## Door to Door Real Estate Prospecting

### The Complete Guide to Door Knocking for Listings

CreateSpace Want More Real Estate Listings? Then go directly to the source...knock and ask home owners when they plan to move. Sounds simple, right? But of course the devil is in the details: what to say, how to dress, how to get them to talk, how to track results, how to get motivated, how to improve results, what to hand out, how to handle rejection, how to follow up, and most importantly, how to convert leads to appointments. This book was born of experience, not theory. The information comes from both successful and failed door-to-door real estate prospecting efforts. In these pages, you'll see how some agents make over half a million dollars a year from door knocking, and you'll see how others struggle -- giving you a chance to learn from their mistakes. You'll see how new agents got started, and how long it took them to get their first listing. You'll discover what's hard, and how to make it easy. Most importantly, you'll see that it is both possible and realistic to use door knocking as a real estate prospecting approach to generate 10 to 20 listings per year.

### 29 Monster Real Estate Agents' Scripts & Tips

Createspace Independent Publishing Platform My first year in the real estate business, I was a Monster. It was the late 70's and a much different profession. I worked FSBO's, landed my first builder and really focused. I had a blast. I was a Monster and had an annual sales volume that first year of 2.5 million dollars. I could start this book from many directions. Starting at the fact that there was a time when 2.5 million made me a Monster, says it all. The business model has changed dramatically. That was a time when we had an industry award we called the "Million Dollar Club." Few of us attained it and if we did, it went on the business card. It was something to be proud of. Today, you may reach that volume as the co-listing agent on one Luxury Listing. That first year I was taught to get a shoebox and keep 3x5 cards in it with my clients' names and info. It was suggested that I arrange the files by phone number because We did not have databases, individual brands or any concept of how to build a business. No one had an assistant. What we did have was "The Book." All of the listings came out on Tuesday in a book. This huge book was dropped off at midnight and "WE" had the book. We could not share the book with our clients. That is what made us valuable. Without me, they had no information. It was a bit like "Ralph has the conch..." Re/Max was the first big thing to come along. Before that, Monster agents would secretly negotiate our "Split." I got up to 70% if I promised not to tell anyone. Many agents had a 50/50 split their whole career. When the Monsters learned they could pay RE/MAX a desk fee and keep their own money..... it changed everything. There was now a real incentive for forward thinkers to develop their own business model, within the real estate sales context. As they did, Gary Keller found them. Keller sought out the Monsters around the country and shared with all of us, what they had done to become one. In his book, The Millionaire Real Estate Agent, Keller taught us all how to run a business instead of sell houses. Now there are Monsters everywhere. Every community has some real estate agents that are running a business. The old 80/20 rule, no longer applies. In most communities, the Monsters are tipping the scales. The ratio is 90/10 in many MLS groups. There are new business models and strategies that are already proven. It no longer means that you are a great salesperson if you are a Monster. You are probably a great businessperson and are running your business, as one. I love how the best of the best, in our industry are so willing to share. They do not feel threatened. There is plenty for others. Most of them modeled another and they now wish you well. Though there were some interesting differences in their game plan, they had much in common. They

shared with an open heart to me. I hope to do the same with you. The point of this book is not for you to be a Monster. Be one if you choose. The point is to share some strategies the Monsters use and see if some version of that, would improve your life. The goal is to continue on the path of improvement. Here are a few ways others have done so.

## The HyperLocal, HyperFast Real Estate Agent

### How to Dominate Your Real Estate Market in Under a Year, I Did It and So Can You!

#1 Best-Seller on Amazon! According to recent surveys the average real estate agent makes less than \$10,000 a year and close to 90% of new agents will not last more than two years in the business. Fewer than 10% of agents will make over \$100,000 and the majority that do have been in the business for decades. The average real estate agent sells 12 homes a year and for agents that are just starting out that number is less than four. In 2012 Dan Lesniak used a unique strategy to upend the industry trends. In his first year in real estate Dan had over 36 transactions totaling over \$22 million in sold volume, making him one of the most successful rookie real estate agents ever on his way to taking over one of the most competitive market areas in the country, that had previously been dominated by agents with over 10 years experience. In The HyperLocal, Hyper Fast Real Estate Agent, Dan tells how he used the Segmentation, Targeting and Positioning (STP) framework to identify potential markets, choose which ones to go after and how to add massive value to the consumers in that market. This book will teach you how to use the STP framework to enter new markets or increase market share in your existing markets by adding more value to your potential clients and communicating your value proposition to the market. Whether you are a new agent getting started or a veteran agent looking for more growth this book will show you how to do it using examples of how Dan did it in the hyper competitive Arlington, VA (Greater Washington DC) market. What Other Industry Leaders Have Said About the Book "I have been coaching realtors for 22 years. Dan is the best business man who sells real estate that I've ever seen. He has great systems, structures, and processes. That is what separates him from the rest!" -Rick Ruby - Core Head Coach One of my favorite sayings is "follow the yellow brick road." In this book, Dan clearly lays out the path to the Emerald City, avoiding all the dangers of creating your own way. In Dan's first year, he closed over \$22 million in sales, a feat matched by only the tiniest fraction of real estate agents-regardless of experience. ## Poirot Investigates

