"Se una notte d'inverno un  
viaggiatore" di Italo Calvino

Zur Intertextualität in Calvinos "Se  
una notte d'inverno un viaggiatore"

**GRIN Verlag** Studienarbeit aus dem Jahr 2014 im Fachbereich Romanistik - Italienische u. Sardische Sprache, Literatur, Landeskunde, Note: 2, Universität Wien, Sprache: Deutsch, Abstract: Diese Arbeit soll in aller Kürze einen Überblick über das breite Spektrum an intertextuellen Bezügen geben, die sich mannigfaltig in Italo Calvinos Roman von 1979 „Se una notte d’inverno un viaggiatore“ wiederfinden und die deshalb einer genauen Analyse bedürfen, um den Roman selbst in seiner ganzen Symbolik und Tiefe zu begreifen. Um die Tragweite des symbolischen Aspekts der literarischen Bezüge vollkommen zu begreifen, müssen außerdem zwei andere

Aspekte beachtet werden: Italo Calvino's Leben und Wirken, vor allem das literarische Schaffen, und das Prinzip der Intertextualität an sich. Die Analyse gliedert sich in drei Teile bzw. Aspekte. Zunächst sollen die wiederkehrenden Motive innerhalb des Romans aufgezeigt werden. Zweitens wird auf die literarischen Vorlagen eingegangen, die dem Roman zu Grunde liegen. Und abschließend soll anhand des von Calvino konstruierten Leserbildes die von ihm postulierte Literaturkritik skizziert werden.

# "Se una notte d'inverno un viaggiatore" d'Italo Calvino combinatoire et confession Italo Calvino: Se una notte d'inverno un viaggiatore (1979)

**GRIN Verlag** Studienarbeit aus dem Jahr 2005 im Fachbereich Romanistik - Italienische u. Sardische Sprache, Literatur, Landeskunde, Note: 2,0, Ludwig-Maximilians-Universität München (Institut für Italianistik), Veranstaltung: Proseminar Italienische Literaturwissenschaft "Literarische Parodien seit Ludovico Ariosto", 15 Quellen im Literaturverzeichnis, Sprache: Deutsch, Abstract: Wie uns das Proseminar gezeigt hat, treffen wir literarische Parodien epochen- und gattungsübergreifend an. Angefangen bei Ludovico Ariosto im 15. Jahrhundert bis hin zu modernsten Autoren aus dem Jahre 1997 begegnen uns literarische Parodien unterschiedlichster Art. Gattungsspezifisch betrachtet lassen sich Parodien mit allen Sorten von Literaturgenres in Verbindung bringen, so beispielsweise mit dem Epos, der Lyrik, dem Dialog und der Prosa. In der hier vorliegenden Arbeit wird im Speziellen ein Werk der Verbindung zwischen Parodie und Prosa näher untersucht. Es handelt sich um den Roman Se una notte d'inverno un viaggiatore des italienischsprachigen Autors Italo Calvino, den er in der zweiten Hälfte des 20. Jahrhunderts veröffentlicht hat. Um das Thema umfassend zu erörtern, ist es notwendig, sich dem Gegenstand von verschiedenen Standpunkten aus zu nähern. Zunächst einmal erfolgt die Betrachtung der Biographie und der literarischen Vita des Autors. Leider gibt es meiner Meinung nach zu diesem Bereich noch keine ausreichend informative Forschungsliteratur. Anschließend sollen die Merkmale der Postmoderne - jene Epoche, die das ausgehende 20. Jahrhundert geprägt hat - näher erläutert werden. Auch zu dieser Thematik sollte die Forschung noch zusätzliche Anstrengungen unternehmen, um ausreichendes Informationsmaterial zur Verfügung stellen zu können. Werkspezifischer wird es ab dem dritten Abschnitt. Hier widmen wir uns der formalen und inhaltlichen Betrachtung des Romans, um im vierten und letzten Argument durch überwiegende Eigeninterpretation einige Beispiele literarischer Parodie anhand vorgegebener Definitionsmerkmale in Se una notte d'inverno un

viaggiatore ausfindig zu machen. Von besonderem Wert für die vorliegende Arbeit waren die Erläuterungen Beno Weiss' und Susanne Knallers, um die Hintergründe und Motivationen Italo Calvino's beim Abfassen des Romans zu verstehen. Doch durch die eher dürftige Bandbreite an adäquater Sekundärliteratur zum vorliegenden Thema basieren zahlreiche Überlegungen und Darstellungen auf Eigeninterpretationen und Vorstellungen meinerseits. Ich hoffe jedoch, mich der Thematik umfassend und einleuchtend aus verständlichen Blickwinkeln genähert zu haben.

