CELEBRATION OF DISCIPLINE

THE PATH TO SPIRITUAL GROWTH

Zondervan In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas

contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

BENGALI LANGUAGE HANDBOOK

THE WRESTLER'S BODY

IDENTITY AND IDEOLOGY IN NORTH INDIA

Univ of California Press *The Wrestler's Body* tells the story of a way of life organized in terms of physical self-development. While Indian wrestlers are competitive athletes, they are also moral reformers whose conception of self and society is fundamentally somatic. Using the insights of anthropology, Joseph Alter writes an ethnography of the wrestler's physique that elucidates the somatic structure of the wrestler's identity and ideology. Young men in North India may choose to join an akhara, or gymnasium, where they subject themselves to a complex program of physical and moral fitness. Alter's first-hand description of each detail of the wrestler's regimen offers a unique perspective on South Asian culture and society. Wrestlers feel that moral reform of Indian national character is essential and advocate their way of life as an ideology of national health. Everyone is called on to become a wrestler and build collective strength through self-discipline.

PERCEPTION, DESIGN AND ECOLOGY OF THE BUILT ENVIRONMENT

A FOCUS ON THE GLOBAL SOUTH

Springer Nature This edited volume is a compilation of the 'built environment' in response to many investigations, analyses and sometimes mere observations of the various dialogues and interactions of the built, in context to its ecology, perception and design.

The chapters concentrate on various independent issues, integrated as a holistic approach, both in terms of theoretical perspectives and practical approaches, predominantly focusing on the Global South. The book builds fabric knitting into the generic understanding of environment, perception and design encompassing 'different' attitudes and inspirations. This book is an important reference to topics concerning urbanism, urban developments and physical growth, and highlights new methodologies and practices. The book presumes an understanding unearthed from various dimensions and again woven back to a common theme, which emerges as the reader reads through. Various international experts of the respective fields working on the Global South contributed their latest research and insights to the different parts of the book. This trans-disciplinary volume appeals to scientists, students and professionals in the fields of architecture, geography, planning, environmental sciences and many more.

PILGRIMAGE AND POWER

THE KUMBH MELA IN ALLAHABAD, 1765-1954

Oxford University Press Today the Kumbh Mela in Allahabad, India, is a major Hindu religious pilgrimage and the largest religious gathering in the world. In 2001, according to the government of Uttar Pradesh, 30 million pilgrims were drawn to the confluence of the rivers Ganga and Yamuna on the most auspicious day for bathing. In an impressive feat of organization and administration, the first mela of the new millennium was managed to the overwhelming satisfaction of most, with an impressive health and safety record. The loudest complaint had to do with the intrusive presence of the media. Journalists, largely representing foreign media outlets, had swarmed to the mela, intent on broadcasting to a global audience sensational images of naked (or wet-sari-clad) Indians taking part in "ancient" religious rituals. Resistance to foreign interference with the mela has roots that go back 200 years. The British colonial state and the colonized had different ideas about what the Kumbh Mela represented: for the former, it was a potentially dangerous

gathering that demanded tight regulation and control, but for the latter it was a sacred sphere in which foreign domination and interference were intolerable. In this book Kama Maclean examines this tension and the manner in which it was negotiated by each side. She asks why and how the colonial state tried to manipulate the mela and, more important, how the mela changed as Indians responded to the colonial power. In recent years many scholars have emphasized the extent to which the Kumbh Mela has been monopolized by the Hindu nationalist movement. Maclean seeks to situate the history of the Kumbh Mela in Allahabad within a much broader context. She explores the role of a pilgrimage fair like the Kumbh Mela in disseminating ideas, particularly political ones like nationalism and ideas about social reform. Kama Maclean tells the mesmerizing and important story of the Kumbh Mela with exciting detail as well as careful scholarly attention, illuminating for the reader the full scope of the event's historical and socio-political context.

METHYLXANTHINES

Springer Science & Business Media In the present volume of the Handbook of Experimental Pharmacology well known experts describe the actions of different xanthines with a focus on caffeine and theophylline. A special chapter is devoted to theobromine, an active component of chocolate, the actions of which are less well characterized. This book also presents the pharmacology of one xanthine derivative, propentofylline, as an example of a xanthine that has gone through extensive development for a novel therapeutic area.

