**She Is Mine A War Orphan's Incredible Journey of Survival** A war orphan's incredible journey of survival. **The Outlier's Choice Why Living an Uncomfortable Life is Worth It Morgan James Publishing** One woman's husband confessed to a secret life of multiple affairs and addiction. Another woman's daughter died of leukemia shortly after her adoption was finalized. Awash in their grief, Cortney Donelson and Becky Huber would have been justified in living a life of anger, bitterness, and sorrow after going through what can only be described as a wife's—and mother's—worst nightmares. But as Christians, these women were called to live set apart, to choose unexpected responses despite their heart-wrenching circumstances. And they chose wisely. For every Christian, faith can often feel uncomfortable. Fighting for hope is hard, and being set apart for God's glory may feel isolating. Indeed, most aspects of the Christian life can be downright messy. In The Outlier's Choice, authors Becky Huber and Cortney Donelson make an inspiring case to choose the unexpected—to go against popular beliefs and walk through struggles in discomfort, becoming bold outliers for God's glory. **Fire Road The Napalm Girl's Journey through the Horrors of War to Faith, Forgiveness, and Peace NavPress** Get out! Run! We must leave this place! They are going to destroy this whole place! Go, children, run first! Go now! These were the final shouts nine year-old Kim Phuc heard before her world dissolved into flames—before napalm bombs fell from the sky, burning away her clothing and searing deep into her skin. It's a moment forever captured, an iconic image that has come to define the horror and violence of the Vietnam War. Kim was left for dead in a morgue; no one expected her to survive the attack. Napalm meant fire, and fire meant death. Against all odds, Kim lived—but her journey toward healing was only beginning. When the napalm bombs dropped, everything Kim knew and relied on exploded

along with them: her home, her country's freedom, her childhood innocence and happiness. The coming years would be marked by excruciating treatments for her burns and unrelenting physical pain throughout her body, which were constant reminders of that terrible day. Kim survived the pain of her body ablaze, but how could she possibly survive the pain of her devastated soul? Fire Road is the true story of how she found the answer in a God who suffered Himself; a Savior who truly understood and cared about the depths of her pain. Fire Road is a story of horror and hope, a harrowing tale of a life changed in an instant—and the power and resilience that can only be found in the power of God's mercy and love. **Amazing Arizona! Fascinating Facts, Legends & Tall Tales! Cultural-Insight Books** Arizona is unique among American states, not only in its geography and geology but also in the diversity of its climate, in its indigenous animal and plant life, and in the history of its first inhabitants-communities of Indians whose ancestors arrived on the scene more than 20,000 years ago. Arizona is also the youngest of the contiguous mainland states of America...precisely because of these very same factors. Its climate, geography and Indian tribes were major barriers that prevented the territory from becoming widely populated by the Spanish, Mexicans and early European-Americans, and from being used as a cross-roads by American fur/pelt trappers, gold prospectors and settlers who began pushing west in the mid-1800s. Now, it is exactly these same factors that make Arizona a great place to live as well as a world-famous travel destination. The stories of how Arizona finally became what it is today are as amazing as the lay and the beauty of the land. Great background reading for residents and visitors alike, and an ideal gift. **Jules Verne For Children: 16 Incredible Tales of Mystery, Courage & Adventure (Illustrated Edition) Twenty Thousand Leagues Under the Sea, Around the World in Eighty Days, The Mysterious Island, Journey to the Center of the Earth, From Earth to Moon, Dick Sand - A Captain at Fifteen...** e-artnow Musaicum Books presents to you this carefully created volume of "Jules Verne For Children: 16 Incredible Tales of Mystery, Courage & Adventure (Illustrated Edition)". This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Contents: Twenty Thousand Leagues Under the Sea Around the World in Eighty Days A Journey to the Center of the Earth All Around the Moon Adrift in Pacific or, Two Years' Vacation Five Weeks in a Balloon The Mysterious Island Robur the Conqueror or, The Clipper of the Clouds Master of the World Hector Servadac or, Off on a Comet Dick Sand, A Captain at Fifteen Eight Hundred Leagues on the Amazon The Adventures of Captain Hatteras The Purchase of the North Pole or, Topsy Turvy In Search of the Castaways or, The Children of Captain Grant The Castle of the Carpathians Jules Verne (1828-1905) was a French novelist who pioneered the genre of science fiction. A true visionary with an extraordinary talent for writing adventure stories, his writings incorporated the latest scientific knowledge of his day and envisioned technological developments that were years ahead of their time. Verne wrote about undersea, air, and space travel long before any navigable or practical craft were invented. Verne wrote over 50 novels and numerous short stories. Some of his most successful novels appeared as a series collectively known as Extraordinary Voyages. **The Winter Orphans Penguin** A poignant and ultimately triumphant novel based on the incredible true story of children who

