---

### QUEEN MARY 2

---

---

### THE BIRTH OF A LEGEND

---

*Harry N. Abrams Present an outline of the design, construction, and mission of the Cunard ocean liner Queen Mary 2 and documents the maiden voyage of the ship from Southampton to New York in 2004.*

---

### QUEEN MARY 2

---

---

### THE GREATEST OCEAN LINER OF OUR TIME

---

*Bulfinch Press In January 2004, Cunard Line's latest flagship, the stupendous Queen Mary 2, sailed on her maiden voyage from England. Not merely a cruise ship, this fourth Cunard Queen is a true ocean liner, able to cross the Atlantic in all weathers at high speed, sustaining the company's celebrated heritage. She is the most expensive, ambitious and largest passenger cruise ship of all*

time. The Queen Mary 2 book documents the creation of this remarkable vessel from keel laying to christening and features stunning four-colour photographs and paintings, details of design, construction, engines, lavish interiors, sea trails, and christening. It also contains archival images juxtaposing her significance against her predecessors. An eight-page gatefold shows a detailed cutaway of the remarkable interiors.

---

## QM2

---

### A PHOTOGRAPHIC JOURNEY

---

History Press Ltd By the 1970s it looked as if QE2 would be the last of the great transatlantic ocean liners. However, over three decades later the world watched in awe as Queen Mary 2, the largest, longest, grandest and most expensive ocean liner ever to be constructed, set sail on her maiden voyage. Boasting beautiful lounges, dining rooms and the largest dance floor at sea, QM2 evokes the glamour of the golden age of travel. With over 200 never-before-published photographs of QM2 including her public rooms and accommodation as well as stunning exterior shots and behind-the-scenes insights, this book is delightfully complemented by little-known facts and fascinating information about this grand ship. In QM2: A Photographic Journey, the authors enthusiastically record the modern features and timeless elegance that makes the QM2 a true successor to the Cunard legacy. With a foreword by Commodore R. W. Warwick (QM2's first master) and insights from Commodore Bernard Warner into the running of the ship, this book provides the reader with a perfect souvenir of the Cunard Line flagship.

## QUEEN MARY 2

---

### QUEEN MARY 2 AND THE USA

---

Lulu Press, Inc This is an account of our trip to America on the Queen Mary 2. This was our first trip to the United States, and we decided to spend some time in America when we arrived in Fort Lauderdale, Miami. We hired a car, and drove down to The Keys, and then made our way back up the eastern coast of America, towards New York. We encountered some interesting people along the way and this diary will serve to preserve some very fond memories we have of our first trip to The United States.

---

### AROUND THE WORLD ON THE QUEEN MARY 2

---

Lulu Press, Inc A travelogue describing our around the world trip on the Queen Mary 2. This is a day by day diary account of our epic journey around the world in 2009, spanning 87 days, complete with countless photographs.. Follow our journey as we travel around

*the world, visiting some exotic places. Marvel in the majesty of Cape Horn and The Magellan Straits, and hear about the threat of pirates and the discovery of a dead body in the sea.*

---

## **PICTURE HISTORY OF THE QUEEN MARY AND THE QUEEN ELIZABETH**

---

*Courier Corporation Maritime authority Miller pays tribute to the Queen Mary and the Queen Elizabeth, describing their launchings, amenities, maritime rivalry, and contributions during WWII. Also covered are their grand royal successors and other splendid ships. "A worthy addition to a library on passenger ships."—Nautical Research Journal. 189 photographs.*

## **MARY LOU AND THE QUEEN MARY 2**

---

---

## **THE QUEST FOR QUEEN MARY**

---

*Hodder & Stoughton 'A delightful insight into an eclectic life' The Daily Telegraph 'Very funny and astute . . . a loathly feast for royal-watchers' Hilary Mantel, New Statesman Books of the Year 2018 'A complete delight, conjuring up, with a few sharp strokes of the pen, a mad, exotic species from a world gone by' Craig Brown, Mail on Sunday 'Gloriously indiscreet . . . the best royal book ever' Harry Mount, Financial Times \* \* \* When James Pope-Hennessy began his work on Queen Mary's official biography, it opened the door to meetings with royalty, court members and retainers around Europe. The series of candid observations, secrets and indiscretions contained in his notes were to be kept private for 50 years. Now published in full for the first time and edited by the highly admired royal biographer Hugo Vickers, this is a riveting, often hilarious portrait of the eccentric aristocracy of a bygone age. Giving much greater insight into Queen Mary than the official version, and including sharply observed encounters with, among others, the Duke and Duchess of Windsor, the Duke of Gloucester, and a young Queen Elizabeth, The Quest for Queen Mary is set to be a classic of royal publishing.*

---

## **QUEEN MARY 2**

---

*To complete the series on the current fleet of Cunard ships, Philip Dawson covers the development, construction and the history of this famous cruise liner built in France. Illustrated in full colour with outstanding photography.*

---

## **THE CUNARD LINE FLAGSHIP, QUEEN ELIZABETH 2**

---

W. W. Norton & Company *This new edition of a comprehensive reference guide to the legendary transatlantic liner is written by her captain and includes a complete history as well as information about the recent refit and many color photographs.*

