Center Church

Doing Balanced, Gospel-Centered Ministry in Your City

Zondervan Today many pastors are struggling to adapt to a post-Christian culture without abandoning orthodox theology. How do we communicate the concepts of grace and substitutionary atonement in our globalized culture and context? In *Center Church*, Timothy Keller offers challenging insights and provocative questions based on over twenty years of ministry in New York City. This book outlines a theological vision for ministry - applying classic doctrines to our time and place - organized around three core commitments: • **Gospel-centered:** The gospel of grace in Jesus Christ changes everything, from our hearts to our community to the world. It completely reshapes the content, tone and strategy of all that we do. • **City-centered:** With a positive approach toward our culture, we learn to affirm that cities are wonderful, strategic and underserved places for gospel ministry. • **Movement-centered:** Instead of building our own tribe, we seek the prosperity and peace of our community as we are led by the Holy Spirit. "In this important book, Tim Keller unpacks the gospel and gently but firmly reminds us that it is nonnegotiable. At the same time, he enables us to think through how we can responsibly interact with the culture, how we can - indeed, must - appreciate good things within it, and how we can firmly and faithfully apply the gospel to it." - D.A. Carson, research professor of New Testament, Trinity Evangelical Divinity School

Serving a Movement

Doing Balanced, Gospel-Centered Ministry in Your City

Zondervan In Serving a Movement, best-selling author and pastor Timothy Keller looks at the nature of the church's mission and its relationship to the work of individual Christians in the world. He examines what it means to be a "missional" church today and how churches can practically equip people for missional living. Churches need to intentionally cultivate an integrative ministry that connects people to God, to one another, to the needs of the city, and to the culture around us. Finally, he highlights the need for intentional movements of churches planting new churches that faithfully proclaim God's truth and serve their communities. This new edition contains the third section of Center Church in an easy-to-read format with new reflections and additional essays from Timothy Keller and several other contributors.

Gospel-Centered Ministry

D. A. Carson and Tim Keller outline their vision for the Gospel Coalition and the nature of gospel-centered ministry. A Gospel Coalition booklet.

Prophetic from the Center

The Gospel of Jesus Christ in 1 Corinthians 15:1-19

"It is easy to sound prophetic from the margins; what we urgently need is to be prophetic from the center." Despite its centrality to the Christian faith, it's easy to overlook the gospel and instead speak out on more peripheral issues. This is a far cry from the New Testament emphasis on the gospel as the foundation of everything we believe. In this passionate cry for gospel reform, D. A. Carson argues that if secondary issues consume our passions, then we're in danger of sidelining the gospel. We may be able to make compelling arguments for how we should live, but if these are not rooted in the gospel then we aren't speaking God's truth. Carson shows us that if the gospel is centralized, prioritized, and pondered, it powerfully directs us on how to think about everything else. In fact, the best way to speak

God's truth on secondary issues is to stand firm on the gospel.

Gospel

B&H Publishing Group Even in churches and movements founded on the truths of the Bible, man-centered approaches have often quickly eclipsed the simple power of the Gospel. The result is spiritual infertility and weariness in religion. The burnout and ineffectiveness of most evangelical churches is proof enough of the problem. J.D. Greear's new book, simply titled *Gospel*, cuts through the superficiality of religion and reacquaints readers with the revolutionary truth of the Gospel. If we can ever just grasp what the Gospel shows us about God, that will lead us from a life of self-involvement to one of joy, freedom, love, and radical generosity. We are freed from meaninglessness and selfishness by the beautiful truth about Jesus. Most effectively, Greear anchors the mission and theology within the writing here with a disciplined daily "gospel prayer" he wrote celebrating God's faithfulness, presence, love, and promise. It begins to give readers an applicable, exciting vision of how God might use them to bring His healing to this world.

