## Public speaking per tutti. Se solo potessi... parlare in pubblico senza stress

### Sei unico

*You can print* **L'attuale contesto economico caratterizzato da crisi profonda, da concorrenza spietata e da carenza di liquidità, coinvolge principalmente le imprese e successivamente anche i professionisti delle stesse. Questi ultimi, abituati da sempre a considerarsi indispensabili e quindi fuori dalle problematiche della crisi, hanno cominciato a sentire il peso della situazione ed a vedersi ridurre, in maniera considerevole, gli introiti. Molti, causa l'abolizione delle**

tariffe minime, hanno reagito dapprima riducendo le richieste ai clienti e successivamente ridimensionando gli studi. Questo libro scritto da Angelo Fanizzi, invece, propone una soluzione diversa: e se per migliorare l'attuale situazione bastasse organizzare lo studio professionale? Commercialista e Revisore Contabile dal 1991, utilizzando un linguaggio semplice e discorsivo, attraverso il suo libro, egli cerca di aiutare i colleghi a venir fuori da questa impasse mai provata prima. Innovare il modo di svolgere la professione, migliorare l'organizzazione interna dello studio, scegliere i software più innovativi, gestire meglio le risorse umane e, soprattutto, gestire in maniera più efficace il tempo: ecco alcuni suggerimenti, inseriti in questo libro, che tragheranno il professionista in una nuova dimensione fatta di meno stress, maggiori soddisfazioni professionali e maggior tempo da dedicare a se stessi ed alla propria famiglia.

## Public speaking per tutti

*Etas* Cena, riunione, discorso, conferenza, convegno, riunione di condominio, corso di formazione qualsiasi intervento davanti a 3 persone o 3.000 significa parlare in pubblico e la stragrande maggioranza di noi, in una di queste situazioni, si nasconde evitando di trasmettere le proprie idee poiché ha paura o non sa farlo in maniera efficace. Il manuale pratico di Max Formisano - uno dei trainer di sviluppo personale più innovatori e non convenzionali che operano oggi in Italia - presenta la ricetta semplice ed efficace per superare il blocco e diventare uno speaker di successo. Un libro pratico che affronta con chiarezza tutti i passaggi della performance - dalla preparazione della location all'azione, dalla gestione dello stress a quella del dissenso, fino all'atterraggio" finale - con l'ausilio di esercizi ed esempi che tutti possono mettere in atto.

## Public Speaking for Success

*Penguin* Dale Carnegie, author of the legendary *How to Win Friends and Influence People*, began his career as the premier "life coach" of the twentieth century by teaching the art of public speaking. Public speaking, as Carnegie saw it, is a vital skill that can be attained through basic and repeated steps. His classic volume on the subject appeared in 1926 and was revised twice-in shortened versions-in 1956 and 1962. This 2006 revision-edited by a longtime consultant to Dale Carnegie & Associates, Inc., and the editor in charge of updating *How to Win Friends and Influence People*-is the definitive one for our era. While up-to-date in its language and points of reference, *Public Speaking for Success* preserves the full range of ideas and methods that appeared in the original: including Carnegie's complete

speech and diction exercises, which follow each chapter, as the author originally designated them. This edition restores Carnegie's original appendix of the three complete self-help classics: *Acres of Diamonds* by Russell H. Conwell, *As a Man Thinketh* by James Allen, and *A Message to Garcia* by Elbert Hubbard. Carnegie included these essays in his original edition because, although they do not directly relate to public speaking, he felt they would be of great value to the readers. Here is the definitive update of the best-loved public-speaking book of all time.

## Se solo potessi... creare relazioni efficaci

## Singing to the Lyre in Renaissance Italy

## Memory, Performance, and Oral Poetry

*Cambridge University Press* The first comprehensive study of the dominant form of solo singing in Renaissance Italy prior to the mid-sixteenth century.

