---

### **THE BABY BOOMER'S GUIDE TO MAXIMIZE YOUR RETIREMENT BENEFITS**

---

CreateSpace **Fully UPDATED for 2015**This is perhaps the most encompassing, yet easy-to-understand book on the vital and timely topic of Social Security retirement income planning. It is written by an experienced Certified Financial Planner for soon-to-be retirees who want to learn all about the different claiming strategies for couples and for single persons (whether never married, divorced or widowed). Most people have no idea of what some their real benefit options are -- and unfortunately can be prone to miss out on \$10,000's. Before describing what readers will find in the book, let me point out that there is purposely nothing written about Social Security DISABILITY income payments or Supplemental Security Income (SSI). The book's sole purpose is to provide people who are about to retire, with all of the information that they need to make the best Social Security benefit decisions based on their own financial circumstances and retirement goals. In this respect it is an essential planning guide and road map. A quick scan of the table of contents gives a glimpse of the scope and amount of powerful information provided. However, what the table of contents does not show is how 95% of Social Security recipients (both couples and many singles) will leave up to \$50,000 of benefits sitting on the table that cannot be retrieved. This is money that they are fully entitled to, but these folks did not follow the little-known claiming strategies described in this book. It's your money, you paid into the system your whole life - so don't miss out on getting every dollar that you can. There are many useful examples given to show baby boomers the full range of their filing options and how to maximize their lifetime benefits. Written in plain English, these examples are meant to encourage you to carefully consider how you can get the most total benefits available under the law. Perhaps one of the most unique portions of the book is where the author combines his expertise of Social Security with his knowledge of income taxes to show readers how it is very possible to cut ones taxable income and their subsequent retirement income tax bill by 50%. The story comparing the Early's, the Waite's and the Best's is worth ten times the price of the book, as it explains how a savvy reader can save \$1,000's of income tax dollars each year during their retirement. The chapter about the 3 buckets of investment risk and the 3 taxation buckets is the perfect complement to learning about filing strategies since Social Security was never meant to provide for all one's retirement income. Not only is this discussion vital for soon-to-be retirees, it should be required reading for every American adult before they EVER invest a single dime anywhere. Don't let the low cost of the book fool you. While reading the book, it becomes very

apparent that Mr. Orr actually works in the retirement income planning field on a daily basis with the non-stop tips, warnings, things to consider and much more. Everything is discussed in “real world” terms, not useless academic theory. “Social Security Income Planning” is well organized, concise and written in a conversational style, yet it's jam-packed with all the information you need to maximize your Social Security benefits. The advanced concepts and planning strategies are made so simple, that you will be able to explain them to your co-workers... or even to your financial advisor (who very likely has just a vague understanding of the strategies you are talking about)! Finally, the book rightfully stresses how your decision to file for your Social Security benefits should not be made on a “standalone basis”. That your claiming decisions should be made in conjunction with your overall retirement income goals, your assets and other income resources, your level of adverseness to risk, your (and your spouse's) likely longevity, etc. Buy this book today and become an educated consumer of your Social Security benefits.

## **SOCIAL SECURITY FOR DUMMIES**

---

[John Wiley & Sons](#) Social Security For Dummies, 2nd Edition (9781119293330) was previously published as Social Security For Dummies, 2nd Edition (9781118967560). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. Praise for Social Security For Dummies: "Social Security for Dummies is a must read for people of any age who want a comfortable retirement. Jonathan Peterson does a great job of explaining this complicated system and helps you understand how to get the most from the benefits you've earned. The difference between a smart claiming strategy and a dumb one can cost you hundreds of thousands of dollars, so you'll want to invest in this book." —Liz Weston, personal finance columnist and author of The 10 Commandments of Money "This is your go-to book on Social Security. Chock-full of useful tips, easy to use, and well organized, it answers all your questions about Social Security." —Steve Vernon, author of Money for Life: Turn Your IRA and 401(k) Into a Lifetime Retirement Paycheck and CBS MoneyWatch commentator "Social Security for Dummies is indispensable for anyone who wants to get the best possible deal from Social Security—and that means all of us, young and old, because everyone will need Social Security benefits in this era of disappearing pensions and dwindling savings. Strategies for single people, for married couples, for survivors, for divorced people: You can find expert advice on all these subjects and more in this easy-to-understand guide to a very complex subject." — Bob Rosenblatt, editor of HelpwithAging.com and Senior Fellow at the National Academy of Social Insurance About the book: Take the mystery out of Social Security and maximize your benefits when you retire Social Security For Dummies is the definitive resource to navigating the often-complex world of Social Security retirement benefits and the U.S. Social Security Administration. If you're nearing retirement age, or assisting someone who is, this guide will show you how to avoid common pitfalls, determine when you should claim your benefits, and figure out how much you can expect to receive each month. This newest edition provides updates to relevant dates and resources as well as an in-depth look at policy changes that will affect those about to retire. Packed with information that will help you make decisions that will maximize your financial well-being, this great resource makes it easy to understand everything you need to know quickly and easily. Understand new Social Security Administration policies and what they mean for you Determine how to incorporate Social Security into your overall retirement plan Get answers to common questions Find resources to use when you're stumped With Social Security For Dummies, you can take charge of your retirement and successfully navigate the U.S. Social Security Administration.