braved the formidable danger of guarded, wintry mountain passes in France to escape the Nazis, from the acclaimed author of *Courage, My Love*. Southern France, 1942 In a remote corner of France, Jewish refugee Ella Rosenthal has finally found a safe haven. It has been three years since she and her little sister, Hanni, left their parents to flee Nazi Germany, and they have been pursued and adrift in the chaos of war ever since. Now, they shelter among one hundred other young refugees in a derelict castle overseen by the Swiss Red Cross. Swiss volunteers Rösli Näf and Anne-Marie Piguet uphold a common mission: to protect children in peril. Rösli, a stubborn and resourceful nurse, directs the colony of Château de la Hille, and has created a thriving community against all odds. Anne-Marie, raised by Swiss foresters, becomes both caretaker and friend to the children, and she vows to do whatever is necessary to keep them safe. However, when Germany invades southern France, safeguarding Jewish refugees becomes impossible. Château de la Hille faces unrelenting danger, and Rösli and Anne-Marie realize that the only way to protect the eldest of their charges is to smuggle them out of France. Relying on Rösli's fierce will and Anne-Marie's knowledge of secret mountain paths, they plot escape routes through vast Nazi-occupied territory to the distant border. Amid staggering risk, Ella and Hanni embark on a journey that, if successful, could change the course of their lives and grant them a future. **AMAZING DAYS, 1941-1968 A Memoir** **iUniverse** *Amazing Days, 1941—1968* tells the story of a son of the Greatest Generation, a child of everyday heroes. He grew up in the rural heartland of America when life was uncomplicated and was raised by parents hoping for the American Dream for their children. He went to school when country schools were small and personal, married a hometown sweetheart, and went to a university that still seems like family. This is a story experienced by countless young boys coming of age in Middle America in the 1950s. *Amazing Days, 1941—1968* is written as a memoir of the first twenty-seven years in the life of Darrel Chenoweth, and it reminds us of how times and events can shape one's life in amazing and unexpected ways. The title of this volume, *Amazing Days, 1941—1968* comes from an innocent observation of his four-year-old grandson Ian about the little things in everyday life—special things that make one appreciate life. **War-related Civilian Problems in Indochina Part 1 - Vietnam, Hearings Before the Subcommittee on Investigate Problems... War-related Civilian Problems in Indochina Hearing[s], Ninety-second Congress, First Session Battlefield of the Mind Winning the Battle in Your Mind FaithWords !--** **StartFragment--** In her most popular bestseller ever, the beloved author and minister Joyce Meyer shows readers how to change their lives by changing their minds. The T-Rex is known for its small arms, but proportionately, the Canotaurus had smaller arms! The Anchiornis was one of the smallest dinosaurs, which was not much larger than a pigeon. You'll find these dinosaur facts and many more in this illustrated dinosaur book. With 20+ details dinosaur pictures, even early readers will enjoy The Ultimate Dinosaur Book for Kids- as well as adults! Perfect for teaching children to read, while letting them learn about the fascinating world of dinosaurs -The Ultimate Dinosaur Book for Kids is ideal for long car journeys and bedtime reading. Scroll up and click Buy Now and help your child become a dinosaur fact expert in no time! **The Amazing Book of No Createspace Independent Publishing Platform** The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: **The Amazing Book of No! Laos and Cambodia World Drug Traffic and Its Impact on U.S. Security Hearings, Ninety-second Congress, Second Session Gotcha Covered! More Nonfiction Booktalks to Get Kids Excited about Reading Libraries Unltd Incorporated** Presents over 300 all-new nonfiction booktalks for children K-8 in the same enthusiastic tone as the first two successful books. **Amazing Mom Book Real Facts, Tender Tales and Thoughts from the Heart about the Most Important Person in the World Sourcebooks, Inc.** The importance of mothers has been a seamless thread throughout the history of the human race. This collection of facts and quotes recognizes the role mothers have always played in the lives of their children and families. **Escogido XXV The Chosen** "The horse makes me better." Sallie Stewart suffered a traumatic brain injury when her Andalusian stallion, Escogido XXV, lost his footing and fell over while she was riding him. Sallie hit the ground first, and then Esco landed on Sallie's head, causing facial fractures and a brain injury that dramatically changed her life. A successful real estate broker and dressage rider at the time of the accident, Sallie had been leading a happy life with her husband, children, and four horses. After Esco fell on her, she lost her memory, her balance, and her ability to perform the most basic tasks. She couldn't hold a job or shake the overwhelming fear that replaced the confidence she once felt. While her husband and sons taught her to walk, talk, dress, and feed herself, Sallie's greatest healing was still to come. With her personal life in disarray and her family's finances in tatters, Sallie was contemplating suicide when she received a life-changing phone call from her dressage coach, Mike Osinski. Osinski calmed the traumatized horse and challenged Sallie to conquer her fears. As she progressed in her lessons, Sallie recovered her memories and developed a new