## Il Nocciolo Duro. Come Sviluppare Autostima, Consapevolezza e Potere Personale

## I Segreti di Max Formisano per migliorare autostima e produttività del 300%.

*Bruno Editore* "In questo libro Max Formisano ci spiega che la noce è dura fuori e fragile dentro. Come tante persone con scarsa autostima. L'albicocca è morbida fuori ma forte dentro. Come chi ha l'autostima alta e comportamenti flessibili. Se solo potessi guardarti dentro, scopriresti il tuo mondo interiore, acquisiresti nuova consapevolezza: questi sono i

passi fondamentali per realizzarti e sviluppare il tuo nocciolo duro e il tuo potere personale. ” Giudizio: ★★★★★ **COME FARE DELL'AUTOSTIMA UNA RISORSA A PRESCINDERE** L'autostima: che cos'è e come influenza la tua vita. Le differenze che intercorrono tra buona autostima e cattiva autostima. Di cosa è frutto l'autostima e quali atteggiamenti altrui contribuiscono a formarla. Cosa sono gli allucinogeni dell'autostima e in che modo agiscono. **COME FARE DEL FOCUS INTERNO LA MICCIA DELL'AUTOREALIZZAZIONE** Il primo passo che porta alla consapevolezza e alla realizzazione di sé. Gli strumenti che possono supportare il tuo processo di cambiamento. L'importanza di realizzare il sogno che deriva da talento e passione. Capire che cos'è la missione e perché è importante definirla. **COME TRADURRE IL FOCUS INTERNO IN AZIONI CONCRETE** La sfida che è alla base dell'eccellenza. Quali sono gli atteggiamenti comuni e le azioni quotidiane degli esseri umani. Focus interno e focus esterno: cosa sono e come si esplicano. L'importanza del metodo "smarte" nella definizione degli obiettivi. Gli errori più comuni che devi evitare di commettere per raggiungere un buon risultato.

## Machiavelli

*OUP Oxford* **Founders of Modern Political and Social Thought Series Editor: Dr Mark Philp, Oriel College, University of Oxford** Founders of Modern Political and Social Thought present critical examinations of the work of major political philosophers and social theorists, assessing both their initial contribution and continuing relevance to politics and society. Each volume provides a clear, accessible, historically-informed account of each thinker's work, focusing on a re-assessment of their central ideas and arguments. Founders encourage scholars and students to link their study of classic texts to current debates in political philosophy and social theory. This launch volume in the Founders of Modern Political and Social Thought series presents a critical examination of Machiavelli's thought, combining an accessible, historically-informed account of his work with a re-assessment of his central ideas and arguments. Maurizio Viroli challenges the accepted interpretations of Machiavelli's work, insisting that his republicanism was based not on a commitment to virtue, greatness, and expansion, but to the ideal of civic life protected by the shield of fair laws. His detailed study of how Machiavelli composed his famous work *The Prince* presents new interpretations, and he further argues that the most challenging and completely underestimated aspect of Machiavelli's thought is his philosophy of life, in particular his conceptions of love, women, irony, God, and the human condition. Viroli demonstrates that Machiavelli composed *The Prince*, and all his works, according to the rules of classical rhetoric and never intended to found the 'modern science of politics', aiming rather to continue and refine the practice of political theorising as a rhetorical endeavour taught by the Roman masters of civic philosophy. Viroli's *Machiavelli*, a serious challenge to

contemporary methods of doing political theory, will be essential for advanced students of the history of political thought.

## Italian Futurist Poetry

*University of Toronto Press* "Italian Futurist Poetry" contains more than 100 poems (both Italian and English versions) by sixty-one poets from across Italy.

## The Idea of Beauty in Italian Literature and Language

"Il buono amore è di bellezza disio"

*BRILL* This book assesses the pivotal role played by the concept of beauty in Italian literature and language in the construction of the Italian national identity.

## The Renewal of Pagan Antiquity

## Contributions to the Cultural History of the European Renaissance

*Getty Publications* A collection of essays by the art historian Aby Warburg, these essays look beyond iconography to more psychological aspects of artistic creation: the conditions under which art was practised; its social and cultural contexts; and its conceivable historical meaning.

# Legends of Florence

## Collected from the People

### A Companion to Pietro Aretino

**BRILL** An interdisciplinary exploration of one of the most prolific and controversial figures of early modern Europe. This volume is comprised of seven sections, each devoted to a specific aspect Aretino's life and works.

## Self-Commentary in Early Modern European Literature, 1400-1700

**BRILL** An investigation into the various ways in which Renaissance writers comment on, present, and defend their own works, and at the same time themselves in Britain, France, Italy, Spain, Poland, and the Dutch Republic.

