[Guinevere Unconquered](#) [Monica L. Bullock](#) The Undead Queen Faces a New Threat! A vampire queen wants to claim Arthur for herself... The Undead Queen delivered Excalibur into Arthur's hands, but the sword calls to her still in blood-soaked dreams. Merlin's promise to reveal the sword's power over the vampire curse disappears along with the sorcerer, and Guinevere is forced to continue her shadow-filled existence. The Queen of Camelot senses that a new and gathering threat will soon challenge her and pose a greater danger than even Morgan's magic. Determined to break the rising and relentless temptation to take back the sword, Guinevere relies on the strength of old friends...one of whom has championed her cause before. Arthur continues his quest to find Guinevere, but he's not sure if she is friend or foe. When a powerful vampire takes an interest in him, Arthur and Guinevere must fight side by side to push back the flood of darkness that threatens to swallow them both. A door to the past opens, and the rulers of Camelot must decide if they wish to return to the Shining City again. If they do, they will find nothing is the same. The Tomb of Queen Nefertari Egyptian Gods and Goddesses of the New Kingdom Full of large color photos of Queen Nefertari and the gods and goddesses of Ancient Egypt, this book guides the reader through the imagery on the walls and the names in hieroglyphs. When Women Ruled the World Six Queens of Egypt [National Geographic Books](#) This riveting narrative explores the lives of six remarkable female pharaohs, from Hatshepsut to Cleopatra--women who ruled with real power--and shines a piercing light on our own perceptions of women in power today. Female rulers are a rare phenomenon--but thousands of years ago in ancient Egypt, women reigned supreme. Regularly, repeatedly, and with impunity, queens like Hatshepsut, Nefertiti, and Cleopatra controlled the totalitarian state as power-brokers and rulers. But throughout human history, women in positions of power were more often used as political pawns in a male-dominated society. What was so special about ancient Egypt that provided women this kind of access to the highest political office? What was it about these women that allowed them to transcend patriarchal obstacles? What did Egypt gain from its liberal reliance on female leadership, and could today's world learn from its example? Celebrated Egyptologist Kara Cooney delivers a fascinating tale of female power, exploring the reasons why it has seldom been allowed through the ages, and why we should care. Divine Nefertiti The bust of Queen Nefertiti was found in 1912 by the archaeologist Ludwig Borchardt. For many long centuries, it had been lying dormant in the desert sands, just like Akhentaten--the most beautiful city from the times of the 18th dynasty. Almost all the characters found on the pages of this book, just like the beautiful queen herself, were real people. Now, after 3300 years of silence, Nefertiti and her contemporaries speak to us through the literary voice of Ewa Kassala. The roots of European civilization date back to the earliest times of ancient Egypt. It was then that Nefertiti lived on shores of the Nile, and she became one of the most influential women in the history of this country. Who was she, this Pharaoh whose name meant 'Beauty that Came'? Was she Princess Tadukhipa from the kingdom of Mitanni, daughter of King Tushratta; or a daughter of an influential aristocrat, a counselor from the Pharaoh's court? Was her son Tutankhamun? And did her husband Amenhotep IV, known later as Akhenaten, really suffer from impotence? What happened to the mighty queen--the only woman in ancient Egypt who used traditional rituals during her ceremonies to shatter her enemies' heads? Where was she buried? Divine Nefertiti discovers many secrets of ancient Egypt, unveiling the mysterious beliefs of the distant civilization, the culture, and architecture of her times. The author invites the reader into the world of wise and strong women, who cultivated the knowledge of their ancestors, were gifted with extraordinary abilities, engaged in magic and healing, and whose visions spanned the centuries of time. Cleopatra and Nefertiti Beyond Their Beauty and Seduction [Createspace Independent Publishing Platform](#) Cleopatra and Nefertiti: Beyond Their Beauty and Seduction Cleopatra and Nefertiti are both known for their beauty. They are also known for traits having to do with their womanhood: the men with whom they were romantically involved, their ability to seduce. This book gets beneath this surface to give a more complete picture. Cleopatra was ambitious and smart, while Nefertiti was much more active in her husband's reign than was usual for her time. Cleopatra's alliances were much more than romances, but played major roles in the global politics of the time. She was poised, with Antony, to command a large

