Lightbearer

An Mpreg Fantasy Romance

Once upon a time, the devil knocked up a delivery guy. Not your typical intro to a romance, but I promise, it is one. The devil in this scenario would be a sexy horned demon named Apollyon and the delivery guy would be me, Levi Curtis. Just an average guy who got in way over his head trying to keep his twin sister from selling her soul. See, in order to do unleash Hell's demonic wrath upon the earth, Apollyon needs a mortal vessel to contain the seed of his demonic army. It wasn't supposed to be a literal pregnancy, but my overactive imagination has always caused problems. Big problems, in this case. A whole Legion of 'em. I may low-key hate Apollyon, but we're gonna have to learn to tolerate each other in order to keep our little bundle of infernal joy safe and hopefully not destroy both our worlds in the process. But hey, on the plus side, you know what they say about guys with big horns. Lightbearer is an 82k fantasy mpreg romance with dark humor. This is a meta-narrative with intentional tense switching as the story jumps timelines.

System - Book 1

The Light Bearer

When an attempt to reverse entropy on earth throws the world into chaos, a gifted protege emerges as an unlikely symbol of hope after she becomes entangled with an extra-dimensional entity. This is the debut graphic novel from artist Weston Thomson.

The Light Bearer

The slightly OCD princess was finally headed home. Then the felon escaped after kidnapping her champion. Home would have to wait. Princess Eloise, Future Ruler and Heir to the Western Lands and All That Really Matters, was transporting the jester who'd killed a king back home to face justice. Fair enough. But when he escapes (taking Eloise's chipmunk champion with him), Eloise, her guard, and her horse companions must traverse two realms to try to get him back. The Light Bearer (book three of The Western Lands and All That Really Matters series) is a humorous, Discworld-ish novel set in a world of weak magic, talking animals, stupidly long names, and wäY töö mänY ümläüts. If you like quirky, clever characters, lively dialog, and fun, ripping yarns, then you'll love this fabulous third novel from Andrew Einspruch. Get The Light Bearer today and dive into the freshest fantasy series in years.

Dawn of the Lightbearer

The ancient wisdom of the Forest People says that humanity's mages of yore were arrogant. At war with the Nephilim and searching for a means to upset the balance of power, they schemed an assault on heaven itself. Their plan- to capture one of God's chosen, hold it for ransom, and use its great power to vanquish the Nephilim from their land. It was a plot that tempted heaven's wrath and a good smiting to be sure, but against all odds, the mages were successful and ushered forth the dawn of a human age. But now, the light of the cocksure mages has long since dimmed, and cracks form in the prison walls. The race that committed this folly knows not the trespass of their ancestors yet will face punishment all the same. A choice is upon the altar. Will humanity set their prisoner free and thus face judgment and possible doom, or will they rebuild the walls, throw away the door's key, and again bask in the stolen power? The fate of humanity lies with young Erikson Gray and his allies. The time for greatness or peril has come. In the dark periphery, the Nephilim wake again, sensing that a moment of transition is upon the land. Will young Erik and his allies pass these tests and bring the dawn of a second human age, or is it time for the ancient order to again ascend their throne? Find out.

Lightbearer

Bold Strokes Books Inc *Lucifer: fallen angel or martyr of desire? Condemned to die by God and branded a traitor by his fellow fallen angels, Lucifer descends on Boston in a blizzard. He is drawn to humanity and vows to appear before the world again as Lucifer. But with Heaven's longstanding disinformation campaign stacked against him, he does not yet dare. When he learns of a celibate cult, the Wise Virgins, he dons human disguises and enters the lives of two of its leaders, Virgil Caldera and his aunt, Agatha Brimsmead. The powerful archangel Michael, Lucifer's creator and former lover, is*

behind the cult. Michael is convinced that sex is the source of all misery on earth, and has decreed that humans must renounce erotic love or burn in hellfire. The battle of wills and wits is not only over the bodies and souls of Virgil and Agatha, but in that age old struggle between desire and divine authority. Lucifer has one hope of defeating Michael: he must expose the deadly flaw in Michael's plan of salvation. But as long as he remains hidden, he cannot reveal the truth about his past in heaven or the scandal of the world to come. In *The Bible and Milton's Paradise Lost*, Lucifer is portrayed as the angel whose pride caused him to fall from heaven and turn toward evil. In *Lightbearer*, he is the artist, the dissident, and the genius of desire who dares to question the premise of creation itself, and who reveals that sin may be all that stands between us and living hell.