The Gospel-Centered Parent

Study Guide with Leader's Notes

New Growth Press Our children are precious to us, so naturally we want to protect them and guarantee their safety and happiness. We want to get it right, so our children will be all right. But we live in a broken world where things don't always (or ever?) go as planned. Children make mistakes, and, if they are honest, parents know they make mistakes too. So it's easy for parents to live in fear, regret, confusion, and sometimes hopelessness about parenting and the children they love. Is there a better way? Can you learn to live by faith, to trust the God who made you and your children with their past, present, and future? How can parents live by faith as they parent their children? These are questions that are best answered in community. This ten-session small group resource will help parents apply the gospel of Jesus Christ to their families. Each lesson looks at parenting through the lens of God's grace for sinners (parents and children) and gives parents a gospel center to their parenting. Parents will learn how to live out the biblical principles of faith, repentance, and faithfulness to their calling as parents with their children. Each lesson is self-contained, featuring clear teaching from Scripture, and requires no extra work outside of the group setting. The self-explanatory *Leader's Guide* at the back of the book helps small group leaders with discussion questions and background material that clearly explain and apply the gospel truths from each lesson.

Gospel-Centered Kids Ministry

How the gospel will transform your kids, your church, your community, and the world

B&H Publishing Group The story of Jesus interacting with the Emmaus disciples after his resurrection provides an outline for what a gospel-centered kids ministry looks like: gospel-centered teaching that points to Jesus in every session, gospel-centered transformation that positions the gospel to change a child's heart and then his or her behavior, and gospel-centered mission where kids join in on the big story of Jesus that continues to unfold. Seven out of ten kids will walk away from church after they turn eighteen. About five will return when they have families of their own. But two will never return. Clearly, something isn't connecting with our kids. As kids ministry leaders, we need to take a hard look at what we are missing in our kids ministries and provide kids the one thing that will satisfy them and keep them connected to the church—the gospel. *Gospel-Centered Kids Ministry* also addresses how to communicate with and encourage gospel-centered leaders and parents as part of your ministry.

The Gospel According to Mark

Canongate Books The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Gospel-Centered Discipleship

Crossway Reflecting on the practice of disciple making in young adult, college, graduate, and local church contexts, Jonathan Dodson has discerned some common pitfalls. For many, discipleship is reduced to a form of religious performance before God. For others, it devolves into spiritual license and a loose adherence to spiritual facts. Both approaches distort biblical motivations for Christian obedience and are in need of reform. By explaining various motivations for discipleship, Dodson charts a biblically faithful, grace-driven alternative. Additionally, he provides a practical model for creating gospel-centered discipleship groups—small, reproducible, missional, gender-specific groups of believers that fight for faith together. This book blends both theology and practice to inspire and equip Christians to effectively fight sin, keep Jesus central, and make gospel-centered discipleship a way of life. Both new

and growing Christians will learn to trust the gospel in community as they fight together for holiness as well as how to start gospel-centered community groups in any local church.

Gospel-Centered Mom

The Freeing Truth About What Your Kids Really Need

Multnomah It's Time to Stop Trying to Be the Perfect Mom You long to be the mom your kids need, but often you're convinced you come up short. The label "not enough" seems to be stamped across everything you do—and yet parenting is the one thing you want most to get right. What if the solution is simply to embrace the truth that you are not enough—but God is? In *Gospel-Centered Mom* Brooke McGlothlin reveals how our entire approach to motherhood shifts when we stop chasing our vision of a perfect family and start full-out pursuing God. With refreshing candor, Brooke examines the daunting task of raising children in the light of God's Word and challenges you to: · embrace your moment-by-moment need for Jesus · release the stress of believing everything is your responsibility · learn to fight for rather than against your child · believe that the story God is writing with your life is worth the sacrifice · practice the daily disciplines that lead to Gospel-centered parenting As you learn to anchor your life in the Gospel, you'll find increased freedom, purpose, and joy in motherhood. And you'll discover that Jesus is more than capable of meeting every need, for your children and for you.

Galatians: Gospel Matters: Seven Studies for Groups Or Individuals

Tim Keller takes us to the heart of a dispute of eternal significance. The Galatian church was torn between the view that their efforts saved them, and the gospel, which told them that it was Christ's work, not theirs, that mattered. The choice still confronts us today. This seven-study guide will excite Christians about the gospel, and apply it to every aspect of their lives.

