The world is a vicious place for a woman. It's even crueler to the daughter of the Ceann na Conairte—discarded, married off, left powerless... But I am no ordinary daughter of the mafia. Unlike every other mafia family, my mother was Melody Callahan, Bloody Mel, the Don of the Italian Mafia, and the Don didn't raise some precious mafia princess. Bone by bone she broke me first, so no one else could—and bone by bone, I pieced myself back together. I am no longer just the daughter. I am the Don. I am Donatella Aviela Callahan, and there is only one way—my way. Children of Vice NYLA I, Ethan Antonio Giovanni Callahan, first son of the former head of the Irish mob, Liam Alec Callahan, and former head of the Italian mafia, ex-governor, Melody Nicci Giovanni Callahan, solemnly swear to ruthlessly protect our family name, business and way of life, no matter the cost to me or anyone else. This novella is for fans of Black Rainbow and is best not be read as a standalone. Black Rainbow Createspace Independent Publishing Platform A sweet and steamy New Adult Romance from Amazon bestselling author of the Ruthless People series, J.J. McAvoy... After an erotic one-week fling with a musician she meets in a bar, Thea Cunning never expects to see Levi Black again. Then Monday morning comes around, and she discovers that her former lover is not only her professor, but he's also one of the top criminal lawyers in the state of Massachusetts. With everyone in class vying to be one of the twelve disciples—a group of twelve students that Professor Black takes under his wing—tensions run high. Thea considers dropping his class, given their passionate week together and their undeniable chemistry. After all, there are other (less infuriatingly sexy) law professors on campus. But to accomplish her goal and get her father out of prison, Thea knows she needs to learn under the best of the best—and that's Levi Black. But can she learn under the best, without being under the best? Vicious Minds: Part 1 NYLA Part one of the epic two-part conclusion to the Ruthless People and Children of Vice series... In the end...we all lose. How well do you think you know the Callahans? Yes, I'm asking you. Because I know you've been watching. Red Roulette An Insider's Story of Wealth, Power, Corruption, and Vengeance in Today's China Simon and Schuster "THE BOOK CHINA DOESN'T WANT YOU TO READ." —CNN SELECTED AS A BEST BOOK OF THE YEAR by THE ECONOMIST and FINANCIAL TIMES This "powerful and disturbing" (Bill Browder, author of Red Notice) New York Times bestseller is narrated by a man who, with his wife, Whitney Duan, rose to the top levels of power and wealth—and then fell out of favor. Whitney had been disappeared four years before, but this book led to her dramatic reemergence. As Desmond Shum was growing up impoverished in China, he vowed his life would be different. Through hard work and sheer tenacity he earned an American college degree and returned to his native country to establish himself in business. There, he met his future wife, the highly intelligent and equally ambitious Whitney Duan who was determined to make her mark within China's male-dominated society. Whitney and Desmond formed an effective team and, aided by relationships they formed with top members of China's Communist Party, the so-called red aristocracy, he vaulted into China's billionaire class. Soon they were developing the massive air cargo facility at Beijing International Airport, and they followed that feat with the creation of one of Beijing's premier hotels. They were dazzlingly successful, traveling in private jets, funding multi-million-dollar buildings and endowments, and purchasing expensive homes, vehicles, and art. But in 2017, their fates diverged irrevocably when Desmond, while residing overseas with his son, learned that his now ex-wife Whitney had vanished along with three coworkers. This vivid, explosive memoir shows "how the Chinese government keeps business in line—and what happens when businesspeople overstep" (The New York Times) and is a "singular, highly readable insider account of the most secretive of global powers" (The Spectator). Vicious Minds: Part 3 NYLA Calliope I know you hate me. I've ruined the family, you say? I've led Ethan astray? You say that it's all my fault. Haven't you learned by now that the weak are eaten by the strong? Only the most ruthless, the most vicious, can stand at the top. Whatever comes...just know, they deserved it. I told you to bow, didn't I? It is my time now. With love, Mrs. Callahan Melody Hate You? Little girl, you are not worthy of my hate. Ruined my family? Don't make me laugh. Hundreds have tried before you and failed. Hundreds will try after you and fail again, Because no matter what, we are strong. You preach about being ruthless or vicious— I am those words personified. The only bowing will be from you to me. Prepare yourself, Mrs. Callahan. The real Mrs. Callahan is coming. Sugar Baby Beautiful NYLA From the author of the bestselling Ruthless People series, a contemporary story about the transcendent power of love... Her past is nothing but broken dreams and heartache. Her