DILIP KUMAR

THE SUBSTANCE AND THE SHADOW

Hay House, Inc An authentic, heartfelt and compelling narrative – straight from the horse’s mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is ‘full of distortions and misinformation’, he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates,

matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Mela, Andaz, Deedar, Daag and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as Azaad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his 'second innings' with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaal, Karma, Saudagar and Qila.

AGROFORESTRY IN SUSTAINABLE AGRICULTURAL SYSTEMS

CRC Press *Agroforestry in Sustainable Agricultural Systems* examines the environmental and social conditions that affect the roles and performance of trees in field- and forest-based agricultural production systems. Various types of ecological settings for agroforestry are analyzed within temperate and tropical regions. The roles of soil, water, light, nutrient and pest management in mixed, annual, woody perennial and livestock systems are discussed. Important new case studies from around the world offer innovative strategies that have been used successfully in raising forests and tree products on a sustainable basis for commercial harvesting and for providing other environmental services in land conservation and watershed management.

INSCRIPTIONS OF THE AULIKARAS AND THEIR ASSOCIATES

Walter de Gruyter GmbH & Co KG *The Aulikaras* were the rulers of western Malwa (the northwest of Central India) in the heyday of the Imperial Guptas in the fifth century CE, and rose briefly to sovereignty at the beginning of the sixth century before disappearing from the spotlight of history. This book gathers all the epigraphic evidence pertaining to this dynasty, meticulously editing and translating the inscriptions and analysing their content and its implications.

PERSONALIZED HIP AND KNEE JOINT REPLACEMENT

Springer Nature This open access book describes and illustrates the surgical techniques, implants, and technologies used for the purpose of personalized implantation of hip and knee components. This new and flourishing treatment philosophy offers important benefits over conventional systematic techniques, including component positioning appropriate to individual anatomy, improved surgical reproducibility and prosthetic performance, and a reduction in complications. The techniques described in the book aim to

reproduce patients' native anatomy and physiological joint laxity, thereby improving the prosthetic hip/knee kinematics and functional outcomes in the quest of the forgotten joint. They include kinematically aligned total knee/total hip arthroplasty, partial knee replacement, and hip resurfacing. The relevance of available and emerging technological tools for these personalized approaches is also explained, with coverage of, for example, robotics, computer-assisted surgery, and augmented reality. Contributions from surgeons who are considered world leaders in diverse fields of this novel surgical philosophy make this open access book will invaluable to a wide readership, from trainees at all levels to consultants practicing lower limb surgery

BUDDHIST REVIVALIST MOVEMENTS

COMPARING ZEN BUDDHISM AND THE THAI FOREST MOVEMENT

Springer This text provides a comparative investigation of the affinities and differences of two of the most dynamic currents in World Buddhism: Zen Buddhism and the Thai Forest Movement. Defying differences in denomination, culture, and historical epochs, these schools revived an unfettered quest for enlightenment and proceeded to independently forge like practices and doctrines. The author examines the teaching gambits and tactics, the methods of practice, the place and story line of teacher biography, and the nature and role of the awakening experience, revealing similar forms deriving from an uncompromising pursuit of awaking, the insistence on self-cultivation, and the preeminent role of the charismatic master. Offering a pertinent review of their encounters with modernism, the

book provides a new coherence to these seemingly disparate movements, opening up new avenues for scholars and possibilities for practitioners.

