**DELIVERANCE FROM EVIL**

**A NOVEL OF THE SALEM WITCH TRIALS**

Abrams Deliverance from Evil brings to life the Salem witch trials, one of the most uncanny times in our nation's history. Young girls in trances pointed out neighbors, leaders, relatives--over 150 people were arrested, with many hanged for their supposed sins. Frances Hill, author of A Delusion of Satan, brings her deep historical and political understanding together with her honed skills as a novelist to produce a picture of the trials both realistic and emotional. She has written an extraordinary and gripping novel of hysteria, power plays, and love in colonial America.

**THE SALEM WITCH TRIALS**

**A DAY-BY-DAY CHRONICLE OF A COMMUNITY UNDER SIEGE**

Taylor Trade Publications The Salem Witch Trials is based on over twenty-five years of archival research--including the author's discovery of previously unknown documents--newly found cases and court records. From January 1692 to January 1697 this history unfolds a nearly day-by-day narrative of the crisis as the citizens of New England experienced it.

**THE CRUCIBLE**

"The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: \* "Tragedy And The Common Man", an essay by Arthur Miller. \* Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. \* A few selected quotes of Arthur Miller.

---

## THE SALEM WITCH TRIALS

---

Cavendish Square Publishing, LLC In the late 17th century, the Salem Witch Trials led to the executions of 20 innocent people. Many explanations have been given for this tragedy, but there is no single reason it occurred. Instead, multiple factors converged to create a vortex of fear, suspicion, anger, and political tension. It was the perfect atmosphere to support the temporary suspension of common sense. Your readers will discover captivating details about this fascinating time in American history. The dangers of leveling accusations without proof and succumbing to panic are discussed in this engaging narrative, which is supplemented with a fact-filled timeline, annotated quotes, discussion questions, and primary sources.

## INSTRUCTIONAL STRATEGIES FOR MIDDLE AND HIGH SCHOOL SOCIAL STUDIES

---

---

### METHODS, ASSESSMENT, AND CLASSROOM MANAGEMENT

---

Routledge Instructional Strategies for Middle and High School Social Studies: Methods, Assessment, and Classroom Management is an exciting methods-based text that integrates appropriate management and assessment techniques with seven distinct teaching strategies. Writing explicitly for pre-service social studies teachers, veteran teacher educator Bruce E. Larson offers detailed descriptions of a range of instructional strategies, along with guidelines for deciding how and when to use each. Part I offers the foundations for teaching and learning in a social studies classroom, and explores contextual, theoretical, and policy factors that all teachers need to consider before entering the classroom. Part II delivers a range of comprehensive strategies for providing instruction that is appropriate for particular lessons, student abilities, and classroom environments. The practical strategies in Part II build upon the learning theories described in Part I, positioning Instructional Strategies for Middle and High School Social Studies to be the go-to, all-inclusive teacher's guide to the social studies classroom. New to this Edition A list of goals before each chapter presents an overview of the chapter's content focus, and provides an outline for the chapter review. Extensively revised Part I (chapters 1-4) provides an updated review of national standards developed for teaching history, geography, civics, and economics. In-depth applications of the Common Core State Standards for the social studies are also explored. New "Reality Check" feature provides directions for integrating field-based experiences into the chapters, and contextualizes the ideas in the book for a classroom setting. Each chapter in Part II (chapters 5-11) has been expanded to include a section labeled "Enhancing Student Learning with Technology," offering websites, links, and other resources for integrating recent technologies into the classroom. Chapters 5-11 include a new "Making Your Lesson More Meaningful for ELLs" feature, which provides ideas—based on current research and theories about learning language—for engaging ELLs, specific for each instructional strategy. Expanded discussion of the "Understanding by Design" model equips teachers to design learning experiences that promote student understanding by intentionally designing what happens in the classroom, and developing authentic formative assessments of student learning.

