New Kid

HarperCollins **Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers' Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, New Kid is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. New Kid is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's Class Act!**

The Fastest Kid on the Block, Large Print

The Mary Glickman Story

Transaction Publishers **Marty Glickman began his career in the mid-1930s, just a few years after sports broadcasting began. Being in the industry during these early days, Glickman is uniquely able to provide a historical perspective on the profession as it has grown into a powerful force in**

sports. In this spirited autobiography he brings to life the most influential teams and personalities in the sports world. Some of the topics he covers in this Large Print edition include growing up in the Depression; high school and college athletics; jocks in broadcasting; originating basketball broadcasting; and recreating baseball games. Glickman discusses being the pioneer broadcaster on cable TV for Home Box Office (HBO), being an announcer coach for NBC and for the Madison Square Garden and Sports Channel cable networks, and coaching the first woman to do play-by-play on a professional football telecast. He also recounts associations and friendships with Bill Bradley, Bill Russell, Red Auerbach, and Allie Sherman. *The Fastest Kid on the Block* concludes with trenchant observations about Glickman's fellow sports broadcasters and personal tips on how to break into the competitive, wonderful world of sports broadcasting.

A New Kid on the Block

The University of South Australia in the Unified National System

Melbourne Univ. Publishing The reconstruction of higher education in Australia at the end of the 1980s radically reshaped many existing universities. However, in South Australia, Dawkins's educational changes brought into existence an entirely new university, the University of South Australia, formed by the merging of two former institutions from the advanced education sector, the South Australian Institute of Technology and the South Australian College of Advanced Education. This volume first traces the unsuccessful path taken by those institutions to form partnerships with the two existing universities in South Australia. Having been rejected by Flinders and the University of Adelaide respectively the two former colleges joined forces and began life as a new university in a new system of higher education. Lacking research funding and access to higher degree students in its previous life, the new university nevertheless had considerable strengths which suited the new system, particularly in equity and links with business and the community. The story of the University of South Australia is one of the most successful of the Dawkins changes. After a shaky start its rapid rise to prominence in South Australia and beyond allows it to be truly seen as 'a new kid on the block' in Australian higher

education.

The Building Blocks of Sales Enablement

American Society for Training and Development **The Ultimate Sales Framework for Achieving Business Success** Sales enablement is no longer the new kid on the block. Having grown rapidly in recent years, it's now considered a best practice at many sales organizations. But there's little alignment across the sales profession on what sales enablement is or how to achieve it, nor is there a formalized strategy on what a sales enablement practice is or requires. In his new book *The Building Blocks of Sales Enablement*, sales enablement expert Mike Kunkle addresses these issues and presents a proven approach that both supports sales talent and achieves true business results. Kunkle lays out an easy-to-follow structure through the concept of building blocks, interconnected by systems thinking and supported by a consistent cadence of training, coaching, and content. Comprehensive and versatile, this book is for senior sales leaders and sales enablement leaders who are starting or evolving a sales enablement function as well as for struggling sales practitioners to use as a diagnostic tool and road map. Chapters detail how to use each building block, with reflective questions and guidance for creating your own analysis and tools. The book also includes a chapter on sales onboarding, separate chapters on how to integrate communication and support services, and recommended resources. Impactful sales enablement projects are basically change management initiatives in disguise. Use the building blocks framework to navigate challenges, measure successes, and determine a path forward to improving business outcomes.

Numeracy as Social Practice

Global and Local Perspectives

Routledge Learning takes place both inside and outside of the classroom, embedded in local practices, traditions and interactions. But whereas the importance of social practice is increasingly recognised in literacy education, *Numeracy as Social Practice: Global and Local Perspectives* is the first book to fully explore these principles in the context of numeracy. The book brings together a wide range of accounts and studies from around the world to build a picture of the challenges and benefits of seeing numeracy as social practice- that is, as mathematical activities embedded

in the social, cultural, historical and political contexts in which these activities take place. Drawing on workplace, community and classroom contexts, *Numeracy as Social Practice* shows how everyday numeracy practices can be used in formal and non-formal maths teaching and how, in turn, classroom teaching can help to validate and strengthen local numeracy practices. At a time when an increasingly transnational approach is taken to education policy making, this book will appeal to development practitioners and researchers, and adult education, mathematics and numeracy teachers, researchers and policy makers around the world.

New Kid Sketchbook

A Place for Your Cartoons, Doodles, and Stories

Clarkson Potter Turn your life into the stuff of cartoons with this drawing sketchbook inspired by the protagonist of the bestselling, award-winning graphic novel *New Kid*, Jordan Banks. Jordan Banks, the New Kid, loves to draw. That's why he always has his sketchbook with him--in case he sees something cool or has a good idea he wants to remember. So author Jerry Craft created this sketchbook for kids like Jordan who want to draw. There's lots of room for practicing all kinds of drawing styles, manga, cartoons, comic strips, sketching, and doodling, plus some tips on how to get better at it. Because drawing panels and speech bubbles by hand can get wobbly, there's a ruler you can tear off in the front to make straight lines, and some speech bubble stencils on a panel in the back that you can tear off and trace onto your cartoons. One thing Jordan knows is: the more you draw, the better you'll get. So pick up your pencil, start drawing, and remember to have fun.