portion of the Mediterranean world. For her part, Nefertiti played a key role in the worship of the Sun God Aten and a shocking switch from worshipping many gods to just one. Michael Klein details the careers of these fascinating women and explores how many important events they were instrumental in. With thorough research, Cleopatra and Nefertiti: Beyond Their Beauty and Seduction will open your eyes to the strength and audacity of these two queens. Gain insight into Cleopatra plotting against at least one of her siblings; how she won a bet against Antony; and Nefertiti driving her chariot down the streets of Egypt. You'll come away with a new respect for these historical figures. The Search For Nefertiti [Hodder & Stoughton](#) Joann Fletcher, presenter of BBC2's 'Ancient Egypt: Life and Death in the Valley of the Kings' has written an enthralling account of Nefertiti, one of Egypt's most compelling and mysterious figures. Wife of the controversial pharaoh Akhenaten, she lived through perhaps the most tumultuous period in the country's long history. The so-called Amarna Period has long held a fascination - not just for the enormous changes it brought to the religion, art and administration of Egypt, but for the many mysteries which surround it. Mysteries, that is, until now. Leading Egyptologist Dr Joann Fletcher has taken a fresh eye to the evidence and arrived at one of the most dramatic discoveries in recent times. Working with a team of leading experts, she has identified a long-forgotten mummy as the body of a female pharaoh of the Amarna Period, whom she believes is Nefertiti herself. Lying for over three thousand years in an unused side chamber of Tomb KV.35 in the Valley of the Kings, it tells a story which will forever change the way in which we view Nefertiti - and indeed women throughout Egyptian history. Now at last we see the full significance of her role as co-regent and later Pharaoh of Egypt, as well as understanding the astonishing luxury and decadence of her life in Amarna - a life she led as the country around her began to disintegrate. Nefertiti Egypt's Sun Queen [Penguin UK](#) For over a decade Nefertiti, wife of the heretic king Akhenaten, was the most influential woman in the Bronze Age world; a beautiful queen blessed by the sun-god, adored by her family and worshipped by her people. Her image and her name were celebrated throughout Egypt and her future seemed golden. Suddenly Nefertiti disappeared from the royal family, vanishing so completely that it was as if she had never been. No record survives to detail her death, no monument serves to mourn her passing and to this day her end remains an enigma - her body has never been found. Joyce Tyldesley here provides a detailed discussion of the life and times of Nefertiti, Egypt's sun queen, set against the background of the ephemeral Amarna court. Nefertiti A Novel [Crown](#) Fast-paced and historically accurate, Nefertiti is the dramatic story of two unforgettable women living through a remarkable period in history. Nefertiti and her younger sister, Mutnodjmet, have been raised in a powerful family that has provided wives to the rulers of Egypt for centuries. Ambitious, charismatic, and beautiful, Nefertiti is destined to marry Amunhotep, an unstable young pharaoh. It is hoped that her strong personality will temper the young ruler's heretical desire to forsake Egypt's ancient gods. From the moment of her arrival in Thebes, Nefertiti is beloved by the people but fails to see that powerful priests are plotting against her husband's rule. The only person brave enough to warn the queen is her younger sister, Mutnodjmet. Observant and contemplative, Mutnodjmet has never shared her sister's desire for power. She yearns for a quiet existence away from family duty and the intrigues of court. But remaining loyal to Nefertiti will force Mutnodjmet into a dangerous political game; one that could cost her everything she holds dear. Teeming with love, betrayal, political unrest, plague, and religious conflict, Nefertiti brings ancient Egypt to life in vivid detail. "Meticulously researched and richly detailed . . . an engrossing tribute to one of the most powerful and alluring women in history." -Boston Globe Divina Nefertiti Las raíces de la civilización europea datan de los primeros tiempos