God's Relational Presence

The Cohesive Center of Biblical Theology

Baker Academic Two leading biblical scholars and bestselling authors offer a fresh approach to the question of the unity of the whole Bible. This book shows that God's desire to be with his people is a thread running from Genesis through Revelation. Duvall and Hays make the case that God's relational presence is central to the Bible's grand narrative. It is the cohesive center that drives the whole biblical story and ties together other important biblical themes, such as covenant, kingdom, glory, and salvation history.

The Gospel of Luke From the Outside In

Lifeway Church Resources *The Gospel of Luke: From the Outside In - Member Book* offers rich spiritual content that is biblically rooted and gospel centered. It includes a small-group experience for 12 small-group sessions, individual study, applicable Scripture, and a group discussion guide written by Dave Morlan, Ph.D and edited by D.A. Carson.

Luke brings the gospel of Jesus from the outside in. From start to finish he depicts Jesus as accessible to the unknowns, the outcast, the lost, and the hopeless. Luke shows the stunning embrace of the returned prodigal son and the embittered response of his "righteous" brother. Luke displays Jesus' invitation to Zacchaeus, the hated tax collector eavesdropping on Jesus from the outside and shows the grumbling response of the crowd on the inside: "He has gone in to be the guest of a man who is a sinner." As Jesus' ministry continues, Luke points out that Jesus' desire was not just to call sinners but to call sinners to repentance (Luke 5:32). That is, through Him sinners could find reconciliation with God. As a result, this return to God by outsiders causes insiders to re-evaluate the biblical story and examine what the foundation of their relationship with God ought to be. Features: Rich spiritual content Personal study segments Leader material Benefits: Gain a greater awareness of God's work on "the fringes" Learn to recognize the tendency in believers toward insular Christianity Understand who Jesus is, why He died, and what His resurrection means Be assured of a trusted teacher in every group via the video teaching of D.A. Carson Gain personal spiritual growth through individual time with content Inspire your group members to greater evangelistic action Authors: Dave Morlan (PhD, University of Durham) is co-founder and teaching pastor of Fellowship Denver Church, located in downtown Denver. He is the author of *Conversion in Luke and Paul: An Exegetical and Theological Exploration*. He married Ren'e in 2000, and they have three boisterous sons: Will, Ian, and Beckett. D.A. Carson (PhD, University of Cambridge) is research professor of New Testament at Trinity Evangelical Divinity School in Deerfield, Illinois. He is co-founder (with Tim Keller) and president of The Gospel Coalition. He and his wife, Joy, reside in Libertyville, Illinois. They have two children.

The Gospels as Stories

A Narrative Approach to Matthew, Mark, Luke, and John

Baker Academic Popular writer and teacher Jeannine Brown shows how a narrative approach illuminates each of the Gospels, helping readers see the overarching stories. This book offers a corrective to tendencies to read the Gospels piecemeal, one story at a time. It is filled with numerous examples and visual aids that show how narrative criticism brings the text to life, making it an ideal supplementary textbook for courses on the Gospels. Readers will gain hands-on tools and perspectives to interpret the Gospels as whole stories.

The Cross-Centered Life

Keeping the Gospel the Main Thing

Multnomah Remember Jesus Christ? Although it seems almost too obvious, the center of our faith is surprisingly easy to forget. Dynamic pastor C.J. Mahaney shows how to overcome our tendency to move on from the gospel of grace. Finding joy in the gospel -- whose promises allow us to escape condemnation whenever it attacks -- helps us avoid the prevalent trap of legalism. With practical suggestions, Mahaney demonstrates the difference between knowing the gospel... and making it the main thing in daily decisions and daily living. What Are You Centered On? Sometimes the most important truths are the easiest to forget. It's time to get back to the starting point of the Christian life—the cross of Christ. Jesus' work on your behalf must be the central motivation for your life and faith—the main thing. "Never move on," says C.J. Mahaney, who shows you how to center every day around the cross of Calvary and how to escape the pitfalls of legalism, condemnation, and feelings-driven faith. Tap into the gospel's power and see how a cross centered focus can transform your life today!