CHANAKYA'S CHANT

Chanakya's Chant is a racy and gripping account on Chanakya, one of the greatest political strategists India has seen. The story changes track as it narrates the tale of Gangasagar Mishra, the reincarnation of Chanakya, in parallel. Will he be the next kingmaker? Gangasagar Mishra, a denizen of a quaint old Indian town, is no ordinary man. Society sees him as a Brahmin teacher who can barely make ends meet, but he's the reincarnation of the man who brought the fragmented subcontinent together under a single empire - Chanakya. Chanakya's Chant by Ashwin Sanghi gives its readers a look into two parallel worlds that are tied together by the intelligence of the main protagonists. The first story is set in 340 BC, when a young Brahmin man, fueled by the death of his father, vows revenge against the king and overthrows his rule by bringing in Chandragupta Maurya, the first emperor of the Maurya Dynasty. The scene then shifts to modern day India, where Gangasagar Mishra leads his life as a nonentity - until he decides to groom an ambitious girl from Kanpur into India's prime minister. Will Chanakya's manipulative mechanisms change the face of the nation again? The book takes readers on a joyride through Chanakya's cold and calculating moves. Chanakya's Chant was very well received by critics and readers. Renowned bureaucrat and writer Shashi Tharoor released the book in Mumbai and termed it a gripping and delightful read. The book is a historical account, but features many colloquial terms too.

DONGRI TO DUBAI - SIX DECADES OF THE MUMBAI MAFIA

Roli Books Private Limited Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia's nefarious role in Bollywood, Dawood's move to Karachi, and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

AN INDIAN ENGLISHMAN

Lulu.com John Travers Mends (Jack) Gibson was born on March 3, 1908 and died on October 23, 1994 at the age of 86. In some ways, Jack was the last Indian Englishman. He came ten years before independence and stayed on 47 years after it, rendering dedicated service to the country of his adoption for 57 years. Jack's journey started as a school teacher at The Doon School. He was the last English Principal of Mayo College and the last English President of the Himalayan Club. He was the last, and for most of the time the only English resident of Ajmer. He must have been just about the last Englishman to have been honored by both the British and Indian Governments. Brij Sharma is a journalist based in Bahrain. He spent much of his childhood and youth in Dehra Dun, and while not a product of The Doon School, he has known its campus, the surroundings of the city and much of the mountainous terrain described in Gibson's letters. <http://www.jtmgibson.com>

THE SACRED GAZE

RELIGIOUS VISUAL CULTURE IN THEORY AND PRACTICE

Univ of California Press "Sacred gaze" denotes any way of seeing that invests its object—an image, a person, a time, a place—with spiritual significance. Drawing from many different fields, David Morgan investigates key aspects of vision and imagery in a variety of religious traditions. His lively, innovative book explores how viewers absorb and process religious imagery and how their experience contributes to the social, intellectual, and perceptual construction of reality. Ranging widely from thirteenth-century Japan and eighteenth-century Tibet to contemporary America, Thailand, and Africa, *The Sacred Gaze* discusses the religious functions of images and the tools viewers use to interpret them. Morgan questions how fear and disgust of images relate to one another and explains how scholars study the long and evolving histories of images as they pass from culture to culture. An intriguing strand of the narrative details how images have helped to shape popular conceptions of gender and masculinity. The opening chapter considers definitions of "visual culture" and how these relate to the traditional practice of art history. Amply illustrated with more than seventy images from diverse religious traditions, this masterful interdisciplinary study provides a comprehensive and accessible resource for everyone interested in how religious images and visual practice order space and time, communicate with the transcendent, and embody forms of communion with the divine. *The Sacred Gaze* is a vital introduction to the study of the visual culture of religions.

GANDHI BEFORE INDIA

Vintage Here is the first volume of a magisterial biography of Mohandas Gandhi that gives us the most illuminating portrait we have had of the life, the work and the historical context of one of the most abidingly influential—and controversial—men in modern history. Ramachandra Guha—hailed by Time as “Indian democracy’s preeminent chronicler”—takes us from Gandhi’s birth in 1869 through his upbringing in Gujarat, his two years as a student in London and his two decades as a lawyer and community organizer in South Africa. Guha has uncovered myriad previously untapped documents, including private papers of Gandhi’s contemporaries and co-workers; contemporary newspapers and court documents; the writings of Gandhi’s children; and secret files kept by British Empire functionaries. Using this wealth of material in an exuberant, brilliantly nuanced and detailed narrative, Guha describes the social, political and personal worlds inside of which Gandhi began the journey that would earn him the honorific Mahatma: “Great Soul.” And, more clearly than ever before, he elucidates how Gandhi’s work in South Africa—far from being a mere prelude to his accomplishments in India—was profoundly influential in his evolution as a family man, political thinker, social reformer and, ultimately, beloved leader. In 1893, when Gandhi set sail for South Africa, he was a twenty-three-year-old lawyer who had failed to establish himself in India. In this remarkable biography, the author makes clear the fundamental ways in which Gandhi’s ideas were shaped before his return to India in 1915. It was during his years in England and South Africa, Guha shows us, that Gandhi came to understand the nature of imperialism and racism; and in South Africa that he forged the philosophy and techniques that would undermine and eventually overthrow the British Raj. Gandhi Before India gives us equally vivid portraits of the man and the world he