present is detached and dull. And her future? Well, before meeting Theodore Darcy, the famed film director, writer, producer and CEO of Darcy Entertainment, she would have expected more of the same. Love is just a fantasy and she wants no part of it—even if she can't deny the magnetic attraction between the two of them. So their arrangement is simple: sex with no strings attached. But as their intimacy becomes more powerful, so do Felicity's demons. Can Theo really shoulder her past and his own? And could Felicity even let him? Vicious Minds: Part 2 NYLA Part two of the epic three-part conclusion to the Ruthless People and Children of Vice series... Do you understand why I asked you last time, how well do you think you knew the Callahans? Because I knew you don't know them. Not in the way I knew them. But don't worry. I'll reintroduce you to them. The real them. I will show you what they are all really, truly, capable of, because I am no longer in the shadows. I am here. In my kingdom, at last. And I do not give a damn about your opinions of me, or the one who came before me. We are doing things my way now. So bow...or be broken. Sincerely, Mrs. Callahan Children of Redemption NYLA Children of Vice #3 "I do not come in peace." Life has never been easy for the second-born Callahan son, Wyatt. Trained as a doctor, but born a Callahan, his life has always been one of warring dualities. But when the Callahan family suffers a massive blow, it's time for Wyatt to step up and decide, once and for all, who he really is. See, I got a player suspended from the football team for harassing me, and in my small Texas town, you don't mess with the football players—even if they mess with you first. I didn't care if it was an unpopular thing to do; I stood up for myself... and in doing so, opened Pandora's Box. Made Men The Story of Goodfellas Harlequin A Library Journal Best Book of the Year A Sight and Sound Best Film Book Of 2020 For the thirtieth anniversary of its premiere comes the vivid and immersive history behind Martin Scorsese's signature film Goodfellas, hailed by critics as the greatest mob movie ever made. When Goodfellas first hit the theatres in 1990, a classic was born. Few could anticipate the unparalleled influence it would have on pop culture, one that would inspire future filmmakers and redefine the gangster picture as we know it today. From the rush of grotesque violence in the opening scene to the iconic hilarity of Joe Pesci's endlessly quoted "Funny how?" shtick, it's little wonder the film is widely regarded as a mainstay in contemporary cinema. In the first ever behind-the-scenes story of Goodfellas, film critic Glenn Kenny chronicles the making and afterlife of the film that introduced America to the real modern gangster—brutal, ruthless, yet darkly appealing, the villain we can't get enough of. Featuring interviews with the film's major players, including Martin Scorsese and Robert De Niro, Made Men shines a light on the lives and stories wrapped up in the Goodfellas universe, and why its enduring legacy is still essential to charting the trajectory of American culture thirty years later. Postcoloniality The French Dimension Berghahn Books Postcolonial theory is one of the key issues of scholarly debates worldwide; debates, so the author argues, which are rather sterile and characterized by a repetitive reworking of old hackneyed issues, focussing on cultural questions of language and identity in particular. Proserpine Craving on Chains of Frost "I love how slow their relationship is to build because of Gavin's insecurities (no insta love), and I love how feisty Alicia is. I thoroughly enjoyed reading about Gavin and will definitely pick up the next books." USA TODAY, HEA Blog on The Loneliest Alpha "This girl knows how to write a flawed alpha male..." Close Encounters of the Night Kind on The Loneliest Alpha Who Were the Shudras The general proposition that the social organization of the Indo-Aryans was based on the theory of Chaturvarnya and that Chaturvarnya means division of society into four classes-Brahmins (priests), Kshatriyas (soldiers), Vaishyas (traders) and Shudras (menials) does not convey any idea of the real nature of the problem of the Shudras nor of its magnitude. Chaturvarnya would have been a very innocent principle if it meant no more than mere division of society into four classes. Unfortunately, more than this is involved in the theory of Chaturvarnya. Besides dividing society into four orders, the theory goes further and makes the principle of graded inequality. Under the system of Chaturvarnya, the Shudra is not only placed at the bottom of the gradation but he is subjected to innumerable ignominies and disabilities so as to prevent him from rising above the condition fixed for him by law. Indeed until the fifth Varna of the Untouchables came into being, the Shudras were in the eyes of the Hindus the lowest of the low. This shows the nature of what might be called the problem of the Shudras. If people have no idea of the magnitude of the problem it is because they have not cared to know what the population of the Shudras is.