The Gospel-Driven Church

Uniting Church Growth Dreams with the Metrics of Grace

Zondervan Many evangelical churches face the problem of the open "back door"--even as new people arrive, older members are leaving, looking for something else. Combined with this problem is the discipleship deficit, the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are. In fact, many of the metrics that we often "count" in the church to highlight success really don't tell us the full story of a church's spiritual state. Things like attendance, decisions, dollars, and experiences can tell us something about a church, but not everything. To cultivate a spiritually healthy church we need a shift in our metrics--a "grace-shift" that prioritizes the work of God in the lives of people over numbers and dollars. Are people growing in their esteem for Jesus? Is there a dogged devotion to the Bible as the ultimate authority for life? Is there a growing interest in theology and doctrine? A discernible spirit of repentance? And perhaps most importantly, is there evident love for God and for our neighbors in the congregation? Leading a church culture to shift from numerical success to the metrics of grace can be costly, but leaders who have conviction, courage, and commitment can lead while avoiding some of the landmines that often destroy churches. Wilson includes diagnostic questions that will help leaders measure--and lead team transparency in measuring as a group--the relative spiritual health of their church, as well as a practical prescriptive plan for implementing this metric-measuring strategy without becoming legalistic. Most attractional church models can lean heavily on making changes to the weekend worship gatherings. And while some of these changes can be good, thriving grace-focused churches are driven by a commitment to the gospel, allowing the gospel to inform and shape the worship service and the various ministries of the church.

Karl Barth and the Fifth Gospel

Barth's Theological Exegesis of Isaiah

Ashgate Publishing, Ltd. Today's biblical scholars and dogmatists are giving a significant amount of attention to the topic of theological exegesis. A resource turned to for guidance and insight in this discussion is the history of interpretation, and Karl Barth's voice registers loudly as a helpful model for engaging Scripture and its subject matter. Most readers of Barth's theological exegesis encounter him on the level of his New Testament exegesis. This is understandable from several different vantage points. Unfortunately, Barth's theological exegesis of the Old Testament has not received the attention it deserves. This book seeks to fill this lacuna as it encounters Barth's theological exegesis of Isaiah in the Church Dogmatics. From the Church's inception, Isaiah has been understood as Christian Scripture. In the Church Dogmatics we find Barth reading Isaiah in multi-functional and multi-layered ways as he seeks to hear Isaiah as a living witness to God's triune revelation of himself in Jesus Christ.

Gospel Coach

Shepherding Leaders to Glorify God

Zondervan In order to help pastors and other Christian leaders to lovingly lead God's flock to Jesus Christ and into God's mission, Scott Thomas and Tom Wood clarify a process of coaching and shepherding that is rooted in the patterns of the Good Shepherd himself, a process in which leaders stir up the gifts, passion, and calling upon others' lives. This book addresses the needs of the leader, his or her sinful tendencies, and church leadership issues. It directs the leader to the person and work of Jesus. It provides a system to intentionally shepherd leaders to glorify God in their personal, spiritual, and missional lives. Many ministry leaders serving in churches find themselves overwhelmed, disillusioned, and depressed by the enormous and challenging task of leading and ministering in a congregation. As a result, the ministry suffers, the leaders suffer, and the result is often an unhealthy church existent with little or no Gospel influence. These leaders need someone to shepherd their soul so that they can lead others to the Chief Shepherd, Jesus Christ. We suggest that coaching for the church leader looks less like corporate consulting or humanistic psychology and more like biblical-shepherding. We suggest that every church leader needs a Gospel Coach to come alongside with words of truth, wisdom and experience to encourage, admonish, comfort and help--words drawn from Scripture and godly wisdom, grounded in the gracious saving work of Jesus Christ, and presented in the context of a trusting relationship. Gospel Coaching is an intentional relationship to skillfully care for others with four ancient shepherding principles: 1) Know the sheep, 2) Feed the sheep, 3) Lead the sheep, and 4) Protect the sheep. A Gospel Coach both inquires about the personal, spiritual, and missional aspects of a ministry leader's life in a loving yet focused manner, and also probes the church leader for compulsive unbelief or selfish motivation, or disobedience and sin, and leads the ministry leader back to the Gospel, through belief, repentance and obedience. Churches that

desire to be rich in a Gospel application toward their city, their relationships with one another, their communication and worship, as well as their service, will benefit to a greater degree by having their leaders being coached by a Gospel-centered leader.

