Old Testament 101 is a chronological study through the Old Testament with five daily Bible readings per week. This study is designed for anyone from middle school students to adults who wants to have a more comprehensive understanding of the Old Testament. Many people avoid the Old Testament, thinking it doesn't relate as well to us today. We miss so much of the richness of God's grace by studying only the easy parts of His Word. This study is straightforward and takes the history sections in chronological order. There is great benefit in studying the Bible in an orderly way, as opposed to a random passage each day or even a needs-based study (for example, helping you through a particular situation). If you learn to study the Bible in a sequential way, you will eventually find what God's Word says about every conceivable human situation. So, grab your Bible and open your heart to the blessings you will receive from daily time in God's Word.

SHE READS TRUTH

HOLDING TIGHT TO PERMANENT IN A WORLD THAT'S PASSING AWAY

B&H Publishing Group She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one

Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
