Dr. Reggie Anderson, author of the acclaimed memoir *Appointments with Heaven*, knows it can't be predicted how God's healing work will come to pass in our lives and hearts . . . only that it will. As a country doctor who has had remarkable experiences attending people in pain, Reggie wants you to see what he sees every day--that whatever your sickness, whatever your hurt, God is alive and active in your life. He wants you to be truly well, even if that looks different than you might expect. Rich in story and inspiration, *The One Year Book of Healing* will reveal the many ways our Savior heals and intervenes in the lives of the sick and the hurting--giving you the faith, hope, and patience to believe that God can do the same in your life.

DAILY REFLECTIONS ON DIVINE MERCY

365 DAYS WITH SAINT FAUSTINA

My Catholic Life! "Daily Reflections on Divine Mercy" was written to provide an awakening to the abundant Mercy of God. It offers daily reflections and prayers to help deepen the day-to-day faith life of every Catholic so that you can understand the abundance of Mercy poured forth from the Heart of our Savior as it is revealed in the writings of Saint Maria Faustina Kowalska. "Divine Mercy in My Soul: Diary of Saint Maria Faustina Kowalska" is soon to become a classic spiritual book that everyone is encouraged to read in their lifetime. However, many find this invitation intimidating, not just because of the width of her book, but because of the depth of its message on The Divine Mercy in each of Saint Faustina's notebook entries. This book, "Daily Reflections on Divine Mercy," was written with the hope of guiding you through Saint Faustina's Diary and her six notebooks of reflections. It can be used on its own to help you pause and reflect on the beauty of Jesus' messages to her, or as a companion book, as you simultaneously read Saint Faustina's Diary. "Daily Reflections on Divine Mercy" offers 365 daily teachings, reflections and prayers based upon the pages of Saint Faustina's Diary. The structured way to use this daily reflection book is to do just that...reflect upon one page each day. However, some may feel called to skip around a bit, read a few reflections at a time, or return to a particular reflection through which God spoke to you. Therefore, though this book was written with the intent of providing one reflection for each day of the year, the best way to use it is any way you feel called and the way that benefits your relationship with God the most. The first paragraph for each day offers this author's insights to the words and teachings of Saint Faustina. The section of her Diary used for the day's teaching is marked so that the reader can also read her Diary first hand so as to see the primary source that the author of this book took inspiration from for that day's reflection. Though the primary text of the Diary is never quoted, nor are the reflections of this book exact representations of the Diary, they do provide the foundational basis for the spiritual message shared in each reflection. The second paragraph for each day offers a short reflection put more as a question to the reader. It offers the same insight in a different format so as to enter more deeply into the message of the day. Finally, each daily reflection ends with a prayer focused upon the message and reflection for that day. The reader is encouraged to pray this prayer several times. Ideally, it is prayed first thing in the morning, again during the day, and again at night as an examination on how well the daily message was received. As you seek to survive the world we live in, allow these pages to be a font of Mercy for you from God. Allow God's Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others.

ENJOY THE SILENCE

Zondervan • Deepen your experience with Scripture • Discover the power of God's Word • Is the Bible speaking to you? • Learning to listen to Scripture • Listen to what God's Word is saying to you People talk about the power of the Bible, but sometimes Scripture just looks like normal words. However, inside these thin, innocent-looking pages is the divine revelation of a God who wants you to hear him. Enjoy the Silence is about the spiritual discipline of Lectio Divina. This ancient practice can help you develop an awareness of God's presence and power found in the Bible. The book's simple exercises take you through the process of reading Scripture, meditating on Scripture, listening to God through Scripture, and responding to Scripture. If you feel like you've been reading the Bible in the shallow end, it's time to start scaling the cliffs and get ready to plunge headlong into the deep experience of God's Word.
