Saunders 2020-2021 Strategies for Test Success - E-Book

Passing Nursing School and the NCLEX Exam

Elsevier Health Sciences Help alleviate your pre-test jitters with this essential nursing resource! Written by the most trusted experts in NCLEX® prep, Saunders 2020-2021 Strategies for Test Success, 6th Edition introduces tools for overcoming test anxiety and tactics for developing effective study habits. Essentially, it teaches you how to master the things that matter most on your nursing school exams: critical thinking, problem solving, and time management. This essential guide features over 1,200 practice questions and rationales to help you tackle anything from a routine quiz to the NCLEX. It also includes a wealth of proven tips and real-world hints to help you confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. Plus, additional questions on the Evolve website gives you even more preparation material! 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills. Increased focus on critical thinking uses different strategies to help you develop clinical judgment skills, and the ability to question data, and client abnormalities. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the NCLEX® exam. Practice questions coded for the beginning, intermediate, or experienced student, making this book a useful tool throughout your nursing school career. Clearly defined cognitive levels help if you are unfamiliar with this terminology and its significance. Coverage of Interprofessionalism discussed where appropriate throughout text. Priority concepts for each question help you to link your concept-based classes and NCLEX® prep. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Clinical Judgment Situations and Next Generation NCLEX® (NGN) practice questions included on Evolve site let you apply strategies from the text in a realistic electronic testing environment.

Certification and Core Review for Neonatal Intensive Care Nursing - E-Book

Elsevier Health Sciences Get ready for your neonatal intensive care nursing certification exam with the only review developed in collaboration with three leading nursing organizations! From AACN, AWHONN, and NANN, Certification and Core Review for Neonatal Intensive Care Nursing, 5th Edition prepares you for your examination with hundreds of high-quality study questions and realistic test simulation. Based on the latest test plans of the AACN's CCRN®-Neonatal exam and the NCC's Neonatal Intensive Care Nursing (RNC-NIC) exam, review questions cover the changes to the Core Curriculum and reflect the latest evidence, essential knowledge, and best practices. New to this edition are three new chapters and 225 completely new review questions. This powerful study tool offers unparalleled preparation for your certification exam! Endorsed by the three most authoritative associations in neonatal intensive care nursing: the American Association of Critical-Care Nurses (AACN); the Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN); and the National Association of Neonatal Nurses (NANN). Realistic exam practice is offered through 675 total questions that mirror the certification exam content, the multiple-choice question format, and the distribution of content. Answers are provided for each question, accompanied by rationales and references, to enhance your understanding of the material. Online flexibility allows you to organize review questions and test format by your preferred examination, either the AACN or NCC. Online exam simulation — included free with each new copy of the book — mirrors the test-taking experience with an interactive, timed format. Customized study lets you choose whether to work through online questions in Study Mode or Examination Mode. Online remediation includes rationales for both correct and incorrect answers, and in-book remediation provides rationales for correct answers. A compact, portable size makes the book easier to study anytime, anywhere. 225 NEW review questions include 75 in the book and 150 additional online questions on the Evolve companion website. Thoroughly UPDATED review content reflects AACN's latest CCRN®-Neonatal exam and the NCC's latest Neonatal Intensive Care Nursing (RNC-NIC) exam, information in Core Curriculum for Neonatal Intensive Care Nursing, 5th Edition, and the newest evidence-based guidelines for neonatal critical care. NEW! Three new chapters include Grieving Process, Quality Improvement, and Facilitation of Learning. NEW focus on culturally sensitive care is included in an expanded Family Integration and Culturally Sensitive Care chapter. UPDATED rationales in the Answer Key are referenced to the most recent literature and evidence-based guidelines. Compatibility with iPads, iPhones, and other mobile devices allows online exam practice that is easy and convenient.

