How I Feminised My Husband A True-Life Story of How I Turned My Husband Into a Submissive Girl This is the true story of how Alexa Martinez transformed her marriage by feminising her loving husband. The book explains how she took an already wonderful relationship and moved it to a different level by taking control and introducing a reluctant husband to a life of femininity. What began as an exciting bedroom game exploded into a programme of gradual enforced feminisation. The book describes the reasons and beliefs that guided her to take this path and the tactics she had to employ to turn an unknowing and unaware masculine man into a submissive housewife called Alice. Their marriage continues to be loving and affectionate but with Alexa in complete control and with her needs paramount. Although Alice has come to accept her new status as a girl, they haven't yet come out of the closet entirely and so she also writes about some of the barriers they continue to face in how she plans to overcome them and also how to deepen Alice's feminisation and submission further still. She describes what it is that she expects from a femdom relationship and why she believes that males need to be feminised. Alexa Martinez is a writer who has produced several novels on the topic of femdom and forced feminisation under the pen name of Lady Alexa as well as a blog which covers the weekly life of living in a femdom relationship.

Diane began to suspect that her husband Stephen was a crossdresser who was wearing her clothes. Well, if he had a secret, he would no doubt deny it. She decided to document his secret escapades first. If he wanted to dress as a girl, he should have sex as a girl. But given his being secretly recorded in her pretty pink bridal nightgown, it gave Diane an idea. Her husband had some traditional ideas. So his 1st time being made to have sex as a girl should be special. Special occasions should have a special dress. What better than a long formal feminine bridal gown for her husband to wear before his 1st time? So Diane developed an elaborate plan to force feminize her husband, publically expose him dressed as a girl, and then prepare him for his bridal gown. Warning: Don't let your wife or girlfriend learn of Diane's plan because it was perfect. Stephen truly had no option but to be dressed in public as a girl to begin the day, You also will wind up having no choice either if anybody does to you what Diane did to Stephen. Brides need to have their makeup done. They need to have help dressing in their bridal gown. They need to have bridesmaid and maids of honor. They need to have their pictures taken. They need to have a new name. All of this prior to the formal presentation and introduction to their spouse. Diane was going to make sure Stephen got the full complete total treatment. Then, of course, the bridal night. The "mythical" first time she has sex. Well, Stephen was going to get the full treatment here also. Punishment enema, plus punishment oral sex, punishment anal sex, forced consumption, bondage, whips, and cock torture. But the psychological punishment would be equally as bad with suggestions and elements of cuckolding and forced-bi to demean and shame her husband. As the evening progressed, Diane and her family learned even more of Stephen's secrets. Diane already had a plan to make Stephen's mother an unwilling participant in the bridal weekend. But, now, those plans would change. His mother would have a much more expanded and permanent role. Stephen's crossdressing was always a family affair from the very beginning. Now, it would be a much larger family affair. It was time to complete what had been started years before he met Diane. Of course, your author on her cover image is wearing a dress that matches the story. **Husband to Cuckold... & Worse** Pink Flamingo Media She wants him as her neutered servant. Book 1: When a beautiful young lawyer discovers her boyfriend dressed in satin and pleasuring himself to a forced feminisation video, she immediately terminates the relationship. Penniless, and with nowhere else to go, the ex-boyfriend must accept the only option available - to work as her live in cleaner. Forced to serve her while she starts dating, he soon learns that his duties go far beyond those of any cleaner and is soon her sissy maid. Not content with his work at home, his ex-girlfriend sends him to work as a secretary for Charles Davant, a local businessman with a reputation for a firm hand but an open employment policy for transgender girls. Thus the plot is set for a series of events in which our unnamed protagonist experiences forced feminisation, and scores the BDSM triple whammy of cuckold, sissy maid and total submission both to a mistress and master. Alternatively titled 'La Vengeresse,' this erotic novel offers the reader unprecedented quality in plot, humor and erotic thrills within the genre of gender variant fiction. This work not only explores the feminisation experiences of the young man, but is a fascinating portrait of a woman who learns that she enjoys the art of feminine domination (femdom) and the humiliation of men. Book 2: When Harriet falls for her beautiful lesbian colleague, Charlotte, her husband is sidelined. Unfortunately for the new couple, though, he's legally entitled to stay in the house and has no intention of leaving (and every intention of making life difficult.) When mysterious goings on are detected in their lingerie drawer, however, Charlotte begins to suspect something, and calls sissy hunter/dominatrix, Mistress Elle. After skillfully exposing him for what he is: a submissive sissy, Harriet's husband is duly humiliated, uniformed and instructed in his new role as a sissy maid. Utterly dominated by three strong women, he finds himself deep in feminization and frilly submission. Based on a true story, this gripping narrative takes you through the entire method by which Elle Mesen identifies, exposes and trains sissy maids. It features strap-on humiliation, forced feminization, curtsying, and all the minutiae of a maid's life from regulation nightwear to milking schedules. Book 3: After his girlfriend leaves him, Jack enters therapy and learns to accept and embrace his submissive fantasies. After hearing about Elle Mesen Recruitment he applies for a part time position to fulfill his dream of being sissy maid to a black man that will dominate him and a strong woman who can serve up humiliation. However, despite the fact he seems to be moving forward, Jack's heart still lies with the girl that left him and the unresolved sexual issues which broke them. Not understanding just what submission to Elle Mesen means, the young executive will soon face a cuckolding experience that takes him right back to the painful feeling of inadequacy that ruined his relationship. A powerful portrait of the contradictions that lie at the heart of cuckolding and transgender fantasy, this novella will excite you with its unrelenting narrative of feminization, female domination and interracial cuckolding. The second in our 'Sissy Maid' series, this book will stimulate your grey matter but should not be read in public as an embarrassing bulge is inevitable: you've been warned! **Feminized and Pretty 1 Force-Feminized by a Vengeful Wife** A struggling young musician called Patrick meets Elizabeth Remington a much older wealthy business woman. Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to assume feminine characteristics. This is not for those who wish to permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to proficiently crossdress as a woman. This feminization guide is for a male by gender who, may, or may not be, a "real" man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character. This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves. It doesn't have any magic potions or formulas, special makeup or fancy tools, use any drugs or surgery. It does cover all the aspects of eliminating the 'man markers' that set males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male. It will also aid the feminized male to feel more sensual and sexy in a feminine role. The guide is short - about 15,000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow. After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife, mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led relationship, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible. Upon following the elements in this guide, the feminized male will be able to proudly display how feminine he has become to anyone he, or the one who coerced him, choose to. Should this be a singular undertaking, the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements, and thus, bring greater pleasure and satisfaction to the resulting feminization. This will be time consuming and will require dedication and diligence in order for a male to feminize to his best. If you are purchasing this for yourself, or someone else, beware of that in order to allow the necessary time and resources. Look inside now. Buy yourself a copy, or give one to a male you want to feminize. It is a small, but valuable investment in a male's journey toward maximum feminization. **Sissy Sex Slave Feminized and Abused** Miranda Birch Blackmailed into submission, the petty criminal Rod, now a feminised sissy slave called 'Dolly', toils from early till late for his demanding Mistress, tarted up in a skimpy frilly pink maid's uniform.
