ADOLF HITLER

THE BIOGRAPHY

United Library Adolf Hitler was chancellor of Germany from 1933 to 1945, serving as dictator and leader of the Nazi Party, or National Socialist German Workers Party, for the bulk of his time in power. Hitler's fascist policies precipitated World War II and led to the genocide known as the Holocaust, which resulted in the deaths of some six million Jews and another five million noncombatants. "If you win, you need not have to explain...If you lose, you should not be there to explain!" - Adolf Hitler This is the descriptive, concise biography of Adolf Hitler.

THE DEATH OF HITLER: THE FULL STORY WITH NEW EVIDENCE FROM SECRET RUSSIAN ARCHIVES

W. W. Norton & Company "Revealing and well-written. . . . A significant book."—Houston Chronicle It is one of the most enduring mysteries of the twentieth century: how, exactly, Adolf Hitler died and what happened to his remains. With access to the Russians' Hitler Archive, this book reveals not only what happened after the Russians captured Hitler's bunker but also why the Soviets felt the details of his death had to be suppressed.

HITLER'S DEATH

THE CASE AGAINST CONSPIRACY

Bloomsbury Publishing Did Hitler shoot himself in the Führerbunker or did he slip past the Soviets and escape to South America? Countless documentaries, newspaper articles and internet pages written by conspiracy theorists have led the ongoing debate surrounding Hitler's last days. Historians have not yet managed to make a serious response. Until now. This book is the first attempt by an academic to return to the evidence of Hitler's suicide in order to scrutinise the most recent arguments of conspiracy theorists using scientific methods. Through analysis of recently declassified MI5 files, previously unpublished sketches of Hitler's bunker, personal accounts of intelligence officers along with stories of shoot-outs, plunder and secret agents, this scrupulously researched book takes on the doubters to tell the full story of how Hitler died.

THE STRANGE DEATH OF ADOLF HITLER

This is a new release of the original 1939 edition.

ADOLF HITLER

A LIFE FROM BEGINNING TO END

Hourly History The most notorious man in history, Adolf Hitler, is best known for having perpetrated crimes against humanity over the six-year course of World War II. His brutal extermination policies are responsible for the deaths of close to 30 million people he considered inferior, and added to that, the military casualties suffered by all parties, yields a grand total of approximately 60 million people dead by the end of the war. That number equates to 3% of the world's population at the time. But, who was this man? What made him into the monster he became? Can his childhood explain the formation of such a brutal dictator? Inside you will read about... ✓ Hitler's Early Years ✓ Hitler's Years in Vienna ✓ Life After Vienna - Hitler's Early Military Career ✓ The Formation of the Nazi Party ✓ Hitler's Imprisonment and Subsequent Rise to Power ✓ World War II This eBook tells the story of the man behind the monster in concise yet thorough detail. Hitler's childhood, his early life and dreams of becoming an artist, his military career in World War I, his subsequent rise to power as the leader of the Nazi Party, and his rule during the war are presented in succinct,

compelling detail packed with historical information that makes for an entertaining and informative read.

ADOLF HITLER

A BIOGRAPHY

Vij Books India Pvt Ltd Adolf Hitler was the leader of Nazi Germany from 1934 to 1945. He initiated World War II and oversaw fascist policies that resulted in millions of deaths. He is probably the most hated and admired personality in world history. This book gives a brief account of his life from his childhood, till his rise to power as a dictator until his death. The book also gives a brief outline of Hitlers family and Eva Braun.