## Italo Calvino, "Se una notte d'inverno un viaggiatore"

studio strutturale e tematico

Painting with Words, Writing with Pictures

## Word and Image in the Work of Italo Calvino

**University of Toronto Press** Ricci's book ranges widely over Calvino's oeuvre to illustrate the accuracy of the idea articulated by Calvino himself that a visual image lies at the origin of all his narrative. The book's main theme is the difficult interface between word and image that Calvino struggled with throughout his career, the act of perception that rendered visible that which was invisible and transformed what was seen into what is read. Ricci holds that Calvino's narrative has an 'imagocentric' program and that his literary strategy is 'ekphrastic' i.e. it is characterized by literary description of visual representation, real or imaginary. The book is interdisciplinary in nature and will interest not only scholars of literature but also those who work with the visual arts and with information technology.

## Se una notte d'inverno un viaggiatore

**Edizioni Mondadori** Un viaggiatore, una piccola stazione, una valigia da consegnare a una misteriosa persona... Da questa premessa si possono snodare innumerevoli vicende, ma sono dieci quelle che l'autore propone in questo sorprendente e godibilissimo romanzo "È un romanzo sul piacere di leggere romanzi:

protagonista è il lettore, che per dieci volte cominica a leggere un libro che per vicissitudini estranee alla sua volontà non riesce a finire. Ho dovuto dunque scrivere l'inizio di dieci romanzi d'autori immaginari, tutti in qualche modo diversi da me e diversi tra loro." (Italo Calvino)

## Die zweite Person Singular als oulipistisches Merkmal in Italo Calvinos Roman "Se una notte d'inverno un viaggiatore"

**GRIN Verlag** Studienarbeit aus dem Jahr 2005 im Fachbereich Romanistik - Italienische u. Sardische Sprache, Literatur, Landeskunde, Note: 1, Universität zu Köln (Romanisches Seminar), Veranstaltung: Italo Calvino, Sprache: Deutsch, Abstract: Während seiner Zeit in Paris beschäftigte sich Italo Calvino intensiv mit den neuen Strömungen der französischen Literatur, vor allem mit der Arbeit der Gruppe OuLiPo ("Ouvroir de Litterature Potentielle"). Es handelt sich hierbei um ein Forum für experimentelle - oder genauer: potenzielle Literatur, das Schriftstellern neue Methoden der Literaturproduktion bieten mochte. Am 8. November 1972 nahm Calvino zum ersten Mal an einem Treffen dieser Gruppe teil und wurde kurz darauf offizielles Mitglied. Sein 1979 entstandener Roman Se una notte d'inverno un viaggiatore ist kein rein oulipistischer Roman. Konzeptionell enthält er jedoch viele oulipistische Merkmale, von denen eines in dieser Arbeit genauer untersucht werden soll: die Verwendung der zweiten Person Singular als "contrainte," also als eine bei der Literaturproduktion selbst auferlegte Regel. Die Verwendung der zweiten Person für die Hauptfigur eines Romans wirkt bei der Rezeption zunächst sehr ungewöhnlich und ist aufgrund der daraus entstehenden Ambiguitäten verwirrend für den Leser. Doch anders als eine etwa lipogrammatistische contrainte ist die Verwendung der zweiten Person anstelle der ersten oder dritten Person sehr viel weniger restriktiv, vielmehr werden die sprachlichen Möglichkeiten hierdurch sogar noch erweitert. Betrachtet man den Roman in seiner gesamten Konstruktion, so machen gerade die Ambiguitäten einen ganz beträchtlichen Reiz der Lektüre aus, da sie die Interpretationsmöglichkeiten erheblich erweitern."

