An Anthology of Modern Italian Poetry In English Translation, with Italian Text

Modern Language Assn of Amer Italian poetry of the last century is far from homogeneous: genres and movements have often been at odds with one another, engaging the economic, political, and social tensions of post-Unification Italy. The thirty-eight poets included in this anthology represent this literary diversity and competition: there are symbolists, free-verse satirists, hermetic poets, feminist poets, twilight poets, fragmentists, new lyricists, neo-avant-gardists, and neorealists - among many others.

Essays on Italian Poetry and Music in the Renaissance, 1350-1600

Univ of California Press These essays illuminate the changing nature of text-music relationships from the time of Petrarch to Guarini and, in music, from the madrigals of Giovanni da Cascia to those of Gesualdo da Venosa. Haar traces a line of development from the stylized rhetoric of Trecento song through the popularizing trends of Quattrocento music and on to the union of verbal and musical cadence that marked the high Renaissance in sixteenth-century Italian music.

My Poems Won't Change the World

Selected Poems

Farrar, Straus and Giroux At last, an ample English-language selection of one of contemporary poetry's most vibrant voices Any hall she has ever read her poetry in is invariably filled to the gills. Women like her, girls like her, and men like her, too. In Italy, Patrizia Cavalli is as beloved as Wistawa Szymborska is in Poland, and if Italy were Japan she'd be designated a national treasure. The Italian philosopher Giorgio Agamben said of Cavalli that she has written "the most intensely 'ethical' poetry in Italian literature of the twentieth century." One could add that it is, easily, also the most sensual and comical. Though Cavalli has been widely translated into German, French, and Spanish, *My Poems Won't Change the World* is her first substantial American anthology. The book is made up of poems from Cavalli's collections published by Einaudi from 1974 to 2006, now freshly translated by an illustrious group of American poets, some of them already familiar with her work: Mark Strand, Jorie Graham, Jonathan Galassi, Rosanna Warren, Geoffrey Brock, J. D. McClatchy, and David Shapiro. Gini Alhadeff's translations, which make up half the book, are the result of a five-year collaboration with Cavalli. This edition includes the original Italian language poems alongside the English translation.

In the Light of Christ

Writings in the Western Tradition

[Ignatius Press](#) *The good, the true and the beautiful--it is for these that our souls long. Though they reside in unity and perfection in God alone, the written word is one place we can discover glimmers of divine light. The writings of great souls can turn our gaze toward God as he is revealed in Jesus Christ. Even authors who do not know Christ or who reject Christ can still point to him, for anyone who seeks the truth finds it; and any one who turns his back on the truth turns away from a someone whose presence can often be more keenly felt in his absence. In this volume, Lucy Beckett illuminates some of the finest writings in the Western tradition and trains our eye to discover in them the Christian vision of God. She masterfully guides us through Sophocles, Plato, Augustine, Dante, Shakespeare, Dostoyevsky and many others, deftly demonstrating each author's worth as a bearer of truth.*

Italian Women and the City

Essays

[Fairleigh Dickinson Univ Press](#) *Studies of the city, and of women's experiences of the city, have focused primarily on modern times, especially as modernism was defined in large part by urban life. Italy, however, has a long history of urban-centered culture, and women have been a vocal part of that culture since the Renaissance. This volume, therefore, looks at the art and literature of both earlier and more modern periods to investigate the meanings of the city for Italian women, the intensely gendered meanings (for both sexes) of those city spaces that excluded women, and the conditions that permitted a limited permeability of gendered boundaries. Two aspects to the combination of "women" and "city" are salient to these investigations. One involves their metaphorical relationship. Urbs, citta, ville -- the words for city tend to be grammatically feminine, and a long tradition of representation associates the city with a woman. Women, especially writers, could exploit, modify, or resist the prevailing uses of such metaphors. The second aspect of connection involves social realities. What was or is the relation of the (female) city with the real women who inhabit it? What kind of site has it provided for women seeking a satisfying life for themselves? How has art and literature, by men and by women, represented the relationship of female persons or characters to urban spaces?*