THE HITLER BOOK

THE SECRET DOSSIER PREPARED FOR STALIN FROM THE INTERROGATIONS OF OTTO GUENSCHKE AND HEINZE LINGE, HI

PublicAffairs Stalin had never been able to shake off the nightmare of Adolf Hitler. Just as in 1941 he refused to understand that Hitler had broken their non-aggression pact, he was in 1945 unwilling to believe that the dictator had committed suicide in the debris of the Berlin bunker. In his paranoia, Stalin ordered his secret police, the NKVD, precursor to the KGB, to explore in detail every last vestige of the private life of the only man he considered a worthy opponent, and to clarify beyond doubt the circumstances of his death. For months two captives of the Soviet Army-- Otto Guensche, Hitler's adjutant, and Heinz Linge, his personal valet--were interrogated daily, their stories crosschecked, until the NKVD were convinced that they had the fullest possible account of the life of the Führer. In 1949 they presented their work, in a single copy, to Stalin. It is as remarkable for the depth of its insight into Adolf Hitler--from his specific directions to Linge as to how his body was to be burned, to his sense of humor--as for what it does not say, reflecting the prejudices of the intended reader: Joseph Stalin. Nowhere, for instance, does the dossier criticize Hitler's treatment of the Jews. Today, the 413-page original of Stalin's personal biography of Hitler is a Kremlin treasure and it is said to be held in President Putin's safe. The only other copy, made by order of Stalin's successor, Nikita Khrushchev, in 1959, was deposited in Moscow Party archives under the code number 462A. It was there that Henrik Eberle and Matthias Uhl, two German historians, found it. Available to the public in full for the first time, The Hitler Book presents a captivating, astonishing, and deeply revealing portrait of Hitler, Stalin, and the mutual

antagonism of these two dictators, who between them wrought devastation on the European continent.

HITLER: DOWNFALL

1939-1945

Vintage A riveting account of the dictator's final years, when he got the war he wanted but led his nation, the world, and himself to catastrophe—from the author of *Hitler: Ascent* “Skillfully conceived and utterly engrossing.” —The New York Times Book Review In the summer of 1939, Hitler was at the zenith of his power. Having consolidated political control in Germany, he was at the helm of a newly restored major world power, and now perfectly positioned to realize his lifelong ambition: to help the German people flourish and to exterminate those who stood in the way. Beginning a war allowed Hitler to take his ideological obsessions to unthinkable extremes, including the mass genocide of millions, which was conducted not only with the aid of the SS, but with the full knowledge of German leadership. Yet despite a series of stunning initial triumphs, Hitler's fateful decision to invade the Soviet Union in 1941 turned the tide of the war in favor of the Allies. Now, Volker Ullrich, author of *Hitler: Ascent 1889-1939*, offers fascinating new insight into Hitler's character and personality. He vividly portrays the insecurity, obsession with minutiae, and narcissistic penchant for gambling that led Hitler to overrule his subordinates and then blame them for his failures. When he ultimately realized the war was not winnable, Hitler embarked on the annihilation of Germany itself in order to punish the people who he believed had failed to hand him victory. A masterful and riveting account of a spectacular downfall, Ullrich's rendering of Hitler's final years is an essential addition to our understanding of the dictator and the course of the Second World War.

HITLER'S LAST DAYS

THE DEATH OF THE NAZI REGIME AND THE WORLD'S MOST NOTORIOUS DICTATOR

Henry Holt and Company (BYR) By early 1945, the destruction of the German Nazi State seems certain. The Allied forces, led by American generals George S. Patton and Dwight D. Eisenhower, are gaining control of Europe, leaving German leaders scrambling. Facing defeat, Adolf Hitler flees to a secret bunker with his new wife, Eva Braun, and his beloved dog, Blondi. It is there that all three would meet their end, thus ending the Third Reich and one of the darkest chapters of history. *Hitler's Last Days* is a gripping account of the death of one of the most reviled villains of the 20th

century—a man whose regime of murder and terror haunts the world even today. Adapted from Bill O'Reilly's historical thriller *Killing Patton*, this book will have young readers—and grown-ups too—hooked on history. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum.

