## **SCOUTING OUT OF UNIFORM: HOW THE BOY SCOUT OATH & LAW CAN GUIDE YOU TO A SUCCESSFUL LIFE**

---

Since its founding in 1910, the Boy Scouts of America has made a major impact on our society and on the lives of the people it has touched. The Boy Scout Oath & Law have been the framework for successful people in all walks of life. Scouts have been leaders in business, government, walked on the moon and made great discoveries in medician, education, the military, the arts and more. Its emphasis on building good character and the importance of duty and honor in a person's life has to lead to successful careers and, more importantly, successful lives.

## **HOW THE BOY SCOUT OATH & LAW CAN LEAD YOU TO A SUCCESSFUL LIFE: THE WORKBOOK**

---

Createspace Independent Publishing Platform This workbook is a companion to the Scouting Out of Uniform book by John Patrick Hickey. With it, you can turn this workbook into a study for your Scouts, especially those who are getting ready to achieve Eagle Scout. But you don't have to be a Scout to learn these important life truths and how to apply them. Since its founding in 1910, the Boy Scouts of America has made a major impact on our society. The Boy Scout Oath & Law have been the framework for people in all walks of life. Scouts have been leaders in business, government, walked on the moon and made great discoveries in medicine, education, the military, the arts and more. Its emphasis on building good character and the importance of duty and honor in a person's life have led to successful careers and, more importantly, successful lives. Scouting Out of Uniform creates the bridge of understanding on how to apply the Scout Oath & Law to adult life, relationships and career. It also creates a platform for non-Scouts to learn these important truths and apply them to their lives. The workbook helps leaders and students use the book as a study guide. Gift them together to your Scout, leadership or employees. It's a gift that will last a lifetime.

### **WHY THE AMERICAN VALUES OF THE BOY SCOUTS ARE WORTH FIGHTING FOR**

---

Stroud & Hall Publishers Rick Perry examines in detail the issues that have led to the attacks on Scouting and the forces in American society that have organized and carried out those attacks. He also discusses the tactics of those seeking to drive God from the public square and the irony that those who attack the Scouts in the name of religious freedom will, if successful, actually suppress freedom of religion. The book also explains the Scouts' refusal to bend to the winds of "political correctness" by allowing activist homosexual scoutmasters. The ramifications of the legal challenges to Scouting are examined, including how the Boy Scouts of America (BSA) has responded and—essentially—prevailed. Examining recent polling data, Perry has compared Scouting's program and values with broader trends in values in American society. As you will see, Scouting's values fit closely with those of society as a whole.

### **THE ORIGINAL 1914 EDITION**

---

Simon and Schuster Now Available Again, the Original 1914 Rules, Regulations, and Lessons Necessary for Boy Scout Leaders First published in 1914, the Handbook for Scout Masters was the foremost compendium on leading and guiding a Boy Scout troop. Here, word for word, you can read all about just what it took to be a Scout Master, with a focus on the boys themselves. After all, the Boy Scouts' main purpose was "not to exploit methods, not glorify movements . . . but to lead boys into useful lives" (from the Introduction). Chapters from this classic, standard handbook include: Scout Requirements Principles and Methods Troop and Patrol Management Drills and Demonstrations Chivalry and Morality And more! From age limits, hierarchies, and oaths to lessons on cooking, first aid, and nature, The Handbook for Scout Masters covers all the basics of what it took to lead a Boy Scout troop. Scouts and scout masters alike will love reading about the original guidelines to one of America's most well-known youth organizations.