Graphic Arts Books Here is a sparkling collection of mystery gems, polished puzzlers from the pen of Agatha Christie starring the vain, eccentric and utterly brilliant Hercule Poirot. Hercule Poirot grapples with a chain of mysteries that challenge his ingenuity and display the author's wide-ranging imagination to fine effect. Herein the detective deals with the theft of a gem said to have been the eye of a mysterious idol, a million dollars in bonds that disappear from a locked case, jewel thieves who have conceived of a seemingly impossible theft, and even the kidnapping of the Prime Minister of England. Poirot uses deduction, deception and isn't above creating illusions to reveal a killer, but his foes are often both more unusual and more dangerous than simple murderers. He finds himself battling spies, masters of disguise and even trying to thwart a supposed Egyptian curse. Upon the initial appearance of Poirot Investigates in 1924 reviewers were impressed by the author's ability to create a complete, thoroughly conceived mystery with a surprising but logical solution inside a tight package of perhaps four thousand words. For the next fifty years, writing at any length that took her fancy, Christie would continue to produce some of the finest mysteries ever written. With an eye-catching new cover, and professionally typeset manuscript, this edition of Poirot Investigates is both modern and readable.

## The Billionaire Murders

### The Mysterious Deaths of Barry and Honey Sherman

Penguin NATIONAL BESTSELLER A top journalist crosses the yellow tape to investigate a shocking high-society crime. Billionaires, philanthropists, socialites . . . victims. Barry and Honey Sherman appeared to lead charmed lives. But the world was shocked in late 2017 when their bodies were found in a bizarre tableau in their elegant Toronto home. First described as murder-suicide — belts looped around their necks, they were found seated beside their basement swimming pool — police later ruled it a staged, targeted double murder. Nothing about the case made sense to friends of the founder of one of the world's largest generic pharmaceutical firms and his wife, a powerhouse in Canada's charity world. Together, their wealth has been estimated at well over \$4.7 billion. There was another side to the story. A strategic genius who built a large generic drug company — Apotex Inc. — Barry Sherman was a self-described workaholic, renowned risk-taker, and disruptor during his fifty-year career. Regarded as a generous friend by many, Sherman was also feared by others. He was criticized for stifling academic freedom and using the courts to win at all costs. Upset with building issues at his mansion, he sued and recouped millions from tradespeople. At the time of his death, Sherman had just won a decades-old legal case involving four cousins who wanted 20 percent of his fortune. Toronto Star investigative journalist Kevin Donovan chronicles the unsettling story from the beginning, interviewing family members, friends, and colleagues, and sheds new light on the Shermans' lives and the disturbing double murder. Deeply researched and authoritative, The Billionaire Murders is a compulsively readable tale of a strange and perplexing crime.

## The Book of Yes

### The Ultimate Real Estate Agent Conversation Guide

Createspace Independent Publishing Platform In The Book of YES, you will find the most powerful scripts in the real estate industry today. If you're tired of the same old sales scripts or if you've done away with them all together, I know how you feel because I've been there. I was tired of seeing the same B.S.(bad sales) approaches and I wanted something that felt more natural for me. So I started creating my own scripts, for the simple reason that I hated being told, "No." For me nothing was worse than that feeling of rejection. I was determined to figure out the perfect thing to say in every situation, and how to say it in a way that would cause sellers and buyers to want to say "Yes!" to me every time. This book is the result of that quest. And I've broken it in two unique parts so you can spend less time reading it, and more time using the life changing scripts inside. Part 1 will give you the foundation for making the scripts work for you. Not just some of the time, but every time! You'll master how to inspire sellers to say "YES" to you giving you the magic key to unlock the success you want as a real estate agent. Part 2 Is the actual scripts that allow you to have smooth, choreographed conversations that lead you down the path to more success and more income. included in this section are... Prospecting scripts for sellers that lead up to the listing appointment. My unique Listing Presentation Scripts with examples of exactly how to deliver them for maximum impact. The Buyer Scripts that I've personally used for years to build my own real estate business from scratch. The Objection scripts that will show you how to overcome any objection with ease and never be scrambling for words when a client throws you a curveball. In all there are 27 scripts in this book that will show you how to handle any situation, conversation, and objection that might come your way. And each script has been tested, tweaked and perfected. How do I know this? Because I've used each and every one of them to close millions of dollars worth of real estate in my nearly 2 decade career. I've also taken the time to include things I've picked up over my career that will help take you beyond the scripts... How to identify resistance and influence triggers so you can naturally use the right words and phrases that gets more clients saying YES to you. My practice techniques for memorizing and using these scripts to their full impact. You won't just be pulling words from your memory, you'll be speaking from the heart so you come across as genuine. The "tiny tweaks" that turn a regular script into something powerful. These seemingly little differences can have a huge impact in the way a prospect or client responds to what you say. The 9 Keys to more powerful conversations that go way beyond just the words you say to a

client. I've mastered all 9 of these techniques and each one has made a huge difference in how I present myself to clients. The Book of YES is an action guide, not a book of theory. Think of it as YOUR PLAY BOOK for the key conversations you have with sellers and buyers. Along with the scripts you will find tactical notes on how to use the script, why it works, and when to modify the script for various situations. This book is not about intimidating your clients to agree with you, it's about inspiring them to say YES. And the more they do, the more abundance and success you will have in your life. The ultimate YES is saying YES to your goals, your dreams and your family so you can create the lifestyle that you want.
