## Pollyanna

Pollyanna is a best-selling novel by Eleanor H. Porter that is now considered a classic of children's literature. The book was such a success that Porter soon produced a sequel, Pollyanna Grows Up (ISBN 9781439297513 ). The novel's success brought the term "Pollyanna" (along with the adjective "pollyannaish" and the noun "Pollyannaism") into the language to describe someone who seems always to be able to find something to be "glad" about no matter what circumstances arise.

## Pollyanna

ePenguin As soon as Pollyanna arrives in Beldingsville to live with her strict and dutiful maiden aunt, she begins to brighten up everybody's life. The 'glad game' she plays, of finding a silver lining in every cloud, transforms the sick, the lonely and the plain miserable - until one day something so terrible happens that even Pollyanna doesn't know how ot feel glad about it.

## Pollyanna

Sterling Publishing Company An abridged version of the tale of orphaned, eleven-year-old Pollyanna, who comes to live with austere and wealthy Aunt Polly, bringing happiness to her aunt and other members of the community through her philosophy of gladness.

## Pollyanna

Turtleback Books When orphaned eleven-year-old Pollyanna comes to live with austere and wealthy Aunt Polly, her philosophy of gladness brings happiness to her aunt and other unhappy members of the community.

## &, Pollyanna Grows Up

Wordsworth Editions Pollyanna's story of how cheerfulness can conquer adversity has made this one of the most popular children's books every written. This edition includes the sequal, Pollyanna Grows Up.

# Pollyanna

*Toro Mitico S L Editorial* Ahora que la joven Pollyanna Whittier se ha quedado huérfana, deberá mudarse a una pequeña ciudad de Nueva Inglaterra con su severa tía Polly, cuyo carácter arisco no será un inconveniente para el optimismo de Pollyanna, que contagiara de alegría a todos, incluso a los lectores.

# Pollyanna

*First Avenue Editions*™ When optimistic orphan Pollyanna is sent to live with her stern Aunt Polly in the dismal town of Beldingsville, the sweet-natured eleven year old relies on "the Glad Game" to boost her spirits. The Glad Game—which involves looking for the silver lining in every situation—allows her to remain cheerful no matter how coldly and harshly her aunt treats her. Pollyanna teaches the town's residents how to be glad, too, and her sunny outlook soon reanimates the town. Not even strict Aunt Polly is entirely immune to Pollyanna's infectious charm. But when misfortune strikes, Pollyanna will find her irrepressible optimism put to the test. This is an unabridged version of the heartwarming children's tale by American author Eleanor H. Porter, first published in 1913.

# Pollyanna - Eleanor H.Porter (Stage-5)

*Maviçatı Yayınları* The orphan girl Pollyanna moves in with her strict aunt in New England. Despite a difficult start, Pollyanna's exuberance and positivity affect everyone who meets her, and she spreads joy and love wherever she goes. But when tragedy strikes, Pollyanna finds her optimistic attitude tested, and she must learn to find happiness again.

# Pollyanna : Om Illustrated Classics

*Om Books International* The stern Ms Polly's household is disrupted when her orphaned niece comes to live with her. The endearing child is always ready to please, but doesn't really believe in doing what her heart rejects. She brightens the serious household with her optimistic attitude, playing what she calls 'just being glad' game. Always smiling and helpful, Pollyanna touches the lives of many people in the neighbourhood - teaching them a new way to live. Pollyanna is a story which emphasizes there is always something to be glad about in life, only if one really looks for it.

# Pollyanna

# Pollyanna

*Collins HarperCollins* is proud to present its incredible range of best-loved, essential classics. 'When you look for the bad, expecting it, you will get it. When you know you will find the good--you will get that' When life feels difficult, Pollyanna has learned to play "The Glad Game". In any situation, no matter how dire it may seem, she challenges herself to find the silver-lining. However, orphaned at a young age and forced to live with her hard-hearted Aunt Polly, Pollyanna has had a lot of opportunities to practice. With her infectious cheer, she is soon convincing some of the town's most troubled residents to rediscover the things they're glad about, until even her sunny disposition is tested. A classic of the Golden Age of Children's Literature, Pollyanna has become a synonym for optimism, and inspired countless readers to find hope in the hardest of situations.

# Pollyanna Grows Up

*Amereon Limited* As Pollyanna grows up she continues her philosophy of gladness, bringing happiness to all those around her.

