KEY=THEATRE - ROGERS CIERRA

Teatrino Italiano - Little Italian Theatre

Children's Plays for Readings, Recitals, School Performances, and Language Learning. (Scripts in English A

Teachers and educators, boost your students fluency, vocabulary development and comprehension with these fun plays written both in Italian and in English. The 10 scripts contained in the book are all reproducible, are written for elementary middle school children, and cover subjects like Italian holidays and traditions. All the plays use an easy language suitable for beginners and intermediate students. The scripts are made for smaller groups such as after-school programs and homeschoolers, but can be easily adapted to accommodate a larger group of participants. An introduction at the beginning of the book explains how to use the scripts and how to adapt them. Each script is then introduced by detailed information about its subject and its characters. Several templates and reproducibles are included at the end of the book, to facilitate staging and performing. Minimal equipment and set up are required, so start acting now! Language: English and Italian Ages: 5+

World Encyclopedia of Contemporary Theatre

Volume 2: The Americas

Routledge The second volume of the World Encyclopedia of Contemporary Theatre covers the Americas, from Canada to Argentina, including the United States. Entries on twenty-six countries are preceded by specialist introductions on Theatre in Post-Colonial Latin America, Theatres of North America, Puppet Theatre, Theatre for Young Audiences, Music Theatre and Dance Theatre. The essays follow the series format, allowing for cross-referring across subjects, both within the volume and between volumes. Each country entry is written by specialists in the particular country and the volume has its own teams of regional editors, overseen by the main editorial team based at the University of York in Canada headed by Don Rubin. Each entry covers all aspects of theatre genres, practitioners, writers, critics and styles, with bibliographies, over 200 black & white photographs and a substantial index. This is a unique volume in its own right; in conjunction with the other volumes in this series it forms a reference resource of unparalleled value.

Early Black American Playwrights and Dramatic Writers

A Biographical Directory and Catalog of Plays, Films, and Broadcasting Scripts

Greenwood Publishing Group The poems of Into These Knots, Ashley Anna McHugh's debut collection, glance from heaven to earth, from earth to heaven, interrogating and elucidating in elegant and supercharged speech ultimate questions and intimate foibles. With equal parts intelligence and passion, Ms. McHugh can quarrel with scripture or riff on the amorous pleadings of Andrew Marvell or the stark musings of Baudelaire. In "Cairns," a brilliant sequence that plays with the boundaries of the sonnet, mountain hikes in rural West Virginia trace, among other things, the difficult pathways to the divine.

Catholic Theatre and Drama

Critical Essays

McFarland "This collection seeks to demystify the ties--both practical and ideological--that have long bound Catholicism to theatrical production, offering insights into medieval theatre, Jesuit drama, ballet and opera, modern stagings of medieval liturgical drama, Italian Catholic women's drama, Catholic playwrighting and acting, and the unique challenges of teaching theatre in Catholic universities" --Provided by publisher.

Bibliographic Guide to Theatre Arts

Pinocchio, the Tale of a Puppet

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

Organizational Cognition

The Theory of Social Organizing

Taylor & Francis Cognition is usually associated with brain activity. Undoubtedly, some brain activity is necessary for it to function. However, the last thirty years have revolutionized the way we intend and think about cognition. These developments allow us to think of cognition as distributed in the sense that it needs tools, artifacts, objects, and other external entities to allow the brain to operate properly. Organizational Cognition: The Theory of Social Organizing takes this perspective and applies it to the organization by introducing a model that defines the elements that allow cognition to work.

This model shows that cognition needs the combined and simultaneous presence of micro aspects—i.e. the biological individual—and macro super-structural elements—e.g. organizational climate, culture, norms, values, rules. These two become practice of cognition as they materialize in a meso domain—this is any action that allows individuals to perform their daily duties. Due to the micro-meso-macro interactions, this has been called the 3M Model. Most of what happens in the meso domain relates to exchanges between two or more people, i.e. it is a social activity. This is usually mentioned in the perspectives above, but it is rarely explored. By bringing meso activities to the center of cognition, the book develops and presents the Theory of Social Organizing. Not only this is useful to organizational scholars, but it also opens a new path for cognition research.

Artful Lives

Edward Weston, Margrethe Mather, and the Bohemians of Los Angeles

Getty Publications This captivating biography reveals the previously untold love story of Edward Weston and Margrethe Mather. Both were photographic artists at the center of the bohemian cultural scene in Los Angeles during the 1910s and 1920s, yet Weston would become a major Modernist photographer while Mather, who Weston ultimately expunged from his journals, would fall into obscurity. The book reveals how they and their entourage sought out the limelight as the Hollywood film industry came of age. Based on ten years of research and illustrated with extraordinary images, some never published, this history has a captivating range of characters, including Charlie Chaplin, Imogen Cunningham, Max Eastman, Emma Goldman, Tina Modotti, Vaslav Nijinsky, and Carl Sandburg. The lively text brings to life the ambiance of this exciting time in Los Angeles history as well as its darker side. Artful Lives exceeds any previously published account of this key period in Weston's development and reveals Mather's important contribution to it, making it an essential reference in Weston studies.

Fodor's 2006 Italy

Fodor's Presents information on travel, restaurants, accommodations, sightseeing, and shopping for Italy-bound tourists

Commedia dell'Arte in Context

Cambridge University Press The commedia dell'arte, the improvised Italian theatre that dominated the European stage from 1550 to 1750, is arguably the most famous theatre tradition to emerge from Europe in the early modern period. Its celebrated masks have come to symbolize theatre itself and have become part of the European cultural imagination. Over the past twenty years a revolution in commedia dell'arte scholarship has taken place, generated mainly by a number of distinguished Italian scholars. Their work, in which they have radically separated out the myth from the history of the phenomenon remains, however, largely untranslated into English (or any other language). The present volume gathers together these Italian and English-speaking scholars to synthesize for the first time this research for both specialist and non-specialist readers. The book is structured around key topics that span both the early modern period and the twentieth-century reinvention of the commedia dell'arte.

Encyclopedia of Italian Literary Studies

Routledge The Encyclopedia of Italian Literary Studies is a two-volume reference book containing some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works, from the most important figures of Italian literature to little known authors and works that are influential to the field. The Encyclopedia is distinguished by substantial articles on critics, themes, genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest, such as those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.
