It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. A newly updated and expanded version of Finding Freedom In a Sex-Obsessed World. **Consecration and Intimacy with Our Lord** Independently Published Webster's dictionary defines Consecration as, "a promise to give one's time and attention to something." Consecration is the separation of oneself from things that are unclean (sin). When we continue to have unclean things in our lives, it creates a block between our relationship with a perfect God. When we open our hearts to Him daily, we become more holy. Dedicating ourselves to this sacred lifestyle brings us closer to the Lord. When you start to consecrate consistently, it will bring you much closer to God. As you draw closer to God, your heart will become pure. To get the most out of this, you must sacrifice some of your time. But in the end, you will be blessed. This will prosper your soul and restore your health. Consecration will teach you how to specifically pray for yourself. If God has given us authority to lay hands on people, cast out sickness and disease; surely, He wants us to be healthy as well. Therefore, we need to lay hands on ourselves to receive physical, emotional, and mental healing. As we empty ourselves to the Lord, He will give us daily benefits. This means Jesus will carry all our burdens. However, none of this can be done unless we are led by the Holy Spirit. We need the power of the Holy Spirit to help us, and God's love to make us whole. As we have prepared this edition, we have sought to address five primary needs. 1. Leadership skills and administrative tools that can be adapted for use in a variety of contexts from traditional to contemporary, from rural to urban, and from unicultural to multicultural settings; 2. Brazos Press The church and science have drifted apart over the past century. Today the church is often deemed irrelevant by those who trust science, and science is often deemed irrelevant by those whose primary loyalties are to the church. However, this book shows that the new science of virtue--the field of positive psychology--can serve as a bridge point between science and the church and can help renew meaningful conversation. In essence, positive psychology examines how ordinary people can become happier and more fulfilled. Mark McMinn clarifies how positive psychology can complement Christian faith and promote happiness and personal flourishing. In addition, he shows how the church can help strengthen positive psychology. McMinn brings the church's experience and wisdom on six virtues--humility, forgiveness, gratitude, grace, hope, and wisdom--into conversation with intriguing scientific findings from positive psychology. Each chapter includes a section addressing Christian counselors who seek to promote happiness and fulfillment in others.