### **THE HISTORY AND LEGACY OF THE WORLD'S MOST POPULAR YOUTH ORGANIZATION**

---

Createspace Independent Publishing Platform \*Includes pictures \*Includes online resources and a bibliography for further reading "The purposes of the corporation are to promote, through organization, and cooperation with other agencies, the ability of boys to do things for themselves and others, to train them in scoutcraft, and to teach them patriotism, courage, self-reliance, and kindred virtues, using the methods that were in common use by boy scouts on June 15, 1916." - 36 U.S.C. § 30902 "On my honor, I will do my best, to do my duty, to God and my country, and to obey the Scout Law, to help other people at all times, to keep myself physically strong, mentally awake, and morally straight." - Scout Oath To most, a Boy Scout is the personification of righteousness, self-sufficiency, and adaptability. In contemporary culture, particularly in the West, the stock images of Boy Scouts are associated with irreproachable

conduct, so much so that they have been inordinately branded as goodie-two-shoes. For the most part, the cliché is well-intentioned and somewhat endearing. For such an interpretation, viewers can refer to the character Russell from the Disney-Pixar movie *Up*, a Junior Wilderness Explorer who embarks on a quest to secure the "Assisting the Elderly" badge. The nervous, but delightfully bubbly Scout was quick to capture the hearts of millions upon millions around the world. On the other end of the same spectrum is the stereotype that reduces them to unimaginative conformists, bookish narks, and blind followers. Many Americans have heard the phrase, "He is such a Boy Scout," in passing, perhaps said with a scoff or followed by a dramatic eyeroll. The Boy Scout trope is frequently woven into movies, TV shows, and other works of fiction as one-dimensional characters. More often than not, they are polite to a fault and depicted as obsessive patch collectors, the hackneyed antithesis of the rebellious protagonist. While most know better, it bears noting that the Boy Scouts are an entity far more well-rounded and proficient than they are often given credit for in America. A reported 85% of FBI agents are former Boy Scouts, and NASA reported that of the two dozen men who landed on the moon, 20 were former Scouts, including all three members of Apollo 13 and 11 of the 12 who walked on the moon. Of course, this isn't to say that the organization was the sole reason behind their successes, but these statistics warrant some consideration nonetheless. On a similar note, the Boy Scouts are surprisingly guarded when it comes to their property, whether it be physical or intellectual. The words "Boy Scout," along with "Cub Scout" and "Scoutmaster," are trademarked by the Boy Scouts of America. As litigious as the organization is said to be, however, they have also been and continue to be the center of countless lawsuits based on various accusations. These accusations range from discrimination to harrowing wrongful death cases, as well as other unspeakable, nauseating crimes. As a result, this exceptionally influential global organization has also been steeped in scandal and controversy, an almost inconceivable contradiction of its outwardly pristine appearance. *The Boy Scouts: The History and Legacy of the World's Most Popular Youth Organization* chronicles the history of the organization, and how it came to be so famous. Along with pictures of important people, places, and events, you will learn about the Boy Scouts like never before.

### **SCOUTING OUR WAY**

---

---

### **A GUIDE TO FAITH, DUTY, AND FELLOWSHIP**

---

Eight Eleven Press *Scouting Our Way* celebrates a century of the Boy Scouts of America's rich, faith-based heritage. It embraces the spirit of Scouting and renews the religious bedrock of Lord Robert S.S. Baden-Powell's pioneering experiment in shaping good character in youth and preparing them to do their best. His founding moral principles and ideals embodied in the Boy Scouts of America's Oath and Law are brilliantly illuminated in the book through prayers and devotions from over thirty religions and denominations. *Scouting Our Way* includes an extraordinary selection of traditional and favorite Scout prayers and devotions arranged by program and activity suitable for personal reflection and group gatherings. There is also a prayer journal inside the book for Scouts to record their personal and favorite prayers. At the end of each chapter are Set My Compass interactive, theme-based adventures where the reader can engage with unique chapter topics through faith-building activities. Each Set My Compass exercise is an enlightening, personal, and sharing experience for Scouts to appreciate the blessings and value of reverence, duty, and fellowship.