Saunders Comprehensive Review for the NCLEX-RN Examination

Saunders This is a Pageburst digital book; this title includes two parts: Pageburst Retail Access Card AND Evolve Access Card. Often called the 'the best NCLEX® exam review book ever,' Saunders Comprehensive Review for the NCLEX-RN® Examination provides everything you need to prepare for the NCLEX exam - complete content review and over 5,100 NCLEX examination-style questions in the book and online. Don't make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books, because only this book includes the kind of questions that consistently test the critical thinking skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help you learn from your answer choices, as well as test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, Linda Anne Silvestri, and updated to reflect the most current NCLEX test plan, Comprehensive Review for the NCLEX-RN® Examination, 6th Edition is THE book of choice for NCLEX examination review. But don't just take our word for it - read any customer review or ask your classmates to see why there's nothing else like it! UNIQUE! A detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option, and guiding you to remediation in Saunders Strategies for Test Success: Passing Nursing School and the NCLEX® Exam and Saunders Comprehensive Review for the NCLEX-RN® Exam. UNIQUE! Priority Nursing Action boxes list actions for clinical emergent situations requiring immediate action, including a detailed rationale and textbook reference. All alternate item-format questions are included, with multiple response, prioritizing, fill-in-the-blank, figure/illustration, chart/exhibit, video, and audio questions to provide practice with prioritizing, decision-making, and critical thinking skills. UNIQUE! Pyramid Alert! boxes spotlight important nursing concepts and procedures, and include tips and shortcuts for remembering key information. Exam preparation chapters include test-taking strategies, the CAT format, transitional issues for the foreign-educated nurse, and the NCLEX-RN exam from a new graduate's perspective. A comprehensive exam consists of 85 questions that cover all content areas in the book and mirror the percentages identified in the NCLEX-RN examination test plan. NEW and UNIQUE! A summary of key changes to the 2013 NCLEX-RN test plan is included in the front of the book. New! More practice questions have been added to the book and online, bringing the total to 5,172 questions. New! Tracking of practice results on the Evolve companion website makes it easy to check your progress.

More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.

Saunders 2018-2019 Strategies for Test Success - E-Book

Passing Nursing School and the NCLEX Exam

Elsevier Health Sciences Get more than just practice questions; get comprehensive test and nursing school preparation that's proven to help you succeed! Written by the most trusted expert in NCLEX exam prep, Saunders 2018-2019 Strategies for Test Success: Passing Nursing School and the NCLEX Exam, 5th Edition is an invaluable guide that teaches you how to master the things that matter most on the NCLEX exam and your nursing school exams: critical thinking, problem solving, and time management. In this guide you'll find not only 1,200 practice questions and rationales that reflect the latest NCLEX-RN and NCLEX-PN test plans, but you'll also get a wealth of proven tips and real-world hints to help you overcome test anxiety, develop effective study habits, and confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. It's a must-have resource for any nursing student who needs not just practice, but well-rounded preparation! A Reducing Test Anxiety chapter offers simple strategies to control test-induced stress and gain the confidence needed to pass exams. A Developing Study Skills chapter provides helpful tips on improving time management for more efficient exam preparation. 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the NCLEX exam. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. Online practice questions let you apply the strategies learned from the text in a realistic electronic testing environment. Emphasis on comprehensive test preparation helps you develop, refine, and apply the reasoning skills you need to succeed throughout nursing school and on the NCLEX examination. Priority concepts for each question help you link your concept-based classes and NCLEX prep. Chapters on specific question content -- such as prioritization, pharmacology, triage/disaster management, and delegation -- offer numerous examples to prepare you for higher-level questions. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Thoroughly updated content reflects the most current NCLEX-RN and NCLEX-PN test plans. NEW! Experience level coding for questions designates each question as beginning, intermediate, or experienced to help focus your learning throughout all points of your nursing school career. NEW! Increased focus on clinical judgement incorporates strategies for clinical judgement, question data, and question abnormalities into the NCLEX-style questions. NEW! Expanded client-centered options address the increasing import of the patient-centered care QSEN competency on the NCLEX Exam. NEW! Additional coverage of interprofessionalism is incorporated.