---

## **SOCIAL STUDIES FOR THE TWENTY-FIRST CENTURY**

---

### **METHODS AND MATERIALS FOR TEACHING IN MIDDLE AND SECONDARY SCHOOLS**

---

Routledge Now in its 4th edition, this popular text offers practical, interesting, exciting ways to teach social studies and a multitude of instructional and professional resources for teachers. Theory, curriculum, methods, and assessment are woven into a comprehensive model for setting objectives; planning lessons, units, and courses; choosing classroom strategies; and constructing tests for some of the field's most popular and enduring programs. The reflective and integrative framework emphasizes building imagination, insight, and critical thinking into everyday classrooms; encourages problem-solving attitudes and behavior; and provokes analysis, reflection, and debate. The text includes separate chapters on teaching each of the major areas of the social studies curriculum. Throughout the text, all aspects of curriculum and instruction are viewed from a tripartite perspective that divides social studies instruction into didactic (factual), reflective (analytical), and affective (judgmental) components. These three components are seen as supporting one another, building the groundwork for taking stands on issues, past and present. At the center is the author's belief that the heart and soul of social studies instruction, perhaps all teaching, lies in stimulating the production of ideas; looking at knowledge from others' viewpoints; and formulating for oneself a set of goals, values, and beliefs that can be explained and justified in open discussion. New in the Fourth Edition: Clear links to the The National Council for the Social Studies College, Career and Civic Life C3 Framework for Social Studies State Standards Attention to impact of high-stakes testing, Common Core State Standards, and related ongoing developments Expanded and critical review of the use of internet, web, and PowerPoint technologies Coverage of how to incorporate the many social science, humanities, and STEM fields to enrich the social studies Updates and revisions throughout, including new research reports reflecting current findings, new examples, more media and materials resources, particularly digital resources, new and updated pedagogical features Companion Website - new for this edition

### **TITUBA, RELUCTANT WITCH OF SALEM**

---

### **DEVILISH INDIANS AND PURITAN FANTASIES**

---

NYU Press This unique anthology is the first to provide a multicultural perspective on witchcraft from the 15th to 18th century. Featuring primary documents as well as scholarly interpretations, *Witches of the Atlantic World* builds upon information regarding both Christian and non-Christian beliefs about possession and the demonic. Elaine G. Breslaw draws on Native American, African, South American, and African-American sources, as well as the European and New England heritage, to illuminate the ways in which witchcraft in early America was an attempt to understand and control evil and misfortune in the New World. Organized into sections on folklore and magic, diabolical possession, Christian perspectives, and the question of gender, the volume includes selections by Cotton Mather, Matthew

Hopkins, and Samuel Willard, among others; Salem trial testimonies; and commentary by a host of distinguished scholars. Together the materials demonstrate how the Protestant and Catholic traditions shaped American concepts, and how multicultural aspects played a key role in the Salem experience. *Witches of the Atlantic World* sheds new light on one of the most perplexing aspects of American history and provides important background for the continued scholarly and popular interest in witches and witchcraft today.

---

## **THE LOST SON ALIVE AGAIN**

---

*PTSD Patrol* Did God save you or, did God do it to you? That is what Chris kept trying to find the answer to until he didn't care what the answer was anymore. He was done waiting for miracles. God washed His hands of him a long time ago. He saw everything he had slip right out of his hands. A successful career as a reporter covering wars was gone. His marriage was gone. All the friends he had were gone. The only friend he had left was his bartender. He lost hope, faith, and the will to do anything, including existing, but God wasn't done with him yet. Miracles live in a secret world, and so do members of the secret society. They understood Chris because they entered into the same hell, wallowed in suffering until someone pulled them out.

---

## **DOCUMENTS OF THE SALEM WITCH TRIALS**

---

*ABC-CLIO* Through its extensive use of primary source materials and provision of essential accompanying explanations, this book places readers into the context of late 17th-century Salem society to shed light on one of the darkest events in American history—the Salem witch trials. • Examines the individual cases of many of the victims of the more than year-long Salem witch trials episode • Clarifies the historical context of the belief systems and culture of 17th-century Massachusetts to enable modern readers to grasp how such an unbelievable series of events could have happened in that specific era • Introduces contemporary audiences to the meaning of the archaic language and ideas of the late 1600s as used in the primary documents

---

## **I, TITUBA, BLACK WITCH OF SALEM**

---

This wild and entertaining novel expands on the true story of the West Indian slave Tituba, who was accused of witchcraft in Salem, Massachusetts, arrested in 1692, and forgotten in jail until the general amnesty for witches two years later. Maryse Condé brings Tituba out of historical silence and creates for her a fictional childhood, adolescence, and old age. She turns her into what she calls "a sort of female hero, an epic heroine, like the legendary 'Nanny of the maroons,'" who, schooled in the sorcery and magical ritual of obeah, is arrested for healing members of the family that owns her. CARAF Books: Caribbean and African Literature Translated from French This book has been supported by a grant from the National Endowment for the Humanities, an independent federal agency.