## Pollyanna (Annotated)

*Independently Published* The young orphan Pollyanna is sent to live with her stern Aunt in a dour New England town. Refusing to be cast down by her circumstances, Pollyanna begins teaching the town "the glad game", which her father taught her. To play, one must find something to be glad about in every situation. Gradually, the irrepressible girl brings happiness and light to the lives of everyone around her. Pollyanna is a children's literature classic.

## Pollyanna and Pollyanna Grows Up

*Elizabeth's Inventions* Eleanor H. Porter's 1913 classic is combined with its 1915 sequel, with the original black-and-white illustrations by Stockton Mulford and H. Weston Taylor. The books are unabridged in this edition but have had some spelling and punctuation updates. Pollyanna is orphaned and moves in with her strict, duty-bound aunt. Pollyanna's intentional and contagious gladness spreads through the entire town, but it has no effect on Aunt Polly--until something happens that endangers Pollyanna's own ability to "just be glad." In the included sequel, Pollyanna goes to Boston to stay with a wealthy widow whose only nephew has been missing for eight years. Ruth Carew is a bitter, lonely woman who has given up on the search--until Pollyanna moves in with her. Can Pollyanna help Mrs. Carew find her lost nephew, or learn to appreciate life even in his absence?

## Penguin Kids 4 Pollyanna Reader

Orphan Pollyanna Whittier goes to live with her cold, unhappy Aunt Polly. She plays the glad game - it helps her find things to be glad about. Before long, Pollyanna is helping people in the town play the glad game, and they feel happier. Then, one day, a terrible accident happens. Can it stop Pollyanna's smile?

## A Classic of Children's Literature

*Createspace Independent Publishing Platform* A Classic of Children's Literature Pollyanna By Eleanor H. Porter Pollyanna is a best-selling 1913 novel by Eleanor H. Porter that is now considered a classic of children's literature, with the title character's name becoming a popular term for someone with the same optimistic outlook. The book was such a success that Porter soon produced a sequel, *Pollyanna Grows Up* (1915). Eleven more Pollyanna sequels, known as "Glad Books," were later published, most of them written by Elizabeth Borton or Harriet Lummis Smith. Further sequels followed, including *Pollyanna Plays the Game* by Colleen L. Reece, published in 1997. Pollyanna has been adapted for film several times. Some of the best-known are Disney's 1960 version starring child actress Hayley Mills, who won a special Oscar for the role, and the 1920 version starring Mary Pickford. The title character is named Pollyanna Whittier, a young orphan who goes to live in Beldingsville, Vermont, with her wealthy but stern and cold spinster Aunt Polly, who does not want to take in Pollyanna, but feels it is her duty to her late sister. Pollyanna's philosophy of life centers on what she calls "The Glad Game," an optimistic attitude she learned from her father. The game consists of finding something to be glad about in every situation. It originated in an incident one Christmas when Pollyanna, who was hoping for a

doll in the missionary barrel, found only a pair of crutches inside. Making the game up on the spot, Pollyanna's father taught her to look at the good side of things—in this case, to be glad about the crutches because "we didn't need to use them!" With this philosophy, and her own sunny personality and sincere, sympathetic soul, Pollyanna brings so much gladness to her aunt's dispirited New England town that she transforms it into a pleasant place to live. The Glad Game shields her from her aunt's stern attitude: when Aunt Polly puts her in a stuffy attic room without carpets or pictures, she exults at the beautiful view from the high window; when she tries to "punish" her niece for being late to dinner by sentencing her to a meal of bread and milk in the kitchen with the servant Nancy, Pollyanna thanks her rapturously because she likes bread and milk, and she likes Nancy. Soon, Pollyanna teaches some of Beldingsville's most troubled inhabitants to "play the game" as well, from a querulous invalid named Mrs. Snow to a miserly bachelor, Mr. Pendleton, who lives all alone in a cluttered mansion. Aunt Polly, too—finding herself helpless before Pollyanna's buoyant refusal to be downcast—gradually begins to thaw, although she resists the glad game longer than anyone else. Eventually, however, even Pollyanna's robust optimism is put to the test when she gets hit by a car and loses the use of her legs. At first she doesn't realize the seriousness of her situation, but her spirits plummet when she is told what happened to her. After that, she lies in bed, unable to find anything to be glad about. Then the townspeople begin calling at Aunt Polly's house, eager to let Pollyanna know how much her encouragement has improved their lives; and Pollyanna decides she can still be glad that she at least has had her legs. The novel ends with Aunt Polly marrying her former lover Dr. Chilton and Pollyanna being sent to a hospital where she learns to walk again and is able to appreciate the use of her legs far more as a result of being temporarily disabled.

