that you can avoid its traps".--Rebecca Brown, MD **He Came to Set the Captives Free** *Whitaker House* For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ. **Prepare for War** *Whitaker House* In this spiritual warfare manual, Dr. Rebecca Brown writes from seven years' experience helping deliver many, many people out of hard-core satanism. A sequel to Dr. Brown's best seller **He Came to Set the Captives Free**, this book will show you how to: Stand victoriously against Satan Deal with the dangerous New Age teachings Recognize and deal with satanic ritualistic abuse of children Minister in the area of deliverance Handle the rarely discussed problems people face after deliverance It's shocking! It's graphic! But this is war! Do you know how Satan can use "doorways," including yoga, role-playing games, and meditation, to bring demonic destruction into your home? Satan hates you and wants to destroy you. To be victorious, you must **Prepare for War**. **Unbroken Curses** Hidden Source of Trouble in the Christian's Life *Whitaker House* Why Many Bad Things Happen to Good People... The Problem Are you one of the many victims of an unbroken curse? Today, countless Christians throughout the world are plagued by unexplained poverty, calamities, and a variety of adverse circumstances. Their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation, physical and mental illness, and a myriad of catastrophic events. Usually, they are unaware that their plight is the result of an unbroken curse that has been placed upon them and perhaps upon their families. Some of the Causes Hatred and jealousy Trespassing on the devil's territory Handling unholy things Inherited curses Breaking vows to God The Solution The Bible specifically instructs every believer to avoid curses and to recognize and break them. Yet, an astonishing number of Bible-believing Christians have either not read or do not remember these essential spiritual principles. Thus, many believers live under the affliction of unbroken curses. This book will show you the necessary biblical steps to recognize, prevent, and break every type of curse. Excerpts from a Family Medical Dictionary *Terrace Books* Excerpts from a Family Medical Dictionary is an intimate, exquisite, and true account of what it is to help a parent die. After her mother was diagnosed with terminal cancer, former home care worker and award-winning writer Rebecca Brown cared for her mother during the last six months of her life. This spare, unsentimental book comes out of that experience. In short chapters headed by definitions of

medical terms, she confronts anemia, chemotherapy, metastasis, cremation. Brown's is a poignant and unflinching story of how one family coped with loss and learned about the longevity of love. The Wisconsin edition is for sale only in North America. **Be A Vessel Of Honor** *Destiny Image Publishers* **Are You Living a Life of Honor or Destruction?** Perhaps you have wandered off the path of living a holy life and feel like you are trapped. There is hope for you. God wants you to be free. In this powerful little book, Gloria Copeland outlines the steps you can take to get back on the road to living holy. It doesn't matter if the strongest addiction in the world is holding you back. God can set you free. Christians today have more revelation of the Word of God than any other generation. Yet the world around us is growing more and more evil every day. How are believers supposed to live in the midst of such evil? God's direction is very clear: **Abstain from evil.** This means don't participate in it, don't watch it, don't feed on it—don't have anything to do with it. God wants His people to be holy and set apart from evil! You were not created to be a vessel of destruction. **Be a Vessel of Honor.** The choice is yours! **BT Frog Beginning to Fully Rely on God** *Outskirts Press* I love the layout, perspective, and challenge in **Beginning to Fully Rely on God.** Rebecca Brown's work is God's grace ready to be revealed to those who desire an intentional relationship with God. Nearly half of all children are born out of wedlock. Something is very wrong. The Bible declares that illegitimacy brings a curse upon a family for ten