---

## THE DIAMONDS

---

Delacorte Press At Long Islands's private Bennington School, the Diamonds rule supreme. They're the girls all the boys want to date and all the girls want to be. And fortunately for Marni, she's right in the middle of them. Best friends with the ringleader, Clarissa, Marni enjoys all the spoils of the ultrapopular: boys, power, and respect. But then Marni gets a little too close to Clarissa's ex-boyfriend, Anderson. Wrong move. The Diamonds don't touch each other's exes. And just like that, Marni is jettisoned from Diamond to lower than Cubic Zirconia. But Marni isn't about to take her ouster lying down. She has dirt on the Diamonds, and she's not about to go down without a fight. Everyone knows, the only thing strong enough to cut a Diamond is another Diamond. Ted Michael is a literary agent and first time novelist. He lives in New York, New York.

## WITCHES

---

---

### THE ABSOLUTELY TRUE TALE OF DISASTER IN SALEM

---

National Geographic Books Tackling the same twisted subject as Stacy Schiff's much-lauded book *The Witches: Salem, 1692*, this Sibert Honor book for young readers features unique scratchboard illustrations, chilling primary source material, and powerful narrative to tell the true tale. In the little colonial town of Salem Village, Massachusetts, two girls began to twitch, mumble, and contort their bodies into strange shapes. The doctor tried every remedy, but nothing cured the young Puritans. He grimly announced the dire diagnosis: the girls were bewitched! And then the accusations began. The riveting, true story of the victims, accused witches, crooked officials, and mass hysteria that turned a mysterious illness affecting two children into a witch hunt that took over a dozen people's lives and ruined hundreds more unfolds in chilling, novelistic detail—complete with stylized black-white-and-red scratchboard illustrations of young girls having wild fits in the courtroom, witches flying overhead, and the Devil and his servants terrorizing the Puritans—in this young adult book by award-winning author and illustrator Rosalyn Schanzer. Taught in middle and high schools around the U.S., the 17th-century saga remains hauntingly resonant as people struggle even today with the urgent need to find someone to blame for their misfortunes. *Witches!* has been honored with many prestigious awards, including: . ---

### SALEM WITCH TRIALS BOOKS

---

Best Day Books For Young Readers Orphan-girl Hannah True battles strange happenings, suspicion, and angry villagers when her town believes it's under attack by witches. The Survival Series that celebrates the awesome history of us. From bestselling author Scott Peters and Salem Witch whiz Juliet Fry comes a gripping

retelling of the Salem Witch Trials for modern young readers. Short attention spans | Chapter Book | Ages 8-12 | B&W Illustrations On a stormy night, young orphan Hannah is terrified to see witches' fingers tapping at her bedroom window. Are they real or just a trick of the moon? The next morning, her best friend says a witch's spirit attacked her in the dark. Hannah is alarmed. Could this be true? When a neighbor's child begins acting strangely, villagers are sure that witchcraft is at work. A dear friend of Hannah's mother is blamed--but Hannah refuses to believe such terrible talk. Unfortunately, Hannah's rebellion makes her look suspicious. Why is she protecting this woman? Whose side is she on? Hannah is no witch expert--she's a servant in a farmhouse. She has no one to defend her and she's out of her element. Can this brave but frightened colonial girl ever hope to escape disaster? This is the 6th children's book in the I Escaped Series about brave boys and girls who face real-world challenges and find ways to escape disaster. Sure to appeal to fans of New York Times Bestseller Lauren Tarshis's I Survived Series, The Witch of Blackbird Pond by Elizabeth George Speare, Little Witch by Anna Elizabeth Bennett, What Were The Salem Witch Trials, and The Witches by Roald Dahl. The short chapters make for easy wins, and Hannah's gripping situation keeps even reluctant readers turning pages just to find out what's going to happen next. Great for kids book clubs and classrooms--a study guide is available at <https://scottpetersbooks.com/worksheets> Packed with a special section on facts about the Salem Witch trials that's sure to satisfy curious minds. Flesch Reading Ease: 85.6 Flesch-Kincaid Grade Level 3.2 An important, relevant read about bravery, kindness, and courage. Collect the whole I Escaped Series "a must for every reading list" Can Hannah survive disaster? Read it and find out!