## The Stuff of Stars

*Candlewick Press* In an astonishing unfurling of our universe, Newbery Honor winner Marion Dane Bauer and Caldecott Honor winner Ekua Holmes celebrate the birth of every child. Before the universe was formed, before time and space existed, there was . . . nothing. But then . . . BANG! Stars caught fire and burned so long that they exploded, flinging stardust everywhere. And the ash of those stars turned into planets. Into our Earth. And into us. In a poetic text, Marion Dane Bauer takes readers from the trillionth of a second when our universe was born to the singularities that became each one of us, while vivid illustrations by Ekua Holmes capture the void before the Big Bang and the ensuing life that burst across galaxies. A seamless blend of science and art, this picture book reveals the composition of our world and beyond — and how we are all the stuff of stars.

## POLLYANNA & Its Sequel, Pollyanna Grows Up

## Inspiring Journey of a Cheerful Little Orphan Girl and Her Widely Celebrated "Glad Game"

*e-artnow* Pollyanna is a best-selling novel by Eleanor H. Porter that is now considered a classic of children's literature, with the title character's name becoming a popular term for someone with the same very optimistic outlook. Pollyanna has been adapted for film several times. Some of the best known are Disney's 1960 version starring child actress Hayley Mills, who won a special Oscar for the role, and the 1920 version starring Mary Pickford. The book was such a success that Porter soon produced a sequel, *Pollyanna Grows Up* (1915). The sequel *Pollyanna Grows Up* is the only one written by Porter herself; the numerous later additions to the Pollyanna franchise were the work of other authors. Eleanor Emily Hodgman Porter (1868–1920) was an American novelist.

# Pollyanna

*Standard Ebooks* Eleven year-old Pollyanna, having recently been orphaned by her widower father, is sent back East to be cared for by her dutiful and stoic Vermont aunt. Naive and ever-literal, this very positive young girl brings with her an infectious habit of instinctive gratitude that was taught to her as “the game” by her late father. This game serves her well, while also uplifting the turn of the century New England community which becomes her home. Pollyanna inspired the production of five feature length films and fifteen subsequent novels, including books written by six other authors. Pollyanna was a best-selling children’s book when first published, and the eponyms “Pollyanna” and “Pollyanna Principle” have taken a lasting place in our culture. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Pollyanna has been taught by her Father to play "The Glad Game", where you find something to be glad about, no matter what the situation.

## Eleanor H. Porter's Pollyanna

## A Children's Classic at 100

*Univ. Press of Mississippi* Appearing first as a weekly serial in The Christian Herald, Eleanor H. Porter’s Pollyanna was first published in book form in 1913. This popular story of an impoverished orphan girl who travels from America’s western frontier to live with her wealthy maternal Aunt Polly in the fictional east coast town of Beldingsville went through forty-seven printings in seven years and remains in print today in its original version, as well as in various translations and adaptations. The story’s enduring appeal lies in Pollyanna’s sunny personality and in her glad game, her playful attempt to accentuate the positive in every situation. In celebration of its centenary, this collection of thirteen original essays examines a wide variety of the novel’s themes and concerns, as well as adaptations in film, manga, and translation. In this edited collection on Pollyanna, internationally respected and emerging scholars of children’s literature consider Porter’s work from modern critical perspectives. Contributors focus primarily on the novel itself but also examine Porter’s sequel, Pollyanna Grows Up, and the various film versions and translations of the novel. With backgrounds in children’s literature, cultural and film studies, philosophy, and religious studies, these scholars extend critical thinking about Porter’s work beyond the thematic readings that have dominated previous scholarship. In doing so, the authors approach the novel from theoretical perspectives that examine what happens when Pollyanna engages with the world around her—her community and the natural environment—exposing the

implicit philosophical, religious, and nationalist ideologies of the era in which Pollyanna was written. The final section is devoted to studies of adaptations of Porter's protagonist.