## Italo Calvino und "Tel Quel". Produktive Neufassung poststrukturaler Texttheorie in "Se

# una notte d'inverno un viaggiatore"

**GRIN Verlag** Masterarbeit aus dem Jahr 2016 im Fachbereich Romanistik - Sonstiges, Note: 1,3, Freie Universität Berlin (Romanische Philologie), Sprache: Deutsch, Abstract: In der vorliegenden Arbeit wird die poststrukturelle Texttheorie der Gruppe französischer Literaturwissenschaftlern, Semiologen und Philosophen, die unter dem Namen "Tel Quel" um die Jahre 1950-1970 den aktuellen Literaturbegriff in Frage stellten, in Bezug auf Italo Calvino's (1923-1985) Roman "Se una notte d'inverno un viaggiatore" (1979) untersucht. Calvino, der neben zahlreichen Romanen auch verschiedene literaturwissenschaftliche und -kritische Beiträge verfasst hat, war stets an aktuellen Diskussionen und Fragestellungen die Literatur betreffend interessiert. Daher stand er auch im regen Kontakt mit anderen Literaturwissenschaftlern und Schriftstellern, darunter insbesondere französischen Intellektuellen, wodurch er auch mit der Theorie Tel Quels konfrontiert wurde. Inwieweit diese Theorie nun in seinem Roman "Se una notte" aufgegriffen wird, ist Gegenstand der vorliegenden Arbeit. In dieser wird zu untersuchen sein, inwiefern einzelne Theoreme der poststrukturellen Texttheorie Tel Quels in Calvino's Roman aufgegriffen und wie diese umgesetzt und funktionalisiert werden.

## Encyclopedia of Italian Literary Studies

**Routledge** The Encyclopedia of Italian Literary Studies is a two-volume reference book containing some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works, from the most important figures of Italian literature to little known authors and works that are influential to the field. The Encyclopedia is distinguished by substantial articles on critics, themes, genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest, such as those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.

## Encyclopedia of Italian Literary Studies: A-J

**Taylor & Francis** Containing almost 600 entries, this impressive 2-volume reference presents detailed and authoritative treatment of the field of Italian literature, with attention both to the work and influence of individual writers of all genres and to movements, styles, and critical approaches.

## L'eredità di Calvino. Se una notte d'inverno un viaggiatore e Palomar Italo Calvino

**Fairleigh Dickinson Univ Press** Tommasina Gabriele's critical text addresses the paucity of intertextual studies on the erotic in Calvino's work. While *Se una notte d'inverno un viaggiatore* and *Le cosmicomiche* have generated some attention to the erotic, eros nonetheless remains virtually unexplored in its widest scope - despite its prevalence and centrality in the majority of Calvino's narratives, from his *Racconti* to *I nostri antenati* to his posthumous, unfinished *Sotto il sole giaguaro*. Perhaps for this reason such texts as *Gli amori difficili* and *Sotto il sole giaguaro* have been discussed less by critics than many of Calvino's other neorealist or postmodern fictions. Gabriele's study begins with an assessment of the critical context in which Calvino has been framed and proceeds to the analysis of several articles in which Calvino addresses the erotic in literature. Using these articles and a pivotal interview as a theoretical base, Gabriele offers an explanation for the neglect of the erotic motif as well as a theory of eros in Calvino's work. She uncovers the apparent contradiction that while Calvino repeatedly advocated - throughout his career of forty-plus years - a precise language, this call for precision did not extend to erotic subject matter, where Calvino sometimes felt that "direct representation" was virtually impossible. Gabriele finds that in Calvino the challenge of erotic representation is linked to the complexity of the writer's role, especially as articulated in Calvino's famous article, "Cibernetica e fantasmi." Through this erotic lens, Gabriele examines *Il barone rampante* and the stories of *Le cosmicomiche*, *Gli amori difficili*, and *Sotto il sole giaguaro*, which establish the erotic as a fundamental and usually positive aspect of human identity and interaction. In *Le cosmicomiche*, she unveils a "spiral" movement which functions both as a symbol of Calvino's erotic theory and as a symbol of Calvino's circumlocutory approach to it. In *Gli amori*, she explores the difficulty in expressing the erotic, while offering an alternative interpretation - a "positive" one - of these often criticized characters and stories. Finally, Gabriele identifies the magnitude of the erotic motif in "*Sotto il sole giaguaro*." Calvino reveals the negative side of eros in this brilliant, ambitious, and tightly knit story which interweaves sexual, historical, religious, cultural, and artistic struggles for power.

**Rodopi**

## Because of You: Understanding Second-Person Storytelling

**transcript Verlag** Second-person storytelling is a continually present and diverse technique in the history of literature that appears only once in the oeuvre of an author. Based on key narratives of the post-war period, Evgenia Iliopoulou approaches the phenomenon in an inductive way, starting out from the essentials of grammar and rhetoric, and aims to improve the general understanding of second-person narrative within literature. In its various forms and typologies, the second person amplifies and expands the limits of representation, thus remaining a narrative enigma: a small narrative gesture - with major narrative impact.