## **THE DEATH AND RESURRECTION OF A COHERENT LITERATURE CURRICULUM**

---

---

---

---

## **WHAT SECONDARY ENGLISH TEACHERS CAN DO**

---

---

R&L Education Unless experienced and well-read English teachers can develop coherent and increasingly demanding literature curricula in their schools, average high school students will remain at about the fifth or sixth grade reading level--where they now are to judge from several independent sources. This book seeks to challenge education policy makers, test developers, and educators who discourage

the assignment of appropriately difficult works to high school students and make construction of a coherent literature curriculum impossible.

---

### **THE SALEM WITCH TRIALS READER**

---

Da Capo Press Against the backdrop of a Puritan theocracy threatened by change, in a population terrified not only of eternal damnation but of the earthly dangers of Indian massacres and recurrent smallpox epidemics, a small group of girls denounces a black slave and others as worshipers of Satan. Within two years, twenty men and women are hanged or pressed to death and over a hundred others imprisoned and impoverished. In *The Salem Witch Trials Reader*, Frances Hill provides and astutely comments upon the actual documents from the trial--examinations of suspected witches, eyewitness accounts of "Satanic influence," as well as the testimony of those who retained their reason and defied the madness. Always drawing on firsthand documents, she illustrates the historical background to the witchhunt and shows how the trials have been represented, and sometimes distorted, by historians--and how they have fired the imaginations of poets, playwrights, and novelists. For those fascinated by the Salem witch trials, this is compelling reading and the sourcebook.

---

### **WOMEN IN AMERICAN HISTORY: A SOCIAL, POLITICAL, AND CULTURAL ENCYCLOPEDIA AND DOCUMENT COLLECTION [4 VOLUMES]**

---

ABC-CLIO This four-volume set documents the complexity and richness of women's contributions to American history and culture, empowering all students by demonstrating a more populist approach to the past. • Provides significantly more detail than typical reference works on women's history and culture, enabling readers to better appreciate the contributions of women of all socio-cultural statuses • Covers the astounding range of American women's experience, including women of various economic and racial statuses, religious affiliations, political and ideological identifications, and sexualities • Includes a significant selection of primary documents, thereby combining the educational power of secondary and primary literature to create a richer learning experience for users

---

### **THE STORY OF THE SALEM WITCH TRIALS**

---

Routledge Between June 10 and September 22, 1692, nineteen people were hanged for practicing witchcraft in Salem, Massachusetts. One person was pressed to death, and over 150 others were jailed, where still others died. *The Story of the Salem Witch Trials* is a history of that event. It provides a much needed synthesis of the most recent scholarship on the subject, places the trials into the context of the Great European Witch-Hunt, and relates the events of 1692 to witch-hunting throughout seventeenth century New England. This complex and difficult subject is covered in a uniquely accessible manner that captures all the drama that surrounded the Salem witch trials. From beginning to end, the reader is carried along by the author's powerful narration and mastery of the subject. While covering the subject in impressive detail, Bryan Le Beau maintains a broad perspective on events, and

wherever possible, lets the historical characters speak for themselves. Le Beau highlights the decisions made by individuals responsible for the trials that helped turn what might have been a minor event into a crisis that has held the imagination of students of American history.

---

## **LAW IN U.S. HISTORY**

---

### **A TEACHER RESOURCE MANUAL**

---

Social Science Education consortium Designed for integration into secondary U.S. history courses, the activities provide a format for the examination of law-related themes and issues. Themes explored include the conflict between individual and societal needs, the relationship of the individual to state and federal authority, individual rights, the shifting balance of power among the three branches of government, the influence of social and economic conditions on judicial decision making, and the U.S. constitution as an instrument of governance. The document is organized into four sections roughly corresponding to the chronological periods in most U.S. history courses: Colonial Period through Revolution, Growth of a New Nation, Civil War through Industrialization, and The Modern Era. Activities, which require critical thinking, reasoning, problem solving, and inquiry skills, include opinion polls/surveys, role plays, simulations, case studies, mock trials, appellate court simulations, adversary models, and learning stations. Many of the activities focus on landmark Supreme Court cases and modern cases to elucidate the meaning and judicial interpretation of the guarantees of the Bill of Rights. Topics include the Salem witch trials, lawful inspection, the Alien and Sedition Acts, the Dred Scott case, Plessy v. Ferguson, the impeachment of Andrew Johnson, the McCarthy era, and Watergate. Each activity includes an introduction, objectives, recommended grade level, time and materials needed, instructions, and masters for student handouts. (KC)

