Paleo Dog

Give Your Best Friend a Long Life, Healthy Weight, and Freedom from Illness by Nurturing His Inner Wolf

Rodale For health-conscious pet owners, a natural, holistic guide to getting every canine back to his best, most primal state From the tiniest teacup poodle to the most massive Great Dane, dogs' digestive systems are pure wolf. Fido's ancestors enjoyed a diet that was 45-50 percent protein, 40-50 percent fat, and less than 10 percent carbohydrates. Walk down the pet food aisle, however, and you'll find that typical commercial kibble is made mainly of starchy ingredients like peas, potatoes, corn, wheat, rice, and oats—nothing a prehistoric pup would dream of eating. This "healthy" mix is proving anything but: About 85 percent of dogs eat commercial dog food, and at least half of them are overweight or obese, with cancer killing 42 percent of all dogs and half of dogs over the age of 10. So how do you feed a wolf disguised as a pug? Paleo Dog guides readers through an assessment of their dogs' diet and helps them find the right balance of healthy ingredients. In addition to recipes and nutrition info, the book offers advice on what treats are safe, training tips, minimizing veterinary care, the benefits of exercise and massage, and how to ensure dogs are receiving the love and attention they need. Paleo Dog is the ultimate manual for any pet owner who wants to give her pet the longest and best quality of life.

Delivering the Captives

Understanding the Strongman - and How to Defeat Him

[Bethany House](#) Keys to Overcoming the Enemy Christian, do you suffer from an unbridled temper, overpowering sinful habits, overwhelming sadness, or any number of other spiritually defeating issues? Are you seemingly unable to establish and maintain positive, meaningful relationships with others? Counselor or Pastor, do you sometimes wonder why you have such limited authority over evil spirits; and why, after evicting them one week, the same spirits show up again the next week? In Delivering the Captives, Alice Smith draws on her thirty-five years of deliverance ministry around the world to expose some of Satan's "slickest strategies." She explains how he deceives us into building spiritual strongholds in our own lives through willful sin so his demons can operate, develop into strongmen, and access levels of dominion over us. Let Alice show you how to detect and defeat strongmen, and precisely why Jesus said we must bind the strongmen before we dismantle their strongholds and permanently dismiss them. Here are your guidelines, including Alice's much sought-after list of Apparent Demonic Groupings which reveals how demons work together. Here are your biblical tools, including prayers, proclamations, and

pronouncements to renounce evil spirits and remove them from your life and from the lives of others.

The Green Serpent and the Tree

Kabbala and Kundalini Yoga

[Xlibris Corporation](#) Within the human system there are certain archetypes, centers, or vortexes of energy. As this energy or power exists at a different level than our conscious awareness it remains essentially dormant with most people, but when activated usually through meditation this force has a most profound influence upon our psychological, spiritual and physical nature. As this inner, subtle energy plays such a vital role in our overall being there is much to be gained from understanding this force, and how to benefit from its power. This information can be found in the ancient spiritual teachings of the Jewish Kabbala and the Hindu Kundalini Yoga, but the complexity of these teachings, particularly with Kabbala, makes it difficult to find useful answers as to how this inner power can be utilized. In *The Green Serpent and the Tree*, Dr. Judd cuts through the confusing terminology of these teachings and, in an easy-to-read style using practical examples and illustrations, logically explains: The inner nature of man and structure of the soul. How Kabbala and Kundalini Yoga can be reconciled, and how they augment each other. The difference between the symbols of The Tree of Life, and The Tree of the Knowledge of Good and Evil. Why the seven inner centers (Chakras) of Kundalini Yoga are the same as the ten centers (Sefirot) of Kabbala. The significance of the Green Serpent (Kundalini) and the functions of the various channels that connect the inner centers. The different centers, with a detailed description of their psychological and spiritual influence. Relationship of meditation with releasing the power from the inner centers. The practical value of meditation, its four stages, and the physical, psychological, psychic and spiritual effects. The risks involved in releasing these inner powers, and how to avoid them. The reason for the inter-relationship between Kabbala and Kundalini Yoga, and their original source. Although this book is written in an explanatory style which guides the layman through the intricacies of these two teachings as they relate to our inner powers, the material content contains much that will interest the more advanced student. Based upon thorough research, Dr. Judd outlines in logical steps why, The Tree symbol that is frequently referred to as the Tree of Life is misnamed. Any attempt to reconcile the Chakras with the Sefirot using the wrong Tree symbol will lead to inaccurate conclusions. The position of the Sefirot changes depending upon which Tree symbol is used. There are three central channels that connect the Chakras, rather than the one that is usually shown, and Kabbala supports this fact. This explains the different levels of power released from the same Chakra. Why some of the practices used to open the Chakras involve considerable risks. Anyone who wishes to expand their knowledge of Kabbala, Kundalini Yoga, the inner nature and powers of man, meditation, and the safe way to travel on the journey within, will greatly benefit from the information in this book.
