THE HAPPIEST RETIREES KNOW: 10 HABITS FOR A HEALTHY, SECURE, AND JOYFUL LIFE

McGraw Hill Professional The bestselling author of *You Can Retire Sooner Than You Think* and host of *Money Matters* reveals the 10 essential habits for a rich, rewarding, and blissful retirement. What does it take to have a truly happy retirement? Is it money? A mortgage-free home? An active social life? A long-lasting marriage—or maybe a new one? Finance expert, author, and radio host Wes Moss asked more than 2,000 of the nation's happiest retirees to find out—and their answers may surprise you. Through a series of revealing surveys, Moss noticed a pattern of distinct, recognizable habits that the happiest retirees shared, from the simplest of lifestyle choices to the smartest of financial strategies. These are the kinds of habits anyone can develop—the perfect road map to a healthy, secure, and joyful retirement—sooner. Whether you're already retired or just starting to make plans, these 10 simple actions and attitudes can make a profound difference in every aspect of your life. The book is packed with hard-won wisdom and invaluable advice on how to make little changes now that will have the biggest impact later. It's filled with proven ways to develop smarter habits with: Money ("Think river, not reservoir"); Family ("Get your kids off your payroll"); Housing ("Live mortgage-free"); Investing ("Be a tomorrow investor"); Spending ("Be pound wise—so you can be penny foolish"); and much more. With these 10 transformational habits, you can stop obsessing over money, stay socially connected, and start enjoying your new life—as the happiest retiree on the block.

RETIREMENT BY DESIGN

A GUIDED WORKBOOK FOR CREATING A HAPPY AND PURPOSEFUL FUTURE

Simon and Schuster Find out how harnessing the powerful business principles of design thinking can make retirement your best chapter in life. There is no one right time or way to retire. Retirement is a major life transition; but if you spend the time designing a future filled with promise and possibilities, the prospect can be utterly exciting and revitalizing. In *Retirement by Design*, professional mentor and coach Ida Abbott shows you how the innovative business principles behind design thinking can be applied to plan a rich, fulfilling, and more meaningful retirement. Her guided workbook uses a business-like approach to leaving business, making your switch much smoother and less jolting. Whether you're considering a new place to settle down, working through financial planning, strategizing how to unwind a business, or deciding on which organizations you want to stay engaged with, making critical decisions takes a lot of organization, thought, and planning. Abbott shows how the five principles of design thinking will revolutionize your retirement-planning process: Empathy: Get inside the shoes of your future self. What will be important to that version of you? Define: Hone in on what is and will be most critical for you to focus on (whether it's volunteering, family, activities, or skills). Ideate: Draw, scribble, brainstorm, and throw around as many different retirement scenarios as you can come up with. Prototype: If retiring across the country in Arizona sounds perfect—try it out first. Come up with opportunities to test out your scenarios with short trips and trial time off. Test: This is the fun part—get back to the drawing board and try more retirement scenarios (and future versions of yourself) before sitting down to make those life-changing decisions. The new and innovative, self-coaching approach of *Retirement by Design* helps you spearhead and navigate a major next step in life. Whether your retirement is 10 years away or swiftly approaching, this workbook ensures you will create a future that is perfectly tailored to you.

REVITALIZING RETIREMENT

RESHAPING YOUR IDENTITY, RELATIONSHIPS, AND PURPOSE

Lifetools In preparation for retirement, we are often urged to build up our financial portfolio or perhaps downsize our home or move closer to family. Often neglected in this process, however, are the psychological ramifications that come with the transition into retirement. It is important for retirees to make a plan for their retirement financially, but also to take stock of their psychological portfolio at the same time. This means taking an honest look at how your sense of identity will change with retirement, how your relationships and support systems may change, and how your sense of purpose will be affected. "Revitalizing Retirement" gives unique guidance on how to create a happy, fulfilling retirement. Nancy K. Schlossberg, a counseling psychologist and author of "Retire Smart", "Retire Happy", describes the secret to a happy retirement. She encourages readers to reshape their identity, relationships, and purpose. She discusses several coping skills that deal with accepting change and help retirees continue to feel that they are vital members of their community and that they matter. Each chapter contains stories from actual retirees that demonstrate the numerous ways of pursuing an enjoyable retirement. There are short quizzes and discussion questions at the end of each chapter so that readers can reflect on what they have read and see exactly how it relates to their own lives. This book is a must-read for anyone considering retirement in the near future as well as current retirees who may be struggling to find happiness in their daily lives.