The Gospel and Pluralism Today

Reassessing Lesslie Newbigin in the 21st Century

InterVarsity Press Hearts & Minds Bookstore's Best Books of 2015, *Theology* Toward the end of the twentieth century, Lesslie Newbigin offered a penetrating analysis of the challenges of pluralism that confronted a Western culture and society reeling from the dissolution of Christendom. His enormous influence has been felt ever since. Newbigin (1909-1998) was a longtime Church of Scotland missionary to India and later General Secretary of the International Missionary Council and Associate General Secretary of the World Council of Churches. The first installment in the *Missiological Engagements* series, the essays in this volume explore three aspects of Newbigin's legacy. First, they assess the impact of his 1989 book, *Gospel in a Pluralist Society*, on Christian mission and evangelism in the West. Second, they critically analyze the nature of Western pluralism in its many dimensions to discern how Christianity can proclaim good news for today. Finally, the contributors discuss the influence of Newbigin's work on the field of missiology. By looking backward, this volume recommends and advances a vision for Christian witness in the pluralistic world of the twenty-first century. Contributions from leading missiologists and theologians, including: William Burrows John Flett Veli-Matti Kärkkäinen Esther Meek Wilbert Shenk

Grounded in the Gospel

Building Believers the Old-Fashioned Way

Baker Books Historically, the church's ministry of grounding new believers in the essentials of the faith has been known as catechesis--systematic instruction in faith foundations, including what we believe, how we pray and worship, and how we conduct our lives. For most evangelicals today, however, this very idea is an alien concept. Packer and Parrett, concerned for the state of the church, seek to inspire a much needed evangelical course correction. This new book makes the case for a recovery of significant catechesis as a nonnegotiable practice of churches, showing the practice to be complementary to, and of no less value than, Bible study, expository preaching, and other formational ministries, and urging evangelical churches to find room for this biblical ministry for the sake of their spiritual health and vitality.

His Mission

Chapters include: John Piper - Jesus the Son of God, the Son of Mary (Luke 1-2) Colin Smith - Jesus Despised (Luke 4:14-30) Crawford Loritts - Jesus's Transforming Power on Behalf of the Afflicted (Luke 8:26-56) D. A. Carson - Jesus's Resolve to Head toward Jerusalem (Luke 9:18-62) Kevin DeYoung - Jesus and the Lost (Luke 15:1-32) Stephen Um - Jesus and Money (Luke 16:1-15) Gary Millar - Jesus Betrayed and Crucified (Luke 22:3-23:49) Tim Keller - Jesus Vindicated (Luke 24:1-53) This book will help you grasp the overarching message of the book of Luke: the blameless life, atoning death, and vindicating resurrection of Jesus Christ.

Radical

Taking Back Your Faith from the American Dream

Multnomah Examines the ways in which the gospel is contradicted by the American dream and challenges Christians to join in a one-year experiment in authentic discipleship that promises spiritual transformation through the word of God.

Gospel Justice

Joining Together to Provide Help and Hope for those

Oppressed by Legal Injustice

Moody Publishers Can a justice system that doesn't protect the poor be considered truly just? We have all heard the phrase, "You have the right to an attorney." But did you know this is only true for those being accused of a crime in our country, not their victims? Without a legal advocate, innocent victims are left to fend for themselves. The church is called to do justice and love mercy. We are given the example of the Good Samaritan serving a victim in need, no matter the stigmas attached. But how are we to do this amidst the complexities of the current system? Bruce Strom left a successful legal career to start Administer Justice, a nonprofit organization providing free legal care to our most vulnerable neighbors. Gospel Justice calls churches across the nation to transform lives by serving both the spiritual and legal needs of the poor through participation in the Gospel Justice Initiative. It is not only a book for lawyers or pastors, though. Bruce Strom is calling each of us, the whole body of Christ, to join the cause of legal justice for the oppressed.

