**Divorce Survival Guide for Kids Tips to Survive Your Parents Divorce: for Kids, Written by Kids** Createspace Independent Pub Written in a light-hearted manner for kids and teens, this divorce survival guide for kids is authored by two teens who share tips and tricks they learned over more than ten years, while moving from mom's to dad's house. They decided to write it after realizing that when their friend's parents were divorcing, they were the 'go-to' divorce kids for advice...and they realized they were sharing the same information each time. So, they wanted to share the information with all kids that are going through this difficult time, but in a kid-to-kid kind of way. In an easy to read format you'll find tips for what to expect, getting used to two homes, dealing with the divorce drama, what to do when you don't know what to do, and tips for sharing homework and school information between parents and teachers. So many things you didn't have to think of when your parents were together! Most importantly, this book shows kids that they're not alone and others have successfully survived their parents divorce. So why go through it with trial and error when you can read this brief guide and get all the tips you'll need to survive?! Deliberately kept short so you can get back to your friends, facebook, twitter and everything else kids do today! **What in the World Do You Do When Your Parents Divorce? A Survival Guide for Kids** Free Spirit Pub Answers common questions about divorce, its effects on the family, relationships with parents after a divorce, and related matters, and provides observations from children who have experienced a divorce in their families. **When Your Parents Divorce A Kid-to-Kid Guide to Dealing with Divorce Parenting After Divorce Resolving Conflicts and Meeting Your Children's Needs** Impact Publishers "Your divorce doesn't have to damage your children..., " Stahl assures, " ... especially if you limit your children's exposure to your conflicts." He knows parents are not perfect, and he uses that knowledge to show imperfect parents how to settle their differences in the best interests of the children. This revised and updated second edition features ideas from the latest research, more information on long-distance parenting, dealing with the courts, and working with a difficult co-parent. A realistic perspective on divorce and its effects on children, Parenting After Divorce features knowledgeable advice from an expert custody evaluator. Packed with real-world examples, this book avoids idealistic assumptions, and offers practical help for divorcing parents, custody evaluators, family court counselors, marriage and family therapists and others interested in the best interests of the children. **A Rule is to Break A Child's Guide to Anarchy** Manic D Press "A Rule Is To Break says: Go ahead and throw your best self a party! So glad it exists."—Kristin Hersh, *Throwing Muses* "After encountering the lively little anarchist in John and Jana's delightful *A Rule is To Break*, I will always remember the playful little devil with a mind of her own. A children's book on anarchy seems somehow just right: an instinctive, intuitive sense of fairness, community, and interdependence sits naturally enough with a desire for participatory democracy, self-determination, and peace and global justice."—Bill Ayers, author of *To Teach: The Journey in Comics and Fugitive Days* Simply celebrating childhood: the joy, the wonder of discovery, the spontaneity, and strong emotions. . . . Wild Child is free to do as she pleases. *A Rule Is To Break: A Child's Guide to Anarchy* follows Wild Child as she learns about just being herself and how that translates into kid autonomy. It presents the ideas of challenging societal expectations and tradition and expressing yourself freely in kid-terms that are both funny and thought provoking—it even functions as a guidebook for adults to understand what it is to be a critically thinking, creative individual. Wild Child is the role model for disobedience that is sometimes civil. John Seven and Jana Christy's previous collaboration *The Ocean Story* won Creative Child magazine's 2011 Creative Child Award Seal of Excellence and was shortlisted for the 2012 Green Earth Book Award. **A Parent's Guide to Divorce How to Raise Happy, Resilient Kids Through Turbulent Times** Althea Press From creating a parenting plan to navigating the post-divorce world, this child-centered reference teaches parents what to say and do to guide their children--toddlers to young adults--through a divorce, offering proactive solutions to make the child a priority as readers successfully transition to co-parenting. **The Smart Kid's Guide to Manners** Child's World Presents advice on good manners for young readers, including why they are important, how to exercise self-control, and respecting others. **The Divorce Workbook A Guide for Kids and Families** Information designed to help children express, explore and understand some of the many emotions triggered by the separation and divorce process. **Divorce Your Partner, Not Your Kids A PRACTICAL GUIDE for MEN and WOMEN WHO DON't WANT THEIR CHILDREN to SUFFER** I want to congratulate you for taking some time to learn how you can reduce the impact your divorce or separation has on your children. You're obviously someone who cares about your children, and