## Calvino and the Landscape of Childhood

**Routledge** "Although never named as such, the landscape of Sanremo was a visual source for Calvino's fiction. This recurring theme provides both a link between some very different works and an insight into the autobiographical dimension of an author whose attitude to privacy is protective but detached. This work is an analysis of the criteria of representative (and of representational distortion) of a descriptive motif."

## La menzogna

**Alinea Editrice**

## Calvino's Combinational Creativity

**Cambridge Scholars Publishing** Calvino's Combinational Creativity examines the various ways combinatory processes influence the work of the Italian author Italo Calvino. Comprising chapters by six literary scholars, the volume asserts that the Ligurian writer's creativity often stems from his contemplation of literature even as it investigates the intersection of his work with poets, writers, and literary movements. Each chapter explores a different aspect of Calvino's creativity. Natalie Berkman examines Calvino as a reader of Ariosto and provides an analysis of mathematical combinations inspired by Vladimir Propp in Il castello dei destini incrociati. Discussing the poetic and scientific influence of the Argentine writer Julio Cortázar on Calvino, Sara Ceroni then presents Palomar as a modernist work of epiphanies. This is followed by two chapters investigating different influences on Cosmicomics: Elio Baldi demonstrates how Calvino's collection of stories appropriates various conventions of the science fiction genre, while Elizabeth Scheiber provides a close

reading of two tales to show how Calvino uses science as a metaphor to comment on the poetics of Italian authors Gadda, D'Annunzio, Ungaretti, and Montale. Cecilia Benaglia then proposes Calvino as a reader of Gadda, who served not only as an aesthetic influence, but also as an epistemological one. Finally, juxtaposing Calvino with his contemporary, Umberto Eco, Sebastiano Bazzichetto examines the two authors' use of figures of speech as ways of constructing labyrinths. Calvino's *Combinational Creativity* takes Calvino studies in new directions as it rethinks how the author's work can be classified, and delves into the sources of his inspiration.

## Translation as Stylistic Evolution

### Italo Calvino Creative Translator of Raymond Queneau

**Rodopi** Why did Italo Calvino decide to translate *Les Fleurs bleues* by Raymond Queneau? Was his translation just a way to pay a tribute to one of his models? This study looks at Calvino's translation from a literary and linguistic perspective: *Calvino's I fiori blu* is more than a rewriting and a creative translation, as it contributed to a revolution in his own literary language and style. Translating Queneau, Calvino discovered a new fictional voice and explored the potentialities of his native tongue, Italian. In fact Calvino's writings show a visible evolution of poetics and style that occurred rather abruptly in the mid 1960s; this sudden change has long been debated. The radical transformation of his style was affected by several factors: Calvino's new interests in linguistics, in translation theory, and in the act of translation. *Translation as Stylistic Evolution* analyses several passages in detail and scrutinizes quantitative data obtained by comparing digital versions of the original and Calvino's translation. The results of such assessment of Calvino's text-consistency suggest clear interpretations of the motives behind Calvino's radical and remarkable change of style that are tied to his notion of creative translation.

## Developing Writing Skills in Italian

**Routledge** Developing Writing Skills in Italian has been specifically designed for upper-intermediate students of Italian who need to write Italian for personal, business and academic purposes. With a strong focus on writing as a meaningful and valuable skill in itself, *Developing Writing Skills in Italian* supports the learner throughout the process of writing, from the planning and drafting stages to the revising and editing of a final version, enriching and extending the learners' lexical, grammatical and communicative writing skills. Divided into four logically structured sections the learner can work through a range of realistic and contextualized writing tasks which will allow them to master a variety of styles, registers and formats. Features include: flexible structure a summary of learning points clearly indicated at the beginning of each chapter focus on self assessment, allowing students to engage fully in the writing process by evaluating their own work a glossary of key phrases

and useful vocabulary. This course is suitable both for classroom use and independent study. Assessment guides, a teacher's guide, answer key and supplementary activities are all available on the accompanying website.

## Forces in Modern & Postmodern Poetry

**Peter Lang** *Forces in Modern and Postmodern Poetry* examines the works of classic authors in the modern and postmodern literary tradition, including Stéphane Mallarmé, Wallace Stevens, Samuel Beckett, Gertrude Stein, Charles Olson, Paul Celan, Ezra Pound, William Carlos Williams, Louis Zukofsky, and John Ashbery, all from a comparative perspective. The concepts, modern and postmodern, are not used to provide definitive answers but to raise questions concerning the status of representation, issues of the self, and the use of imagery and musical invention. The wide range of the study is matched by the richly detailed analysis of specific poetic texts from an author noted for the scope and acuity of his attention to modern poetry in all its varied forms.

