Investing in rental property might be your future. Brandon Turner's The Book on Rental Property Investing (2015) is a must-read for anyone interested in using real estate investing to build wealth or achieve financial independence. Turner imparts practical and exciting tools, tips, and strategies that investors around the world are using to build significant cash flow with rental properties. Both new and seasoned investors will learn how to create a workable plan, find incredible deals, analyze properties, form a team, finance rentals, and much more—everything you need to become a millionaire rental property investor. **Investing in Rental Properties for Beginners Buy Low, Rent High** This book is about investing in sub \$30k properties (under \$30,000) and becoming a wealthy real estate investor enjoying the profits now, rather than later ... with only 2-5 properties instead of hundreds or overly priced properties. This book on investing in rental properties for beginners is the foundation of what I've built 47,000 person social media platform on - helping the average person get involved in rental properties on an average income, and building the cash flow of their dreams with 2-5 properties. That's it. This will teach you (the ordinary investor) how to tailor your investment strategy to your pocketbooks (and no one else's). You don't need to ask your parents or friends for loans because the best approach to building a rental portfolio is by purchasing units in modest neighborhoods that offer really high rents (i.e. purchase a \$44,000 rental that earns \$1200 a month in rents). If being a real estate investor is your dream and being a landlord is not, this is the book for you! The author will personally take you through the steps she's used on over 560 people to build their dream income and lifestyle. **Real Estate Investing For Dummies** *John Wiley & Sons* **The Bogleheads' Guide to Investing** *John Wiley & Sons* **How to Quit Your Job with Rental Properties Expanded and Updated - A Step-By-Step Guide to Retire Early with Real Estate Investing and Passive Income** The problem that affects almost everyone today is being stuck in a career they hate. Real estate has always been a powerful tool for investing, and many people believe that a single-family home investment strategy will help them achieve their goals. However, the true path to financial freedom using real estate is found in apartment buildings. Real estate investing expert and author Michael Blank learned that once investors did their first deal, the curious "Law of the First Deal" led to the second and third deals in rapid succession. Most were able to quit their jobs within 3-5 years of getting started. Of course, when most people hear "apartment buildings" they immediately assume they need years of investing experience and money saved up to be able get into the game. This simply isn't true. Michael has compiled the results of his research into his new book, Financial Freedom with Real Estate Investing: The Blueprint to Quitting Your Job with Real Estate - Even without Experience or Cash. He's outlined the "Financial Freedom Blueprint" that guides you through your first multifamily deal, even if you have no prior experience or your own cash. **Every Landlord's Legal Guide** *Nolo* Every Landlord's Legal Guide makes landlords' jobs easier by putting everything they need to legally and successfully run their business in one package. The REIT industry experienced a watershed event when Standard & Poors created a new Global Industry Classification Standard (GICS) sector called Real Estate. Publicly traded equity REITs have been removed from Financials, where they have been classified since their creation in 1960, and have begun trading as their own S&P Sector. This separation from banks and financial institutions has attracted new investors, but REITs require an industry-specific knowledge that is neither intuitive nor readily accessible to newcomers—until now. Using straightforward language and simple example to illustrate important concepts, this book will enable any reader to quickly learn and understand the lexicon and valuation techniques used in REIT investing, providing a wealth of practical resources that streamline the learning process. The discussion explains terminology, metrics, and other key points, while examples illustrate the calculations used to evaluate opportunities. A comprehensive list of publicly-traded REITs provides key reference, giving you access to an important resource most investors and stockbrokers lack. REITs are companies that own or finance commercial rental properties, such as malls and apartment buildings. Despite historically high total returns relative to other investments, such as the Nasdaq or S&P 500 index, most investors are unfamiliar with the REIT industry, and wary of investing without adequate background. This book gets you up to speed on the essentials of REIT investing so you can make more informed—and profitable—decisions. Understand REITs processes, mechanisms, and industry Calculate key metrics to identify suitable companies Access historical performance tables and industry-specific terminology Identify publicly-traded REITs quickly and easily REITs have consistently outperformed many more widely known investments. Over the past 15-year period, for example, REITs returned an average of 11% per year, better than all other asset classes. Since 2009, REITs have enjoyed positive returns; large cap stocks and cash are the only other classes that paralleled that record. Even in 2015, a 'year of fear' related to rising rates, REITs returned 2.4%, beating most all other asset classes. REITs have a long history (over fifty years) of performance, and have entered the big leagues. If you feel like you've been missing out, don't keep missing out. Prepare yourself, and your portfolio, to benefit from the demand for REITs that have followed the creation of a Real Estate GICS sector. The Intelligent REIT Investor gives you the information you need to invest wisely and manage your real estate risk effectively. By maintaining a tactical exposure in the brick and mortar asset class, investors should benefit from the information contained in The Intelligent REIT Investor. Join the REIT world and look forward to owning stocks that will help you to sleep well at night. **The Complete Guide to Property Investment How to Survive & Thrive in the New World of Buy-To-Let** From the author of Amazon best-sellers "Property Investment For Beginners" and "Beyond The Bricks" Over the last 20 years, more than a million Brits have made life-changing profits from buy-to-let. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. THIS BOOK WILL TEACH YOU HOW TO: - Secure your investment money - Find your ideal market—and a positive-cash-flow property - Efficiently manage your property - Handle your record keeping - Boost revenues and cut costs - File your taxes using a step-by-step process - Build your real estate portfolio **The Handbook of Commercial Real Estate Investing State of the Art Standards for Investment Transactions, asset Management, and Financial Reporting** *McGraw Hill Professional* A Codifying "Best Practices" Guide to