## La Scherma (the Art of Fencing)

"This is the first published English translation of Francesco Alfieri's fencing treatise: "La Scherma", first published in Padua in 1640. Alfieri was the Master at Arms at the Accademia Delia in Padua, Italy from 1632. The Delia was a school attached to the University of Padua teaching young gentlemen military skills, mathematics and the martial arts of self defence. It is not widely appreciated that Europe has martial arts traditions that are centuries old. Contained within this book is a description of one of these European combat systems ~ the art of fighting with the Rapier ~ a long, slender, civilian sword designed for self defence and dueling. The ability to wield such a weapon with skill was a

matter of vital importance in an age when the defence of honour and, by definition, the immortal soul, could be more important than life itself. Alfieri's concise system is a very practical and effective way to address this need. It is an excellent resource for all students of historical swordplay and anyone interested in the martial arts of Renaissance Europe." -- Amazon.com

## Modern Italian Grammar

### A Practical Guide

*Psychology Press* This new edition of the **Modern Italian Grammar** is an innovative reference guide to Italian, combining traditional and function-based grammar in a single volume. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Implementing feedback from users of the first edition, this text includes clearer explanations, as well as a greater emphasis on areas of particular difficulty for learners of Italian. Divided into two sections, the book covers: traditional grammatical categories such as word order, nouns, verbs and adjectives language functions and notions such as giving and seeking information, describing processes and results, and expressing likes, dislikes and preferences. This is the ideal reference grammar for learners of Italian at all levels, from beginner to advanced. No prior knowledge of grammatical terminology is needed and a glossary of grammatical terms is provided. This Grammar is complemented by the **Modern Italian Grammar Workbook Second Edition** which features related exercises and activities.

## Gaspare Tagliacozzi and Early Modern Surgery

### Faces, Men, and Pain

*Routledge* This book uses the work of Bolognese physician and anatomist Gaspare Tagliacozzi to explore the social and cultural history of early modern surgery. It discusses how Italian and European surgeons' attitudes to health and beauty - and how patients' gender - shaped views on the public appearance of the human body. In 1597, Gaspare Tagliacozzi published a two-volume book on reconstructive surgery of the mutilated parts of the face. Studying

**Tagliacozzi's surgery in context corrects widespread views about the birth of plastic surgery. Through a combination of cultural history, microhistory, historical epistemology, and gender history, this book describes the practice and practitioners considered to be at the periphery of the "Scientific Revolution." Historical themes covered include the writing of individual cases, hegemonic and subaltern forms of masculinity, concepts of the natural and the artificial, emotional communities and moral economies of pain, and the historical anthropology of the culture of beauty and the face and its disfigurements. The book is essential reading for upper-level students, postgraduates, and scholars working on the history of medicine and surgery, the history of the body, and gender and cultural history. It will also appeal to those interested in the history of beauty, urban studies and the Renaissance period more generally.**

## Surgical English

*Springer Science & Business Media* **Surgeons around the world need a basic knowledge of English to keep up to date with advances in their field. Fluency in surgical English is important for your professional development, enabling you to attend English-speaking patients with confidence, to study (or work) in other hospitals, speak confidently at international meetings, and to write articles for international journals. This book will provide you with the basic tools to handle day-to-day situations without stress and will help you to improve your English, no matter what your level. To our knowledge, this is the first English book written specifically by surgeons for surgeons. We are sure that surgical specialists from all over the "non-English-speaking world" (general surgeons, thoracic surgeons, vascular surgeons, neurosurgeons, gynecologists, plastic surgeons) will enjoy reading it.**

## The Rhetoric of City Views in the Sixteenth Century

*BRILL* **Ryan E. Gregg relates how the Holy Roman Emperor Charles V and Duke Cosimo I of Tuscany both employed city view artists such as Anton van den Wyngaerde and Giovanni Stradano to aid in constructing authority.**

## Is Polite Society Polite?

## And Other Essays

### Sex and Education

#### A Reply to Dr. E. H. Clarke's "Sex in Education."

This compilation of essays from women in all areas of the 19th century woman's movement attacks the notion, popularized by Clarke's *Sex in Education* (Gerritsen no. A540), that women are physiologically incapable of withstanding the rigors of higher education.