WITH HITLER TO THE END

THE MEMOIRS OF ADOLF HITLER'S VALET

Simon and Schuster Heinz Linge worked with Adolf Hitler for a ten-year period from 1935 until the Führer's death in the Berlin bunker in May 1945. He was one of the last to leave the bunker and was responsible for guarding the door while Hitler killed himself. During his years of service, Linge was responsible for all aspects of Hitler's household and was constantly by his side. He claims that only Eva Braun stood closer to Hitler over these years. Here, Linge recounts the daily routine in Hitler's household: his eating habits, his foibles, his preferences, his sense of humor, and his private life with Eva Braun. In fact, Linge believed Hitler's closest companion was his dog Blondi. After the war Linge said in an interview, "It was easier for him to sign a death warrant for an officer on the front than to swallow bad news about the health of his dog." Linge also charts the changes in Hitler's character during their time together and his fading health during the last years of the war. During his last days, Hitler's right eye began to hurt intensely and Linge was responsible for administering cocaine drops to kill the pain. In a number of instances—such as with the Stauffenberg bomb plot of July 1944—Linge gives an excellent eyewitness account of events. He also gives thumbnail profiles of the prominent members of Hitler's "court": Hess, Speer, Bormann and Ribbentrop amongst them. Though Linge held an SS rank, he claims not to have been a Nazi Party member. His profile of one of history's worst demons is not blindly uncritical, but it is nonetheless affectionate. The Hitler that emerges is a multi-faceted individual: unpredictable and demanding, but not of an otherwise unpleasant nature.

ADOLF HITLER - WHAT STARTED WORLD WAR 2 - BIOGRAPHY 6TH GRADE | CHILDREN'S BIOGRAPHY BOOKS

Speedy Publishing LLC Say "Hitler" and people would automatically think of evil and Jews. Adolf Hitler was responsible for the Holocaust, wherein thousands of Jews were killed. But what made Hitler craft anti-Jew legislation? Maybe his life held the answers. Reading about the lives of historical figures will never undo what they did but it can help to make sure history does not repeat itself. Start reading today!

ADOLF HITLER: DER FUHRER: THE ENTIRE LIFE STORY

Great Biography Adolf Hitler was a German politician, demagogue, and Pan-German revolutionary, who was the leader of the Nazi Party, Chancellor of Germany and Führer ("Leader") of Nazi Germany. As dictator, Hitler initiated World War II in Europe with the invasion of Poland and was central to the Holocaust. Inside you'll read about Adolf's Paternal and Maternal roots A troubled childhood Joined the forces of World War I Chancellor Hitler Night of the long knives Fuhrer Hitler World War II and full effect The end is nigh And much more! Hitler gained popular support by attacking the Treaty of Versailles and promoting Pan-Germanism, anti-Semitism and anti-communism with charismatic oratory and Nazi propaganda. He frequently denounced international capitalism and communism as being part of a Jewish conspiracy.

THE RISE AND FALL OF ADOLF HITLER

Rosetta Books A concise and timely account of Hitler's—and Fascism's—rise to power and ultimate defeat, from one of America's most famous journalists. American journalist and author William L. Shirer was a correspondent for six years in Nazi Germany—and had a front-row seat for Hitler's rise to power. His most definitive work on the subject, *The Rise and Fall of the Third Reich*, is a riveting account defined by first-person experience interviewing Hitler, watching his impassioned speeches, and living in a country transformed by war and dictatorship. William Shirer was originally commissioned to write *The Rise and Fall of Adolf Hitler* for a young adult audience. This account loses none of the immediacy of *The Rise and Fall of the Third Reich*—capturing Hitler's rise from obscurity, the horror of Nazi Germany's mass killings, and the paranoia and insanity that marked Hitler's downfall. This book is by no means simplified—and is sure to appeal to adults as well as young people with an interest in World War II history. "For nearly 100 years William L Shirer has spoken to us of fascism, Nazis, and Hitler . . . [He] tells the unvarnished truth as he experienced it . . . I figured this school-type book wasn't going to tell me anything new. But when I started reading, I realized that I wasn't reading for the facts anymore. I listened to his story and heard the urgency in his voice: a voice from nearly 60 years ago telling us the truth about today." —Daily Kos

WHAT REALLY HAPPENED: THE DEATH OF HITLER

Simon and Schuster Think You Know Everything about the death of Hitler? Think Again. After World War II, 50 percent of Americans polled said they didn't believe Adolf Hitler and Eva Braun had committed suicide in their bunker in 1945, as captured Nazi officials claimed. Instead, they believed the dictator faked his death and escaped, perhaps to

