## **90 MINUTES AT ENTEBBE**

---

---

### **THE FULL INSIDE STORY OF THE SPECTACULAR ISRAELI COUNTERTERRORISM STRIKE AND THE DARING RESCUE OF 103 HOSTAGES**

---

*Simon and Schuster* **The incredible story of an Israeli mission that rescued 103 hostages from a hijacked jetliner. On June 27, 1976, Air France Flight 139 was hijacked by terrorists and flown to Entebbe Airport in Uganda. In the following agonizing days, Israeli passengers were singled out and held hostage. A week later on July 4, one hundred Israeli commandos raced 2,500 miles from Israel to Entebbe, landed in the middle of the night, and in a heart-stopping mission that lasted ninety minutes, killed all guerillas and freed 103 hostages. In captivating detail, Stevenson provides a fast-paced hour-by-hour narration from the hijacking to the final ninety-minute mission. In addition to discussing the incredible rescue itself, Stevenson also covers the political backdrop behind the hijacking, especially Ugandan**

President Idi Amin's support for the hijackers, which marked one of the first times a leader of a nation had backed terrorist activities. An illustration of one nation's undying spirit, heroism, and commitment to its people in the face of threat, Operation Thunderbolt has become a legendary antiterrorist tale. Although first written in 1976 (and published within weeks of the event), Stevenson's account presents this act of terrorism in a way that is still relevant in our modern-day political climate. A factual account of what could easily be read as sensational fiction, *90 Minutes at Entebbe* will inspire, encourage, and instill hope in all readers. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

## **AFTER THE REVOLUTION**

---

*AK Press* What will the fracturing of the United States look like? *After the Revolution* is an edge-of-your-seat answer to that question. In the year 2070, twenty years after a civil war and societal collapse of the "old" United States, extremist militias battle in the crumbling Republic of Texas. As the violence spreads like wildfire and threatens the Free City of Austin, three unlikely allies will have to work together in an act of resistance to stop the advance of the forces of the white Christian ethnostate known as the "Heavenly Kingdom." Out three protagonists include Manny, a fixer that shuttles journalists in and out of war zones and provides footage for outside news agencies. Sasha is a teenage woman that joins the Heavenly Kingdom before she discovers the ugly truths behind their movement. ## **DONGRI TO DUBAI - SIX DECADES OF THE MUMBAI MAFIA**

---

### RAYMOND CHANDLER, DETECTIVE FICTION, AND FILM NOIR

---

*University Press of Kentucky* More than any other writer, Raymond Chandler (1888-1959) is responsible for raising detective stories from the level of pulp fiction to literature. Chandler's hard-boiled private eye Philip Marlowe set the standard for rough, brooding heroes who managed to maintain a strong sense of moral conviction despite a cruel and indifferent world. Chandler's seven novels, including *The Big Sleep* (1939) and *The Long Goodbye* (1953), with their pessimism and grim realism, had a direct influence on the emergence of film noir. Chandler worked to give his crime novels the flavor of his adopted city, Los Angeles, which was still something of a frontier town, rife with corruption and lawlessness. In addition to novels, Chandler wrote short stories and penned the screenplays for several films, including *Double Indemnity* (1944) and *Strangers on a Train* (1951). His work with Billy Wilder and Alfred Hitchcock on these projects was fraught with the difficulties of collaboration between established directors and an author who disliked having to edit his writing on demand. *Creatures of Darkness* is the first major biocritical study of Chandler in twenty years. Gene Phillips explores Chandler's unpublished script for *Lady in the Lake*, examines the process of adaptation of the novel *Strangers on a Train*, discusses the merits of the unproduced screenplay for *Playback*, and compares Howard Hawks's director's cut of *The Big Sleep* with the version shown in theaters. Through interviews he conducted with Wilder, Hitchcock, Hawks, and Edward Dmytryk over the past several decades, Phillips provides deeper insight into Chandler's sometimes difficult personality. Chandler's wisecracking Marlowe has spawned a thousand imitations. *Creatures of Darkness* lucidly explains the author's dramatic impact on both the literary and cinematic worlds, demonstrating the immeasurable debt that both detective fiction and the neo-noir films of today owe to Chandler's stark vision.

So when his ex-commanding officer assigns him to an undercover mission at a rehab center for vets to discover who leaked sensitive military information to an enemy, he'd rather be anywhere but there. Almost immediately, Cole finds himself at odds with Annie Murray--a peace-loving ecotherapist whose dream is to open an animal sanctuary out of her home. While the two seemingly have nothing in common, their spirited arguments soon fuel a passion for each other.