sense of self. She discovered that her deepest healing took place on the back of the very horse that had fallen on her. "Escogido XXV: The Chosen" tells the story of a courageous woman, a compassionate trainer, an extraordinary horse, and their determination to heal their accidental wounds. **The Amazing Emoji School Coloring Book 24 Page Coloring Book Createspace Independent Publishing Platform** This emoji themed adult-style coloring book is for school children of all ages, tweens, and even teens! A New York Times, USA Today, Wall Street Journal, and Publishers Weekly Bestseller “Poignant, engrossing.”—People • “Lisa Wingate takes an almost unthinkable chapter in our nation’s history and weaves a tale of enduring power.”—Paula McLain Memphis, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family’s Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children’s Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility’s cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family’s long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America’s most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate’s riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly’s #3 Longest-Running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life. **Suffer the Children Growing up in Italy During World War II Xlibris Corporation** Donato De Simone WORLD WAR II EVENTS NARRATED FROM THE PERSPECTIVE OF THE CHILDREN CAUGHT IN THE WEB OF ADULT INSANITY A young boy . . . a beautiful town . . . stalked by the Nazis bombed by the Allies . . . hiding Jewish refugees Abruzzos mini-holocaust . . . meeting Padre Pio escape to a new life in America Growing up in the tranquility of the Abruzzo region of Italy, Donato De Simone, Danny to his friends, was abruptly plunged into the violence of war as the Germans and Allies contested for the Sangro River in a major World War II battle.