Saunders Q&A Review for the NCLEX-RN® Examination - E-Book

Elsevier Health Sciences Practice makes perfect with Saunders Q&A Review for the NCLEX-RN® Examination, 7th Edition. This popular review offers more than 6,000 test questions, giving you all the Q&A practice you need to pass the NCLEX-RN® examination! Each question enhances review by including a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. Questions are organized to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. Q&A practice is also provided on an Evolve companion website, with many study and testing options. From the most trusted name in NCLEX review, Linda Anne Silvestri, this resource is part of the popular Saunders Pyramid to Success. A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Chapters organized by Client Needs simplify review and reflect the question mix in the NCLEX-RN test plan blueprint. Rationales are provided for both correct and incorrect answer options. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, and questions incorporating audio and video. An 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. A Priority Nursing Tip is included with each question, highlighting need-to-know patient care information. Introductory chapters feature preparation guidance for the NCLEX-RN including chapters on academic and nonacademic preparation, advice from a recent nursing graduate, and transitional issues for the foreign-educated nurse. NEW! Reflects the latest NCLEX-RN® test plan to familiarize you with newly added content they may encounter on the exam. NEW! Additions to the Evolve companion website include a 75-question post-test, case studies with follow-up questions, and links to animations for selected rationales, offering unique remediation opportunities. NEW! Trade drug names replaced with generic drug names reflecting latest test plan changes. NEW! Health Problem label included to help you study selected health topics. This will also allow you to focus your study when reviewing questions on Evolve.

Practice Exercises for the NCLEX-PN® Examination

Elsevier

Admission Assessment Exam Review E-Book

Elsevier Health Sciences Passing the HESI Admission Assessment Exam is the first step on the journey to becoming a successful healthcare professional. Be prepared to pass the exam with the most up-to-date HESI Admission Assessment Exam Review, 5th Edition! From the testing experts at HESI, this user-friendly guide walks you through the topics and question types found on admission exams, including: math, reading comprehension, vocabulary, grammar, biology, chemistry, anatomy and physiology, and physics. The guide includes hundreds of sample questions as well as step-by-step explanations, illustrations, and comprehensive practice exams to help you review various subject areas and improve test-taking skills. Plus, the pre-test and post-test help identify your specific weak areas so study time can be focused where it's needed most. HESI Hints boxes offer valuable test-taking tips, as well as rationales, suggestions, examples, and reminders for specific topics. Step-by-step explanations and sample problems in the math section show you how to work through each and know how to answer. Sample questions in all sections prepare you for the questions you will find on the A2 Exam. A 25-question pre-test at the beginning of the text helps assess your areas of strength and weakness before using the text. A 50-question comprehensive post-test at the back of the text includes rationales for correct and incorrect answers. Easy-to-read format with consistent section features (introduction, key terms, chapter outline, and a bulleted summary) help you organize your review time and understand the information. NEW! Updated, thoroughly reviewed content helps you prepare to pass the HESI Admission Assessment Exam. NEW! Comprehensive practice exams with over 200 questions on the Evolve companion site help you become familiar with the types of test questions.

HESI Comprehensive Review for the NCLEX-PN® Examination - E-Book

Elsevier Health Sciences A comprehensive, all-in-one review of the information you need to know to pass your nursing exams! Updated with the latest test plan and written in an easy-to-read outline format, HESI Comprehensive Review for the NCLEX-PN® Examination, 6th Edition prepares you for success on both the HESI exit exam and the NCLEX-PN®. This trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-PN® exam, so you can easily search for various topics to review. Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 750 practice questions, including alternate item formats, in both study and exam modes to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-PN® exam. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-PN® exam. 750 NCLEX practice questions on the

companion Evolve website include alternate item formats to provide a testing experience similar to the HESI exit exam and the NCLEX-PN® exam. Pharmacology tables highlight the need-to-know drug therapy content emphasized on the NCLEX-PN® exam. Critical thinking study questions with rationales reinforce key concepts and content. Chapters organized by clinical area enable you to easily search for various topics to review. Consistent format and chapter organization make it easy to move between topics when reviewing. **NEW!** Thoroughly updated content incorporates clinical updates and reflects the latest NCLEX-PN® test plan. **EXPANDED!** 200 additional NCLEX practice questions on the Evolve site assist you with practice.

