KEY=SNOW - LOVE FARMER

Stick Man (Snow Dome Gift Edition)

Alison Green Books *Since its publication in September 2008, the story of Stick Man's courageous journey back to his family tree has captured the imagination of hundreds of thousands of children. Now the original classic picture book STICK MAN (9781407108827) is available in a beautiful new gift edition, with a fun and festive snow dome embedded in the front cover. This innovative new format contains no liquid, making it suitable for children.*

The Virgin of Flames

A Novel

Penguin *From the author of the award-winning GraceLand comes a searing, dazzlingly written novel of a tarnished City of Angels. Praised as "singular" (The Philadelphia Inquirer) and "extraordinary" (The New York Times Book Review), GraceLand stunned critics and instantly established Chris Abani as an exciting new voice in fiction. In his second novel, set against the uncompromising landscape of East L.A., Abani follows a struggling artist named Black, whose life and friendships reveal a world far removed from the mainstream. Through Black's journey of self-discovery, Abani raises essential questions about poverty, religion, and ethnicity in America today. The Virgin of Flames, a marvelous and gritty novel filled with indelible images and unforgettable characters, confirms Chris Abani as an immensely talented writer.*

A to Zoo: Subject Access to Children's Picture Books, 10th Edition

ABC-CLIO *Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. • Offers easy subject access to children's picture books • Features a user-friendly organization • Provides in-depth indexing and full bibliographic detail*

Your Energy

The True Source of Self-empowerment

Balboa Press *As you begin raising your consciousness and bringing your awareness to your energetic self, it soon becomes clear that the only sustainable source of power is you. This means that you—and only you—have the power to change your situation. In Energy: The Key to Personal Empowerment, author Therese Pares explores this idea and its ramifications for your life. Every action you take and every thought you have uses your personal energy. You place energetic intention behind everything you do—sometimes consciously and sometimes unconsciously. If your current way of doing something or interacting with someone isn't working, then it is time to become aware of your energetic intentions. Your focus should be not your behaviour, but instead on what drives that behaviour. This guide encourages you to ask questions that raise your self-awareness and enable you to experience the energy dimension that exists. It outlines practical actions that you can take to change your life. You should never stop learning, exploring, and being committed to your own journey. By putting these habits into practice, you can retain and benefit from more of your personal power.*

Blooms in the Fall

The Wild Rose Press Inc *It was more than she could bear. A victim of utter improbability, Letty Norris lives with a secret torment no one else ever born has known. Too much shame. Too much pain. No possible resolution. Her music is her solace, but even that isn't enough to save her. It has to end. First, she will give the world one last song. Cole Holloway has lived all of his fifty-two years on the same unspoiled Montana land. He's spent the last two in disgrace, waiting for a woman who didn't want him, or their twelve-year-old son, Brett. Even his sturdy pride can't smother how lost he is without his wife. So he continues to wait for her return. What else can he do? Then one day while Cole is walking his land, the voice of an angel calls to him.*

The Snow Globe

St. Martin's Press Discover an unforgettable holiday treasure in Sheila Roberts' heartwarming tale of love and laughter, magic and miracles, friendship and coming home... On a blustery afternoon, Kylie Gray wanders into an antique shop and buys an enchanting snow globe. "There's a story behind that snow globe," the antique dealer tells her. The original owner, he explains, was a German toymaker who lost his wife and son right before Christmas. When the grieving widower received the handcrafted snow globe as a Christmas gift, he saw the image of a beautiful woman beneath the glass—a woman who would come into his life, mend his broken heart and bring him back to the world of the living. For years, the snow globe has passed from generation to generation, somehow always landing in the hands of a person in special need of a Christmas miracle. Kiley could use a miracle herself. This year, all she wants for Christmas is someone to love. A hopeful shake leads her on an adventure that makes a believer out of her. When Kylie shares the story of the snow globe with her best friends—two women with problems of their own—they don't believe it. But they're about to discover that at Christmastime, sometimes the impossible becomes possible and miracles really do come true.

Stick Man's First Words

Alison Green Books This sturdy, colourful board book is the ideal way to introduce babies and toddlers to their first words. Since its publication in September 2008, the story of Stick Man's courageous journey back to his family tree has captured the imagination of hundreds of thousands of children. Now Stick Man is back, to help his youngest fans learn their first words - with numbers, colours, animal sounds and more!