how your children will be impacted during this process. What I'm going to show you is seven steps that I took with my former-wife that you can follow too, which will ensure the psychological damage on your children is kept to a minimum. You will learn how to: \* Follow 7 proven steps to reduce the stress and suffering for children in divorce \* Avoid painful mistakes which may impact your children's psychological future \* Manage changes to the family dynamics and overcome the trauma experienced with separation \* Transition to a parental relationship with your former spouse \* Prioritise your children - before, during and after your divorce \* Support your children to create greater harmony and peace during this traumatic time Around 40% marriages will end in divorce after 12 years and in most of these divorces, there will be children involved - children who are innocently affected by these changes in parental relationships. Sadly, these figures are on the rise and in most instances, there will be 2 or more children involved in the divorce process. But who really suffers the most when a divorce occurs? The wife? The husband? No, it is the children who will be affected most and it can be an extremely emotional time for them. Many children will blame themselves in some way, either consciously or unconsciously, for causing their parents to go their separate ways and this can have a profound impact on them later in life. This book will bring out the best in you and your children, during divorce or separation. **Divorce Is Not the End of the World Zoe and Evan's Coping Guide for Kids** A teenage brother and sister whose parents are divorced discuss topics relating to this situation, and their mother offers her own insights. Original. **When Grandparents Divorce A Children's Story with Included Parent Guide** CoffeeTablePress.com A children's story with included parent guide to help families deal with the divorce of grandparents. **When Parents Divorce Or Separate I Can Get Through This** Pauline Kids A Catholic guide that helps children ages 7-11 cope and work through their parent's divorce or separation in a way that helps them grow. **Break a Leg! The Kids' Guide to Acting and Stagecraft** Workman Publishing A comprehensive manual for acting and theater, discussing improvisation, voice projection, breathing exercises, script analysis, and technical aspects of theater production. **Raising a Star The Parent's Guide to Helping Kids Break into Theater, Film, Television, or Music** St. Martin's Griffin So your child wants to be a star? But what does it really take? Money? Looks? Tons of time? Not necessarily. Nancy Carson, a children's agent who has worked in the industry for more than twenty-five years and has guided the careers of such celebrities as Britney Spears, Mischa Barton, and even a young Cynthia Nixon, dishes the facts on what it takes to break your child into the entertainment industry. The first parents' guide to getting kids into the business written by one of the industry's top children's agents, *Raising a Star* is a complete step-by-step guide that will help parents navigate the murky waters of show business. From how to find the right representative to what producers and directors are really looking for in children today, Nancy Carson offers practical advice and anecdotes culled from her years of experience. *Raising a Star* is the most candid and informative guide for parents who want to help make their child a star. **Child's Guide to the Mass** Paulist Press An introduction to the Mass guides readers through the various parts of the Mass, including the Introductory Rite, the Penitential Rite, the Liturgy of the Word, and the Eucharistic Prayer. **Betrayal of the Child A Father's Guide to the Family Courts, Divorce, Custody and Children's Rights Monk Monk & Me: The Children's Guide To Divorce** Lulu.com Monk Monk & Me, *The Children's Guide To Divorce*, is a book about a young man whose parents are having a divorce. During a transition that can be both confusing and scary for young people, the book provides an easy to read dialogue that normalizes the process of divorce for children. In the story, the character "Monk Monk" answers the most common questions of children experiencing divorce in a fun and interactive storyline, while providing parents a basic tool to guide their children through the process of divorce. Nolan Johnson is a Marriage & Family Therapist in San Jose, California. His experience includes working as a therapist, case manager, and behavior coach to a wide range of children and their families. His passion's include traveling, a variety of sports, and working with underprivileged communities to educate about effective communication skills and effective parenting. **Healthy Children of Divorce in 10 Simple Steps Minimize the Effects of Divorce on Your Children** Lifethreads LLC What Can You Do As A Parent To Minimize The Impact of Divorce On Your Children? -Do you worry that your divorce will have a negative impact on your child's life? -Are you and your child's other parent locked in a cycle of resentment and dysfunction? -Do you want to do everything in your power to create a healthy future life for you and your child? This book will provide you with all of these answers and more. It is easy-to-read and includes actionable steps to ensure the best outcome for your children. The simple, yet