Now, after decades of pondering the meaning of these events, Danny recalls the drama of his times. Mixing humorous touches with his graphic descriptions, he creates for his readers a vivid picture of life in wartime: the nomadic journeys trying to escape the Nazis; the drama of a downed British airman sheltered by his grandfather in a barn; the little-known story of Jewish refugees hidden from the exterminators by sympathetic Italians; watching Allied bombers shot down by German antiaircraft batteries and sent crashing into the Adriatic Sea; finally finding his home destroyed. These are the circumstances under which Danny grew up. His shrewd mothers planning enabling her family to escape German terror, the family hardships as they slept in a hastily-constructed air raid shelter, titanic efforts to avoid stepping on personnel or anti-car mines, praying that bombs from both sides would miss them all are created anew by this masterful story-teller. The normal educational patterns having been disrupted by war, Danny struggled to learn in makeshift classrooms. After finally succeeding in rejoining his father to America, Danny faced further challenges trying to adjust to a new life, a new culture and a new language. Finally returning to Italy, he married Anna Maria, his childhood sweetheart and fellow war survivor. Returning to America at the urging of Anna Maria's father, former U.S. Army private Ernesto Fantini, Danny sailed the Andrea Doria the trip before she sank! Danny and Anna Maria raised their family in Norristown, Pa., and on June 2, 2006, they celebrated their fiftieth wedding anniversary. We must have done something wrong, Danny quips. In fifty years we never even had a serious argument! Danny met Padre Pio da Pietrelcina, now Saint Pio, twice as a teenager before coming to America, and once in 1956 together with Anna Maria on their honeymoon. It was an unforgettable experience for both to go to confession and receive Holy Communion from the sainted man who bore on his body the signs of the crucifixion. De Simone does a superb job personalizing the historical record, for his account teaches us what it means to suffer the concrete effects of the abstract decisions made by the generals and dictators and kings - what it means to be the family member whose home is bombed, to be the farmer whose field is mined, to be the child who has seen too much death. Prof. Millicent Marcus Yale University His narrative is most interesting and disturbing at the same time as we realize that so many innocent people, especially the children, were caught in the middle of such insane violence. This is a book for all to read, especially the young. Most Rev. Louis A. De Simone, D. D. Auxiliary Bishop Emeritus Archdiocese of Philadelphia . . . fascinatingly human, fast-reading, well-written. Prof. James T. McDonough St. Josephs University Philadelphia

**How (Not) to Start an Orphanage ... by a woman who did Allen & Unwin** How could it be wrong to save the children by starting an orphanage? Oh, in so many ways . . . Tara Winkler first arrived in Cambodia to join a tour group in 2005 and was taken to visit a small orphanage in Battambang. The children were living in extreme poverty, and Tara was determined to raise money to help them. Two years later, after fundraising in Australia, Tara returned to Battambang only to discover that the same children were in deep trouble. Her spontaneous response was to find them a new, safe, home. With a team of committed locals and support from friends, she established the Cambodian Children's Trust (CCT). With an instant family of fourteen children and three dogs, Tara had to learn a lot, very fast. And, along the way, she realised that many of the

actions she took with good intentions were not at all what the children needed - or indeed, what any child needs. CCT now helps vulnerable children to escape poverty and be cared for within their families. In this compelling, poignant and funny memoir, Tara shares the many joys and the terrible lows of her journey thus far with honesty and passion. Written with co-writer, Lynda Delacey, *How (Not) to Start an Orphanage* is a book that will keep you thinking long after you turn the final page. **The Girl in the Picture The Story of Kim Phuc, the Photograph, and the Vietnam War Penguin** "More than any other Vietnam book in recent years, *The Girl in the Picture* confronts us with the ceaseless, ever-compounding casualties of modern warfare." —The San Francisco Chronicle On June 8, 1972, nine-year-old Kim Phuc, severely burned by napalm, ran from her blazing village in South Vietnam and into the eye of history. Her photograph—one of the most unforgettable images of the twentieth century—was seen around the world and helped turn public opinion against the Vietnam War. This book is the story of how that photograph came to be—and the story of what happened to that girl after the camera shutter closed. Award-winning biographer Denise Chong's portrait of Kim Phuc—who eventually defected to Canada and is now a UNESCO spokesperson—is a rare look at the Vietnam War from the Vietnamese point-of-view and one of the only books to describe everyday life in the wake of this war and to probe its lingering effects on all its participants. **Women Psychotherapists' Reflections on Female Friendships Sisters of the Heart Routledge** Psychologists, as well as the general public, have recognized the importance of female friendships. Scientists call this bond the tending instinct—a kind of female relaxation response that has salutary effects. Such special attachment shields women from isolation and provides an enhanced sense of wellbeing. Intimate friends can therefore act as sisters of the heart to promote connection, solace, wholeness, and longevity. Moreover, women friends frequently provide emotional, social, physical, and spiritual benefits. Indeed, sisters of the heart constitute an unparalleled bond that encourages women to connect with themselves, with others, and with the world at large. In this book, twelve women therapists, who are diverse in age— young, middle, and older women; as well as in ethnicity—White, African American, Latina, Asian American, Native American, and multiracial women— examine the psychological and physical aspects of this unique female bonding. Through their narratives we hear their distinctive voices as women and as healers. In this fashion, they reflect on both the functional and dysfunctional dynamics occurring between intimate female friends. Finally, these women therapists examine how their experience with a sister of the heart informed their development as healers, and discuss how they use this special bond in psychotherapy with women. This book was originally published as a special issue of *Women & Therapy*. 'This enlightening, iconic book is for anyone who wants to understand more about the powerful roles of friendships—including challenges—among women that facilitate their ability to survive and thrive. It is special in that the chapter authors are psychotherapists who describe the impact of female bonding, from scientific as well as personal bases. The descriptions are rooted in theory, research, extensive clinical experience and personal lives. Refreshing and much needed, this book will prove useful to professionals as well as any women or men who want to understand the value and salience of female relationships.' Melba Vasquez, PhD, ABPP Past