Hesi/Saunders Online Review for the NCLEX-RN Examination 2 Year Access Code

Saunders Incorporating the latest test plan, HESI/Saunders Online Review for the NCLEX-RN® Examination, 3rd Edition provides a unique comprehensive review experience with the convenience and interactivity of an online format. Perfect for students looking for a self-paced study tool, it features key nursing content organized by NCLEX Client Needs to prepare you for the NCLEX examination. A diagnostic pre-test taken at the beginning of the course provides you with a study calendar to guide you through the content modules. Each module is followed by a quiz to determine your mastery of the content. A comprehensive exam at the end of the course gives you a breakdown of your strengths and weaknesses. Plus, videos simulate a live review experience and help to clarify difficult concepts.

Saunders "A comprehensive review of all nursing content areas specifically related to the new 2019 test plan for the NCLEX-RN examination"--Page xiv.

Saunders Comprehensive Review for the NCLEX-PN® Examination - E-Book

Elsevier Health Sciences Review for the NCLEX-PN® exam with leading NCLEX® experts Linda Anne Silvestri and Angela Silvestri! Saunders Comprehensive Review for the NCLEX-PN® Examination, 7th Edition provides everything you need to prepare for the NCLEX-PN exam — a review of essential nursing content, more than 4,500 NCLEX exam-style questions, detailed rationales, and test-taking tips and strategies. Based on Silvestri's proven Pyramid to Success, the book includes many questions that test the critical thinking skills you need to pass the NCLEX. An Evolve companion website adds a pre-test that generates a study calendar, study questions with immediate feedback for both correct and incorrect answers, and practice exams with immediate scoring. Updated to reflect the latest NCLEX-PN test plan, this complete review is a perennial favorite of students preparing for the NCLEX. More than 4,500 practice questions are included in the book and the Evolve companion website. Detailed rationales are provided for both correct and incorrect answer options. Alternate item format questions include multiple response, prioritizing, fill-in-the-blank, figure/illustration, chart/exhibit, graphic option, and audio/video clips, as the NCLEX-PN exam is no longer limited to multiple-choice questions. **UNIQUE!** A 75-question pre-test on Evolve provides feedback on your strengths and weaknesses, and the results generate an individualized study calendar. An 85-question comprehensive exam in the book matches the client needs percentages identified in the NCLEX-PN test plan. Pyramid to Success sections at the beginning of each unit provide an overview of content, guidance for your review, and the subject's relative importance in the NCLEX-PN test plan. Pyramid Points and Pyramid Alert boxes identify content that typically appears on the NCLEX-PN exam. What Should You Do? boxes in each chapter help you develop critical thinking skills, with answers at the end of the chapter. **NEW!** Current NCLEX-PN test plan is incorporated into this review, including the exam's newly added content. **UPDATED** test-taking strategies are included in a separate chapter and for each question to give clues for finding the correct answers. **UPDATED** Priority Nursing Action boxes help you to effectively prioritize nursing care, and include detailed rationales and textbook references. **NEW!** Learning objectives tied to client needs are provided for each unit in the book.

The Practice of Nursing Research

Conduct, Critique & Utilization

This instructor's manual accompanies third edition providing step-by-step guidance for critiquing, using and conducting quantitative and qualitative nursing research, with an aim to help the reader make informed choices about their approach to research. Information is included on phenomenological research, grounded theory research, ethnographic research, historical research, philosophical inquiry and critical social theory.

Respiratory Care Exam Review - E-Book

Review for the Entry Level and Advanced Exams

Elsevier Health Sciences This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Respiratory Care Exam Review: Review for the Entry Level and Advanced Exams, 3rd Edition, readies students with review materials for both the CRT and RRT exams! The material is presented in an outline format for efficient studying, with special boxes included in the chapter to highlight important information that is often included in the exam. New content has been added to the 3rd edition, including the latest updates to the NBRC content outlines implemented in 2009 and 2010. Be fully prepared with this comprehensive text! Respiratory Therapy exam review designed to provide students with a complete, hands-on review for both the NBRC Certified Respiratory Therapist (CRT) and the Registered Respiratory Therapist (RRT) credentialing exams. The material is presented in a detailed outline format, and each chapter includes a pre-test and post-chapter questions. Answers and rationales for both pre- and post-testing are located in the back of the book. Book includes two practice exams. One practice exam for each exam (CRT & RRT) is located in the back of the book. Answer keys with rationales for correct and incorrect answers are available on the Evolve Web site. The NBRC complexity levels of each question are indicated in the answer key to help the student better prepare for the actual exam. Every chapter has been thoroughly revised to incorporate the newest (2009) NBRC Examination content outlines that were implemented in 2009 (CRT) and 2010 (RRT). **Unique!** Exam Notes highlight special notes or instructions specific to either the entry level (CRT) or advanced exam (RRT) to help students use their study time more effectively. Other key information relevant to the respiratory therapist is featured in specially shaded boxes. Completely updated to reflect the newest NBRC Examination content outlines, with new information on: stress testing, oxygen titration with exercise, arterial line insertion, influenza vaccines and ventilator-associated pneumonia protocols. Additional practice test questions with rationales added to both entry level and advanced practice exams provide rationales and detailed explanation for every question on the exam.