life-changing ten-step process this book outlines will help you to: -Make the best choices for your children to ensure their long-term health -Partner with your co-parent for the sake of your children -Take actions that will protect your children during this time -Communicate productively with your co-parent -Release the past so you can create a love-filled future with your children Praise for the author's best-selling book *The 7 Fatal Mistakes Divorced and Separated Parents Make: Strategies for Raising Healthy Children of Divorce and Conflict*: "This book is a must-read for parents contemplating divorce, those already in the divorce process, and those who have a parenting plan in place... - Albert V. Evans, Family Law Attorney "This wonderful book should be required reading and writing for every divorced or never-married parent." - Dr. Shirley Thomas, counsellor and author **Peaceful Parent, Happy Kids How to Stop Yelling and Start Connecting** Penguin A groundbreaking guide to raising responsible, capable, happy kids Based on the latest research on brain development and extensive clinical experience with parents, Dr. Laura Markham's approach is as simple as it is effective. Her message: Fostering emotional connection with your child creates real and lasting change. When you have that vital connection, you don't need to threaten, nag, plead, bribe—or even punish. This remarkable guide will help parents better understand their own emotions—and get them in check—so they can parent with healthy limits, empathy, and clear communication to raise a self-disciplined child. Step-by-step examples give solutions and kid-tested phrasing for parents of toddlers right through the elementary years. If you're tired of power struggles, tantrums, and searching for the right “consequence,” look no further. You're about to discover the practical tools you need to transform your parenting in a positive, proven way. **Two Homes** Candlewick Press "Parents looking for a book about separation or divorce will find few offerings as positive, matter-of-fact, or child-centered as this one. . . . Simple, yet profoundly satisfying." - Booklist (starred review) At Mommy's house, Alex has a soft chair. At Daddy's house, Alex has a rocking chair. In each home, Alex also has a special bedroom and lots of friends to play with. But whether Alex is with Mommy or with Daddy, one thing always stays the same - Alex is loved. The gently reassuring text focuses on what is gained rather than what is lost when parents divorce, while the sensitive illustrations, depicting two unique homes in all their small details, firmly establish Alex's place in both of them. *Two Homes* will help children - and parents - embrace even the most difficult of changes with an open and optimistic heart. **SINGLE DAD'S SURVIVAL GUIDE For Re-Connecting With Kids and Moving on With Life After Divorce** Beyond Publishing Recently or currently going through a divorce? The only thing worse than divorce is death and many times a divorce feels worse, especially when there are kids involved. This is a book of resources for the single dad. **A Kid's Guide to Native American History More than 50 Activities** Chicago Review Press Hands-on activities, games, and crafts introduce children to the diversity of Native American cultures and teach them about the people, experiences, and events that have helped shape America, past and present. Nine geographical areas cover a variety of communities

like the Mohawk in the Northeast, Ojibway in the Midwest, Shoshone in the Great Basin, Apache in the Southwest, Yupik in Alaska, and Native Hawaiians, among others. Lives of historical and contemporary notable individuals like Chief Joseph and Maria Tallchief are featured, and the book is packed with a variety of topics like first encounters with Europeans, Indian removal, Mohawk sky walkers, and Navajo code talkers. Readers travel Native America through activities that highlight the arts, games, food, clothing, and unique celebrations, language, and life ways of various nations. Kids can make Haudensawnee corn husk dolls, play Washoe stone jacks, design Inupiat sun goggles, or create a Hawaiian Ma'o-hauhele bag. A time line, glossary, and recommendations for Web sites, books, movies, and museums round out this multicultural guide. **What to Do when Your Brain Gets Stuck A Kid's Guide to Overcoming OCD** Describes what obsessive-compulsive disorder is and how it works, and teaches young readers techniques to reduce and overcome it through writing and drawing activities and self-help exercises and strategies. **What to Do When You Worry Too Much A Kid's Guide to Overcoming Anxiety** Teaches school-age children cognitive-behavioral techniques to reduce and overcome anxiety, fears, and worry, through writing and drawing activities and self-help exercises and strategies. Includes introduction for parents"--Provided by publisher. **The Divorce Talk How to Tell the Kids - A Parent's Guide to Breaking the News Without Breaking Their Hearts** The Divorce Talk: How to Tell the Kids is the definitive guide to help parents break the news of an upcoming separation to their kids with the least risk of damage. Written by an internationally known divorce recovery professional, the book is based on interviews with over one hundred children whose parents divorced. Readers will learn, step-by-step, how to manage their