---

## **SUMMARY OF ELISABETH BASFORD'S PRINCESS MARY**

---

Everest Media LLC *Please note: This is a companion version & not the original book. Sample Book Insights: #1 The United Kingdom of 1897 was a far cry from the realm Victoria had inherited in 1837. By the end of her reign, Victoria was known as the Grandmother of Europe having over thirty living adult grandchildren. #2 Princess Mary's mother was Princess Victoria Mary of Teck, known in the family as May. Princess May was the eldest child and only daughter of Princess Mary Adelaide of Cambridge and Francis, Duke of Teck. Francis was the child of a morganatic marriage, meaning that he had no rights of succession to the Kingdom of Württemberg. #3 The family returned to England in 1885, and made their home at White Lodge in Richmond. Princess Mary Adelaide was well known for her kindness towards her neighbors and the poor. She was eager that her children learn an empathy with those less fortunate. #4 The match between Eddy and May was announced in December 1891. May was shy and aloof, but Queen Victoria liked her and thought she was suitable for Eddy. However, Eddy had a dissolute life, and May had misgivings about the match.*

---

---

### **AN INSIGHT INTO THE DESIGN, CONSTRUCTION AND OPERATION OF THE WORLD'S LARGEST OCEAN LINER**

---

Haynes Publishing UK *At 151,400 tons and 1,132ft in length RMS Queen Mary 2 (QM2) is the largest transatlantic ocean liner ever built. QM2 succeeded Queen Elizabeth 2 (QE2) as the flagship of the Cunard Line, with the retirement of the QE2 from active service in 2008. Her designer, Stephen Payne, is in a unique position to give an unrivalled insight into the design, construction and operation of this giant of the seas. He has interviewed key QM2 personnel for this book and his revealing narrative is supported by almost 300 photographs and illustrations.*

## VOICES FROM HER VOYAGES

---

---

Createspace Independent Publishing Platform *Indeed, there will never be another ship like the iconic RMS Queen Mary. A prodigy of the seas, she was constructed by the people, for the people and proved her worth on the North Atlantic and beyond. In both war and peace, the Mary has carried people from all walks of life-and some of those people have come together to tell their stories in this amazing book. In RMS Queen Mary: Voices from Her Voyages, author and researcher Nicole Strickland has answered the clarion call by not only sharing the sailing stories, accounts, and memories of former Queen Mary crew, passengers, WWII veterans, and war brides, but also highlighting how voyaging aboard this renowned vessel changed these individuals' lives. Featuring rare historical photographs, first-hand accounts, and exclusive interviews, RMS Queen Mary: Voices from Her Voyages captures the visions of yesteryear and preserves the story of this glorious ship for another generation. A portion of proceeds from the sale of this book benefits the Queen Mary Heritage Foundation.*

## THE BEST OF CRUISE SHIP CUISINE

---

---

Next Chapter *Welcome to an exotic seven-day dream cruise filled with gastronomic delights. Imagine waking up on a different ship in a new port of call every day, and treating your taste buds to a gourmet meal every evening, each carefully prepared by one of the best chefs afloat. This book highlights the most interesting menus and recipes from a diversity of cruise lines, from the luxurious Cunard Line - famed for its opulent ocean liners - to a small but highly exclusive line of yachts that offer the most personalized cruise experience. You'll see daily snapshots of a week of luxury cruising. A chapter for each day briefly introduces each ship, explains where*

*it is located, and gives information about each cruise line and its chefs. The main focus is on the dinner menu, followed by recipes for recreating every delectable morsel in your own kitchen.*

## **RMS QUEEN MARY**

---

### **101 QUESTIONS AND ANSWERS ABOUT THE GREAT TRANSATLANTIC LINER**

---

*Bloomsbury Publishing For 1930s Britain, the Queen Mary was a symbol of hope. Cunard had abandoned construction on what they had planned to be the grandest liner of all time (then known simply as Job 534) in the depths of the Depression. Her half-finished hull sat on the Clyde for years, but when Cunard announced they were going to complete her, it was a sign, perhaps, that the darkest days were over, that the country was emerging from economic disaster and that Britannia would soon rule the waves once again. The Queen Mary would go on to be one of the most famous ships in the world for all the right reasons. The first British ship to be over*

*1,000 feet in length, launched by her namesake (and for which the Clyde had to be artificially widened to allow such a large ship to pass through), she won the Blue Riband (the record for fastest Atlantic crossing) not once by twice - and when she won it the second time in 1938 she held it until 1952. After wartime service carrying up to 16,000 US troops to Europe at a time, she finally retired to Long Beach, California, in 1967. There she remains, a perfectly preserved reminder of a bygone era, and a celebration of the golden age of the transatlantic liner. In this book David Ellery, maritime historian, TV presenter and documentary maker, answers all the questions you might have about this glorious ship - and ones you might never have thought to ask too. This unique, accessible approach gives a fantastic introduction to the ship to anyone curious about her, but is also very detailed and comprehensive, covering everything from the ship's design, construction, engineering and interior fittings to her naming, wartime service and more. Packed with archival photographs and other original material, this is a fascinating and illuminating guide to the Queen Mary, looking beneath the sheen of her appointments to explore how her fame is well deserved.*