The Light-Bearer

[Capstone Publishing Group LLC](#) Catapults you right into the life of Lucifer, *The Light-Bearer, The Fair Golden One*. Lucifer, called upon to carry the Father's Light of Creation across Eternity, leads the Children in praise, knowledge, and teaching. His greatness and devoted service have but one flaw: vanity. Seduced by unknown curiosities he witnessed during Creation, Lucifer refuses to control the unanswered questions that plague his mind. Even after gentle rebukes from those closest to him, the Light-Bearer cannot admit that there are some things that only the Father should know. And so, slowly, he begins to question, then doubt, and ultimately falls away from his Father's love. Along the way, he coerces many of his Brothers to join him in his rebellion against the Father's sovereignty. As his rejection of the Father and His Son reaches its peak, Lucifer's closest Brother, Michael, must take up arms against him and lead the Father's army in battle to thwart the sinful rebellion.

Light Bearer Preservation

Light The World Up Without Setting Yourself On Fire

Light Bearer Preservation: Light The World Up Without Setting Yourself On Fire is a unique guide designed to help those who illuminate the world to achieve it without burning themselves up or out. Preservation will be had in breaking the cycles of habitually abandoning and denying self in favor of service to others. Right now, you may be asking yourself who is a light bearer and why are they in danger of setting themselves on fire. A light bearer is one who literally shines its light to make the world a better place. They feel commissioned to spread goodness, cheer, truth, and wisdom. The light bearer comes in many shapes, forms, and titles. No matter the model they come in, they are the encouragers who incite and light the world daily. However, since light-bearers are used to carrying the light without regard to themselves, they can easily forget self-care, leading to fatigue and damage. Although the goal of bringing light to the world is an awe-inspiring ideal, it must be tempered with self-preservation. *Light Bear Preservation* is a space to do this in a guided manner. It is partially a piloted journal and, to some extent, a good sense guide. It is chocked full of nuggets of wisdom, affirmations, and motivational messages. Additionally, it has space to digest, reflect and release.

Lucifer's Court

A Heretic's Journey in Search of the Light Bringers

Simon and Schuster Rahn's personal diary from his travels as occult investigator for the Third Reich • First English translation of the author's journeys in search of a Nordic equivalent to Mt. Sinai • Explains why Lucifer the Light Bringer, god of the heretics, is a positive figure Otto Rahn's lifelong search for the Grail brought him to the attention of the SS leader Himmler, who shared his esoteric interests. Induced by Himmler to become the chief investigator of the occult for the Nazis, Rahn traveled throughout Europe--from Spain to Iceland--in the mid 1930s pursuing leads to the Grail and other mysteries. Lucifer's Court is the travel diary he kept while searching for "the ghosts of the pagans and heretics who were [his] ancestors." It was during this time that Rahn grasped the positive role Lucifer plays in these forbidden religions as the bearer of true illumination, similar to Apollo and other sun gods in pagan worship. This journey was also one of self-discovery for Rahn. He found such a faithful echo of his own innermost beliefs in the lives of the heretics of the past that he eventually called himself a Cathar and nurtured ambitions of restoring that faith, which had been cruelly destroyed in the fires of the Inquisition. His journeys on assignment for the Reich--including researching an alleged entrance to Hollow Earth in Iceland and searching for the true mission of Lucifer in the caves of southern France that served as refuge for the Cathars during the Inquisition--also led to his disenchantment with his employers and his mysterious death in the mountains after his break with the Nazis.