del antiguo Egipto. Fue entonces cuando Nefertiti vivía en las costas del Nilo - fue una de las mujeres más influyentes en la historia de este país. ¿Quién era ella, cuyo nombre significa "La Belleza que vino"? ¿Era la princesa Taduhepa de Mitania o una hija de un aristócrata influyente, parte de la corte del Faraón? ¿Su padrastro fue Tutankamón? ¿Y Teherán, su marido, realmente sufría de impotencia? ¿Qué le sucedió a la poderosa reina, la única mujer en el antiguo Egipto, que usó hechizos de su ciudad natal durante sus rituales, destrozando las cabezas de sus enemigos? ¿Dónde fue enterrada? "Divina Nefertiti" descubre muchos secretos del antiguo Egipto, revela las creencias misteriosas de la distante civilización; la cultura y la arquitectura de su tiempo. El autor invita al lector al mundo de las mujeres sabias y fuertes, cultivando el conocimiento de antepasados, dotadas de habilidades extraordinarias, dedicadas a la magia y la curación, e incluso a viajar en el tiempo. Sphinx's Princess [Random House Books for Young Readers](#) Although she is a dutiful daughter, Nefertiti's dancing abilities, remarkable beauty, and intelligence garner attention near and far, so much so that her family is summoned to the Egyptian royal court, where Nefertiti becomes a pawn in the power play of her scheming aunt, Queen Tiye. Chronicle of the Queens of Egypt From Early Dynastic Times to the Death of Cleopatra Spanning three millennia of Egyptian history, a richly illustrated study of the queens of ancient Egypt ranges from the early dynastic period to the death of Cleopatra in 30 BC, offering a biographical portrait of each queen, along with information on the era in which she lived and her influence on Egyptian history. The Cursed Scarab [Scholastic Inc.](#) Don't touch anything in The Haunted Museum! Taylor has always felt a little like she belonged in ancient Egypt more than she does in the modern day. But when she helps stop a robbery at a branch of The Haunted Museum, the scarab she picks up doesn't seem to want to let her go. Mysterious people follow her from the United States all the way to Egypt. Scarabs appear from nowhere. Her dreams (or are they visions?) take her far into the past and show her secrets that have long been buried in desert sands. None of it makes sense, and no one seems to believe that anything out of the ordinary is happening. If Taylor can't untangle the present from the past and break the ancient curse she'd unleashed, she knows that she might be entombed in Egypt forever! The Egyptian [Rare Treasure Editions](#) First published in the 1940s and widely condemned as obscene, The Egyptian outsold every other American novel published that same year, and remains a classic; readers worldwide have testified to its life-changing power. It is a full-bodied re-creation of a largely forgotten era in the world's history: an Egypt when pharaohs contended with the near-collapse of history's greatest empire. This epic tale encompasses the whole of the then-known world, from Babylon to Crete, from Thebes to Jerusalem, while centering around one unforgettable figure: Sinuhe, a man of mysterious origins who rises from the depths of degradation to get close to the Pharaoh... Africas Legacies Of Urbanization: Unfoldi Unfolding Saga of a

Continent [Lexington Books](#) Africa's Legacies of Urbanization is the culmination of several decades of research, travel, and teaching. Goodwin provides an interdisciplinary and up-to-date look at African cities and the urbanization process. Beginning with an overview of the urban experience in Africa, Goodwin then studies the histories of urbanization in the various regions of the continent. [Salvation in the Sun Book One Createspace Independent Publishing Platform](#) This future she knows for certain-the great sun city will be her undoing. Amidst a power struggle between Pharaoh and the priesthood of Amun, Queen Nefertiti helps the ill-prepared new Pharaoh, Amenhotep, enact his father's plan to regain power for the throne. But what seemed a difficult task only becomes more grueling when Amenhotep loses himself in his radical obsessions. Standing alone to bear the burden of a failing country and stem the tide of a growing rebellion, Nefertiti must choose between her love for Pharaoh and her duty to Egypt in this dramatic retelling of a story forgotten by time. [Amarna A Guide to the Ancient City of Akhetaten American University in Cairo Press](#) An illustrated cultural guide to the archaeological site of Amarna, the best-preserved pharaonic city in Egypt Around three thousand years ago, the pharaoh Akhenaten