Policy & Politics in Nursing and Health Care - E-Book

Elsevier Health Sciences Learn how to influence policy and become a leader in today's changing health care environment. Featuring analysis of cutting-edge healthcare issues and first-person insights, *Policy & Politics in Nursing and Health Care*, 8th Edition continues to be the leading text on nursing action and activism. Approximately 150 expert contributors present a wide range of topics in policies and politics, providing a more complete background than can be found in any other policy textbook on the market. This expanded 8th edition helps you develop a global understanding of nursing leadership and political activism, as well as the complex business and financial issues that drive many actions in the health system. Discussions include the latest updates on conflict management, health economics, lobbying, the use of media, and working with communities for change. With these innovative insights and strategies, you will be prepared to play a leadership role in the four spheres in which nurses are politically active: the workplace, government, professional organizations, and the community. Comprehensive coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism, as well as complex business and financial issues. Key Points at the end of chapters helps you review important, need-to-know lesson content. Taking Action essays include personal accounts of how nurses have participated in politics and what they have accomplished. Expert authors make up a virtual Nursing Who's Who in healthcare policy, sharing information and personal perspectives gained in the crafting of healthcare policy. NEW! The latest information and perspectives are provided by nursing leaders who influenced health care reform, including the Affordable Care Act. NEW! Added information on medical marijuana presents both sides of this ongoing debate. NEW! More information on health care policy and the aging population covers the most up-to-date information on this growing population. NEW! Expanded information on the Globalization of Nursing explores international policies and procedures related to nursing around the world. NEW! Expanded focus on media strategies details proper etiquette when speaking with the press. NEW! Expanded coverage of primary care models and issues throughout text. NEW! APRN and additional Taking Action chapters reflect the most recent industry changes. NEW! Perspectives on issues and challenges in the government sphere showcase recent strategies and complications.

Total Burn Care

Enhance burn patients' reintegration into society through expanded sections on reconstructive surgery (with an emphasis on early reconstruction), rehabilitation, occupational and physical therapy, respiratory therapy, and ventilator management.

Injection Techniques in Musculoskeletal Medicine E-Book

A Practical Manual for Clinicians in Primary and Secondary Care

Elsevier Health Sciences Now in its fourth edition and with a new title - *Injection Techniques in Musculoskeletal Medicine* - this successful step-by-step guide is a trusted resource used by a wide range of practitioners who have to deal with the management of painful joints and soft tissues, particularly in relation to sports and overuse injuries. Area by area, guidance is given for each lesion on appropriate patient selection and delivery of the drug. Every technique has its own two-page spread containing a written description along with an anatomical illustration of the region and a photograph showing the anatomical landmarks for the injection. This new edition is now accompanied by a Trainer available via www.injectiontechniquesonline.com. Please see log on for further details on how to access the virtual training guide - introduced by Stephanie Saunders herself - which covers the top most common injection techniques for each of the body regions. Through key text, videos, animations and interactive self-assessment, users are tested on their knowledge of anatomical landmarks, differential diagnoses, assessment criteria, drug selection and technical skill. Ascencia recognizes that healthcare professionals nurture bodies and spirits, and save lives. Ascencia Test Prep's mission is to help healthcare workers grow.

Lippincott Review for NCLEX-PN

Lippincott Williams & Wilkins Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items--more than the maximum of 205 questions asked on the NCLEX-PN—to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint PN product.

