POPULAR TELEVISION DRAMA

CRITICAL PERSPECTIVES

Manchester University Press **Popular television drama: critical perspectives** is a collection of essays examining landmark programmes of the last forty years, from 'Doctor Who' to 'The Office', and from 'The Demon Headmaster' to 'Queer As Folk'. Contributions from prominent academics focus on the full range of popular genres, from sitcoms to science fiction, gothic horror and children's drama, and challenge received wisdom by reconsidering how British television drama can be analysed. Each section is preceded by an introduction in which the editors discuss how the essays address existing problems in the field and also suggest new directions for study. The book is split into three sections, addressing the enduring appeal of popular genres, the notion of 'quality' in television drama, and analysing a range of programmes past and present. **Popular television drama: critical perspectives** will be of interest to students and researchers in many academic disciplines that study television drama. Its breadth and focus on popular programmes will also appeal to those interested in the shows themselves.

FILM CREW

THE ILIAD

Gillian Cross's brilliant retelling and Neil Packer's glorious illustrations bring to life Homer's Iliad, one of the greatest stories ever told. The team behind *The Odyssey* (2012) now tell the story of the Trojan War. Cross's vivid adaptation begins with a beauty contest: the prize, a golden apple. In return for securing her victory, the goddess Aphrodite helps Prince Paris

abduct Helen, wife to the king of Sparta. Enraged, the king and his Greek allies wage war on the Trojans. Nine years later, the fighting still rages on, but the Greeks are beginning to quarrel among themselves - Achilles and Agamemnon's petty argument has dire consequences for everyone caught in the crossfire. Neil Packer's pictures capture the beauty and remoteness of the setting, and bring a profound humanity to one of the finest literary achievements of Greek civilization.