turned his back on Amun, and most of the great gods of Egypt. Abandoning Thebes, he quickly built a grand new city in Middle Egypt, Akhetaten—Horizon of the Aten—devoted exclusively to the sun god Aten. Huge open-air temples served the cult of Aten, while palaces were decorated with painted pavements and inlaid wall reliefs. Akhenaten created a new royal burial ground deep in a desert valley, and his officials built elaborate tombs decorated with scenes of the king and his city. As thousands of people moved to Akhetaten, it became the most important city in Egypt. But it was not to last. Akhenaten's death brought the abandonment of his city and an end to one of the most startling episodes in Egyptian history. Today, Akhetaten is known as Amarna, a sprawling archaeological site in the province of Minya, halfway between Cairo and Luxor. With its beautifully decorated tombs and vast mud-brick ruins, it is the best-preserved pharaonic city in Egypt. This informed and richly illustrated guidebook brings the ancient city of Akhetaten alive with a keen insider's eye, drawing on ongoing archaeological research and the knowledge and insight of Amarna's modern-day communities and caretakers to explain key monuments and events, while offering invaluable practical advice for visiting the site. With over 150 illustrations, maps, and plans, Amarna is both an ideal introduction for visitors to Amarna and a window onto the extraordinary reign of Akhenaten. [Hymn to the Sun iUniverse](#) Historically accurate Hymn To The Sun traces three lives through some of ancient Egypt's most turbulent and transitional years: The Pharaoh Akhenaten, the world's first monotheist, whose belief in one God in Egypt's polytheistic society caused a revolution over three thousand years ago and produced his world-classic literary masterpiece Hymn To The Sun that formed the basis for his worship ceremonies to the Aten; Queen Nefertiti, Akhenaten's beautiful and beloved wife who grew up with him and, until the very last, stood by her beleaguered husband; And Aye, the power behind the thrones of four Pharaohs and who helped develop what museums today exhibit as treasured reminders of that era. Successful in various arts, war, politics and power struggles, Aye marched in youth from a poor stonemason's home in Athribis to become Pharaoh of Egypt and custodian of Akhenaten's and Tutankhamon's treasures. This novel answers questions historians have been asking for centuries: What happened to the Pharaoh Akhenaten? How did he die? And why? What happened after his death to the one-God religion Akhenaten founded? What happened to Nefertiti? And their daughters? Why was the tomb of the Pharaoh Tutankhamon so full of treasure when it was discovered? [Twelfth Transforming Chicago Review Press](#) In The Twelfth Transforming, bestselling author Pauline Gedge returns to ancient Egypt to reveal the mysterious reign of Akhenaten, the impetuous pharaoh who threatened to ruin his country. The dramatic story of Akhenaten's disastrous ruling is also the tale of Empress Tiye, a mother struggling to save her land from the catastrophe of her son's choices. Gedge's vivid descriptions of imperial court life among the lushness of the Nile and the desiccation of the desert lands will enthrall readers seeking an evocative tale of power, dynasty, family and curses, all set in the enchanting world of ancient Egypt. [The Heretic Queen A Novel Crown](#) In ancient Egypt, a forgotten princess must overcome her family's past and remake history. Nefertari has been left to run wild in the palace, but catches the eye of the Crown Prince. All of Egypt opposes this union, and political adversity sets the country on edge. [Queenmaker A Novel of King David's Queen St. Martin's Press](#) The only woman in the Bible who is noted to have loved a man, Queen Michal was King David's childhood sweetheart, his first wife, and daughter of his great friend and greater enemy, King Saul. Married to and then abandoned by David at age 14, Michal is forced to marry him again and become his first queen ten years later. Thrown into transition and turmoil, Queen Michal resists the ambition and greed that have become integral to David's personality and kingship. Acting nobly as his queen, but refusing to compromise her soul, Michal is drawn in friendship to the women in the king's court. Among his concubines and mistresses is Bathsheba, who becomes the mother of David's son, Solomon. In Queenmaker, Michal emerges as a wise and loving woman whose female family sustains her and establishes the spiritual foundation of the entire kingdom. Queenmaker