NCLEX-RN Exam

Features: *300 medications plus their common names and drug families *Side effects *Nursing considerations

Prioritization, Delegation, and Assignment

Practice Exercises for Medical-Surgical Nursing

Mosby Incorporated This must-have workbook helps students learn the prioritization and delegation skills needed to survive nursing school, pass the NCLEX-RN® examination, and make the transition to practice in today's healthcare environment. Consisting of three parts plus an answer key, this resource provides numerous opportunities for students to review cases and answer questions similar to those they will see on the NCLEX-RN examination - including questions in alternate-item formats . Part 1, written by delegation expert Ruth Hansten, is an introduction that provides a practical review of clinical delegation skills and serves as a framework for the exercises that follow. Part 2 consists cases of patients who have relatively straightforward health problems followed by NCLEX examination-style questions focusing on prioritization, delegation, and assignment. Part 3 consists of complex, unfolding cases involving patients who have multiple health conditions, as well as complex patient assignments. An introduction by prioritization and delegation expert Ruth Hansten explains the importance of developing sound clinical skills and judgment in the areas of prioritization, delegation, and assignment. NCLEX-style questions help students develop fundamental skills in prioritization, delegation, and assignment and become familiar with the NCLEX examination format. Questions in Parts 2 and 3 are organized by body system and by complexity, respectively, to allow for easy use with any medical-surgical nursing text. Both sections of exercises give students essential hands-on practice in prioritizing (deciding what to do first), delegating (giving specific tasks to assistive personnel and supervising satisfactory completion of those tasks), and assignment (giving responsibility for the overall care of particular patients to appropriate personnel). The questions in Part 3 are more complex than those in Part 2, allowing students to master core concepts using unambiguous cases before applying this knowledge to patients with more complicated, multidimensional case presentations. Flexible organization allows the workbook to be used with any Elsevier medical-surgical nursing text. The answer key provides rationales for correct as well as incorrect answers, reinforcing the concepts presented in each unit. Questions follow NCLEX style, and about 10% represent the new alternate-item question format. The workbook is three-hole punched and perforated for convenience.

Saunders Q&A Review for the NCLEX-RN® Examination E-Book

Elsevier Health Sciences With more than 5,800 test questions, Saunders Q&A Review for the NCLEX-RN® Examination, 5th Edition provides the practice you need to succeed on the NCLEX-RN exam. To enhance your review, each question includes a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. The companion Evolve website adds a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Written by NCLEX review expert Linda Anne Silvestri, this book organizes questions to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. This review is part of the popular Saunders Pyramid to Success, which has helped more than 1.5 million nurses pass the NCLEX exam! A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Rationales are provided for both correct and incorrect answer options. Questions categorized by Cognitive Level, Client Needs area, Integrated Process, and clinical content area help you focus on the question types you find most difficult. All alternate item format questions (multiple response, prioritizing, fill-in-the-blank, figure/illustration (hot spot), audio, video, and chart/exhibit) are included. Chapters organized by Client Needs simplify your review and reflect the question mix in the NCLEX-RN® test plan blueprint. A 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. Preparation for your NCLEX-RN review includes chapters on nonacademic preparation, test-taking strategies, the CAT format, and a view of the NCLEX-RN from a new graduate's perspective. Page references to Elsevier textbooks direct you to remediation material for any question answered incorrectly. A companion Evolve website includes a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Automatic updates of the Evolve site allow you to check for changes to content or functionality throughout the life of the edition. Content from the most recent NCLEX-RN® test plan covers the newest topics you could see on the exam. 600 questions are added, for a total of 5,800 in the book and on the companion Evolve website. Hundreds of new alternate item format questions provide even more opportunity for practice. A Priority Nursing Tip is included with each question, providing important patient care information. A full-color design and over 20 new figures enhance understanding and increase the book's visual appeal. Review format includes chapters on how to study for and take the NCLEX examination, and includes a test for each Client Need category, a test on Integrated Processes, and a comprehensive test for practice in answering questions from all areas. A new content-area index makes it easier to find questions and review a given disorder/topic.

NCLEX-PN Prep Plus 2018

2 Practice Tests + Proven Strategies + Online + Video