### Victorian Secrets

#### What a Corset Taught Me about the Past, the Present, and Myself

*Simon and Schuster* On Sarah A. Chrisman's twenty-ninth birthday, her husband, Gabriel, presented her with a corset. The material and the design were breathtakingly beautiful, but her mind immediately filled with unwelcome views. Although she had been in love with the Victorian era all her life, she had specifically asked her husband not to buy her a corset—ever. She'd heard how corsets affected the female body and what they represented, and she wanted none of it. However, Chrisman agreed to try on the garment . . . and found it surprisingly enjoyable. The corset, she realized, was a tool of empowerment—not oppression. After a year of wearing a corset on a daily basis, her waist had gone from thirty-two inches to twenty-two inches, she was experiencing fewer migraines, and her posture improved. She had successfully transformed her body, her dress, and her lifestyle into that of a Victorian woman—and everyone was asking about it. In *Victorian Secrets*, Chrisman explains how a garment from the past led to a change in not only the way she viewed herself, but also the ways she understood the major differences between the cultures of twenty-first-

century and nineteenth-century America. The desire to delve further into the Victorian lifestyle provided Chrisman with new insight into issues of body image and how women, past and present, have seen and continue to see themselves.

## Galileo Galilei and the Roman Curia

**Part I. Galileo's early years, his important discoveries, and first conflict with the Roman Curia -- part II. Publication of the "dialogues on the two principal systems of the world," and the trial and condemnation of Galileo -- part III. Galileo's last years.**

“Pouring Jewish Water into Fascist Wine”. Volume II

Untold Stories of (Catholic) Jews from the Archive of  
Mussolini’s Jesuit Pietro Tacchi Venturi

*BRILL* The aim of this project is to offer the reader a critical edition and an English translation of 139 letters that were exchanged between the victims of Mussolini’s racial laws and the Jesuit Pietro Tacchi Venturi.

The History of the Popes

Their Church and State, and Especially of Their Conflicts  
with Protestantism in the Sixteenth & Seventeenth

## Centuries

### The Romance of Biography

Or, Memoirs of Women Loved and Celebrated by Poets, from the Days of the Troubadours to the Present Age; a Series of Anecdotes Intended to Illustrate the Influence which Female Beauty and Virtue Have Exercised Over the Characters and Writings of Men of Genius

### Animals and Animality in Primo Levi's Work

*Springer* Situated at the intersection of animal studies and literary theory, this book explores the remarkable and subtly pervasive web of animal imagery, metaphors, and concepts in the work of the Jewish-Italian writer, chemist, and Holocaust survivor Primo Levi (1919-1987). Relatively unexamined by scholars, the complex and extensive animal imagery Levi employed in his literary works offers new insights into the aesthetical and ethical function of testimony, as well as an original perspective on contemporary debates surrounding human-animal relationships and posthumanism. The three main sections that compose the book mirror Levi's approach to non-human animals and animality: from an unquestionable bio-ethical origin ("Suffering"); through an investigation of the relationships between writing, technology, and animality ("Techne"); to a creative intellectual project in which literary animals both

counterbalance the inevitable suffering of all creatures, and suggest a transformative image of interspecific community (“Creation”).

## Giovanni Della Casa's Poem Book = Ioannis Casae Carminum Liber Florence 1564

*Sagwan Press* This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

## Mozart's Don Giovanni

*London : Eulenburg Books* "A line-by-line analysis of the opera - its origins, structure, characters, orchestration and production history"--Back cover.

## David's Story

*The Feminist Press at CUNY* The 1987 publication of *You Can't Get Lost in Cape Town* won Zo Wicomb an international readership and wide critical acclaim. As richly imagined and stylistically innovative as Wicomb's debut work, *David's Story* is a mesmerizing novel, multilayered and multivoiced, at times elegiac, wry, and expansive. Unfolding in South Africa at the moment of Nelson Mandela's release from prison in 1991, the novel explores the life and vision of David

Dirkse, part of the underground world of activists, spies, and saboteurs in the liberation movement a world seldom revealed to outsiders. With "time to think" after the unbanning of the movement, David is researching his roots in the history of the mixed-race "Coloured" people of South Africa and of their antecedents among the indigenous people and early colonial settlers. But David soon learns that he is on a hit list, and, caught in a web of betrayal and surveillance, he is forced to rethink his role in the struggle for "nonracial democracy," the loyalty of his "comrades," and his own conceptions of freedom. Through voices and stories of David and the women who surround him responding to, illuminating, and sometimes contradicting one another Wicomb offers a moving exploration of the nature of political vision, memory, and truth.