depicts in unforgettable detail the characters of one of the greatest periods in Biblical history-their public deed and private thoughts-and gives readers the court of the kings as only a woman could see it. [Ancient Egypt Heinemann-Raintree Library](#) "This title reveals the mysteries of the ancient Egyptians. Learn how the pyramids were built, why the Nile River was so important to the ancient Egyptians, and how to get to the beautiful Luxor Temple." [Ancient Egypt - Book & PowerPoint CD Milliken Publishing Company](#) Our popular Illuminating History series is now available with PowerPoint CDs! Each 32-page book includes a CD with 8 full-color illustrations and corresponding blackline reproducible pages in a PowerPoint format. You can now use your ink-jet or laser printer to produce both reproducible worksheets and color images. Since printed worksheets are also bound in the book, you can always make copies with a photocopier. For classrooms, the illustrations can be printed on plastic for use with an overhead projector, or they can be shown as a PowerPoint presentation on computer monitors and multimedia projectors. Each 32 worksheet pages, 8 color illustrations [House of Eternity The Tomb of Nefertari Getty Publications](#) Nefertari, the favorite queen of Rameses II, was buried about 3,200 years ago in the most exquisitely decorated tomb in Egypt's Valley of the Queens. Discovered in 1904 by Italian explorer Ernesto Schiaparelli, the tomb had deteriorated to a disastrous extent when emergency consolidation began

in 1986. The six-year conservation project of the GCI and the Egyptian Antiquities Organization was completed in 1992. In this fascinating exploration of the tomb, John McDonald takes the reader through each chamber, describing the hieroglyphic messages depicted in the brilliant wall paintings and discussing the images within the context of Egyptian beliefs. He also offers insights into the life of Nefertari, the development and symbolism of royal tombs, and the construction and decoration of the tombs. *House of Eternity* is illustrated with historic black-and-white images and more recent color photographs that reveal the vibrant beauty of the wall paintings. In November 1995 the tomb was reopened to the public. Because of the potential for damage and deterioration to the fragile wall paintings caused by increased humidity, carbon dioxide, and microbiological activity introduced by visitors to the tomb, the number permitted to enter daily is strictly controlled by the Egyptian authorities. This book results from a desire of the GCI to enrich visitors' experience by providing a detailed descriptive walk-through of the tomb while conveying a strong message regarding the need for conservation and continuous monitoring to ensure the long-term survival of the tomb's paintings. Visitors to the tomb and the armchair traveler alike will find *House of Eternity* to be an excellent resource for understanding Nefertari's journey to the afterlife and for appreciating the extraordinary depictions of that journey on the walls of Nefertari's tomb. *Sphinx's Queen* [Random House Books for Young Readers](#) *Ancient Egypt* springs to life in this enthralling sequel to *Sphinx's Princess*. As she did in *Nobody's Princess* and *Nobody's Prize*, author Esther Friesner offers readers a fresh look at an iconic figure, blending historical fiction and mythology in a heady concoction. *Hunted . . .* Overnight, every aspect of Nefertiti's life has changed. She is no longer living at the royal palace as the intended bride of the crown prince. Instead, she is being chased by the prince and his soldiers for a crime she did not commit. *Hidden . . .* Traveling with two of her dearest friends, including the crown prince's brother, who helped her escape, Nefertiti takes shelter in the wild hills along the Nile's west bank. She must rely on her own resourcefulness and skills (all those secret archery lessons prove very useful) as the fugitives fight to survive. *Haunted . . .* But the need for justice gnaws at Nefertiti. She is determined to plead her case to the Pharaoh and set things right. As she begins to question long-held sacred beliefs—a questioning that could alter the fabric of Egyptian society—her extraordinary journey from commoner to royalty brings adventure, intrigue, and romance. *Stress How to Cope at the End of Your Rope* [Rose Publishing](#) Are you at your breaking point? Are the effects of an overcommitted schedule weighing you down? Do you feel that if you have just one more pressure added to your life, you will break? This book addresses that...