WORK OPTIONAL

RETIRE EARLY THE NON-PENNY-PINCHING WAY

Hachette Books **A practical action guide for financial independence and early retirement from the popular "Our Next Life" blogger.** In today's work culture, we're expected to hustle around the clock. But what if you could escape the traditional path and get on one that doesn't require working full-time until age 65? What if you could wake up every day without an alarm clock and do the things you love most? Tanja Hester and her husband Mark left their crazed careerist lifestyle to live their dream life in Lake Tahoe, retiring early from high-stress careers. Now Tanja will help you map out a customized plan for freedom and make it easy to succeed, whether you're good at math and budgeting-or not! *Work Optional* is more than just a financial plan: it's a plan for your whole life—designed by you, not by an employer or clients. Tanja walks you through envisioning your dream life, accounting for variables such as health care and children, protecting yourself from recessions and future unknowns, and achieving a purpose-filled early retirement, semi-retirement, or career intermission with completely doable, non-penny-pinching steps. You can live a happier, more meaningful life, free from the daily grind. Regardless of where you are in your career, *Work Optional* will get you there.

HOW TO SURVIVE RETIREMENT

MAKE A PLAN FOR YOUR NEXT 20 TO 30 YEARS OF RETIREMENT

Are you are thinking about it or already retired? You have to find fun, excitement, and joy in your days. 40 years to achieve the retirement goal, and you are not happy, you don't know what to do all day? YOU need a plan. Husband and I retired early, he was 57, and I was 55. Most people hear us say our ages and they ask, "What do you do all day?" VERY, very rarely do they ask, "How do you afford it?" To me that is hilarious: before retirement you plan financially, you plan the date, but you don't take time to figure out what you want to do for 20-30 years of retirement. I have seen it now for five years. Everyone thinks that you magically know how to retire. YOU DON'T but my book will help you think through what you need and what you want for YOUR life. No money talk, this is all ideas to make your 20-30 years of retirement what you want and need it to be for years of joy. Retirement is talked about just as going off to college is. FOUR things to except in retirement: 1. We are all going to die 2. Stop fearing change. 3. Stop living in the past 4. Be easy on yourself What started out as a sassy article I wrote with hundreds of comments has been turned into this book, here is the book's table of contents: Why This Book Invest in Relationships Changes - What are YOU Dreaming? Humor and Laughter It's Just Me Never Say Again Be Kind to Yourself and Others Add a Little Luxury A Bit of Time for Yourself Be a Better You Moving to a New Area Dealing with Elderly Parents 20-30 Year Money Guess My Life Lessons PLEASE retire happy! FROM STRENGTH TO STRENGTH

FINDING SUCCESS, HAPPINESS, AND DEEP PURPOSE IN THE SECOND HALF OF LIFE

Penguin The roadmap for finding purpose, meaning, and success as we age, from bestselling author, Harvard professor, and the Atlantic's happiness columnist Arthur Brooks. Many of us assume that the more successful we are, the less susceptible we become to the sense of professional and social irrelevance that often accompanies aging. But the truth is, the greater our achievements and our attachment to them, the more we notice our decline, and the more painful it is when it occurs. What can we do, starting now, to make our older years a time of happiness, purpose, and yes, success? At the height of his career at the age of 50, Arthur Brooks embarked on a seven-year journey to discover how to transform his future from one of disappointment over waning abilities into an opportunity for progress. From Strength to Strength is the result, a practical roadmap for the rest of your life. Drawing on social science, philosophy, biography, theology, and eastern wisdom, as well as dozens of interviews with everyday men and women, Brooks shows us that true life success is well within our reach. By refocusing on certain priorities and habits that anyone can learn, such as deep wisdom, detachment from empty rewards, connection and service to others, and spiritual progress, we can set ourselves up for increased happiness. Read this book and you, too, can go from strength to strength.