President, American Psychological Association Independent Practice, Austin, Texas

**When We Were Orphans Vintage** From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* comes this stunning work of soaring imagination. Born in early twentieth-century Shanghai, Banks was orphaned at the age of nine after the separate disappearances of his parents. Now, more than twenty years later, he is a celebrated figure in London society; yet the investigative expertise that has garnered him fame has done little to illuminate the circumstances of his parents' alleged kidnappings. Banks travels to the seething, labyrinthine city of his memory in hopes of solving the mystery of his own painful past, only to find that war is ravaging Shanghai beyond recognition—and that his own recollections are proving as difficult to trust as the people around him. Masterful, suspenseful and psychologically acute, *When We Were Orphans* offers a profound meditation on the shifting quality of memory, and the possibility of avenging one's past.

**Children of the Market Place Good Press** "Children of the Market Place" by Edgar Lee Masters. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. But will she remain content in her perfect world, or will she step into the unknown world she has always dreamed of? **Desloge Chronicles - A Tale of Two Continents - An Amazing Family's Journey - Volume One Lulu.com From ETC. - An Amazing Conversation Between the Descendant of Slave Owner and Slave - A Chance at Healing and Reconciliation Lulu.com** The book contains the correspondence between Christopher Desloge, whose ancestors in early Missouri had

been slaveholders, and Theresa Delsoin, whose ancestor Malindy Wilson was a slave in Franklin County Missouri. Delsoin and her sister, Mildred Johnson, coauthored the 2005 book "Malindy's freedom" about their ancestor. The "etc." of the title refers to the use of that word in wills at the end of property lists that included slaves along with other household items. The year-long correspondence lasted from Oct. 2009-Sept. 2010. **Confederate Winter CreateSpace** Confederate Winter is historical fiction based on a true family story backed up by an affidavit in the Confederate archives in Montgomery, Alabama. The author's great, great, great grandfather, William Sweeney, fought as a Confederate soldier at the tender age of 14. His father, John, had been drafted the year before into the Union Army. Confederate Winter is their story. By 1864 the Confederacy is on the verge of defeat. Atlanta has fallen and Confederate General John Bell Hood's army is in retreat. Hood formulates a bold plan to re-capture Nashville, the great base for the Union army in the West. A victory could change the course of the war. Hood needs manpower, however, and sends his conscription parties out to scour the countryside. Confederate Winter tells the story of a true-life family caught up in this grand adventure. The Federals conscript John Sweeney, the father, in late 1863 as General Sherman prepares his march on Atlanta and the sea. His son William is left in charge of the family farm, until one early fall morning... **Incredible Circle Coloring Book for Adults Createspace Independent Publishing Platform** Adult Coloring Book Unique Designs to Color!