Argentina. This wasn't a crazy opinion: Joseph Stalin told Allied leaders that Soviet forces never discovered Hitler's body and that he personally believed the Nazi leader had escaped justice. At least two German submarines crossed the Atlantic and landed on the coast of Argentina in July 1945. Plus, there were numerous reports of top Nazi officials successfully fleeing to South America where there was a large German colony. Incredible as it sounds, the mystery surrounding Adolf Hitler's final days only deepened in 2009 when a U.S. forensic team announced that a piece of Hitler's skull held in Soviet archives was not actually Hitler's. International interest increased further in 2014 when the FBI released previously classified files detailing investigations surrounding Hitler's possible escape. And the following year, The History Channel launched a three-year reality TV series investigating if it was possible Hitler did somehow survive. So what really happened? Popular history writer Robert J. Hutchinson, author of *What Really Happened: The Lincoln Assassination*, takes a fresh look at the evidence and discovers, once and for all, the truth about Hitler's last week in Berlin. Among the questions the book explores are... * What did surviving Nazi eyewitnesses really say about the Führer's final days in the bunker—and could they have been lying to aid Hitler's escape? * If Hitler didn't escape, why did the Allies not find his body? * What about Hitler's proven use of body doubles? Could Hitler have used a body double in the bunker while he and Eva Braun flew to safety in a long-range aircraft that took off from a runway in Berlin's Tiergarten? * Why did the FBI continue to investigate reports of Hitler's survival for more than a decade after World War II—reports that were only declassified in 2014? * What about sensational claims in books such as *The Grey Wolf* that Hitler and Eva Braun lived in an isolated chalet in the Andes - and that Hitler died in 1962? * Why were forensic tests on crucial physical evidence only conducted in 2016, more than 70 years after World War II ended? * And lots MORE.

MEIN KAMPF

Diamond Pocket Books Pvt Ltd 'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the

invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

THE BUNKER

THE HISTORY OF THE REICH CHANCELLERY GROUP

Da Capo A compulsively readable account of Hitler's last days, written by one of the first Americans to enter Hitler's bunker after the fall of Berlin

THE LAST DAYS OF HITLER

Collier Books In September 1945 the circumstances surrounding Hitler's death were dark and mysterious. Hugh Trevor-Roper, an intelligence officer, was given the task of uncovering the last few weeks of Hitler's life. His brilliant piece of detective work proved finally that Hitler had killed himself and also tells the story of the last days of the Thousand Year Reich in the Berlin Bunker.

ADOLF HITLER

DICTATOR OF NAZI GERMANY

Capstone Presents the life of the German dictator who provoked World War II and conquered most of Europe before his regime was defeated in 1945.

JESSE OWENS, ADOLF HITLER AND THE 1936 SUMMER OLYMPICS

Createspace Independent Publishing Platform Both Jesse Owens and Adolf Hitler grew up in poverty, and each of the two men struggled to find their footing later in life. Owens represented the United States in the 1936 Olympics, after

which he found it difficult to sustain a well-paying job. In turn, Adolf Hitler moved to Vienna as a teenager, following his parents' death, but he never found the financial success he so desperately craved as an artist. He spent most of his time in the city a penniless, unemployed young man. The similarities between the two men end there. While Adolf Hitler became angered and enraged by his circumstances, and by the fate of Germany following the First World War, Jesse Owens went out of his way to help people. Even when he faced the cruelty of racism in the United States, Owens saw the best in others. He spent most of his days working with children and teenagers, making a conscious effort to give them the guidance and support they needed to enact positive change in the world. In contrast, Hitler turned to hatred, divisiveness, and conflict in his attempts to change the world in his image. Owens was an open-minded man who spent his life bettering the lives of his family and the community at large. Even when others asked him to denounce the racist tendencies of Adolf Hitler, he chose to grudgingly respect the German leader. Meanwhile, Hitler's experiences only fuelled his hatred of anyone who was not Aryan and German. In this book, we will explore the lives of both men leading up to the 1936 Berlin Olympics. Then, we will take a closer look at the effects of that summer on the rest of their years. 30 Minute Book Series Welcome to the ninth book in the 30-Minute Book Series. Each book in the series is fast-paced, well-written and accurate, covering the story in as much detail as a short book allows. In less than an hour, you can read or listen to the full book. The text is a perfect companion for your lunch hour, or perhaps a nice distraction on your train ride home from work. About the Author Doug West is a retired engineer, small business owner, and an experienced non-fiction writer with several books to his credit. His writing interests are general, with special expertise in science, biographies, and "How-To" topics. Doug has a Ph.D. in General Engineering from Oklahoma State University.