generations. If this is true, American families are engaged in a spiritual battle and don't even know it. Married for nearly fifty years, Richard Ing has counseled hundreds of couples and is also an expert on spiritual warfare. He has identified the ways in which Satan and his demons attack marriage through struggles in communication, intimacy, rejection, and the baggage from our past. This is not a book on Christian psychology and counseling but rather a direct counterattack against the kingdom of darkness and the lusts of the flesh. It cuts to the chase by identifying the true source of most marital conflicts and explores how your attitudes impact all your relationships, both in and outside of marriage. It exposes the evil spirits Satan uses to destroy marriages and equips you to be delivered from them. The Nature of Holiness *Bethany House Pub* Fourteen messages of Wesley on the essentials of the Christian faith, particularly scriptural holiness. *We Keep the Dead Close A Murder at Harvard and a Half Century of Silence* *Grand Central Publishing* FINALIST FOR THE J. ANTHONY LUKAS BOOK PRIZE NATIONAL BESTSELLER Named One of The Best Books of 2020 by NPR's Fresh Air * Publishers Weekly * Marie Claire * Redbook * Vogue * Kirkus Reviews * Book Riot * Bustle A Recommended Book by The New York Times * The Washington Post * Publisher's Weekly * Kirkus Reviews* Booklist * The Boston Globe * Goodreads * Buzzfeed * Town & Country * Refinery29 * BookRiot * CrimeReads * Glamour * Popsugar * PureWow * Shondaland Dive into a "tour de force of investigative reporting" (Ron Chernow): a "searching, atmospheric and ultimately entrancing" (Patrick Radden Keefe) true crime narrative of an unsolved 1969 murder at Harvard and an "exhilarating and seductive" (Ariel Levy) narrative of obsession and love for a girl who dreamt of rising among men. You have to remember, he reminded me, that Harvard is older than the U.S. government. You have to remember because Harvard doesn't let you forget. 1969: the height of counterculture and the year universities would seek to curb the unruly spectacle of student protest; the winter that Harvard University would begin the tumultuous process of merging with Radcliffe, its all-female sister school; and the year that Jane Britton, an ambitious twenty-three-year-old graduate student in Harvard's Anthropology Department and daughter of Radcliffe Vice President J. Boyd Britton, would be found bludgeoned to death in her Cambridge, Massachusetts apartment. Forty years later, Becky Cooper a curious undergrad, will hear the first whispers of the story. In the first telling the body was nameless. The story was this: a Harvard student had had an affair with her professor, and the professor had murdered her in the Peabody Museum of Archaeology and Ethnology because she'd threatened to talk about the affair. Though the rumor proves false, the story that unfolds, one that Cooper will follow for ten years, is even more complex: a tale of gender inequality in academia, a 'cowboy culture' among empowered male elites, the silencing effect of institutions, and our compulsion to rewrite the stories of female victims. *We Keep the Dead Close* is a memoir of mirrors, misogyny, and murder. It is at once a rumination on the violence and oppression that rules our revered institutions, a ghost story

reflecting one young woman's past onto another's present, and a love story for a girl who was lost to history. **Becoming a Vessel of Honor The Terrible Girls** *City Lights Books* The girls on the prowl in **The Terrible Girls** are indeed terrible—relentless in love, ruthless in betrayal. These thematically linked stories depict a contemporary Gothic world in which body parts are traded for love, wounds never heal, and self-sacrifice is often the only way out. **The End of Youth** *City Lights Books* **The End of Youth** is a collection of 13 linked stories, essays and rants, about carrying on after youth's hope is gone. In "Afraid of the Dark," a child learns that there is good reason to be afraid. The adolescent narrator of "Description of a Struggle" finds that love can be brutal. "The Smokers" examines an adult's realization that longevity means seeing loved ones die. Written with the same spare and vivid beauty as her earlier award-winning works, **The End of Youth** is certain to win even wider acclaim. "Throughout her writing career, Brown has exhibited a rare sensitivity in delving into difficult, uncomfortable material—death, disease, imperfect bodies and minds . . . in this slim book . . . there's also humor and sensuality so intense it's visionary . . ."—San Francisco Chronicle "A strange and wonderful first-person voice emerges from the stories of Rebecca Brown, who strips her language of convention to lay bare the ferocious rituals of love and need."—The New York Times Book Review "Rarer than the newness, the wit, the vivid readability, is the deep caring understanding, the wholeness, the truth with which this astonishing, haunting writer creates her people."—Tillie Olsen "In **The End of Youth**, her new collection of stories and essays, Brown turns [a] gentle yet relentless gaze onto herself—or rather, onto scenes remembered from her childhood. The result is effortlessly perverse and frequently hilarious."—Booklist Rebecca Brown is the author of **The Terrible Girls**, **Annie Oakley's Girl**, **The Gifts of the Body** and **The Dogs**. She lives in Seattle. **He Shall Be Called 150 Names of Jesus and What They Mean to You** *Hachette UK* Bestselling author and pastor Robert J. Morgan explores the many character traits of Jesus, as shown by his many names. **Strongman's His Name...What's His Game? An Authoritative Biblical Approach to Spiritual Warfare** *Whitaker House* **How to Wage Spiritual Warfare in the Last Days** An important spiritual law was revealed by Jesus in Luke 11:21-22 and Matthew 12:29, "How can one enter into a strongman's house, and spoil his goods, except he first bind the strongman? And then he will spoil his house." Now, instead of "binding" symptoms, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible! If God names them, they are real, and He has given us dominion over them through the Name of Jesus! In easy to understand language this book... Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18:18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan's hassles so that we can reach this world for Christ.

