Red River Bullets Battles of the Red River War Archeological Perspectives on the Indian Campaign of 1874 Texas A&M University Press Battles of the Red River War unearths a long-buried record of the collision of two cultures. In 1874, U.S. forces led by Col. Ranald S. Mackenzie carried out a surprise attack on several Cheyenne, Comanche, and Kiowa bands that had taken refuge in the Palo Duro Canyon of the Texas panhandle and destroyed their winter stores and horses. After this devastating loss, many of these Indians returned to their reservations and effectively brought to a close what has come to be known as the Red River War, a campaign carried out by the U.S. Army during 1874 as a result of Indian attacks on white settlers in the region. After this operation, the Southern Plains Indians would never again pose a coherent threat to whites' expansion and settlement across their ancestral homelands. Until now, the few historians who have undertaken to tell the story of the Red River War have had to rely on the official records of the battles and a handful of extant accounts, letters, and journals of the U.S. Army participants. Starting in 1998, J. Brett Cruse, under the auspices of the Texas Historical Commission, conducted archeological investigations at six battle sites. In the artifacts they unearthed, Cruse and his teams found clues that would both correct and complete the written records and aid understanding of the Indian perspectives on this clash of cultures. Including a chapter on historiography and archival research by Martha Doty Freeman and an analysis of cartridges and bullets by Douglas D.

Scott, this rigorously researched and lavishly illustrated work will commend itself to archeologists, military historians and scientists, and students and scholars of the Westward Expansion. Red River Macmillan When the Confederacy reclaims the port city of Galveston during the Civil War, Jamie Russell, head of the Valverde Battery, is sent to Louisiana, where he encounters an attack by Union general Nathaniel Banks, who plans to disrupt Confederate supply routes. 10,000 first printing. Bullets That Changed America Thirteen Historic Assassinations, Duels, Misfires and Murders McFarland One gunshot by a single person could be powerful enough to move a whole nation. Well known are the assassinations of Abraham Lincoln, John F. Kennedy, William McKinley, and Martin Luther King Jr., and their long-lasting consequences. History, however, is littered with lesser-known gunshots that have had equally echoing outcomes. Some were small mistakes or misjudgments, others intentional acts that sparked events documented in our history textbooks. A single bullet serves as the catalyst for each of the stories in this book. We may or may not know who fired it but we know each bullet's end point and the effects it had on America's trajectory: the wars, social movements, and political and economic paradigm shifts. The names of those involved may not to many be recognizable but the events their acts precipitated are etched in American history. Red River Vengeance Pinnacle Books JOHNSTONE COUNTRY. VENGEANCE IS HERE. A good man like Perley Gates knows that when you race with the devil, you'd better cross the finish line first—or you won't finish at all . . . They rode into town like the Four Horsemen of the Apocalypse. Four armed outlaws bringing their own brand of hell to Paris, Texas. First they rob the First National Bank. Then they take a woman hostage as insurance. When Perley Gates learns that local waitress Becky Morris is in the hands of these tough customers, he rides alone to get her back. Problem is, the outlaws are heading toward the Red River—straight into Indian Territory. That's where the ranch hands draw the line. But Perley won't give up. He manages to rescue the girl, but not before killing the gang's leader. Now he's incurred the wrath of the other three . . . The race is on. Come hell or high water, Perley has to get Becky across the Red River—before three vengeful devils make it flow with their blood . . . Live Free. Read Hard. Red River Montreal, Lovell Chambers's Encyclopædia A Dictionary of Universal Knowledge The Red River Campaign of 1864 and the Loss by the Confederacy of the Civil War McFarland The Union Army's Red River Campaign began on March 12, 1864, with a two-pronged attack aimed at gaining control of Shreveport, Louisiana. It lasted until May 22, 1864, when, after suffering significant casualties, the Union army retreated to Simmesport, Louisiana. The campaign was an attempt to prevent Confederate alliance with the French in Mexico, deny supplies to Confederate forces, and secure vast quantities of Louisiana and Texas cotton for Northern mills. With this examination of Confederate leadership and how it affected the Red River Campaign, the author argues against the standard assumption that the campaign had no major effect on the outcome of the war. In fact, the South