## **ANSWERS TO YOUR MOST IMPORTANT MONEY QUESTIONS**

---

[Currency](#) Here at last are the hard-to-find answers to the dizzying array of financial questions plaguing those who are age fifty and older. The financial world is more complex than ever, and people are struggling to make sense of it all. If you're like most people moving into the phase of life where protecting—as well as growing-- assets is paramount, you're faced with a number of financial puzzles. Maybe you're struggling to get your kids through college without drawing down your life's savings. Perhaps you sense your nest egg is at

risk and want to move into safer investments. Maybe you're contemplating downsizing to a smaller home, but aren't sure of the financial implications. Possibly, medical expenses have become a bigger drain than you expected and you need help assessing options. Perhaps you'll shortly be eligible for social security but want to optimize when and how to take it. Whatever your specific financial issue, one thing is certain—your range of choices is vast. As the financial world becomes increasingly complex, what you need is deeply researched advice from professionals whose credentials are impeccable and who prize clarity and straightforwardness over financial mumbo-jumbo. Carrie Schwab-Pomerantz and the Schwab team have been helping clients tackle their toughest money issues for decades. Through Carrie's popular "Ask Carrie" columns, her leadership of the Charles Schwab Foundation, and her work across party lines through two White House administrations and with the President's Advisory Council on Financial Capability, she has become one of America's most trusted sources for financial advice. Here, Carrie will not only answer all the questions that keep you up at night, she'll provide answers to many questions you haven't considered but should.

**A GUIDE TO CLAIMING BENEFITS FOR THOSE AGE 60-70**

---

[Book's Mind](#) The average person living 25 years or more is likely to receive \$500,000 or more in total Social Security benefits. That's not small change. The decisions you make about these benefits are often irrevocable - and when and how you collect these benefits can increase, or decrease, the amount you get over your lifetime. Social Security Sense provides

practical how-to knowledge to help you navigate through the numerous rules, and make the best claiming choices for you and your family. In this book nationally known retirement expert Dana Anspach explains the Social Security claiming rules, including the changes that were signed into law in November 2015, and shows you numerous real-life examples as to how your decisions affect your lifetime income. This book: Covers all the major aspects of Social Security claiming including the earnings limit, spousal benefits, ex-spousal benefits, taxation, survivor options, the benefit calculation formula, and more. Explains the new rules that were signed into law in November 2015, and provides examples of how that affects your options based on your month and year of birth. Provides concrete examples of how much you may get using one claiming age vs. another. Helps couples use their benefits to get the largest amount of survivor income possible. Shows you the common mistakes people make when doing their own benefit calculations and how those mistakes can lead you to making a less optimal decision. Social Security Sense is a book everyone age 55 or older should read before they begin their benefits. It will be a resource you turn to as you navigate your way through the claiming process, and it will enable you to feel confident in the decisions you make - and know they were made in a way that can lead to a more certain outcome in retirement."

[Createspace Independent Publishing Platform](#) The authors' intention in writing this book - the first volume in a new series - is to help you and your family keep your Social Security Disability Benefits. Many of you have used legal help in the past when you were trying to get your benefits, but with Continuing Disability Reviews, it's difficult to find an attorney. Jerrold Zivic (along with his son Aaron) put their 30+ years of knowledge to use helping you keep your Social Security Disability Benefits. PRAISE FOR JERROLD ZIVIC AND HIS WORK: Working with Mr. Zivic over the past 25 yrs has proven to be very rewarding. In my position as a claim representative, one of my responsibilities is to refer disabled employees to a fair and responsive SSD representative. Mr. Zivic proved time and time again his extensive knowledge in the field of SSD. My disabled employees always found him eager to do his very best representation so they would obtain the very best results. Thank-you Mr. Zivic for always giving 110% to your clients! --- Betty A - LTD Benefit Specialist I would like to take this opportunity to tell you that Mr. Zivic was a superb attorney. He was most helpful, sympathetic and sincere person anyone in my position could have hoped for to represent me. It was indeed a very nerve racking, emotional and trying time. He was simply brilliant n his ability to calm my nerve and fears to handle this case in a most professional manner. To put it simply - he's the greatest. --- Peter R I would just like to say thank you! So very much for all of your time and effort, that you gave me. Also for all of your diligence and patience. Once again I thank you for all of your courtesy I love you guys a lot and will always remember you. Mr. Zivic thank you! G-d bless you always! --- Patricia H