## The Heart of Leonardo

### Foreword by HRH Prince Charles, The Prince of Wales

*Springer Science & Business Media* This book contains all of Leonardo Da Vinci's drawings on the heart and its physiology, accompanied by re-translations of all of the associated notes. All Leonardo's drawings have been interpreted in the light of modern knowledge by a practicing cardiac clinician and anatomist. The veracity of his work is proven against contemporary dissections of cardiac structure and comparison of his illustrations with contemporary images generated by Magnetic Resonance scanners and high definition ultrasound will astound the reader. Perhaps the most interesting element is the re-dissection of the Ox heart set against Leonardo's own drawings. His place in the greater scheme of anatomical development will be put into context with his ideas of man's place in the microcosm/macrocosm continuum.

## Petrarch and Boccaccio

### The Unity of Knowledge in the Pre-modern World

*Walter de Gruyter GmbH & Co KG* The early modern and modern cultural world in the West would be unthinkable without Petrarch and Boccaccio. Despite this fact, there is still no scholarly contribution entirely devoted to analysing their intellectual revolution. Internationally renowned scholars are invited to discuss and rethink the historical, intellectual,

and literary roles of Petrarch and Boccaccio between the great model of Dante's encyclopedia and the ideas of a double or multifaceted culture in the era of Italian Renaissance Humanism. In his lyrical poems and Latin treatises, Petrarch created a cultural pattern that was both Christian and Classical, exercising immense influence on the Western World in the centuries to come. Boccaccio translated this pattern into his own vernacular narratives and erudite works, ultimately claiming as his own achievement the reconstructed unity of the Ancient Greek and Latin world in his contemporary age. The volume reconsiders Petrarch's and Boccaccio's heritages from different perspectives (philosophy, theology, history, philology, paleography, literature, theory), and investigates how these heritages shaped the cultural transition between the end of the Middle Ages and the early modern era, as well as European identity.

## Listening to Western Music

*Cengage Learning* Combining a student-friendly presentation with cutting-edge digital resources, **LISTENING TO WESTERN MUSIC** equips you with the tools to actively listen to and inspire a lifelong appreciation for music. Known for his clear, conversational style, Professor Wright helps you immediately find connections to music by comparing pop and classical music concepts. His text is organized chronologically and discusses musical examples from each era in its social context -- describing the construction and culture of each piece. **LISTENING TO WESTERN MUSIC** is fully integrated with MindTap to better help you develop your listening skills and maximize your course success. Online resources include interactive exercises, streaming music, Active Listening Guides, chapter and critical thinking quizzes, iAudio lectures, YouTube videos, Beat the Clock games, and more. You also can download all music directly to a music library. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## Characters and Authors in Luigi Pirandello

*Oxford University Press* Luigi Pirandello is best known in the English-speaking world for his radical challenge to traditional Western theatre with plays such as *Six Characters in Search of an Author*. But theatre is just one manifestation of his experiments with language which led to a remarkable collection of novels, short stories, and essays as well as his work for a film industry then in its infancy. This study, which is based on the view that Pirandello's writings are most

fruitfully discussed in a European context, takes as its starting-point the author's belief in the primacy of the literary character in a creative process which is necessarily conflictual. The book argues that all Pirandello's characters are engaged in a continual performance which transcends the genre distinction between narrative and dramatic forms. In this performance it is the spoken word in which the characters invest most heavily as they struggle to sustain an identity of their own, tell their life-stories, and assert themselves before their most prominent antagonist, the author himself.