had—and lost—an excellent opportunity to inflict a decisive defeat that might have changed the course of history. With this campaign as an ideal example, the politics of military decision-making in general are also analyzed. The Red River Ring Bitingduck Press LLC An Old West adventure set in the rugged Palo Duro Canyon of Texas, The Red River Ring is the story of Pommel McMurphy, a successful pioneer rancher, Confederate soldier, and trail boss. McMurphy returns to the Palo Duro after being summoned by his former wife and mother of his three sons to help face a determined assault by the Red River Ring, a band of notorious rustlers and land grabbers. McMurphy has a dark past, however, that plagues him. Twenty years before, he abandoned his wife and sons without a word. He must return to grown sons who have no idea that he still lives and confront the woman he left behind. He must also battle Black Tom Bent, the leader of the Ring and his long-time foe, for the land, the woman, and the respect of his sons. Dark secrets and hidden guilt torment him as he struggles to save his family and come to terms with what he has done. A bold action-packed drama unfolds as McMurphy uses old-time vigilantism and the code of the vendetta to overcome a dangerous foe in a time when the law of the gun is being quickly overshadowed by the rule of law. Boson Books offers several novels and nonfiction works about the Old West by Randy Smith. For an author bio and photo, reviews and a reading sample, visit bosonbooks.com. Farm, Stock and Home Red River Grand Central Publishing From the author of the New York Times bestseller Cane River comes the paperback debut of an epic work of fiction that tells the dramatic, intertwining story of two families and their struggles to make a place for themselves in a country deeply divided in the aftermath of the Civil War. Wolfville Library of Alexandria The Old Cattleman has many tales to tell of the days when the Wild West was truly wild, having spent his entire life in Wolfville--a time when desperadoes and mule-skinners, outlaws and lawmen, runaways and rawhidiers, ran the town. The Boy's Own Annual Theatre of Witness Finding the Medicine in Stories of Suffering, Transformation, and Peace Jessica Kingsley Publishers Theatre of Witness is a model of performance that gives voice to those who have been marginalized, forgotten or unheard in society, creating a safe forum for audiences to bear witness to real-life accounts of suffering and transformation. This book chronicles the author's 26 years of creating and producing theatre with people whose stories have previously gone untold, including prisoners and their families, refugees, survivors and former perpetrators of domestic abuse, ex-combatants and those who have lived through war. With an engaging and heartfelt narrative, it beautifully conveys the key principles of Theatre of Witness and explores the author's own journey that lead to the conception and growth of this unique model of performance. Exploring diverse human experiences in the United States, Poland and Northern Ireland, this book will be of interest to practitioners and students of applied theatre, peace and conflict studies, professionals working in conflict resolution, counselors, psychotherapists, professionals in the field of criminal and restorative justice, dramatherapists,

psychodramatists and spiritual seekers. **Red River Bride** Barbour Publishing **Return to Red River** Pinnacle Books Winner of the 2017 Spur Award for Best Paperback Western “Boggs is unparalleled in evoking the gritty reality of the Old West.” —The Shootist **Red River** is one of the greatest westerns ever told, a novel that that became the classic John Wayne movie in 1948. Now award-winning Johnny D. Boggs presents a powerful follow-up—destined to be a western masterpiece in its own right. **RETURN TO RED RIVER** Mathew Garth was orphaned in a savage wagon train ambush and adopted by Red River hero Thomas Dunson. Twenty years later Matt has two strapping sons of his own and is undertaking a desperate cattle drive from Texas to Dodge City, the new queen of frontier cattle towns. While the deadly dangers of storms and rustlers gather around them, an act of passion and violence from within the drive—and from within the Garth family—leaves Matt fighting for his life, close to where his father was buried by the Red River. When Matt gets back up, he must finish the drive