### **A USER'S GUIDE TO VACUUM TECHNOLOGY**

---

*John Wiley & Sons In the decade and a half since the publication of the Second Edition of A User's Guide to Vacuum Technology there have been many important advances in the field, including spinning rotor gauges, dry mechanical pumps, magnetically levitated turbo pumps, and ultraclean system designs. These, along with improved cleaning and assembly techniques have made contamination-free manufacturing a reality. Designed to bridge the gap in both knowledge and training between designers and end users of vacuum equipment, the Third Edition offers a practical perspective on today's vacuum technology. With a focus on the operation, understanding, and selection of equipment for industrial processes used in semiconductor, optics, packaging, and related coating technologies, A User's Guide to Vacuum Technology, Third Edition provides a detailed treatment of this important field. While emphasizing the fundamentals and touching on significant topics not adequately covered elsewhere, the text avoids topics not relevant to the typical user.*

### **LIPSTICK GRACE**

---

### **GLIMPSES OF LIFE, LOVE, AND THE QUEST FOR THE PERFECT LIP GLOSS**

---

*Multnomah The Just-Right Shade of Grace Hmmm....Kissable Kiwi or Fire Engine Red? To hold your child tight like you desperately want to, or let him go like he needs? Every woman grapples with such life issues and intangibles as faith, mercy, grace, and hope...but few have the ability to dress theology in blue jeans and flip-flops like Nancy Kennedy. A compilation of witty weekly columns written by Nancy for the Citrus County Chronicle in Florida, Lipstick Grace contains many musings-not all of which wrap up in nice, neat packages (because the important things in life rarely do!). In this reflective collection, you'll find the sufficiency of God holding you steady. It's big enough for all of you: your greatest fears, your deepest doubts, and your bathroom drawer full of all the wrong shades of lipstick.*

### **GIRL ON A SWING**

---

### **FINDING REST IN THE WARMTH OF GOD'S SMILE**

---

*Multnomah God Delights in You! Imagine a girl on a swing: leaning backward and easily pumping her legs back and forth, closing her eyes while the wind blows through her hair. She is safe, she is secure, she is free and forgiven. Perhaps you find yourself thinking, I want to feel loved and safe and secure. I want to feel free. I want to turn my face toward heaven and experience God's smile . Did you know that girl can be you? Because God's love-a love not based upon your performance, but on Christ's-proclaims the truth that you are His and He is glad He chose you. This freedom in Christ is meant to become a part of you, something you relish every day. It's like learning how to swing: it can't ever be unlearned. So climb on...your time to soar has arrived! Who Is that Girl on a Swing? She's free. She's safe. She's secure. She's forgiven. She's happy. She's a child of God. And so are you. With warm understanding, refreshing humor, and striking biblical honesty, Nancy Kennedy reflects on the ways women often keep themselves from enjoying the freedom that's already theirs. Because not only do you belong to God, He is glad He chose you. Not only does He love you unconditionally, He likes you! And not only does He lavish you with grace, He smiles upon you. Once you learn how to swing, you can't un-learn it. Once you know true freedom in Christ, you can't un-know it. It's yours for good (and it's a lot fun). So climb on...it's time to soar! Endorsements "Ahhh. Nancy 's words let me be my imperfect self and still know that there is no wind strong enough to release me from my Father's grip." Karon Phillips Goodman author of Another Fine Mess, Lord! and the Woman's Guide series "Nancy Kenndy writes with amazing humor, heart, and insight. Girl on a Swing soars!" Heather Kopp author of Roar: A Christian Family Guide to the Chronicles of Narnia Story Behind the Book The Story Behind the Book "Girl on a Swing came from a greeting card image where a young girl is soaring on a swing. She's free and at peace, with herself and her surroundings. As I studied that image I came to realize that the girl is me-because in Christ I am free and at rest. God smiles on His own, and I am at peace. But my experience*

as a speaker at women's retreats has shown me that many women have difficulty believing that for themselves. This book will help them grasp the truth." -Nancy Kennedy

### **A SECONDHAND LIE**

---

Tabella House Sometimes you know things you're not supposed to know. Things that you can never un-know. Things that will change the course of your life...and the fate of the ones you love. I found her in our living room, bleeding and close to death, but alive. Barely. Until morning stole her last breath. The media called her killer the "Triangle Terror" ... and then forgot about her. But I never forgot—my murdered sister, and an investigation that led to my own resurrection from the dead. Twenty-two years ago, on a cold February night, Landon Worthington lost his father for the last time. After an armed robbery gone wrong, evidence and witness testimony pointed a shaky finger at Dan Worthington—deadbeat dad and alcoholic husband. But before the dust could settle over the conviction, Landon's preteen sister, Alexis, is murdered in their home, plunging Landon's life into further despair. Two decades and a cold case later, Landon is dogged by guilt over their estranged relationship and decides to confront his incarcerated father about what really happened the night of the robbery. But the years of lies are hard to unravel. And the biggest question of all haunts him: How does everything tie into his sister's murder? And so begins Landon's journey to piece together the puzzle of secrets, lies, and truths that can free his father, avenge his sister, and perhaps save himself. A short story mystery perfect for fans of Robert Dugoni's *Third Watch* and Dean Koontz's *The Neighbor*. Read as a standalone or as the companion book to *A Secondhand Life*.

## EXTREME ECONOMIES

---

---

### WHAT LIFE AT THE WORLD'S MARGINS CAN TEACH US ABOUT OUR OWN FUTURE

---

To predict our future, we must look to the extremes. So argues the economist Richard Davies, who takes readers to the margins of the modern economy and beyond. These extreme economies illustrate the forces that test human resilience, drive societies to failure, and promise to shape our collective future. Reviving a foundational idea from the medical sciences, *Extreme Economies* turns the logic of modern economics on its head by arguing that these outlier societies can teach us more about our own than we might imagine. By adapting to circumstances unimaginable to most of us, the people in these societies are pioneering the economic infrastructure of the future.

## WAY OF THE REAPER

---

---

### MY GREATEST UNTOLD MISSIONS AND THE ART OF BEING A SNIPER

---

St. Martin's Press From the New York Times Bestselling Author and Co-Star of Fox's *American Grit* comes a rare and powerful book on the art of being a sniper. *Way of the Reaper* is a step-by-step accounting of how a sniper works, through the lens of Irving's most significant kills - none of which have been told before. Each mission is an in-depth look at a new element of eliminating the enemy, from intel to luck, recon to weaponry. Told in a thrilling narrative, this is also a heart-pounding true story of some of The Reaper's boldest missions including the longest shot of his military career on a human target of over half a mile. In Iraq and Afghanistan, Nick Irving earned his nickname in blood, destroying the enemy with his sniper rifle and in deadly firefights behind a .50 caliber machine gun. He engaged a Taliban suicide bomber during a vicious firefight, used nearly silent sub-sonic ammo, and was the target of snipers himself. *Way of the Reaper* attempts to place the reader in the heat of battle, experiencing the same dangers, horrors and acts of courage Irving faced as an elite member of the 3rd Ranger Battalion, 75th Ranger Regiment, while also examining the personal ramifications of taking another life. Readers will experience the rush of the hunt and the dangers that all snipers must face, while learning what it takes to become an elite manhunter. Like the Reaper himself, this explosive book blazes new territory and takes no prisoners.

## ALTHUSSER AND LAW

---

Routledge *Althusser and Law* is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the

left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

## DISCIPLE IV

---

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome,

---

sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.