The New Kids

Big Dreams and Brave Journeys at a High School for Immigrant Teens

Simon and Schuster **Some walked across deserts and mountains to get here. Others flew in on planes. One arrived after escaping in a suitcase. And some won't say how they got here. These are "the new kids": new to America and all the routines and rituals of an American high school, from lonely first days to prom. They attend the International High School at Prospect Heights in Brooklyn, which is like most high schools in some ways—its halls are filled with students gossiping, joking, flirting, and pushing the limits of the school's dress code—but all of the students are recent immigrants learning English. Together, they come from more than forty-five countries and speak more than twenty-eight languages. A singular work of narrative journalism, *The New Kids* chronicles a year in the life of a remarkable group of these teenage newcomers—a multicultural mosaic that embodies what is truly amazing about America. Hauser's unforgettable portraits include Jessica, kicked out of her father's home just days after arriving from China; Ngawang, who spent twenty-four hours folded up in a small suitcase to escape from Tibet; Mohamed, a diamond miner's son from Sierra Leone whose arrival in New York City is shrouded in mystery; Yasmeen, a recently orphaned Yemeni girl who is torn between pursuing college and marrying so that she can take care of her younger siblings; and Chit Su, a Burmese refugee who is the only person to speak her language in the entire school. The students in this modern-day Babel deal with enormous obstacles: traumas and wars in their countries of origin that haunt them, and pressures from their cultures to marry or to drop out and go to work. They aren't just jostling for their places in the high school pecking order—they are carving out new lives for themselves in America. *The New Kids* is immersion reporting at its most compelling as Brooke Hauser takes us deep inside the dramas of five International High School students who are at once ordinary and extraordinary in their separate paths to the American Dream. Readers will be rooting for these kids long after reading the stories of where they came from, how they got here, and where they are going next.**

Class Act

HarperCollins New York Times bestselling author Jerry Craft returns with a companion book to *New Kid*, winner of the 2020 Newbery Medal, the Coretta Scott King Author Award, and the Kirkus Prize. This time, it's Jordan's friend Drew who takes center stage in another laugh-out-loud funny, powerful, and important story about being one of the few kids of color in a prestigious private school. Eighth grader Drew Ellis is no stranger to the saying "You have to work twice as hard to be just as good." His grandmother has reminded him his entire life. But what if he works ten times as hard and still isn't afforded the same opportunities that his privileged classmates at the Riverdale Academy Day School take for granted? To make matters worse, Drew begins to feel as if his good friend Liam might be one of those privileged kids. He wants to pretend like everything is fine, but it's hard not to withdraw, and even their mutual friend Jordan doesn't know how to keep the group together. As the pressures mount, will Drew find a way to bridge the divide so he and his friends can truly accept each other? And most important, will he finally be able to accept himself? *New Kid*, the first graphic novel to win the Newbery

Medal, is now joined by Jerry Craft's powerful Class Act.

Good Sports

Rhymes about Running, Jumping, Throwing, and More

Dragonfly Books **Exhilarating, all-new, kid-friendly rhymes capture the range of emotions, from winning to losing to the sheer joy of participating, that children experience as they discover the games of their choice. Jack Prelutsky, a virtuoso at making poetry fun for the elementary school crowd, includes in this inspired collection poems about baseball, soccer, football, skating, swimming, gymnastics, basketball, karate, and more. His signature lighthearted humor in verse that trips off the tongue is coupled here with the 2006 Caldecott Medal winner Chris Raschka's lickety-split, stylized (and stylish) watercolors. Every page is a blaze of color and motion. Whether Good Sports will create good sports remains to be seen, but it will prove to young boys (and girls) that reading poetry can be fun.**

Arthur's Teacher Trouble

Third-grader Arthur is amazed when he is chosen to be in the school spellathon.

Pizazz

Simon and Schuster **Nine-year-old superhero Pizazz relates how difficult it is to be a superhero, especially when, after moving to a new school, she is made "eco monitor" for her class.**

Something Big Has Been Here

Harper Collins **Something big is right here! It is this book of wonderful, funny new poems by Jack Prelutsky. If you've read The New Kid on the Block, you have some idea of the treat ahead. And if you haven't, all you have to do is start reading! Here are four vain and ancient tortoises, a rat of culture, Super Samson Simpson, a meat loaf that defies an ax, five flying hotdogs--and many, many more people, animals, and things that are destined to become part of the lives of everyone who loves to laugh. Say them, chant them, learn them by heart, or just read them--Jack Prelutsky's poems are incomparable. The long-awaited companion to The New Kid on the Block. "A wealth of funny new verse from a favorite poet. Prelutsky's comic muse is at its best here....Another winner."--Kirkus Reviews. "Prelutsky has done it again."--School Library Journal**