and fight his worst enemies—and even his own blood kin before it ends in a battle of guns, tears, and justice. “Johnny Boggs has produced another instant page-turner...don’t put down the book until you finish it.” —Tony Hillerman on Killstraight “Johnny D. Boggs tells a crisply powerful story that rings true more than two centuries after the bloody business was done.” —The Charleston (S.C.) Post and Courier on **The Despoilers** **Wolfville** **The Red River Trails** **Oxcart Routes Between St. Paul and the Selkirk Settlement, 1820-1870** Minnesota Historical Society The many difficulties and occasional rewards of early travel and transportation in Minnesota are highlighted in this book, along with the state's relations with what became western Canada and insights into the development of business in Minnesota. The meeting of Indian and European cultures is vividly manifested by the mixed-blood Mtis who became the mainstay of the Red River trade. **The Red River Bridge War** A Texas-Oklahoma Border Battle Texas A&M University Press At the beginning of America’s Great Depression, Texas and Oklahoma armed up and went to war over a 75-cent toll bridge that connected their states across the Red River. It was a two-week affair marked by the presence of National Guardsmen with field artillery, Texas Rangers with itchy trigger fingers, angry mobs, Model T blockade runners, and even a costumed Native American peace delegation. Traffic backed up for miles, cutting off travel between the states. This conflict entertained newspaper readers nationwide during the summer of 1931, but the Red River Bridge War was a deadly serious affair for many rural Americans at a time when free bridges and passable roads could mean the difference between survival and starvation. The confrontation had national consequences, too: it marked an end to public acceptance of the privately owned ferries, toll bridges, and turnpikes that threatened to strangle American transportation in the automobile age. **The Red River Bridge War: A Texas-Oklahoma Border Battle** documents the day-to-day skirmishes of this unlikely conflict between two sovereign states, each struggling to help citizens get goods to market at a time of reduced tax revenue and little federal assistance. It

also serves as a cautionary tale, providing historical context to the current trend of re-privatizing our nation's highway infrastructure. **The American Western A Complete Film Guide Lulu.com** A comprehensive film guide featuring films and television shows of the great American western. The stories of the men and women who tamed the old West. Also featuring actors and directors who made these films possible. **Brothers of the Buffalo A Novel of the Red River War Fulcrum Publishing** A captivating and historical story of two young men on opposing sides of war. In 1874, the U.S. Army sent troops to subdue and move the Native Americans of the southern plains to reservations. **Brothers of the Buffalo** follows Private Washington Vance Jr., an African-American cavalryman, and Wolf, a Cheyenne warrior, during the brief and brutal war that followed. Filled with action and suspense from both sides of the battle, this is a tale of conflict and unlikely friendship in the Wild West. **Bullets Don't Argue Pinnacle Books** A new kind of hero in the Old West tradition, Perley Gates is as honest and good as his heavenly name. But don't make him mad. Because when Perley Gates gets mad, people get hurt. Once every year, Perley Gates and his brothers lead the Triple-G crew on its annual cattle drive. It's a treacherous journey along the Great Western Trail, with a herd of two-thousand cows on one side and many opportunities for trouble on the other. This year, trouble shows up in the form of a beautiful young woman, her little baby, and her bizarre traveling companion—a colorful old cuss who goes by the name of Possom Smith. They're heading to a settlement called Butcher Bottom, and risking their necks to get there. Perley—being the gentleman he is—offers to escort the trio to their destination. But there are a few minor details they “forgot” to tell Perley . . . The woman is a widow whose husband had enemies. The old man is hiding a small fortune that might get them killed. And Perley is stuck in the middle trying to decide who's good, who's bad—and who deserves to die first . . . **Live Free. Read Hard. A Wolfville Thanksgiving Focus on International Joint Commission Activities Red River Story New York : Ballantine Books** Base on the life of Kate McPherson, this novel follows the adventures of the settlers in the northern Great Plains and their battles with the great fur companies **Assaulted Souls III