The Stick Man Annual 2019

Alison Green Books Stick Man is about to start his greatest adventure yet - and you're invited! With puzzles to solve, jokes to tell and quizzes to complete, you can help Stick Man find his way home and have lots of fun along the way. Colouring pages, games, songs, join-the-dots and much, much more, mean the Stick Man annual is the perfect gift for every child. From the hugely popular creators of *The Gruffalo*.

Before I Called You Mine

Baker Books Lauren Bailey may be a romantic at heart, but after a decade of matchmaking schemes gone wrong, there's only one match she's committed to now--the one that will make her a mother. Lauren is a dedicated first-grade teacher in Idaho, and her love for children has led her to the path of international adoption. To satisfy her adoption agency's requirements, she gladly agreed to remain single for the foreseeable future; however, just as her long wait comes to an end, Lauren is blindsided by a complication she never saw coming: Joshua Avery. Joshua may be a substitute teacher by day, but Lauren finds his passion for creating educational technology as fascinating as his antics in the classroom. Though she does her best to downplay the undeniable connection between them, his relentless pursuit of her heart puts her commitment to stay unattached to the test and causes her once-firm conviction to waver. With an impossible decision looming, Lauren might very well find herself choosing between the two deepest desires of her heart . . . even if saying yes to one means letting go of the other.

Word Nerd

More than 17,000 Fascinating Facts about Words

Sourcebooks, Inc. Are You a Word Nerd? Did you know... --Only a human (not an animal or thing) is "able" to do something --The five on dice is called cinque --"K" for strike-out in baseball comes from the last letter of "struck" --To skice is to frisk about like squirrels in spring For word lovers everywhere, *Word Nerd* is a rich-and fun-compendium of more than 17,000 fascinating facts about words. Bestselling author Barbara Anne Kipfer has spent years compiling little known tidbits about common-and not so common-words in the English language. Filled with interesting information about words, sure to amaze and spark conversation, this incredible collection is perfect for the word nerd in each of us.

The Gift of the Game

Anchor Canada Full of the gentle humour and storytelling that he brings to "Music and Company" every morning, *The Gift of the Game* is Tom Allen's exploration of the ways in which hockey can shape the relationship between fathers and sons. In the winter of 2001 Tom Allen stepped onto a frozen lake with his eight-year-old son. They laced up their skates, set out chunks of firewood as goal posts, and played one-on-one hockey under an enormous blue sky. This would mark a new turn in Allen's relationship with Wesley, even as other relationships began to fall apart. When Allen and his wife go their separate ways, it is hockey that forms the enduring bond between father and son. As Wesley grows in confidence and purpose, Allen grows into the mythic role of hockey dad and assistant coach, and spends his empty afternoons working on his own game on outdoor rinks, if only to avoid the silence of his apartment. But what is this game to which he has entrusted his fragile sense of well-being and his son's emerging sense of self? With keen intelligence and self-deprecating emotional honesty, Allen sets about answering the questions that shape his new life: How does hockey mould us? To what degree are we defined by our love of the game and our wish to be admired for our skill on the ice? What are the implications for our culture of a game that so privileges violence? In making of hockey the arena of his pride and love and self-respect, Allen is forced to figure out what the game itself means.

DIY Christmas Gift Ideas: Quick, Easy and Inexpensive "Do It Yourself" Homemade Christmas Gift Ideas

J.D. Rockefeller *Christmas is a beautiful time to make great gifts that you can give to your loved ones! Why do we give gifts on Christmas? It all started with the gifts that the Wise Men gave to Jesus on his birth. These gifts included the following: Frankincense, a perfume used for worship, indicating that Jesus would be worshipped by the people, Myrrh, a perfume used to cover the smell of dead bodies, indicating that Jesus would suffer and die, and Gold, indicating that Jesus would be the King of Kings We are continuing the tradition of giving gifts and that too with increasing enthusiasm year after year. And what better way to show your love and devotion to your friends and family than to make something with your own hands, something they will know you took time and effort to make especially for them: a gift that will never be replicated and that it will certainly be priceless as you cannot put a price tag on a homemade Christmas gift. In this book you will learn: CHAPTER 1: HOMEMADE EDIBLE CHRISTMAS GIFTS CHAPTER 2: HOMEMADE BATH AND BEAUTY CHRISTMAS GIFTS THAT WOMEN WOULD LOVE CHAPTER 3: USEFUL EASY-TO-MAKE FABRIC GIFTS CHAPTER 4: GET BUSY MAKING SOME CANDLES CHAPTER 5: HOMEMADE SNOW GLOBES CHAPTER 6: THE GIFT OF CHRISTMAS ORNAMENTS CHAPTER 7: GIFTS FOR DRESSING UP PRECIOUS MODERN GADGETS So read on to find out how easy, quick and inexpensively you too can give beautiful homemade Christmas gifts!*