## Pollyanna (Annotated)

Pollyanna is a 1913 novel by American author Eleanor H. Porter, considered a classic of children's literature. The book's success led to Porter's soon writing a sequel, Pollyanna Grows Up. The title character is Pollyanna Whittier, an eleven-year-old orphan who goes to live in the fictional town of Beldingsville, Vermont, with her wealthy but stern and cold spinster Aunt Polly, who does not want to take in Pollyanna but feels it is her duty to her late sister. Pollyanna's philosophy of life centers on what she calls "The Glad Game," an optimistic and positive attitude she learned from her father. The game consists of finding something to be glad about in every situation, no matter how bleak it may be. It originated in an incident one Christmas when Pollyanna, who was hoping for a doll in the missionary barrel, found only a pair of crutches inside. Making the game up on the spot, Pollyanna's father taught her to look at the good side of things in this case, to be glad about the crutches because she did not need to use them.

## Pollyanna - The Original Classic Edition

Tebbo The story of Pollyanna, the girl of gladness or as later called in the beautifully done anime series from 1986 and recent movie, the girl of love, is a tale of pure wonder that will stay within you forever. This book is for children and grown-ups, for anyone will find the simple beauty of this book, followed by a sequel that was just as wonderful. After her fathers death, the newly-orphaned ten-year-old Pollyanna moves to Beldingsville to live with her strict and dutiful Aunt Polly. In this great new house Pollyanna is at first kept sleeping up in the attic room, for Aunt Polly feels that that is enough for her to accomplish her duty. If not for Old Tom and good, kind house-keeper Nancy, Pollyannas stay would have been very dull indeed. Although she never realized it, Pollyanna has a great talent, a great gift for gladness. Just by talking she manages to bring life and joy into the lives of her loved ones, and everyone Pollyanna knows is a loved one as she sees it. Little Pollyanna is one day sent to visit the old invalid woman, Mrs. Snow, her illness keeping her in a gloomy room under old bed-sheets. Mrs. Snow is unhappy and hopeless, but soon Pollyanna cheers the woman up with her usual gladness that seems to be very contagious. At a very young age, Pollyanna was taught by her father a little game, today known as the Glad Game. Being poor and depending on charities to keep alive, Pollyanna and her father received barrels containing supplies and needed things. Pollyanna had wished that one of these would contain a pretty doll, which never arrived, a pair of crutches arrived instead. Pollyanna had naturally cried, but her father told her that she could be glad that she didnt need them, and thats when the game of finding a silver lining in every cloud began. The Glad Game was soon known to everyone in the town, from the cross Mr. John Pendelton to the trying-hard-ter-learn-ter-play-it Nancy. Everyone that is, except for good Aunt Polly. For reasons unknown to Pollyanna, Aunt Polly had forbidden the mentioning of her late father and for this, Pollyanna cannot let her know of the game, since Pollyanna is known for taking everything literally. However, very dark clouds surround the town of Bendinsville when little Pollyanna is hit by a speeding automobile and loses her ability to walk, so dark these clouds are, that not even Pollyanna knows how shell be able to find a silver lining in them. I shall write no more, for the rest is for the reader to discover. Pollyanna may at first be accused of having similarities to Anne of Green Gables and maybe even Rebecca of Sunnybrook Farm, but those will only last during the first few chapters, Pollyanna soon changes into a very original (And quite interesting) novel. This book is anything but dull, as a previous reader and reviewer had stated, and you simply cannot make such a remark after only having read the first few chapters. Pollyanna will delight its readers, but its whole wonder cannot be lived until the wonderful sequel, Pollyanna Grows Up is read as well. Its true, when you meet Pollyanna, imagining her all grown up is hard, but although she grew older, she never did really change.

## Pollyanna Book and Charm

Festival The whole town is Playing the game, and tile whole town is wonderfully happier -- all because of one little girl who taught tile people a new game, and how to play it. When Pollyanna's father dies, she is sent clear across the country to a small town in Vermont where she will live with her strict Aunt Polly. But Pollyanna doesn't seem to notice how stern and unfeeling her aunt really is. Pollyanna simply plays her "glad" game -- finding a silver lining in every cloud. Eventually Pollyanna brightens the lives of everyone in town, even the most reclusive citizens, as she takes in every stray cat, dog, and orphan. But then a terrible accident happens and Pollyanna doesn't think she can feel glad about anything anymore. All of her new friends from town turn out to support her, but will that be enough to restore Pollyanna's cheerful outlook on life?
