It is considered to be a motivational book that falls into the self-help category. It is an easy-to-follow narrative, making it accessible to everyone, built with some humor, and is enjoyed by adults, teenagers and children alike. The book tells a story of a somewhat egocentric man, who lives his life concerned with his appearance. Everything he does is without consideration for his wellbeing, rather with the aim of seeking approval of others... Little by little he is locked in his armor, which over time rusts and leaves him imprisoned by his appearance. Then comes a life of reflection and recovery for him. He embarks on a journey to free himself from his prison, during which he enlists the help of a magician. It is an excellent allegory that teaches the importance of being who you are on the inside, without the need to mask your appearance.

**Get ready for your IVF In Vitro Fertilization from a Spiritual perspective** Simplissimo There is a limiting belief around in vitro fertilization (IVF) that must be reframed: the idea that it is only a technical, difficult, painful and artificial process. IVF is another one of those wonderful proofs of God's love towards us. Therefore, it is nothing but a christic alternative to enable men and women to achieve their paternity and maternity dreams. It was from this perspective that the author, Gabriela Lacerda, a former trying woman and mother of two children via assisted reproductions, shares with her readers a spiritual perspective about the most advanced treatment for couples who have difficulty to get pregnant. In this book, she talks about the metaphysical teachings that were essential to achieve her much-

dreamed-of positive in her first in vitro fertilization attempt, giving life to her son Gael, and again, three years later, from the transfer of a single frozen embryo that enabled the arrival of her second son, Benício. What may be seen as good fortune from a distance, for her, who experienced it with a lot of energy, it was the certainty that there was a spirituality watching over every detail of her journey as a conscious trying woman. The one that goes beyond physical symptoms and scarcity thoughts. The one that acknowledges that life goes beyond the visible, the material world. Welcome to the wonderful world of assisted reproduction from a spiritual perspective. Read each page with an open heart. It is safe to get pregnant easily via in vitro fertilization. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying.