Harper's Bazaar

Leadership for the North

The Influence and Impact of Arctic Council Chairs

Springer *This book investigates multidimensional change in the Arctic and policy response to it. It focuses its attention on the need for effective leadership within the region. In so doing it considers the contribution made by the main international organization of the region, the Arctic Council. In particular, it examines the various leadership functions undertaken by the Chair of that body including that of convener, manager, promoter, representative and resolver of differences. It is argued that in performing these multiple roles the Chair is contributing to the necessary leadership required to address pressing Arctic concerns. The book highlights the activities of the four most recent Arctic Council Chairs, Sweden, Canada, the United States and Finland. It considers the programs for action that each of these countries promoted during their terms at the helm of this major circumpolar organization. It examines the particular approaches, methods and strategies that each used to advance its agenda and the consequences of such efforts. It focuses attention on the need for building consensus among a diverse membership including Arctic states, organizations representing northern indigenous peoples, non-Arctic countries and non-governmental bodies. Drawing upon the insights of scholars from several disciplines from across the circumpolar community, the collected essays in this volume seek to paint a picture of the real challenges and opportunities for international diplomacy in the contemporary North. It suggests that there are true "lessons to be learned" in advancing leadership within the region. The book provides a means for considering these and the most effective means of response.*

The Program

Inside the Mind of Keith Raniere and the Rise and Fall of NXIVM

Grand Central Publishing *A jaw-dropping insider look into the world of the so-called "Hollywood Sex Cult" NXIVM chronicling the rise of enigmatic cult leader, Keith Raniere, from its "Patient Zero," his former girlfriend and test subject for his coercive control techniques. Many have heard of NXIVM and its creator, Keith Raniere, the unassuming Albany man now prosecuted for ensnaring tens of thousands of people in the US, Mexico, Canada and elsewhere, to do his bidding and pay millions of dollars to participate in his self-improvement methodology. But where did Keith Raniere begin? Enter Toni Natalie, Keith's Patient Zero, the first one indoctrinated into Raniere's methodology and the first one to escape. THE PROGRAM begins with the origin story of NXIVM, follows its rise to international prominence, and takes the reader into the downfall of Raniere through Toni's eyes. During this time she bore witness to the evolution of his methodology, including his use of sex, blackmail, and employment of psychological tools such as neuro-linguistic programming to control and punish those who would not heed his wishes. She uniquely details the fortunes lost and the lives left in disarray that she witnessed contemporaneously, including members of DOS, a group of women coerced into sexual acts under the guise of a "women's empowerment" inner circle, whom Raniere exercised extreme control over directly and through his lieutenants. But far from being a victim's story, in the spirit of Erin Brockovich, Toni's is a nuanced narrative of a multi-dimensional woman saving herself, and then working tirelessly to help other women do the same for themselves. Today, Toni is happy, reunited with her son, and surrounded by friends and family--it is this perspective that makes her such a unique storyteller.*

Normal Instructor and Teachers World

Jingle Spells

Naughty or Nice?\She's a Mean One\His First Noelle\Silver Belle

Harlequin To protect Christmas, this family of wizards will have to use a whole different kind of magic... Part of the Winter clan, the Evergreen family is considered magical nobility. While Evergreen Industries in picturesque Gingerbread, Colorado, might look like an ordinary office building, this is where the magic of Christmas unfolds. Above Santa's workshop, the Evergreens hold court, manage Christmas and, sometimes against their will and better judgment, fall in love. When it comes to love, the Evergreens know that sometimes you have to play a little naughty to get exactly what—or who—you want from Santa. Celebrate the holidays with Evergreen siblings Cole, Ethan, Dash and Belle in this enchanting collection from New York Times bestselling authors Vicki Lewis Thompson and Rhonda Nelson, Kira Sinclair and Andrea Laurence.

