How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. When young Syrian refugee Yusra Mardini realized her boat's engine shut down as she was traveling from Syria to Greece with other refugees, there was no hesitation: she dove into the water. Surfacing, she heard desperate prayers and sobbing from the passengers in the sinking boat above her. Between the waves, her elder sister Sarah screamed at her to get back on the boat. But Mardini was determined. She was not going to let Sarah do this alone. Grabbing the rope with one hand, she began kicking up the black water, inching the boat towards the distant shore. This bold act of bravery saved the lives of a boatload of refugees heading to Turkey from Syria. After her arrival in Greece, Mardini, focused and undeterred, worked toward a lifelong goal: to compete in the Olympics. She succeeded, and competed in 2016 on the Refugee Olympic Team in Rio de Janeiro. Butterfly tells her story, from Syria to the Olympics to her current work with the UN as a Goodwill Ambassador. In today's political climate, this story is guaranteed to inspire and educate readers from every background. **Raziel** Simon and Schuster Kristina Douglas's sexy new series introduces a realm of fallen angels and ruthless demons, where an eternal rebellion is brewing . . . and one unsuspecting woman can change the fate of the Fallen forever. Now she's surrounded by gorgeous fallen angels with an unsettling taste for blood—and they really don't want her around. Not exactly how she pictured heaven. . . . until death catapulted her into a seductive world she never imagined. Raziel is unsure why he rescued Allie from hellfire against Uriel's orders, but she stirs in him a longing he hasn't felt in centuries. Now the Fallen are bracing for the divine wrath brought by his disobedience, and they blame Allie for the ferocious Nephilim clawing at the kingdom's shrouded gates. Facing impossible odds at every turn, the two must work together to survive. Raziel will do anything to defend his spirited lover against the forces of darkness—because Allie may be the Fallen's only salvation. **Hachiko Waits** Macmillan Loyal to the end, Hachi the dog, unaware that his owner had died, waited at the train station every day for the next ten years in the hopes of seeing his beloved owner come off the train like he had done so many times in the past. 15,000 first printing. **Baby's Very First Slide and See Animals** Baby's Very First Books Part of a brand new series, from the*

An enthralling story of courage and resilience, centring on 10-year-old Tommy, it will fascinate children who might not know much about this secret escape route into Canada that was used by as many as 100,000 people. Ten-year-old Tommy roams the cotton fields of Alabama owned by the notorious Captain Archer. Intimidating guards with fierce dogs protect the land to prevent any slaves from leaving. That is until a supernatural spirit visits Tommy offering a way out. With his banjo slung over his shoulder, Peg Leg Joe guides Tommy, his family and other slaves out of Southern USA, and into Canada through the legendary Underground Railroads. Stretched for miles across the country's vastness, the network famously facilitated more than 100,000 slaves to a new life. For Tommy and his family, the escape is far from an easy ride. The young boy is forced to mature through this testing period and allow his strong will to guide himself and others to safety under the guidance of Peg Leg Joe.
