BABY SIGNS

A BABY-SIZED INTRODUCTION TO SPEAKING WITH SIGN LANGUAGE

Penguin Long before they're able to talk, babies have a whole lot to say! Widen their world with this delightful modern classic—a must-have for growing families and a perfect baby shower or new-baby gift. With this adorable board book of essential signs, babies and toddlers can easily learn how to communicate their needs, wants, and feelings and even make basic observations with a simple gesture. Studies show that babies who use sign language feel less frustrated, throw fewer tantrums, and often learn to talk more easily. Just point to a sign in the book, say the word while making the sign, and the baby will soon be signing. Communicating a wet diaper or a hungry belly, asking for help or saying "all done" becomes as easy as waving hello or good-bye. And these are just a few of the thirteen signs inside this small and adorably illustrated board book, perfect for little hands and minds to grasp.

MY FIRST SIGNS

Childs Play International Limited Shows how to sign thirty-five basic words in American Sign Language, such as house, cat, and mother, using illustrations of children and arrows. On board pages.

BIG BOARD FIRST 100 WORDS

Priddy Books US Roger Priddy's Big Board First 100 Words is a perfect children's book offering simple everyday words for infants and toddlers to develop their vocabulary. Featuring 100 beautiful color photographs, this tough board book introduces words and phrases of animals, toys, vehicles, and items used for mealtimes, bathtimes, and bedtimes that are ideal for children aged 2 and up to learn how to read and identify objects.

MY FIRST BABY SIGNS

HarperFestival Demonstrates signs for objects such as hat, book, and telephone, that babies can use to communicate with adults.

BABY SIGN LANGUAGE BASICS

EARLY COMMUNICATION FOR HEARING BABIES AND TODDLERS, 3RD EDITION

Hay House, Inc In this newly expanded edition, a renowned baby-signing expert provides more than 300 American Sign Language (ASL) signs, illustrated with the same clear, easy-to-understand photos and descriptions. Since 2004, Baby Sign Language Basics has introduced hundreds of thousands of parents and caregivers around the globe to the miracle of signing with their babies—and left them wanting more! Baby-specific signing techniques, songs, and games are also included to make learning fun and to quickly open up two-way communication. Parents will meet real signing families and learn how to make sign language a part of their everyday interactions with their children. Also included is a video signing dictionary featuring all the signs from the book. Just point and click, and see the sign you want to learn come alive! This is a must-have for all parents, grandparents, and anyone else who spends time with preverbal children. After all, what parent or caregiver doesn't want to know what their baby is trying to tell them? Now includes streaming video, additional tips, advice, and updated resources!

SPEAK

Farrar, Straus and Giroux (BYR) The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

THE DAILY SHOW (THE BOOK)

AN ORAL HISTORY AS TOLD BY JON STEWART, THE CORRESPONDENTS, STAFF AND GUESTS

Grand Central Publishing **NEW YORK TIMES BESTSELLER** The complete, uncensored history of the award-winning *The Daily Show with Jon Stewart*, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show with Jon Stewart* brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show's* most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

THE COMPLETE GUIDE TO BABY SIGN LANGUAGE

200+ SIGNS FOR YOU AND BABY TO LEARN TOGETHER

Rockridge Press The complete resource for communicating with your baby! Whether you're new to signing with your baby or looking to expand both of your vocabularies, *The Complete Guide to Baby Sign Language*--from TinySigns® founder Lane Rebelo--makes it a snap. Featuring more than 200 American Sign Language (ASL) signs, this book will have you and your little one signing up a storm. Infants and toddlers can use sign language well before they can speak, offering an exciting opportunity for the two of you to communicate in deeper and more complete ways. Start things off with baby sign language essentials--like "eat," "more," and "all done"--then move on to more complex ideas--like different foods, the outside world, opposites, and emotions. *The Complete Guide to Baby Sign Language* includes: Songs and activities-- Incorporate baby sign language into everyday fun and master advanced signing concepts. Fully illustrated--Detailed illustrations simplify the learning process and make sure both of you are signing perfectly. Advanced tips--Get helpful advice and practical tools (including memory tips and baby sign approximations) that show how easy teaching your baby sign language it can be. Discover a new way to truly connect with your baby using *The Complete Guide to Baby Sign Language*.

Get chatty with activities that guide you through conversations. You'll be signing together in no time! *American Sign Language for Kids* includes: 101 helpful signs--From family and feelings to meals and playtime, work with your child to master subjects that will help the two of you connect. Fun ways to practice-- Discover enjoyable activities at the end of each section that make it exciting and engaging to learn signs and start conversing! Practical guides--Get useful advice for introducing signs to a child with autism, helpful primers on deaf culture, and more. Discover an effective and meaningful way to deepen communication with your child--*American Sign Language for Kids* shows you the way.