No Other Gospel

Christianity Among the World's Religions

Wipf and Stock Publishers With increasing awareness of the permanence of religious pluralism and increasing acceptance of other religions as valid ways to God, some theologians have argued that Christianity needs to abandon its traditional, biblical claim that Jesus is the unique, normative, decisive and final self-revelation of God and the salvation of the world. Braaten's response is an unequivocal reassertion of the exclusive claim of the gospel. To do so, he surveys the range of current options and dives into questions of the uniqueness of Christ, the absoluteness of Christianity, and the universality of salvation. Working with concepts of justification, eschatology, and Trinity, Braaten affirms that the gospel relativizes other religions. The gospel, however, also relativizes Christianity. Thus Christianity's strong claims for Christ need to be tempered by acknowledging that Christians do not know beforehand the final outcome of God's unfolding plan for the world. Although not all will agree, this book is an important call to Christian conscience from a theologian who sees Christian theology teetering on the brink of confusion.

Gospel in Life Discussion Guide

Grace Changes Everything

Through this eight-week small group Bible study, *Gospel in Life*, Timothy Keller explores with participants how gospel can change hearts, communities, and how we live in the world. This pack includes one softcover 230-page Participant Guide and one DVD.

The Prodigal God

Recovering the Heart of the Christian Faith

Penguin The New York Times bestselling author of *The Prodigal Prophet* uncovers the essential message of Jesus, locked inside his most familiar parable. Newsweek called renowned minister Timothy Keller "a C.S. Lewis for the twenty-first century" in a feature on his first book, *The Reason for God*. In that book, he offered a rational explanation of why we should believe in God. Now, in *The Prodigal God*, Keller takes his trademark intellectual approach to understanding Christianity and uses the parable of the prodigal son to reveal an unexpected message of hope and salvation. Within that parable Jesus reveals God's prodigal grace toward both the irreligious and the moralistic. This book will challenge both the devout and skeptics to see Christianity in a whole new way.

How to Reach the West Again

Six Essential Elements of a Missionary Encounter

Christianity is declining in the West. Churches in the United States, Canada, Australia, and Europe are closing their doors at an accelerating rate. How will the church respond? In this short but sweeping manifesto, New York Times bestselling author and pastor Timothy Keller argues that this decline should prompt us to rethink evangelism from the ground up. Using the early church as our guide, churches and individual Christians must examine ourselves, our culture, and Scripture to work toward a new missionary encounter with Western culture that will make the gospel both attractive and credible to a new generation.

What Is the Mission of the Church?

Making Sense of Social Justice, Shalom, and the Great Commission

Crossway Social justice and mission are hot topics today: there's a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others. But in our zeal to get sharing and serving, many are unclear on gospel and mission. Yes, we are called to spend ourselves for the sake of others, but what is the church's unique priority as it engages the world? DeYoung and Gilbert write to help Christians "articulate and live out their views on the mission of the church in ways that are theologically faithful, exegetically careful, and personally sustainable." Looking at the Bible's teaching on evangelism, social justice, and shalom, they explore the what, why, and how of the church's mission. From defining "mission", to examining key passages on social justice and their application, to setting our efforts in the context of God's rule, DeYoung and Gilbert bring a wise, studied perspective to the missional conversation. Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus' call to preach the Word and make disciples.

Signs of the Messiah

An Introduction to John's Gospel

The Making of Biblical Womanhood

How the Subjugation of Women Became Gospel Truth

Baker Books USA Today Bestseller Christianity Today 2022 Book Award Finalist (History & Biography) "A powerful work of skillful research and personal insight."--Publishers Weekly Biblical womanhood--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers--pervades North American Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical

women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement and abuse scandals in Southern Baptist circles and the broader evangelical world, helping readers understand why biblical womanhood is more about human power structures than the message of Christ.