## The Life of Lord Byron With His Letters and Journals Dialogues of Love

*University of Toronto Press* First published in Rome in 1535, Leone Ebreo's *Dialogues of Love* is one of the most important texts of the European Renaissance. Well known in the Italian academies of the sixteenth century, its popularity quickly spread throughout Europe, with numerous reprintings and translations into French, Latin Spanish, and Hebrew. It attracted a diverse audience that included noblemen, courtesans, artists, poets, intellectuals, and philosophers. More than just a bestseller, the work exerted a deep influence over the centuries on figures as diverse as Giordano Bruno, John Donne, Miguel de Cervantes, and Baruch Spinoza. Leone's *Dialogues* consists of three conversations - 'On Love and Desire,' 'On the Universality of Love,' and 'On the Origin of Love' - that take place over a period of three subsequent days. They are organized in a dialogic format, much like a theatrical representation, of a conversation between a man, Philo, who plays the role of the lover and teacher, and a woman, Sophia, the beloved and pupil. The discussion covers a wide range of topics that have as their common denominator the idea of Love. Through the dialogue, the author explores many different points of view and complex philosophical ideas. Grounded in a distinctly Jewish tradition, and drawing on Neoplatonic philosophical structures and Arabic sources, the work offers a useful compendium of classical and contemporary thought, yet was not incompatible with Christian doctrine. Despite the unfinished state and somewhat controversial, enigmatic nature of Ebreo's famous text, it remains one of the most significant and influential

works in the history of Western thought. This new, expertly translated and annotated English edition takes into account the latest scholarship and provides an invaluable resource for today's readers.

## Decision Making and Problem Solving Strategies

*Kogan Page Limited* **Managers and leaders of all levels need to ensure that problems are solved in the optimal way and that the ideas and innovations for tomorrow's business flow freely. Decision Making and Problem Solving Strategies helps readers master the processes of practical thinking which lie behind effective decision making, problem solving, and creative thinking. Using checklists, exercises and case studies, it explains key concepts such as: principles of effective thinking, how to develop a framework for decision making, how to use a simple model for making decisions and solving problems, how to sharpen up creative thinking skills, and how to develop thinking skills in the future.**

## Writings of Catherine of Siena (Annotated)

*Upper Room Books* **With: Historical commentary Biographical info Appendix with further readings For nearly 2,000 years, Christian mystics, martyrs, and sages have documented their search for the divine. Their writings have bestowed boundless wisdom upon subsequent generations. But they have also burdened many spiritual seekers. The sheer volume of available material creates a seemingly insurmountable obstacle. Enter the Upper Room Spiritual Classics series, a collection of authoritative texts on Christian spirituality curated for the everyday reader. Designed to introduce 15 spiritual giants and the range of their works, these volumes are a first-rate resource for beginner and expert alike. Living in turbulent 14th-century Italy, Catherine was driven to submit her will completely to God's will for her. Her intense prayer life led her to write hundreds of letters to friends, other monastics, and heads of state, urging them to turn away from sin and draw closer to God. Catherine's life of total prayer has long inspired admiration.**

## Don Giovanni

*Alma Books* **These Opera Guides are ideal companions to the opera. They provide stimulating introductory articles together with the complete text of each opera in English and the original. This famous opera ends, after the hero is dragged down to hell, with a warning that evil shall not go unpunished. 'Hardly', as Michael F. Robinson notes, 'one's**

usual idea of a 'comic' subject!' So this guide opens with a brief look at what is actually comic about it. David Wyn Jones gives an overall view of the score: he shows how the musical keys are arranged so that the dramatic momentum over two long acts is maintained and discusses orchestration and dramatic pacing in the most important scenes. Christopher Raeburn contributes a lively portrait of the 'libertine librettist' who, after his Vienna triumphs, was hounded out of London for his debts and eventually died in New York - 'revered as the father of Italian studies in America'. The full original text is given, with a pointed modern translation.

## Conversational Italian for Travelers

### Just the Grammar

If you are a teacher or student of Italian, you need this reference book! All the Italian grammar you need to know is set out in clear language with easy-to-read, color coded tables. Like the textbook from which it is derived, Just the Grammar focuses on the conversational use of Italian, with detailed explanations made interesting and fun by focusing on travel situations. Italian definite articles, nouns, adjectives, adverbs, possessive adjectives, object pronouns, the partitive and cognates are covered, with emphasis on Italian sentence structure and realistic examples from daily life. Also find excerpts from the "Numbers," "Verbs" and "Idiomatic Expressions" sections of the Conversational Italian for Travelers textbook. As a complete work in and of itself, this book makes learning Italian grammar really come alive!