## **PRISONS TODAY AND TOMORROW**

---

Jones & Bartlett Publishers A Thoroughly Revised and Updated Third Edition of an Essential Text Prisons Today and Tomorrow is a balanced, comprehensive text designed to introduce students and other readers to the reality of corrections. Beginning with an overview of prisons throughout history, the text moves to an analysis of the philosophy and practice of modern corrections. Detailed descriptions of "life on the inside," an analysis of trends in current correctional populations, and an overview of the future of corrections make Prisons Today and Tomorrow the most current and relevant correctional textbook on the market today. At every step, students are encouraged to engage in critical and analytical discussion on the role of incarceration and the challenges faced by corrections personnel, lawmakers, and newly released prisoners attempting to reintegrate into society. The revised third edition includes fully updated information and all-new chapters and contributors, including an up-to-date examination of modern issues facing prisoners and prison administration. With its accessible but comprehensive approach and clear, realistic style, Prisons Today and Tomorrow is suitable for corrections and sociology students

at both the undergraduate and graduate level. Featuring chapters contributed by leading authorities in the field, current case studies and research, and insightful, probing questions for further discussion, *Prisons Today and Tomorrow* is an essential text for any student in the field. The revised and updated Third Edition includes:

- Current case studies and up-to-date statistical information and research
- Features chapters contributed by leading authorities in the field
- Fully rewritten and updated chapter on modern issues facing prisoners and prison administration personnel
- A comprehensive overview of future challenges in prison management
- Learning objectives and vocabulary call-outs for every chapter
- Review and discussion questions for every chapter that encourage material retention and critical thinking

Every new print copy includes full student access to the companion website, which features a variety of engaging interactive study tools

## **SALEM STORY**

---

---

### **READING THE WITCH TRIALS OF 1692**

---

Cambridge University Press This book provides an engaging re-examination of the Salem witch trials of 1692.

---

### **THE MAKING OF SALEM**

---

---

### **THE WITCH TRIALS IN HISTORY, FICTION AND TOURISM**

---

McFarland The Salem Witch Trials of 1692 are a case study in hysteria and group psychology, and the cultural effects still linger centuries later. This critical study examines original trial transcripts, historical accounts, fiction and drama, film and television shows, and tourist sites in contemporary Salem, challenging the process of how history is collected and recorded. Drawing from literary and historical theory, as well as from performance studies, the book offers a new definition of history and uses Salem as a tool for rethinking the relationships between the truth and the stories people tell about the past.

---

### **DAILY LIFE DURING THE SALEM WITCH TRIALS**

---

---

### **THE WITCHCRAFT OF SALEM VILLAGE**

---

Random House Books for Young Readers Stories of magic, superstition, and witchcraft were strictly forbidden in the little town of Salem Village. But a group of young girls ignored those rules, spellbound by the tales told by a woman named Tituba. When questioned about their activities, the terrified girls set off a whirlwind

of controversy as they accused townspeople after townspeople of being witches. Author Shirley Jackson examines in careful detail this horrifying true story of accusations, trials, and executions that shook a community to its foundations.

---

## **THE CRUCIBLE - LITERATURE KIT GR. 9-12**

---

Classroom Complete Press In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every section, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: The Crucible is the award-winning play written by Arthur Miller about the Salem witch trials of 1692. One night in Salem Massachusetts, a group of girls are caught dancing in the woods by Reverend Parris. His own daughter falls into a coma soon after, and the town is ablaze with talks of witchcraft. The Reverend sends for Reverend Hale to examine the girl for witchcraft. Hale concludes that the town of Salem is in fact engulfed in witchcraft as one by one the girls accuse other townspeople of communing with the devil. A trial ensues causing those accused to either deny these allegations, or confess, thus accusing someone else. This cycle finally culminates in the death of several innocent townsfolk. The Crucible is a historical dramatization of true events that show reputation is more important than admitting ignorance. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

He also finds that money can't buy them happiness and no matter where and how he searches for it, family comes first. &nb

---

## **THE WITCHES**

---

---

### **SALEM, 1692**

---

Little, Brown The Pulitzer Prize-winning author of Cleopatra, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, THE WITCHES is Stacy Schiff's account of this fantastical story-the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.