A Poetry Precise and Free

Selected Madrigals of Guarini

[University of Michigan Press](#) *A Poetry Precise and Free* collects 150 lyric poems by the Renaissance Italian poet Giovanni Battista Guarini in new translations, accompanied by the Italian originals and commentary that will enlighten and engage both scholars and general readers. Guarini's madrigals provide insight into northern Italian court culture of the late Renaissance, when poetry and music were enjoyed as companion arts. Hundreds of composers of Guarini's day set his lyric poems to music. Primarily known today in their vocal settings, most famously those of Claudio Monteverdi, the poems merit appreciation in their own right. This volume is organized into ten sections, grouping the madrigals around themes such as the anguish of passion, the asymmetry of desire, the incursions of jealousy, and the possibility of mutual bliss. Nicholas R. Jones renders Guarini's poetry into accessible contemporary English verse that nevertheless stays true to the substance and form of the original texts, reflecting their roots in the Petrarchan poetic tradition and displaying the emotion and musicality that made these lyrics so popular from the start. A substantive introduction provides cultural context for the madrigals and their musical settings; brief commentaries follow each translation to illuminate aspects of poetic and rhetorical craft. An extensive appendix lists the madrigal compositions that set these lyrics for vocal performance. The book fills a major gap in the scholarship on Guarini's literary legacy. It will appeal to scholars of literature, Renaissance studies, and musicology, early-music performers, and general readers interested in poetry and classical music.

In this subsequent work, while Vittorio has remained in service and risen to the rank of deputy chief commissioner, Ranieri has courageously left the uniform with its fixed salary to devote himself exclusively to his passion, writing; and lives with difficulty on the pen, working occasionally as a journalist at a newspaper and underpaid editor in a publishing house; and this time, both in the novel "The Poetry of Toxic Love" and in the short story that follows it, he is above all the main character, not Vittorio, even though his friend certainly does not remain in the background. In previous works based on the characters Vittorio D'Alazzo and Ranieri Velli, "L'ira dei vilipesi" ("The Wrath of the Reviled"), "Il mostro a tre braccia", "I satanassi di Torino", the pair were both police officers (or officers of Public Security, as it was called in the past), commissioner the first, his adjutant the latter. In this subsequent work, while Vittorio had remained in the service and had risen to the rank of deputy police commissioner, Ranieri had courageously left the uniform with its fixed salary to devote himself exclusively to his passion, writing. He barely scrapes along relying on his pen, as part-time journalist at a newspaper and underpaid editor in a publishing house; and this time, in both the novel "The poetry of toxic love" and the short story that follows it, he is the main character, not Vittorio, even if his friend certainly does not rest in the background. Returning home on a July day in 1969, Ranieri finds a letter from New York in the mail informing him that he has won a rich literary prize for his poetic work, translated in the United States. Shortly after, there are attacks on his life cloaked as accidents, which are unsuccessful thanks to his athleticism and martial arts ability. Were these attempts at revenge by one of the many criminals that Ranieri had brought to justice before leaving the police force? Or, as he comes to suspect, does the motive lie precisely in that literary prize? Or even more surprisingly, can a sylloge of his poems which were recently printed completely without his knowledge be the motive? Valli flies to New York for the award ceremony and is greeted at Kennedy Airport by a young Italian American, Norma Costante, a sexy beauty who has been engaged by the Valente Foundation, organizer of the award, to assist him as an interpreter and escort. She, close to divorce from her husband, a bisexual painter who betrayed her by participating in orgies with his male and female models, seems to fall passionately in love with him while Ranieri, certainly, warms to her; but a bitter fact will emerge from the sensual lady's past. Meanwhile, in America too, on several occasions someone tries to kill the poet, always masking their criminal attempts as fortuitous accidents; and although Ranieri still manages to escape death, other people however are affected, first John Crispy, a prominent American broker who administers the assets of Donald Montgomery, a young man with a cold character, director of the FBI in New York and candidate for the United States Senate: he perhaps hates his administrator because he is close to marrying his mother, the richest woman in America. At a certain point one fact seems certain, that despite himself the poet has become a pawn in an international criminal chess game that concerns Italy in particular, a country which in that year of 1969, was prey to social violence and civil unrest. There are numerous twists and turns; among other things people believed to be dead reappear on the scene alive, while figures consider Translator: Barbara Maher PUBLISHER: TEKTIME

The Selected Poetry of Pier Paolo Pasolini

A Bilingual Edition

[University of Chicago Press](#) Most people outside Italy know Pier Paolo Pasolini for his films, many of which began as literary works—*Arabian Nights*, *The Gospel According to Matthew*, *The Decameron*, and *The Canterbury Tales* among them. What most people are not aware of is that he was primarily a poet, publishing nineteen books of poems during his lifetime, as well as a visual artist, novelist, playwright, and journalist. Half a dozen of these books have been excerpted and published in English over the years, but even if one were to read all of those, the wide range of poetic styles and subjects that occupied Pasolini during his lifetime would still elude the English-language reader. For the first time, Anglophones will now be able to discover the many facets of this singular poet. Avoiding the tactics of the slim, idiosyncratic, and aesthetically or politically motivated volumes currently available in English, Stephen Sartarelli has chosen poems from every period of Pasolini's poetic oeuvre. In doing so, he gives English-language readers a more complete picture of the poet, whose verse ranged from short lyrics to longer poems and extended sequences, and whose themes ran not only to the moral, spiritual, and social spheres but also to the aesthetic and sexual, for which he is most known in the United States today. This volume shows how central poetry was to Pasolini, no matter what else he was doing in his creative life, and how poetry informed all of his work from the visual arts to his political essays to his films. Pier Paolo Pasolini was "a poet of the cinema," as James Ivory says in the book's foreword, who "left a trove of words on paper that can live on as the fast-deteriorating images he created on celluloid cannot." This generous selection of poems will be welcomed by poetry lovers and film buffs alike and will be an event in American letters.