own emotions, to understand the meaning of divorce to children, what to say to the kids, and how to deal with the children's reaction to the news. The book is practical and offers solutions that are designed to help parents limit the risk of trauma in the most important conversation of their children's lives. **Mentoring Your Child to Win The 7 Breakthrough Keys How a Single Former Welfare** Createspace Independent Publishing Platform Author Arlene Karian opens the door to success for millions of parents now – and in the future. In "Mentoring Your Child To Win: The 7 Breakthrough Keys How A Single Former Welfare Mom Raised A Multi-Millionaire Kid", Arlene – "The Parenting Mentor" – provides you with a proven plan she created for herself and is now available to all who shape a child's consciousness. Easy and enjoyable to follow, parents will find the tools to create a bond with their children in an exciting new way. Recently validated by science, Arlene's system will open a whole new world of possibilities, empowering you to raise extraordinary children and also uplift you and your entire life in the process. The simple secret: Arlene became a mentor to her son by following a simple original system. Now you can use Arlene's "Road Map to 21st Century Parenting" system to help your children avoid negative outside influences and achieve great things, so they become what they were meant to become. In "Mentoring Your Child To Win: The 7 Breakthrough Keys How A Single Former Welfare Mom Raised A Multi-Millionaire Kid," you'll discover: • The 7 Keys to 21st Century Parenting • The 3 Scientific Research Secrets about Parenting • How To Mentor Your Child to Excel • How to Raise an Extraordinary Child • How To Get Your Kid To Say 'No' to Outside Influences Plus a lot more detailed, step-by-step guidance, inspiration, and help for parents and guardians to modernize parenting with a new breakthrough approach to interface with these troubled times. In addition, the book reveals: • Detoxing Your Mind: An Innovative Way to De-stress • How To Effortlessly Organize Your Day • Keeping The Love Alive In Spite Of Dishes, Laundry and Texting "Mentoring is the new way," Arlene says. "I raised my son to excel while on welfare. It's because I blended parenting with mentoring that my son became so extraordinary, successful, and a living role model of my work. Helping all parents bring out the best in their children, whatever that might be, is now my passion." Arlene believes that true wealth comes from the wisdom of the one who is shaping a child's life. Her book will guide you on an incredible new journey toward that end. **Mentoring Your Child To Win: The 7 Breakthrough Keys – How A Single, Former Welfare Mom Raised A Multi-Millionaire Kid** brings solutions for parenting in the 21st Century. **The Kid's Guide to Divorce** Fawcett Books Using specific experiences as examples, this guide shows how to deal with every aspect of divorce, including coping with stepparents, new living arrangements, embarrassment with peers, and parental bitterness. **It's Good to Be Kind** Createspace Independent Publishing Platform "Shares the story of Leonard the Lion--admired by all other animals as King of the Jungle--who wears a red cape and uses his power and status to make a positive impact on those around him. The fun, colorful book is sprinkled with magic and mystery"-- **Stuck Asperger's Syndrome and Obsessive-Compulsive Behaviors** There are many challenges that children with Asperger's syndrome (AS) will have to overcome to reach their highest potential. In order to help them progress in constructive ways, those who care for and about these children often need to make changes too, sometimes difficult ones. Stuck provides a roadmap for understanding and addressing the complexities of AS, especially the presence of obsessive-compulsive behaviors (OCBs) that so frequently complicate basic functioning for both the child and others involved in their lives. The more knowledge and skills that caregivers can gain about these issues the better. Whether you are a parent, an educator, or a healthcare professional that wants to increase their awareness about Asperger's syndrome and obsessive-compulsive behaviors, you can benefit from the useful concepts and practical, action-oriented activities presented throughout this book. **A Grown-Up's Guide to Kids' Wiring Parenting Without Guilt A Parent's Guide to Practical Problem Solving** CreateSpace There are times when what a youngster does or says is absolutely baffling to mom or dad. How can 15-year-old Sarah spend hours prepping her hair and not give one second to cleaning her room? Likewise, what's wrong with 10-year-old Mark who knows he shouldn't bully his little brother but does so anyway? Certainly parents want answers, and no one is surprised when a parent falls back on interrogating a child or teen with repeated "Why?" or "What were you thinking?" questions. Unfortunately, searching for the reasons children behave as they do by asking the ubiquitous "Why?" is ultimately unsuccessful and, frankly, irrelevant. "I don't know," "Because," or "I wasn't thinking," is the usual child response, resulting in frustrated parents and youngsters who feel embarrassed, stupid or annoyed. Drs. Charles C. Larson and John B. Dockstader, each with more than thirty years of experience working with parents and youngsters, advise