Christmas Love: Finding Our Happily Ever After

Frankie Love When I pick her up in the middle of a snowstorm, I don't expect my life to become a whirlwind romance. But that's exactly what happens. I'm a mechanic, and I could simply fix this beauty's car – but instead I change the course of our lives. Forever. When you know, you know. And the moment I see Noelle, there is no doubt. This woman is everything my lonely heart needs. And I'm the real, salt of the earth man she's been waiting for. This Christmas we're finding love ... and choosing our own happily ever after. Dear Reader, Insta-love at its finest just in time for the holiday season. It's a fantasy we've all had – the perfect man showing up in our lives when we least expect it. But Lewis is here to stay. A sexy mechanic who's putting a wrench in Noelle's holiday plans – literally. And believe me – he knows just where to put it. xo, frankie

148 Charles Street

A Novel

U of Nebraska Press Tracy Daugherty's historical novel *148 Charles Street* explores the fascinating story of Willa Cather's friendship with Elizabeth Shepley Sergeant. The women shared a passion for writing, for New York, and for the desert Southwest, but their sensibilities could not have been more different: Cather, the novelist of lyrical landscapes and aesthetic refinement, and Sergeant, the muckraking journalist and literary activist. Their friendship is sorely tested when Cather fictionalizes a war that Sergeant covered as a reporter, calling into question, for both women, the uses of art and journalism, the power of imagination and witness. *148 Charles Street* is a testament to the bonds that endure despite disagreements and misunderstandings, and in the relentlessness of a vanishing past. *148 Charles Street* explores, as only fiction can, the two writers' interior lives, and contrasts Sergeant's literary activism with Cather's more purely aesthetic approach to writing.

The Snow Globe Family

Penguin Oh, when will it snow again? wonders the little family who lives in the snow globe. They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.

The Hellion

Malus Domestica #3

Tor Books For fans of *Chilling Adventures of Sabrina* and *Stranger Things*: S. A. Hunt's *The Hellion*, third installment of their horror-tinged action-adventure series about a punk YouTuber on a mission to hunt down the supernatural, one vid at a time Robin Martine has destroyed witches all across the country, but since her confrontation with the demon Andras, Robin has had to deal with her toughest adversary yet: herself. While coming to grips with new abilities, she and her boyfriend Kenway make their way to the deserts of rural Texas, where new opportunities await. Something lurks in this isolated town of Keystone Hills: a dangerous gang ruled by a husband who wields an iron fist over his wife and daughter. Robin vows to protect these Latina women from harm, but may be underestimating how powerful Santiago Valenzuela is... and how his shapeshifting powers may pose a threat to everyone Robin holds dear. *The Malus Domestica* series #1: *Burn the Dark* #2: *I Come with Knives* #3: *The Hellion* At the Publisher's request, this title is

being sold without Digital Rights Management Software (DRM) applied.

Watermelon Snow

Science, Art, and a Lone Polar Bear

McGill-Queen's Press - MQUP *Concern about the climate crisis is widespread as humans struggle to navigate life in uncertain times. From the vantage of a schooner full of artists on an adventure in the high Arctic, biologist Lynne Quarmby explains the science that convinced her of an urgent need to act on climate change and recounts how this knowledge - and the fear and panic it elicited - plunged her into unsustainable action, ending in arrests, lawsuits, and a failed electoral campaign on behalf of the Green Party of Canada. Watermelon Snow weaves memoir, microbiology, and artistic antics together with descriptions of a sublime Arctic landscape. At the top of the warming world, Quarmby struggles with burnout and grief while an aerial artist twirls high in the ship's rigging, bearded seals sing mournfully, polar bears prowl, and glaciers crumble into the sea. In a compelling narrative, sorrow and fear are balanced by beauty and wonder. The author's journey back from a life out of balance includes excursions into evolutionary history where her discoveries reveal the heart of human existence. The climate realities are as dark as the Arctic winter, yet this is a book of lightness and generosity. Quarmby's voice, intimate and original, illuminates the science while offering a reminder that much about the human experience is beyond reason. Inspiring and deeply personal, Watermelon Snow is the story of one scientist's rediscovery of what it means to live a good life at a time of increasing desperation about the future.*

The Stick Man Activity Book

Alison Green Books A Christmas activity book based on the best-selling book by Julia Donaldson and Axel Scheffler. Packed with lots of fun activities, including colouring, dot-to-dots, drawing, press-out characters, and stickers. With activities geared to the pre-school market, this is an activity book that will keep The Stick Man's youngest fans occupied for hours.