lived in: a world of sharp contrasts among the coastal culture of his birthplace, High Victorian London, and colonial South Africa. It explores in abundant detail Gandhi's experiments with dissident cults such as the Tolstoyans; his friendships with radical Jews, heterodox Christians and devout Muslims; his enmities and rivalries; and his often overlooked failures as a husband and father. It tells the dramatic, profoundly moving story of how Gandhi inspired the devotion of thousands of followers in South Africa as he mobilized a cross-class and inter-religious coalition, pledged to non-violence in their battle against a brutally racist regime. Researched with unequaled depth and breadth, and written with extraordinary grace and clarity, *Gandhi Before India* is, on every level, fully commensurate with its subject. It will radically alter our understanding and appreciation of twentieth-century India's greatest man.

A DICTIONARY OF NEUROLOGICAL SIGNS

Springer Science & Business Media "Although it has been mooted whether the dramatic technological advances in neurological practice, (i.e., neuroimaging) might render the physical exam redundant, others maintain the central importance of neurological examination in patient management. *A Dictionary of Neurological Signs* seeks to elucidate the interpretation of neurological signs ("neurosemiology"): their anatomical, physiological, and pathological significance." (from the Preface) The structured entries in this practical, clinical resource provide a snapshot of a wide range of neurological signs. Each entry includes: definition of the sign; brief account of the clinical technique required to elicit the sign; description of the other signs which may accompany the index sign. Where known, the entries also include neuroanatomical basis of the sign; explanation of pathophysiological and/or pharmacological background; neuropathological basis; differential diagnosis; and brief treatment details. The Dictionary provides practical, concise answers to complex clinical questions.

A SEARCH IN SECRET INDIA

A Search in Secret India is the story of Paul Brunton's journey around India, living among yogis, mystics and gurus, some of whom he found convincing, others not. He finally finds the peace and tranquility which come with self-knowledge when he meets and studies with the great sage Sri Ramana Maharishi. Paul Brunton was a British philosopher, mystic, traveler, and guru. He left a journalistic career to live among yogis, mystics, and holy men, and studied Eastern and Western esoteric teachings. Dedicating his life to an inward and spiritual quest, Brunton felt charged to communicate his experiences about what he learned in the East to others. His works had a major influence on the spread of Eastern mysticism to the West. Taking pains to express his thoughts in layperson's terms, Brunton was able to present what he learned from the Orient and from ancient tradition as a living wisdom. His writings express his view that meditation and the inward quest are not exclusively for monks and hermits, but will also support those living normal, active lives in the Western world.

THE SIKH ART

FROM THE KAPANY COLLECTION

Roli Books This volume brings together leading scholars of Sikhism and of Sikh art to assess and interpret the remarkable art resource known as the Kapany Collection, using it to introduce to a broad public the culture, history, and ethos of the Sikhs. Fifteen

renowned scholars contributed essays describing the passion and vision of Narinder and Satinder Kapany in assembling this unparalleled assemblage of great Sikh art, some of which has been displayed in exhibitions around the globe. The Kapanys' legacy of philanthropic work includes establishing the Sikh Foundation (now celebrating its 50th year) and university endowments for Sikh studies. Through this profusely illustrated book's chapters, scholars examine the full range of Sikh artistic expression and of Sikh history and cultural life, using artworks from the Kapany Collection.