A Very Punchable Face

A Memoir

Crown "Saturday Night Live head writer and Weekend Update co-anchor, Colin Jost, has six sets of stitches on his face alone. He's been punched in at least four different sketches on Saturday Night Live, including once by his boss, Lorne Michaels. But if there's one trait that makes someone well suited to comedy, it's being able to take a punch-metaphorically and, occasionally, physically. From growing up as an overweight kid in a family of firefighters on Staten Island to commuting three hours a day to high school and "seeing the sights" (like watching a Russian woman throw a stroller off the back of a ferry) to attending Harvard while Facebook was created (and choosing comedy instead!), Colin shares how he has navigated the world like a "slightly smarter Forrest Gump." You'll also discover things about Colin that will surprise and confuse you. You'll go behind the scenes at SNL (where he's written some of the most iconic sketches and characters of the past fifteen years) and Weekend Update (where's he's been "the white guy next to Leslie Jones.") And you'll experience the life of a touring stand-up comedian-from performing in rural cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall. For every accomplishment (hosting the Emmys), there is a setback (hosting the Emmys). And for every absurd moment (watching paramedics give CPR to a raccoon), there is an honest, emotional one (recounting his mother's experience on the scene of the Twin Towers' collapse on 9/11.) A Very Punchable Face reveals the brilliant mind behind some of the dumbest sketches on television and lays bare the heart and humor of a hardworking guy-with a face you can't help but want to punch."--

Central and Eastern Europe in the EU

Challenges and Perspectives Under Crisis Conditions

Routledge Since the onset of the global financial crisis in 2008, the EU has been in almost permanent crisis mode. It is witnessing new dimensions of internal differentiation among its member states, and the migration crisis has shown that the Central and Eastern European countries (CEEs) in particular are slowly but certainly transforming themselves from predominantly passive policy-takers towards becoming more active players in the process of shaping the EU's governance agenda. This edited volume offers the first comprehensive and critical insight into how the CEEs position themselves in the EU's changing internal and external environment, their stance towards the European integration process under current crisis conditions, and what political and economic strategies they prioritize.

Larger Than Life

A History of Boy Bands from NKOTB to BTS

Black Dog & Leventhal This nostalgic, fully-illustrated history of boy bands -- written by culture critic and boy band stan Maria Sherman -- is a must-have for diehard fans of the genre and beyond. The music, the fans, the choreography, the clothes, the merch, the hair. Long after Beatlemania came and went, a new unstoppable boy band era emerged. Fueled by good looks and even greater hooks, the pop phenomenon that dominated the '80s, '90s, and 2000s has left a long-lasting mark on culture, and it's time we celebrate it. Written by super fan Maria Sherman for stans and curious parties alike, *Larger Than Life* is the definitive guide to boy bands, delivered with a mix of serious obsession and tongue-in-cheek humor. *Larger Than Life* begins with a brief history of male vocal groups, spotlighting The Beatles, the Jackson 5, and Menudo before diving into the building blocks of these beloved acts in "Boy Bands 101." She also focuses on artists like New Edition, New Kids on the Block, Backstreet Boys, *NSYNC, One Direction, and BTS before ending with an interrogation into the future of boy bands. Included throughout are Tiger Beat-inspired illustrations, capsule histories of the swoon-iest groups, in-depth investigations into one-hit wonders, and sidebars dedicated to conspiracy theories, dating, in-fighting, haters, fan fiction, fashion (Justin and Britney in denim, of course), and so much more. Informative, affectionate, funny, and never, ever fan-shaming, *Larger Than Life* is the first and only text of

its kind: the ultimate celebration of boy bands and proof that this once maligned music can never go unappreciated.

"Could Be Worse!"

Harper Collins "Unexcitable Gramps surprises everyone with a whopping tale of derring-do that proves there's life in the old boy yet. Stevenson's watercolors couldn't be better."--School Library Journal.

I Wanna New Room

Penguin A hilarious companion to I Wanna Iguana. Ever since their baby sister came along, Alex has been forced to share a room with his little brother, Ethan, and it's a nightmare. Ethan always breaks stuff, snores like a walrus, and sticks crayons up his nose. No hardworking, well-behaved, practically grown-up boy like Alex should have to put up with that! Writing letters to his mom convinced her to let him get his pet iguana, so Alex puts pencil to paper again, this time determined to get his own room. Though all of his powers of persuasion can't get his dad to expand the house, he does come through with a fun alternative to give Alex some space of his own.

Woman Evolve

Break Up with Your Fears and Revolutionize Your Life

Thomas Nelson A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In Woman Evolve, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why it's important to truly care for

yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may have changed how you viewed God, others, and yourself, but in *Woman Evolve*, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.

Pinocchio, the Tale of a Puppet

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. *Pinocchio, The Tale of a Puppet* is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

Tacky

Love Letters to the Worst Culture We Have to Offer

Vintage **"TACKY is about the power of pop culture -- like any art, low or high -- to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fifteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we've learned to hate to love -- frosted tips and glosses, Sex and the City, The Cheesecake Factory -- into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact and its entwinement with Rax's millennial coming-of-age: an essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father, who loved the show; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures a personal and generational experience with clarity, humor, and heartfelt honesty"--**