EVA BRAUN

LIFE WITH HITLER

Vintage A comprehensive portrait of Hitler's long-time mistress discusses the bourgeois existence she shared with him out of the public eye, her role as his trusted confidante, and their double suicide two days after their marriage.

THE DEATH OF ADOLF HITLER

HIS LAST FEW DAYS OF LIFE

ADOLF HITLER LIFE STORY - VOLUME ONE

CreateSpace Adolf Hitler (1889-1945) was the founder and leader of the Nazi Party and the most influential voice in the organization, implementation and execution of the Holocaust, the systematic extermination and ethnic cleansing of six million European Jews and millions of other non-aryans. Hitler was the Head of State, Supreme Commander of the Armed Forces and guiding spirit, or fuhrer, of Germany's Third Reich from 1933 to 1945.

MAKING HISTORY

A NOVEL

Soho Press This “terrific” novel of alternate history asks: What if Hitler had never been born? (The Washington Post). Michael Young is a graduate student at Cambridge who is completing his dissertation on the early life of Adolf Hitler. Leo Zuckermann is an aging German physicist haunted by the Holocaust. Together, they idealistically embark on an experiment to change the course of history. And with their success is launched a brave new world that is in some ways better than ours—but in most ways even worse.

THE TRIAL OF ADOLF HITLER: THE BEER HALL PUTSCH AND THE RISE OF NAZI GERMANY

W. W. Norton & Company “Gripping... a disturbing portrait of how an advanced country can descend into chaos.” —Frederick Taylor, Wall Street Journal The Trial of Adolf Hitler tells the true story of the monumental criminal proceeding that thrust Hitler into the limelight after the failed beer hall putsch, provided him with an unprecedented stage for his demagoguery, and set him on his improbable path to power. Reporters from as far away as Argentina and Australia flocked to Munich for the sensational, four-week spectacle. By the end, Hitler would transform a fiasco into a stunning victory for the fledgling Nazi Party. The first book in English on the subject, The Trial of Adolf Hitler draws on never-before-published sources to re-create in riveting detail a haunting failure of justice with catastrophic consequences.

THE DEATH OF HITLER

THE FINAL WORD ON THE GREATEST COLD CASE IN HISTORY: THE SEARCH FOR HITLER'S BODY

Hodder Paperbacks After two years of nonstop negotiations with the Russian authorities, Jean-Christophe Brisard and Lana Parshina were granted access to secret files detailing the Soviets' incredible hunt to recover Hitler's body: the layout of the bunker, plans for escaping, eyewitness accounts of the Führer's final days, and human remains—a bit of skull with traces of the lethal bullet and a fragment of jaw bone. For the first time, the skull, teeth and other elements were analysed by a medical examiner with cutting edge forensics equipment. The authors use these never before seen documents and research to reconstruct the events in fascinating new detail.

HITLER'S LAST DAY

MINUTE BY MINUTE

Short Books On 30th April 1945 the world is in chaos - American and Russian forces have linked up in the middle of Germany, but the fighting continues. The roads of Germany are full of people - Jews who have survived concentration camps, Allied POWs trying to get home, and Nazis on the run. The civilian population under German control will run out of food in less than a fortnight. The man whose dream of a 1000-year Reich began this nightmare is in a bunker beneath the streets of Berlin saying his farewells. By 3pm he will be dead. This book is pure chronological narrative, as seen through the eyes of those who were there in the bunker, those waiting for news back home, or fighting in the streets of Germany, or pacing the corridors of power in Washington, London and Moscow.

RAVENSBRUCK

LIFE AND DEATH IN HITLER'S CONCENTRATION CAMP FOR WOMEN

Anchor A masterly and moving account of the most horrific hidden atrocity of World War II: Ravensbrück, the only Nazi concentration camp built for women On a sunny morning in May 1939 a phalanx of 867 women—housewives, doctors, opera singers, politicians, prostitutes—was marched through the woods fifty miles north of Berlin, driven on past a shining lake, then herded in through giant gates. Whipping and kicking them were scores of German women guards.