parents to step back from situations such as those described and offer, instead, techniques for evaluating and solving family problems without needing to know "Why?". The authors counsel parents how to determine if a problem exists, who owns the problem and who is best equipped to solve it. Numerous real-life examples are presented to illustrate the problem-solving process and solutions. In Parenting Without Guilt, parents learn not only to solve family problems, but also why the challenges parents and youngsters face today are more demanding than ever before. In addition, parents are guided through each stage of child development, from birth to young adulthood, with attention to typical problems any parent may anticipate. Resources that parents can use to help them resolve family discords are discussed, to include working with educators, clergy, pediatricians, private practitioners and others. With compassion, humor and wisdom gained through practical experience, Drs. Larson and Dockstader offer information and advice that provides any parent with the skills to raise successful children without guilt, anxiety or distress. **The Big, Fancy Set of Kids' Activities Coloring Book Edition** Bobo's Children Activity Books Coloring is a most enjoyable activity that has several benefits. It helps boost your child's focus and concentration. The more complex the patterns are, the more that your child will be careful with every stroke of the crayon. He/she will become too focused in the moment that frustrations and other negative emotions will soon be forgotten. Grab a copy now! **This Is Why We Can't Have Nice Things** As a mom of two little boys, I was inspired to share humorous stories of my two sons through their toddler years (which are not yet quite over). This book contains twenty two pages of hand-drawn illustrations showcasing a mother of two little boys coming to the realization she can't have nice things, at least for a little while. While names have been changed to protect the "innocent", these stories are all true. The books ends on a sweet note that all parents share, that sacrificing nice things for our sweet children really isn't difficult at all. **Spice and Little Sugar** M&M Ink Having a little sister isn't always a picnic. Older sisters may feel jealous of the time taken away from them, the toys they have to share, and the attention focused on the youngest member of their family. Getting along is often a day-to-day battle, but what can parents do to make this situation easier and to help children realize how special it is to have a sister? In Spice & Little Sugar, the delightful new children's book about sibling rivalry, authors Megan Waldrep and Melissa Nelson show big sisters the big benefits, responsibilities, and absolute joys of their role. Told in a whimsical rhyme that children will love to read aloud, Spice & Little Sugar first humorously relates all the ways Little Sugar gets on Spice's nerves, from grabbing her favorite toys to sticking to her like glue when Spice wants to be left alone. But gradually Spice comes to realize that Little Sugar does have her good points, including sticking up for her when she gets in trouble with their parents and saving the day with her cute face. Parents will love the warm, gentle lessons the book teaches about understanding how positives can outweigh negatives, and kids will laugh at the playful illustrations and funny story. The perfect book for siblings, Spice & Little Sugar can be read and enjoyed by the whole family, time and time again. **Color Between the Lines! Color Fun Coloring Book** Smarter Activity Books for Kids This coloring book is about improving the hand grip and control for improved motor and handwriting skills. There's so much freedom about coloring, starting from the choice of colors and the different stroke techniques. Coloring is also non time limiting as it can be done for as long as your child wants to and on his/her own pace. Encourage coloring today! **Kids' Guide: Dealing with Divorce** Franklin Watts **The Clever Clogs Children's Guide** County Durham Clever Clogs Publishing **Yearning for Normal Learning Acceptance** Gray Horse Press This award winning book tells a mother's story of raising her son Michael, who was born missing a submicroscopic piece of chromosome 22. That tiny missing fragment of DNA affected every aspect of his life physically, mentally, and spiritually. Michael's mother describes her adventures and misadventures with the medical system, educational system, and legal system during his growing up years. While Michael and his mother were both yearning for normal through their struggles, they were also learning acceptance of life as it is with all its glory and imperfections. **Break Dancing for Beginners Coloring Book** Activity Book Zone for Kids This is your chance to let your crayons dance on paper! Coloring, like dancing, is an art form that encourages self-expression. However, coloring is a brain-boosting activity that also train both regions of the brain to work together. As a result, you get a mash-up of logic and creativity reflected in the following pages. Begin coloring today! **Starkishia Estrella 5x8** Small print edition 5x8 Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings. Meredith Coleman McGee, Publisher/Acquisition Editor Meredith Etc., a small press Jackson, Mississippi, USA www.meredithetc.com
