Imaginative Writing

The Elements of Craft

Longman Publishing Group Janet Burroway's bestselling Imaginative Writng: The Elements of Craft explores the craft of creative writing in four genres: Fiction, Poetry, Drama, and Creative Nonfiction. A trade author as well as a professor of creative writing,

Burroway brings her years of teaching and writing to this book. "Try-This" exercises appear throughout each chapter. Provocative and fun, these exercises help writers develop the specific writing skills discussed within the text. "Working toward a draft" exercises encourage writers to develop their ideas into complete drafts. In response to reviewer requests, the preface "Invitation to the Writer" has been expanded into a full chapter. This new chapter introduces writers to important skills such as reading like a writer, journaling, and participating in the writer's workshop. This book offers lots of ideas and encouragement at a great price!

About "Class Town - Creative Journal Prompts" A town full of fun, creative journal writing prompts. A meteor rains down on the town, some town residents loose their houses and property, or watch it fall. A wild pack of bunnies hop through town, eating property, causing problems and even becoming pets. The town hosts a marathon, who ran, won or watched? The town elects officials, town residents hold and loose jobs, receive salaries, celebrate national and odd holidays and experience other normal town activities. Sixty-three event and holiday journal prompts, including ten town milestones and experiences that should be repeated throughout the year, combine for many days of creative writing for all town residents. Each non-holiday event includes an event announcement page and individual event cards that give each town resident a differing writing prompt. Holidays are whole-town events with announcement pages for all to write from. This book also contains town buildings,*

houses and a setup guide as well as journal pages and teacher recording charts.

The Knowledge Gap

The hidden cause of America's broken education system--and how to fix it

*Penguin The untold story of the root cause of America's education crisis--and the seemingly endless cycle of multigenerational poverty. It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education. The problem wasn't one of the usual scapegoats: lazy teachers, shoddy facilities, lack of accountability. It was something no one was talking about: the elementary school curriculum's intense focus on decontextualized reading comprehension "skills" at the expense of actual knowledge. In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars*, Wexler brings together history, research, and compelling characters to pull back the curtain on this fundamental flaw in our education system--one that fellow reformers, journalists, and policymakers have long overlooked, and of which the general public, including many parents, remains unaware. But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong--it also follows innovative educators who are in the process of shedding their deeply ingrained habits, and describes the rewards that have come along: students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed. If we truly want to fix our education system and unlock the potential of our neediest children, we have no choice but to pay attention.*

Refugee

Scholastic Inc. A tour de force from acclaimed author Alan Gratz (Prisoner B-3087), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world . . . ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America . . . MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe . . . All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. This action-packed novel tackles topics both timely and timeless: courage, survival, and the quest for home.

Write Track

The Writing Revolution

A Guide to Advancing Thinking Through Writing in All Subjects and Grades

John Wiley & Sons "HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the

TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Unjournaling

Daily Writing Exercises That Are Not Personal, Not Introspective, Not Boring!

Routledge *Some students just don't want to share intimate details about their thoughts, feelings and lives—at least, not with others in a class or group. That's where Unjournaling comes in. All the writing prompts in this book are entirely impersonal but completely engaging for both kids and adults. Two examples of the 200 writing prompts include: Write a paragraph about a girl named Dot, but use no letters with a dot (in other words, no i or j). Why on earth would Yankee Doodle stick a feather in his cap and call it "macaroni"? Come up with a plausible explanation. The book includes sample responses to all of the questions—a helpful tool for anyone who gets stuck with a topic and wants to see how it can be done! Grade 7-Adult*

Atomic Habits

An Easy & Proven Way to Build Good Habits & Break Bad Ones

Penguin *The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation,*

reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Every Student Can Learn, Just Not on the Same Day, Or the Same Way.

Daily Writing Prompts

One of the most important skills we can learn as we grow is how to write and spell. One way to encourage your children to get excited about writing is by offering them a journal with writing prompts. In this way, they will have ideas for journaling without stressing about what to write about. In this 6 x 9 elementary school journal, there is 155 pages full of fun creative writing prompts to help your little writer hone their skills and learn to enjoy the art of journaling. On every page is also a colorful cartoon element that is related to the school theme. Here is an example of some of the journal prompts found within the pages: Write a thank you note to a friend who gave you garlic and onion flavored chewing gum. I have never been more frightened than when.... In 20 years from now I will be.... Write about a day you would like to forget Invent and describe a new food Bonus 10 full size coloring pages! This journal is the perfect size to throw in your child's backpack when they are going on a trip. This way they will be able to keep up the habit of daily writing.
