Penguin Being a goddess is a lot less fun than you might think. Especially when you're only a half goddess, and you only found out about it recently, and you still don't know what you're doing half the time. And when you've just used your not-so-reliable powers to burglarize the booby-trapped office of a vampire mob boss. Yeah, that part sucks. But that's just the tip of the iceberg for Cassandra Palmer, aka the Pythia, the freshly minted chief seer of the supernatural world. After all, Cassie still has to save a friend from a fate worse than death, deal with an increasingly possessive master vampire, and prevent a party of her own acolytes from unleashing a storm of fury upon the world. Totally just your average day at the office, right?

Now the Pacific belongs to the Japanese. And it doesn't stop there, as Japan has thrust her sword in to the hilt. Alaska is invaded. Hawaii is under blockade. The Panama Canal is nearly plugged.