## Autunno del Novecento cronache di letteratura

**Feltrinelli Editore**

## Ponti: Italiano terzo millennio

**Cengage Learning** Now featuring a brand-new design and integration of short film, the newly-revised PONTI: ITALIANO TERZO MILLENNIO provides an up-to-date look at modern Italy, with a renewed focus on helping the second year student bridge the gap from the first year. With its innovative integration of cultural content and technology, the Third Edition encourages students to expand on chapter themes through web-based exploration and activities. Taking a strong communicative approach, the book's wealth of contextualized exercises and activities make it well suited to current teaching methodologies, and its emphasis on spoken and written communication ensures that students express themselves with confidence. Students will also have the chance to explore modern Italy with a cinematic eye through the inclusion of five exciting short films by Italian filmmakers. Audio and video files can now be found within the media enabled eBook. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## The Uncommon Reader

### Madness and Desire in "Pale Fire" and "Se Una Notte D'Inverno Un Viaggiatore"

## Mapping Complexity

### Literature and Science in the Works of Italo Calvino

**Troubador Publishing Ltd** This book presents an analysis of the dialogue of literature and science that forms a central part of the work of Italo Calvino, one of Italy's best known contemporary authors. It provides an in-depth study of Calvino's interest in scientific models and methods and the ways these have informed his narratives.

## A Reference Grammar of Modern Italian

**Routledge** This Italian reference grammar provides students, teachers and others interested in the Italian language with a comprehensive, accessible and jargon-free guide to the forms and structure of Italian. Whatever their level of knowledge of the language, learners of Italian will find this book indispensable: it gives clear and detailed explanations of everything from the most elementary facts such as the relation between spelling and pronunciation, or the forms of the article, to more advanced points such as the various nuances of the subjunctive. Formal or archaic discourse is distinguished from informal, everyday usage, and regionalisms are also indicated where appropriate. The authors have taken care to make it an easy and illuminating reference tool: extensive cross-referencing enables readers to quickly find the information they require, and also stimulates them to discover new, related facts.

## Utopia and Dystopia in Postwar

# Italian Literature

## Pasolini, Calvino, Sanguineti, Volponi

**Springer** This book is about the presence of utopian and dystopian elements in the Italian literary landscape. It focuses on four authors that are representatives of the various positions in the Italian cultural debate: Pasolini, Calvino, Sanguineti, and Volponi. What did concepts like utopia and dystopia mean for these authors? Is it possible to separate utopia from dystopia? What is the role of science fiction in this debate? This book answers these questions, proposing an original interpretation of utopia and of the social role of literature. The book also takes into consideration four of the most influential literary journals in Italy: *Officina*, *il menabò*, *il verri*, and *Nuovi Argomenti*, that played a central role in the cultural and political debate on utopia in Italy.

## Framing Borders in Literature and Other Media

**Rodopi** This book is both a contribution to an interdisciplinary study of literature and other media and a pioneering application of cognitive and frame-theoretical approaches to these fields. In the temporal media a privileged place for the coding of cognitive frames are the beginnings while in spatial media physical borders take over many framing functions. This volume investigates forms and functions of such framing spaces from a transmedial perspective by juxtaposing and comparing the framing potential of individual media and works. After an introductory theoretical essay, which aims to clarify basic concepts, the volume presents eighteen contributions by scholars from various disciplines who deal with individual media. The first section is dedicated to framing in or through the visual arts and includes discussions of the illustrations of medieval manuscripts, the practice of framing pictures from the Middle Ages to Magritte and contemporary American art as well as framings in printmaking and architecture. The second part deals with literary texts and ranges from studies centred on framings in frame stories to essays focussing on the use of paratextual, textual and non-verbal media in the framings of classical, medieval and modern German and American narrative literature; moreover, it includes studies on defamiliarized framings, e.g. by Julio Cortazar and Jasper Fforde, as well as an essay on end-framing practices. Sections on framings in film (including the trailers of Tolkien's "The Lord of the Rings") and in music (operatic overtures and Schumann's piano pieces) provide perspectives on further media. The volume is of relevance to students and scholars from various fields: intermedia studies, cognitive approaches to the media, literary and film studies, history of art, and musicology."