A graphic examination of the horrifying consequences of tampering with Mother Nature. William Blackwell Publishing** What if the government made it mandatory for you to have a microchip implanted in your brain, saying it was for your security, for your safety? Would you believe it? Would you take it? What if you learned world powers were setting up sophisticated spy cameras everywhere to watch and record your every move 24/7? Would you believe it? Would you run and hide? Would you become a subversive and fight back? What if you learned soldiers and law-enforcement officers had become super soldiers, genetically modified trans-humans capable of out-running Usain Bolt, out-lifting Olympic weightlifters, re-growing limbs, and even communicating telepathically through microchips installed in their heads? Would you believe it? Would you acquiesce? Would you revolt? In a chillingly real examination of these questions, post-apocalyptic

disaster survivors Nathan King and Velvet Jones escape government clutches, returning to war-ravaged Prince Edward Island only to discover a living nightmare. They are plunged into a fierce battle with savage, opportunistic tribes struggling for survival; demented military soldiers, and giant insects created by the new world order. **Blood Red River Pinnacle Books** As buffalo hunter Billy Dixon and his team of skinner venture into Native American territory, vengeful tribes under the command of Quanah, a Comanche war chief, and the Kiowa leader Lone Wolf, prepare to attack a small trading post called Adobe Walls, in a gritty tale set in Texas in 1874. Original. Fort Worth **A Frontier Triumph Texas A&M University Press** In the 1950s, history teacher Julia Kathryn Garrett of Fort Worth began collecting stories from old-timers and pioneers whose memory or knowledge reached back to the early days of the city. For fifteen summer vacations she worked from morning to night on her book, creating an anecdotal chronicle of the early years of the city that began as a fort on the Trinity River in 1849. She closed her history with events a quarter of a century later, when Fort Worth was poised on the edge of growth, ready to become a modern city with the 1876 arrival of the railroad. First published in 1972 and reprinted by TCU Press in 1996. **Along the Red River A Memoir Zubaan Veteran journalist Sabita Goswami** has written a unique, unusual and rare autobiography, documenting the extraordinary, single-handed fight of an ordinary woman in the heart of Assam, against family and social obstacles, and her attempt to establish herself emotionally and professionally. An unbiased and ruthless no-holds-barred account of turbulent contemporary Assam in particular and the Northeast in general, the book offers an exceptional analysis of a volatile region and its intricate and complex social and political history. The racy and strong narrative recounted simply and with rare passion, makes this book a compelling read. **Toys & Prices 2006 Wpa Guide to Minnesota Minnesota Historical Society Press Whitaker's Books in Print Archaeology in America: An Encyclopedia [4 volumes] An Encyclopedia ABC-CLIO** The greatness of America is right under our feet. The American past—the people, battles, industry and homes—can be found not only in libraries and museums, but also in hundreds of archaeological sites that scientists investigate with great care. These sites are not in distant lands, accessible only by research scientists, but nearby—almost every locale possesses a parcel of land worthy of archaeological exploration. **Archaeology in America** is the first resource that provides students, researchers, and anyone interested in their local history with a survey of the most important archaeological discoveries in North America. Leading scholars, most with an intimate knowledge of the area, have written in-depth essays on over 300 of the most important archaeological sites that explain the importance of the site, the history of the people who left the artifacts, and the nature of the ongoing research. **Archaeology in America** divides its coverage into 8 regions: the Arctic and Subarctic, the Great Basin and Plateau, the Great Plains and Rocky Mountains, the Midwest, the Northeast, the Southeast, the Southwest, and the West Coast. Each entry provides

readers with an accessible overview of the archaeological site as well as books and articles for further research. **Toys & Prices 2007 Krause Publications** The latest trends, the most up-to-date values, descriptions, and more than two thousand photographs of the kinds of things toy collectors dream of are included in this comprehensive guide to post-World War II toys. **Original.