Their destination was Ravensbrück, a concentration camp designed specifically for women by Heinrich Himmler, prime architect of the Holocaust. By the end of the war 130,000 women from more than twenty different European countries had been imprisoned there; among the prominent names were Geneviève de Gaulle, General de Gaulle's niece, and Gemma La Guardia Gluck, sister of the wartime mayor of New York. Only a small number of these women were Jewish; Ravensbrück was largely a place for the Nazis to eliminate other inferior beings—social outcasts, Gypsies, political enemies, foreign resisters, the sick, the disabled, and the “mad.” Over six years the prisoners endured beatings, torture, slave labor, starvation, and random execution. In the final months of the war, Ravensbrück became an extermination camp. Estimates of the final death toll by April 1945 have ranged from 30,000 to 90,000. For decades the story of Ravensbrück was hidden behind the Iron Curtain, and today it is still little known. Using testimony unearthed since the end of the Cold War and interviews with survivors who have never talked before, Sarah Helm has ventured into the heart of the camp, demonstrating for the reader in riveting detail how easily and quickly the unthinkable horror evolved. Far more than a catalog of atrocities, however, Ravensbrück is also a compelling account of what one survivor called “the heroism, superhuman tenacity, and exceptional willpower to survive.” For every prisoner whose strength failed, another found the will to resist through acts of self-sacrifice and friendship, as well as sabotage, protest, and escape. While the core of this book is told from inside the camp, the story also sheds new light on the evolution of the wider genocide, the impotence of the world to respond, and Himmler's final attempt to seek a separate peace with the Allies using the women of Ravensbrück as a bargaining chip. Chilling, inspiring, and deeply unsettling, Ravensbrück is a groundbreaking work of historical investigation. With rare clarity, it reminds us of the capacity of humankind both for bestial cruelty and for courage against all odds.

HITLER

Basic Books er's unlikely rise to power and his uncanny ability to manipulate his fellow man resulted in the deaths of millions of Europeans and a horrific world war, yet despite his colossal role in world history, he remains mythologized and, as a result, misunderstood. In *Hitler*, A.N. Wilson limns this mysterious figure with great verve and acuity, showing that it was Hitler's frightening normalcy—not some otherworldly evilness—that makes him so truly terrifying.

ADOLF HITLER

Greenhaven Press A biography of the World War II German leader, from his boyhood in Austria to his death in the ruins

of Berlin, explains his enormous attractiveness to his followers, as well as the deeds that have made his name a synonym for evil

WHITE NOISE

Penguin A brilliant satire of mass culture and the numbing effects of technology, *White Noise* tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

DEMOCIDE

NAZI GENOCIDE AND MASS MURDER

Routledge This volume is part of a comprehensive effort by Professor Rummel to understand and place in historical perspective the entire subject of genocide and mass murder—what is herein called Democide. It is the third in a series of volumes in which Rummel offers a comprehensive analysis of the 120,000,000 people killed as a result of government action or direct intervention. Curiously, while we have a considerable body of literature on the Nazi Holocaust, we do not have a total accounting—at least not until now with the issuance of *Democide*. In addition to the quantitative lacunae, there remains a paucity of theoretical information distinguishing the historical descriptive and the anecdotal accounts. This study of Nazi killings in cold blood is a path-finding effort in political psychology. While Rummel does not claim to give a definitive accounting, his explanation for the numbers reached—and they are high—is compelling. In addition, we now have a correlation of information on the murder of diverse groups: Jews, Gypsies, Poles, Ukrainians, and even Germans themselves. It is now possible to fathom the Nazi genocidal policies—which were collective and which were selective. Rummel's volume is a clear guide to a murky past. It offers the first systematic effort to ascertain the nature and the extent of the Nazi genocide from the point of view of the perpetrator's aims rather than the victims' consequences. This is not a pretty picture, but it is not a partisan one either. The materials are presented in a clinical as well as a systemic fashion. Rummel has a deep sense of the life-saving instincts of individuals

and the life-taking propensities of impersonal state machinery. It is thus, a humanistic effort, one that plumbs the effects of the Nazi war-machine on innocents in order to better understand present conditions. Professionals ranging from social scientists to demographers will find this a quintessential effort at political reconstruction.