NORMAL PEOPLE

A NOVEL

Hogarth **NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER •** "A stunning novel about the transformative power of relationships" (*People*) from the author of *Conversations with Friends*, "a master of the literary page-turner" (J. Courtney Sullivan). **ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly**

drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for *Normal People* "[A] novel that demands to be read compulsively, in one sitting."—The Washington Post "Arguably the buzziest novel of the season, Sally Rooney's elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance."—The Wall Street Journal "[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I've read."—The New Yorker

THE BABY SIGNING BIBLE

BABY SIGN LANGUAGE MADE EASY

Penguin As confirmed by the American Academy of Pediatrics, infant sign language is a boon for enhancing communication between parents and babies, helping to forge an important bond early in a child's life. The *Baby Signing Bible* provides step-by-step instructions for parents and other caregivers, as well as insight into why baby sign language is useful for children of all ages. Kids with special needs can also benefit greatly from this program. Featuring 400 signs, the book covers essential nouns such as milk, verbs such as eat, and descriptors such as more. In addition, *The Baby Signing Bible* features real-life stories from parents who have successfully signed with their children, along with fun songs and games that help families learn to "sign and sing." Confidence-building illustrations enhance the basics for mastering vocabulary words.

AMERICAN SIGN LANGUAGE FOR DUMMIES

John Wiley & Sons Grasp the rich culture and language of the Deaf community To see people use American Sign Language (ASL) to share ideas is remarkable and fascinating to watch. Now, you have a chance to enter the wonderful world of sign language. *American Sign Language For Dummies* offers you an easy-to-access introduction so you can get your hands wet with ASL, whether you're new to the language or looking for a great refresher. Used predominantly in the United States, ASL provides the Deaf community with the ability to acquire and develop language and communication skills by utilizing facial expressions and body movements to convey and process linguistic information. With *American Sign Language For Dummies*, the complex visual-spatial and linguistic principles that form the basis for ASL are broken down, making this a great resource for friends, colleagues, students, education personnel, and parents of Deaf children. Grasp the various ways ASL is communicated Get up to speed on the latest technological advancements assisting the Deaf Understand how cultural background and regionalism can affect communication Practice signing with videos online If you want to get acquainted with Deaf culture and understand what it's like to be part of a special community with a unique shared and celebrated history and language, *American Sign Language For Dummies* gets you up to speed on ASL fast.

FLUENT FOREVER

HOW TO LEARN ANY LANGUAGE FAST AND NEVER FORGET IT

Harmony NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

MY FIRST ANIMAL SIGNS

Child's Play International Illustrations of babies and toddlers demonstrate forty-eight signs from *American Sign Language* for both wild and domestic animals.

FOR THE STRENGTH OF YOUTH

The Church of Jesus Christ of Latter-day Saints OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. BABY SIGNS: ALL DONE!

Silver Dolphin Books Learn simple sign language alongside baby with this adorable introduction to sixteen key signs. There's a point in baby's development that all parents recognize: Baby knows what she wants, but just can't say the words quite yet. Simple sign language for some of the most common words and phrases helps parents and caregivers bridge the communication gap with little ones. Baby Signs: All Done! features adorable illustrations of diverse babies in different situations modeling simple signs that will help familiarize baby with key words and phrases. Also included is a detailed walk-through for parents showing how to correctly model the sign. Featuring sixteen easy-to-learn signs ranging from ways to communicate needs ("more," "milk," "sleep") to expressions of gratitude and love ("thank you," "hug," and "I love you"), this read-together book will open worlds of communication between baby and parent.

AMERICA'S BILINGUAL CENTURY

HOW AMERICANS ARE GIVING THE GIFT OF BILINGUALISM TO THEMSELVES, THEIR LOVED ONES, AND THEIR COUNTRY

How can Americans make our country stronger, kinder, smarter? By marshaling our enviable can-do ethic and learning another language. We can do it, no matter what our age: author Steve Leveen chose Spanish as his adopted language in midlife. America's Bilingual Century is filled with tips for learning a language, some mechanical--like changing your phone and laptop settings to your adopted language--and some philosophical. For instance, start by having a place in your life where you'll use the language, Steve says. The "where" makes the "how" more attainable. And recognize that, as with any adoption, you do it for love, and for life--so don't fret when you're not fluent in five months. If you have kids, start them young. You'll be glad you did when you read about the explosive growth of dual language schools across the country and the significant, measurable advantages they give our young people. Steve also takes us to the top summer language immersion camps, for both children and adults. And he shares his findings from leading language scholars, teachers, sociolinguists, app creators, and bilinguals of all stripes that he discovered during his

dozen years of research. Then he topples 12 myths about Americans and languages that no longer hold in this century. Like thinking the whole world speaks English (it doesn't), that being monolingual is natural (it isn't), and that Americans suck at language (quite the opposite, as he demonstrates). Here and now in the 21st century, America is embracing its many ethnic and cultural heritages. How natural, then, that we enfold the many languages that these heritages thrive on as part of that quintessentially American pursuit of happiness. If you've never thought of bilingualism as being a patriotic act, America's Bilingual Century may persuade you otherwise. Knowing a second language changes the way we perceive the world, and the way the world perceives us. "English is what unites us," Steve says. "Our other languages are what define and strengthen us." And even if becoming bilingual leans more toward aspiration than arrival, that's okay. The journey is as rewarding as the destination.