A Little Tour Through European Poetry

[Routledge](#) This book is both a sequel to author John Taylor's earlier volume *Into the Heart of European Poetry* and something different. It is a sequel because this volume expands upon the base of the previous book to include many more European poets. It is different in that it is framed by stories in which the author juxtaposes his personal experiences involving European poetry or European poets as he travels through different countries where the poets have lived or worked. Taylor explores poetry from the Czech Republic, Denmark, Lithuania, Albania, Romania, Turkey, and Portugal, all of which were missing in the previous gathering, analyzes heady verse written in Galician, and presents an important poet born in the Chuvash Republic. His tour through European poetry also adds discoveries from countries whose languages he reads fluently-Italy, Germany (and German-speaking Switzerland), Greece, and France. Taylor's model is Valery Larbaud, to whom his criticism, with its liveliness and analytical clarity, is often compared. Readers will enjoy a renewed dialogue with European poetry, especially in an age when translations are rarely reviewed, present in literary journals, or studied in schools. This book, along with *Into the Heart of European Poetry*, motivates a dialogue by bringing foreign poetry out of the specialized confines of foreign language departments.

Coleridge's Notebooks

A Selection

[Oxford University Press on Demand](#) Samuel Taylor Coleridge was one of the Romantic Age's most enigmatic figures, a genius of astonishing diversity; author of some of the most famous poems in the English language, and co-author, with Wordsworth, of *Lyrical Ballads*; one of England's greatest critics and theorists of literature and imagination; as well as autobiographer, nature-writer, philosopher, theologian, psychologist and distinguished speaker. Throughout his life, he confided his thoughts and emotions to his notebooks, where we can still see his speculations and observations taking shape. This edition presents a selection from this unique work, newly presented, with notes and commentary, for the student as well as the general reader.

Biographies and Autobiographies in Modern Italy: a Festschrift for John Woodhouse

[Routledge](#) "Critical interest in biography and autobiography has never been higher. However, while life-writing flourishes in the UK, in Italy it is a less prominent genre. The twelve essays collected here are written against this backdrop, and address issues in biographical and autobiographical writing in Italy from the later nineteenth century to the present, with a particular emphasis on the interplay between individual lives and life-writing and the wider social and political history of Italy. The majority of essays focus on well-known writers (D'Annunzio, Svevo, Bontempelli, Montale, Levi, Calvino, Eco and Fallaci), and their varying anxieties about autobiographical writing in their work. This picture is rounded out by a series of studies of similar themes in lesser known figures: the critic Enrico Nencioni, the Welsh-Italian painter Llewellyn Lloyd and Italian writers and journalists covering the Spanish Civil War. The contributors, all specialists in their fields, are Antonella Braidà, Charles Burdett, Jane Everson, John Gatt Rutter, Robert Gordon, Gwyn Griffith, Peter Hainsworth, Martin McLaughlin, Gianni Oliva, Giuliana Pieri, and Jon Usher. The volume is dedicated to John Woodhouse, on his seventieth birthday, and concludes with a bibliography of his writings."

The Vagrant Thoughts of a Wandering Man

[Notion Press](#) In this bouquet of poems I present to you my humble thoughts in simple words on a variety of topics. I have sung about the beauty of love. I have tried to let you hear the sighs and sobs in silence of struggling and suffering people. I have expressed my concerns about our planet and the need to keep it clean and green. I have written about the bond between God and man and his despair despite the prayers he raises. I have also shown the dark side of humanity wondering how man can oppress, exploit, enslave and kill others and sadly, try to justify it. Here, you can hear the muffled, dying cries of a new born girl child. Some songs are my thoughts that loved to wander far on the wide wings of the flying wind. Through most of the poems on social themes I am appealing to the conscience of the people to abandon violence particularly against women, children and the weak and to build a beautiful world of peace and love. May the humorous poems bring a smile on your face and laughter in your soul. Hope you will enjoy reading the book.