ADOLF HITLER

A CAPTIVATING GUIDE TO THE LIFE OF THE FHRER OF NAZI GERMANY

Explore the Rise of Adolf Hitler Was Hitler, as Ian Kershaw asked, a natural consequence of German history, or an aberration? Not that Hitler had been in hiding, waiting to attack. The Föhrer had actually been following an aggressive and savage foreign policy for almost ten years and been named Man of the Year by Time magazine in 1938. This is not a book about World War II, but about the man, Adolf Hitler, one of the faces and names that still arouse the strongest feelings-repulsion, resentment, and even fanaticism-but one who also had a childhood and a youth, a father, and a mother. It is the road to madness-beginning that day in August of 1934 when he took over absolute power and ordered allegiance and loyalty to him alone-that this book is about. Some of the topics covered in this book include: Hitler's Origins His Inception The anti-Semitic capital of Europe Munich First World War Hitler's Ascension Mein Kampf His Downfall The remains of Adolf Hitler And a Great Deal More that You don't Want to Miss out on! Scroll to the top and select the Add to Cart button now to learn more!

KILLING HITLER

THE PLOTS, THE ASSASSINS, AND THE DICTATOR WHO CHEATED DEATH

Bantam Looks at the diverse unsuccessful attempts to assassinate Adolf Hitler, profiles the various conspirators involved in the incidents, and speculates about the potential global ramifications if one of the attempts had been successful. Reprint. 20,000 first printing.

THE TRUE STORY OF THE AMERICAN WOMAN AT THE HEART OF THE GERMAN RESISTANCE TO HITLER

Little, Brown The INSTANT New York Times Bestseller Winner of the National Book Critics Circle Award for Biography Winner of the PEN/Jacqueline Bograd Weld Award Winner of the Chautauqua Prize Finalist for the Los Angeles Times Book Award Finalist for the Plutarch Award A New York Times Notable Book of 2021 A New York Times BookReview Editors' Choice A New York Times Critics' Top Pick of 2021 Wall Street Journal 10 Best Books of 2021 Time Magazine 100 Must-Read Books of 2021 Publishers Weekly Top Ten Books of 2021 An Economist Best Book of the Year A New York Post Best Book of the Year A Milwaukee Journal Sentinel Best Book of the Year Oprah Daily Best New Books of August A New York Public Library Book of the Week In this “stunning literary achievement,” Donner chronicles the extraordinary life and brutal death of her great-great-aunt Mildred Harnack, the American leader of one of the largest underground resistance groups in Germany during WWII—“a page-turner story of espionage, love and betrayal” (Kai Bird, winner of the Pulitzer Prize for Biography) Born and raised in Milwaukee, Mildred Harnack was twenty-six when she enrolled in a PhD program in Germany and witnessed the meteoric rise of the Nazi party. In 1932, she began holding secret meetings in her apartment—a small band of political activists that by 1940 had grown into the largest underground resistance group in Berlin. She recruited working-class Germans into the resistance, helped Jews escape, plotted acts of sabotage, and collaborated in writing leaflets that denounced Hitler and called for revolution. Her coconspirators circulated through Berlin under the cover of night, slipping the leaflets into mailboxes, public restrooms, phone booths. When the first shots of the Second World War were fired, she became a spy, couriering top-secret intelligence to the Allies. On the eve of her escape to Sweden, she was ambushed by the Gestapo. At a Nazi military court, a panel of five judges sentenced her to six years at a prison camp, but Hitler overruled the decision and ordered her execution. On February 16, 1943, she was strapped to a guillotine and beheaded. Historians identify Mildred Harnack as the only American in the leadership of the German resistance, yet her remarkable story has remained almost unknown until now. Harnack’s great-great-niece Rebecca Donner draws on her extensive archival research in Germany, Russia, England, and the U.S. as well as newly uncovered documents in her family archive to produce this astonishing work of narrative nonfiction. Fusing elements of biography, real-life political thriller, and scholarly detective story, Donner brilliantly interweaves letters, diary entries, notes smuggled out of a Berlin prison,

survivors' testimony, and a trove of declassified intelligence documents into a powerful, epic story, reconstructing the moral courage of an enigmatic woman nearly erased by history.
