The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Four Theology, Part I** [Wipf and Stock Publishers](#) **James Leo Garrett Jr. has been called "the last of the gentlemen theologians" and "the dean of Southern Baptist theologians."** In

The Collected Writings of James Leo Garrett Jr., 1950-2015, the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship, the even-handed treatment, the biblical fidelity, the wide historical breadth, and the honest sincerity that have made the work and person of James Leo Garrett Jr. so esteemed and revered among so many for so long. Volume 4 is the first of two volumes that will contain his theological essays. Spanning sixty-five years and touching on topics from Baptist history, theology, ecclesiology, church history and biography, religious liberty, Roman Catholicism, and the Christian life, The Collected Writings of James Leo Garrett, Jr., 1950-2015 will inform and inspire readers regardless of their religious or denominational affiliations. **Studies in Tudor and Stuart Politics and Government: Volume 3, Papers and Reviews 1973-1981** [Cambridge University Press](#) This volume continues the publication of Professor Elton's collected papers on topics in the history of Tudor and Stuart England. All appeared between 1973 and 1981. As before, they are reprinted exactly as originally published, with corrections and additions in footnotes. They include the author's four presidential addresses to the Royal Historical Society and bring together his preliminary findings in the history of Parliament and its records. Several of them, which appeared in various collections and Festschriften, have been difficult to find, and some are taken from locations in Germany and the United States unfamiliar to English readers. The eight lengthy reviews here republished examine some of the major questions in the history of the age and throw light on the principles of investigation which underlie the author's own research. **Studies in Tudor and Stuart Politics and Government: Volume 1, Tudor Politics Tudor Government Papers and Reviews 1946-1972** [Cambridge University Press](#) The papers collected in these volumes revolve around the political, constitutional and personal problems of the English government between the end of the fifteenth-century civil wars and the beginning of those of the seventeenth century. Previously published in a great variety of places, none of them appeared in book form before. They are arranged in four groups (Tudor Politics and Tudor Government in Volume I, Parliament and Political Thought in Volume II) but these groups interlock. Though written in the course of some two decades, all the pieces bear variously on the same body of major issues and often illuminate details only touched upon in Professor Elton's books. Several investigate the received preconceptions of historians and suggest new ways of approaching familiar subjects. They are reprinted unaltered, but some new footnotes have been added to correct errors and draw attention to later developments. **Studies in Tudor and Stuart Politics and Government: Volume 2, Parliament Political Thought Papers and Reviews 1946-1972** [Cambridge University Press](#) The papers collected in these volumes revolve around the political, constitutional and personal problems of the English government between the end of the fifteenth-century civil wars and the beginning of those of the seventeenth century. Previously published in a great variety of places, none of them appeared in book form before. They are arranged in four groups (Tudor Politics

Ideas and Institutions in Western Civilization Renaissance and Reformation, 1300-1640 Italian Literature before 1900 in English Translation [University of Toronto Press Italian Literature before 1900 in English Translation](#) provides the most complete record possible of texts from the early periods that have been translated into English, and published between 1929 and 2008. It lists works from all genres and subjects, and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5,200 distinct editions of pre-1900 Italian writings. Most entries are accompanied by useful notes providing information on authors, works, translators, and how the translations were received. Among the works by over 1,500 authors represented in this volume are hundreds of editions by Italy's most translated authors - Dante Alighieri, Machiavelli, and Boccaccio - and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's Twentieth-Century Italian Literature in English Translation, this volume makes comprehensive information on translations accessible for schools, libraries, and those interested in comparative literature.