Strongman's His Name...What's His Game offers a scriptural, balanced, and uplifting approach to present-day spiritual warfare. **The Devil's Disciples** **The Truth about Rock Chick Pub** **Not Heaven, Somewhere Else** Fiction. LGBTQIA Studies. Women's Studies. If heaven is somewhere, it isn't with us, but somewhere we want to get--a state, a place, a turning to home. Novel- and essayist Rebecca Brown's thirteenth book is narrative cycle that revamps old fairy tales, movies, and myths, as it leads the reader from darkness to light, from harshness to love, from where we are to where we might go. "A strange and wonderful first-person voice emerges from the stories of Rebecca Brown, who strips her language of convention to lay bare the ferocious rituals of love and need."--The New York Times "One of the few truly original modern lesbian writers, one who constantly pushes both her own boundaries and those of her readers."--San Francisco Chronicle "Watch for her books and hunt down her short stories. She is simply one of the best contemporary lesbian writers around."--Dorothy Allison "America's only real rock 'n' roll schoolteacher."--Thurston Moore, *Sonic Youth* **The Immortal Life of Henrietta Lacks** *Crown* #1 NEW YORK TIMES BESTSELLER • "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff

we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Daughter of Fortune A Novel *HarperCollins* From the New York Times bestselling author of *The House of the Spirits*, Isabelle Allende, comes a passionate tale of one young woman's quest to save her lover set against the chaos of the 1849 California Gold Rush. Orphaned at birth, Eliza Sommers is raised in the British colony of Valparaíso, Chile, by the well-intentioned Victorian spinster Miss Rose and her more rigid brother Jeremy. Just as she meets and falls in love with the wildly inappropriate Joaquín Andieta, a lowly clerk who works for Jeremy, gold is discovered in the hills of northern California. By 1849, Chileans of every stripe have fallen prey to feverish dreams of wealth. Joaquín takes off for San Francisco to seek his fortune, and Eliza, pregnant with his child, decides to follow him. As Eliza embarks on her perilous journey north in the hold of a ship and arrives in the rough-and-tumble world of San Francisco, she must navigate a society dominated by greedy men. But Eliza soon catches on with the help of her natural spirit and a good friend, the Chinese doctor Tao Chi'en. What began as a search for love ends up as the conquest of personal freedom. A marvel of storytelling, *Daughter of Fortune* confirms once again Isabel Allende's extraordinary gift for fiction and her place as one of the world's leading writers.

Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride the bestia--trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. A god will return When the earth and sky converge Under the black sun In the holy city of Tova, the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial event proscribed by the Sun Priest as an unbalancing of the world. Meanwhile, a ship launches from a distant city bound for Tova and set to arrive on the solstice. The captain of the ship, Xiala, is a disgraced Teek whose song can calm the waters around her as easily as it can warp a man's mind. Her ship carries one passenger. Described as harmless, the passenger, Serapio, is a young man, blind, scarred, and cloaked in destiny. As Xiala well knows, when a man is described as harmless, he usually ends up being a villain. The peril of the believer is to confuse the spirit for the soul and the soul

for the spirit, and so be deceived into accepting the counterfeit of evil spirits to the unsettling of God's work. The greatest advantage in knowing the difference between spirit and soul is perceiving the latent power of the soul and in understanding its falsification of the power of the Holy Spirit. Such knowledge is not theoretical but practical in helping people to walk in God's way. In this book, Watchman Nee shares his insight on The Latent Power of The Soul, The Christian and Psychic Force, and Spirit Force vs Psychic Force. Nowadays the atmosphere is so charged with the commotion of all kinds of counterfeit that the Lord seems to be calling the Church to come to a higher ground. Today's situation is perilous. May we "prove all things; hold fast that which is good" (1Thes. 5:21) Prepare for the Antichrist A Message for the End Time Church For thousands of years the Church has been warned about a king, a man of lawlessness, who would rule at the end of the age. We all know he is coming, but are we prepared? This book delivers a rhema word from God to His Church in this final hour. "Prepare For The Antichrist: A Message For The End Time Church" is a book packed with scripture, revelation, and knowledge concerning who God is, who we are, and why the Antichrist is intimidated by the presence of the Church. Baxter on a spiritual journey for thirty nights to witness the torments of hell, charging her to reveal the terrible reality of God's judgment and to relate the urgent message of salvation through Jesus Christ. Mary wrote about her journey to hell in her best-selling book A Divine Revelation of Hell, which has sold

more than 1.3 million copies. After those thirty nights, Jesus told Mary, “I will close up your mind, and you will not remember some of the things I have shown and told you. But I will reopen your mind and bring back your understanding in the latter days. Then I will open up your remembrance....” Recently, God has brought back to Mary’s remembrance many of those experiences because these revelations are particularly for our day. A Divine Revelation of Satan’s Deceptions contains new images of hell that Mary has not related in her other books, as well as crucial insights into the deceptions Satan uses to destroy people and the tactics he employs to defeat believers. God has given His people anointings, gifts, and resources to build His kingdom that Satan has stolen and is holding captive in hell. This book reveals how we can use various “keys to the kingdom” to restore these blessings and to destroy the powers of darkness. Our choice is between allowing Satan to deceive and rob us—or claiming our spiritual inheritance and conquering the enemy in the power of God. *Vessel of Honor A 10-Day Devotional, and Powerful Prayers of Consecration to Rid Yourself of Negative Spiritual Toxins, Develop Intimacy with God, and Command the Year* *Independently Published* Prayers to Purge Yourself, Develop Intimacy with God, Wake up Your Gifts, and Command the Year.