These chapter tasks are readily adaptable for age and program and are an ideal complement to earning advancement, service or religious honors requiring an understanding and the role of a Scout's duty to God. Scouting Our Way also features a journey of prayer in America from the country's foremost leaders and personalities during landmark events in our nation's history. Included, as well, are inspiring words from the presidents of the United States opening with Theodore Roosevelt to the current chief of state speaking on the importance of religious diversity and fellowship among all citizens in building this great nation. Scouting Our Way is distinctive in the body of published works on religious diversity and interfaith understanding. It is an indispensable resource for meditation and spiritual growth. Scouts, leaders, parents, teachers, and mentors will also find it essential for use at meetings, outings, ceremonies, and special events where people of one or many faiths come together to celebrate the spirit and adventure of Scouting.

---

### **SCOUTING FOR BOYS**

---

First published in 1908, "Scouting for Boys" is the seminal work on scouting by British Army officer and founder of the worldwide scouting movement, Robert Baden-Powell. Originally written as a manual for self-instruction, "Scouting for Boys" details many important scouting skills including scoutcraft, tracking, woodcraft, camping, and first-aid. Baden-Powell's work is a rework of his earlier "Aids to Scouting", published in 1899, and borrows many ideas from Ernest Thompson Seton's "The Birch Bark Roll of the Woodcraft Indians", published in 1906. "Scouting for Boys" includes numerous tales that can be told around the campfire, as well as many of Baden-Powell's personal anecdotes, and opinions on proper moral character of boy scouts. While some of the information in this work may seem outdated and some of the moralizing many seem antiquated to modern readers, "Scouting for Boys" remains an important historical work in the scouting movement. Having sold millions of copies since its first publication, the impact Baden-Powell's "Scouting for Boys" as well as his personal advocacy for the scouting movement cannot be overstated. This edition is printed on premium acid-free paper.

---

**THE VALUES AND INFLUENCE OF AMERICA'S EAGLE SCOUTS**

---

Macmillan Over the past century, America's Eagle Scouts have earned a reputation for service, virtue, and leadership that is recognized throughout the world. But few people realize the full extent to which Eagle Scouts have made a mark on American history. They have served as astronauts, soldiers, politicians, and businessmen, but they have also been the fathers, brothers, Scoutmasters, coaches, and other role models who have played an integral part in American life. Alvin Townley set out across the country to hear the stories of these Eagle Scouts. He spoke with individuals from every region, of every age and every background, some of whom have risen to fame as public figures while others have left a lasting impact outside of the spotlight. The Eagle Scouts who share their experiences include Bill Gates, Sr., Bill Bradley, J. W. Marriott, Jr., Ross Perot, Michael Bloomberg, Richard Lugar, Michael Dukakis, Supreme Court Justice Stephen Breyer, Treasury Secretary Hank Paulson, coach Chan Gailey, and Capt. Jim Lovell of Apollo 13. The book also explores the virtues of a Tuskegee Airman, a Vietnam War POW, a September 11 NYPD hero, a crew of Hurricane Katrina relief workers, and a host of others from every walk of life. During his journey, Alvin discovered stories of character, courage, and inspiration that belong not only to Eagle Scouts but to all Americans. These stories form the heart of Legacy of Honor and offer us a chance to appreciate the profound impact that Eagle Scouts have had on American history and the lasting role they will play in our country's future.

**SCOUTMASTER'S MINUTES**

---

---

**A COLLECTION OF SCOUTMASTER'S MINUTES FEATURING THE WISDOM OF CHIEF SEQUASSEN**

---

Createspace Independent Publishing Platform Scoutmaster's and Scout Leaders alike must fill many shoes. They must manage, lead, teach, and protect their scouts, but most of all they must inspire them, for a scout who does not know his true purpose is a lost scout, one who will often fall behind. It has been a long tradition to end scout meetings and campfires with short stories with a moral that makes a single point. Scoutmaster's Minutes is the best tool available to help do just that. With over 70 inspirational stories and lessons Scoutmaster's Minutes allows you as a leader to impart the wisdom of many others who have come before them, teaching a new lesson every meeting. Help your scouts dive deeper into the Scout Law, the Scout Oath, and the Scout Motto. Incite discussions about morals, values, and character. Scoutmaster's Minutes is the essential means to teach your scouts what it truly means to be a Boy Scout and a responsible citizen.