---

### **A NOTE OF EXPLANATION**

---

*Chronicle Books A Note of Explanation is a previously unknown work by iconic writer Vita Sackville-West. Written in 1922, it was recently rediscovered as a miniature book in Queen Mary's dollhouse in Windsor Castle. Witty and stylish, the story recounts the antics of a time-traveling sprite who inhabits the dollhouse. This illustrated ebook edition presents the story for the first time since 1924. Lovers of literature and history will rejoice in this irresistible one-of-a-kind ebook.*

---

---

## **THE FIRST MODERN PRINCESS**

---

*The History Press Princess Diana is seen as the first member of the British royal family to tear up the rulebook, and the Duchess of Cambridge is modernising the monarchy in strides. But before them was another who paved the way. Princess Mary was born in 1897. Despite her Victorian beginnings, she strove to make a princess's life meaningful, using her position to help those less fortunate and defying gender conventions in the process. As the only daughter of King George V and Queen Mary, she would live to see not only two of her brothers ascend the throne but also her niece Queen Elizabeth II. She was one of the hardest-working members of the royal family, known for her no-nonsense approach and her determination in the face of adversity. During the First World War she came into her own, launching an appeal to furnish every British troop and sailor with a Christmas gift, and training as a nurse at Great Ormond Street Hospital. From her dedication to the war effort, to her role as the family peacemaker during the Abdication Crisis, Mary was the*

princess who redefined the title for the modern age. In the first biography in decades, Elisabeth Basford offers a fresh appraisal of Mary's full and fascinating life.

---

## **GIANTS OF THE SEAS**

---

---

### **THE SHIPS THAT TRANSFORMED MODERN CRUISING**

---

Seaforth Publishing The cruise ship market is a 30 billion-dollar industry, and in 2013 it is estimated that it will carry more than 20 million passengers; nor is there any sign of a slow down in the seven percent annual growth. What keeps the passengers coming in such huge numbers isn't the food, the ports or the entertainment. They come for the magnificent floating palaces themselves, the giants of the sea. In this new book, the author showcases the most influential cruise ships of the last three decades beginning with Royal Caribbean's ground-breaking Sovereign of the Seas. When she was launched in 1988 she was the largest passenger ship constructed since Cunard's Queen Mary entered service some 48 years earlier, and her entry into service sparked a fiercely competitive building boom that continues to this day. The reader is taken aboard thirty of the most spectacular ships to reveal how their innovative designs changed the landscape of modern cruising. By employing original and archival photographs, deck plans, cruise programmes, as well as the author's intimate knowledge of many of these vessels, a unique picture is built up of these great ships and it becomes clear that the true Golden Age of Cruising is not in some distant past but exists right now, and that its origins can be traced back to one ship, launched in 1988. A truly sumptuous and fascinating book for all those drawn to the world of the modern cruise ship. As seen in Ships Monthly Magazine

### **COUSINS, RIVALS, QUEENS**

---

Vintage "Superb.... A perceptive, suspenseful account." --The New York Times Book Review "Dunn demythologizes Elizabeth and Mary. In humanizing their dynamic and shifting relationship, Dunn describes it as fueled by both rivalry and their natural solidarity as women in an overwhelmingly masculine world." --Boston Herald The political and religious conflicts between Queen Elizabeth I and the doomed Mary, Queen of Scots, have for centuries captured our imagination and inspired memorable dramas played out on stage, screen, and in opera. But few books have brought to life more vividly the exquisite texture of two women's rivalry, spurred on by the ambitions and machinations of the forceful men who surrounded them. The drama has terrific resonance even now as women continue to struggle in their bid for executive power. Against the backdrop of sixteenth-century England, Scotland, and France, Dunn

*paints portraits of a pair of protagonists whose formidable strengths were placed in relentless opposition. Protestant Elizabeth, the bastard daughter of Anne Boleyn, whose legitimacy had to be vouchsafed by legal means, glowed with executive ability and a visionary energy as bright as her red hair. Mary, the Catholic successor whom England's rivals wished to see on the throne, was charming, feminine, and deeply persuasive. That two such women, queens in their own right, should have been contemporaries and neighbours sets in motion a joint biography of rare spark and page-turning power.*

### **QUEEN MARY 2, QUEEN VICTORIA, QUEEN ELIZABETH 2**

*Naval Inst Press* A lavish tribute to the world's bestknown shipping line, this beautifully illustrated book takes an intriguing look at three famous cruise liners: the legendary Queen Elizabeth 2, which, when launched in 1967, was considered the last of the great ocean liners; Queen Mary, which entered service in 2004 as the largest and most expensive passenger ship ever built; and Queen Victoria, launched in December 2007 for exclusive cruises out of Southampton. With an entertaining mixture of maritime history and contemporary analysis, the author tells the story of Queen Elizabeth 2, the Queen Mary 2s first years, and the conception, building, and maiden voyage of Queen Victoria.
