**SPECIAL INSTRUCTIONS ON THE NONDUALITY OF DZOGCHEN**

---

*Shambhala Publications* **Dzogchen (Great Perfection)** goes to the heart of our experience by investigating the relationship between mind and world and uncovering the great secret of mind's luminous nature. Weaving in personal stories and everyday examples, Pema Rigtsal leads the reader to see that all phenomena are the spontaneous display of mind, a magical illusion, and yet there is something shining in the midst of experience that is naturally pure and spacious. Not recognizing this natural great perfection is the root cause of suffering and self-centered clinging. After introducing us to this liberating view, Pema Rigtsal explains how it is stabilized and sustained in effortless meditation: without modifying anything, whatever thoughts of happiness or sorrow arise simply dissolve by themselves into the spaciousness of pure presence. The book is divided into chapters on the view, meditation as the path, conduct, the attainment, and the four bardos. Each chapter consists of mini-sections that can be read as stand-alone Dharma talks.

Pema Rigtsal has studied and lived with several authentic Dzogchen masters and has surprising stories to tell about their unconventional methods to introduce students to the subtle view of Dzogchen.

### **THE SECRET HISTORY OF PYTHAGORAS**

---

THE Translation of this venerable Piece of Antiquity is undertook upon a double Score; being designed as well to entertain the Curiosity of the Learned, as to supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would have been less intelligible to the other. I cannot, without uttering a Falsity, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort or other to the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions about that; for the Reader cannot reject with a greater Disdain, than I have translated with Pleasure, the Contents of this Book.

### TROPICAL DEPRESSION

---

*CreateSpace* "As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

---

*CreateSpace* One mistake can shatter dreams and shape the future. Alexis knows this first hand. She doesn't have the heart for it. After all, there's no point in starting something you can't finish. When she meets Adam, she's drawn to him in a way even she can't deny. The film student is dark and brooding and strangely charming. He's the perfect distraction from her mundane life. And, as if fate is pushing them together, he seems to be around every corner. It's enough to almost make her entirely forget about her past and take a chance. But Adam can recall every detail that she's forgotten. What she doesn't remember, he can't forget.

### HOW TO MAKE ALL-STARS

---

---

## THE SECRETS AND TECHNIQUES THAT WILL HELP YOU MAKE THE TEAM

---

*CreateSpace* **Hey kids, do you want to know how to make all-stars for your baseball league? Or parents, do you feel like the coaches keep passing your child up? Well no more! Or coaches, want drills and ways to motivate your players to get better? Coach Andy Collins is going to tell you everything he knows from his 35 years of youth and adult coaching and watching what works and what doesn't work. It's chock-full of ideas in 86 pages. He'll cover: \* How your league chooses all-stars \* What all-star selectors are really looking for \* 7 tried and true methods of getting better at baseball \* But more importantly, little known ways to get the people picking the team to notice you \* And how to beat the "politics" that seem to get in the way Year after year kids sit in the stands crying after the all-star teams are announced and they weren't one of the players that were chosen. At the same time the students I've trained do make these same all-star teams. It was then I realized I had the information that the kids in the stands and their parents and coaches were looking for. Wherever there are kids around the world that play youth baseball, there are kids that long to make the league's all-star team. Every year it's the same, kids that desperately want to have their name called out (or see it announced on the list) don't make it, and a little bit of them is hurting deep inside; and they don't know why they were not picked. Little did they know that they could have fairly accurately predicted their chances almost from day one of when the season started. And if they knew what you're about the find out, they could improve enough in skill in the eyes of the all-star selectors as to be a better player or even make the all-star team. The good news is that in this book, there is a way to learn how to make the all-star team for the next upcoming season; and if not then, the following year (if you're willing to listen and follow the advice I give). While I have written this for parents and coaches to learn how this process works and how they can help these youngsters achieve their dreams, this is mostly a book written for the kid who wants to make all-stars, not a book for the parent who wants their kid to make all-stars (there is a difference). And it will be in that voice that this book will be written.**

### **ESSENTIAL INSTRUCTIONS ON MASTERING THE ENERGIES OF LIFE**

---

*Shambhala Publications* **These Tibetan Buddhist teachings provide instructions for gathering and harnessing basic life energy. According to the tradition, a very effective way to do this is to arouse sexual energy and to direct the essence of that energy toward spiritual realization. According to the philosophy, sexual energy brings one naturally and effortlessly into flow with creativity and awareness in both mind and body—when used skillfully by committed practitioners with appropriate training. These ancient texts, attributed to the great Tibetan meditation master Padmasambhava (who practiced sexual union with the famous Tibetan queen Yeshe Tsogyal), offer traditional Buddhist teachings on the nature of the elements that all beings and our world are made of. They show us a practical view of how to use life-energy for personal development. The teachings are for experienced Buddhist practitioners.**