ROAR

INTO THE SECOND HALF OF YOUR LIFE (BEFORE IT'S TOO LATE)

Simon and Schuster This “inspiring reminder that it is never too late to reinvent yourself” (Nina García, editor-in-chief, Elle) shows you how to make second half of your life happy and productive—whether or not retirement is in your future plans. We are living in a time when everyone is constantly reassessing what is next for them. In the mid-career group, people who have spent years working are now seeing their industry dramatically evolve and are facing the question: “What does that mean for me in the next twenty years?” At the same time, the post-career population is also going through massive change and dealing with the fact that many of them are not prepared financially, logistically, or emotionally for the next phase of their lives. And while we may want to retire, most of us don’t want to do nothing. With expert insight and approachable techniques, Roar helps you identify fresh goals and take meaningful action to achieve a purposeful life. Featuring a unique and dynamic 4-part process, Roar shows you how to: -Reimagine yourself -Own who you are -Act on what’s next -Reassess your relationships Transformative and invigorating, “you couldn’t pick a better roadmap for your next chapter than Roar. It teach[es] you how to approach the future not with fear or worry, but with passion and purpose” (Michael Sebastian, editor-in-chief, Esquire).

YOU CAN RETIRE SOONER THAN YOU THINK

McGraw Hill Professional From Wes Moss--named by Barron's as one of America's top financial advisors "The keys that Wes Moss identifies to having a happy retirement are simple but brilliant. Read this book." -- Clark Howard, #1 New York Times bestselling author of Living Large in Lean Times “Financial planner Wes Moss offers you something different—not just a plan to retire, but a way to do it sooner and to be happy when you do.” - Atlanta Journal Constitution If you think you need to win the lottery or work until you’re 75 to retire with financial stability, Money Matters host Wes Moss has very good news for you. You Can Retire Sooner Than You Think reveals the secrets for ensuring a successful retirement—sooner rather than later. After conducting an intensive study of happy retirees to learn the financial practices they hold in common, Moss discovered that it doesn't take financial genius, millions of dollars, or sophisticated investment skills to ensure a safe, solid retirement. All it takes is five best practices: Determine what you want and need your retirement money for Figure out how much you need to save Create a plan to pay off your mortgage in as little as five years Develop an income stream from multiple sources Become an income investor Getting on the fast track to a great retirement is a lot simpler than the retirement professionals would have you believe. You Can Retire Sooner Than You Think provides the proven-effective, five-step formula for creating the retirement of your dreams.

RETIRING?

YOUR NEXT CHAPTER IS ABOUT MUCH MORE THAN MONEY

Houndstooth Press Planning for retirement isn't just about money. Retirement has changed dramatically since our parents' generation. People are living far longer, with far better health than ever before-both mentally and physically. Instead of slowing down, people are leaving their jobs feeling ready to take on the world. They're financially independent, active, and capable. And then, suddenly, they have nothing to do. Business friends drift away, the sense of purpose that comes with solving problems day in and day out fades into memory, and you start looking ahead to the next thirty or forty years wondering what on earth you're going to do with all that time. *Retiring?* takes a profound look at twenty-first-century retirement, helping you plan all the nonfinancial aspects of what comes next. Drawing on the experience of today's modern, vibrant retirees, *Retiring?* offers a concise, practical, and conversational guide to the best chapter of your life.

RETIRE INSPIRED

IT'S NOT AN AGE. IT'S A FINANCIAL NUMBER.

Ramsey Press When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In *Retire Inspired*, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!
