### ODD MAN OUT

---

---

#### THE STORY OF THE SINGAPORE TRAITOR

---

*Trafalgar Square* Two days after the start of the 1941 invasion of Malaya, Captain Patrick Stanley Vaughan Heenan, a New Zealander serving in the Indian Army, was caught sending secret codes to the Japanese. The authorities ordered an immediate blackout of all information on his arrest, and the secrets he betrayed were ordered to be suppressed for 100 years. This book looks at these secrets and how they enabled the Japanese to win the air war and then dominate the campaign. It also looks at the reasons behind his behaviour and what caused his guards to become his executioners.

#### WHAT'S IN YOUR SURNAME?: THE FASCINATING STORY OF BRITISH SURNAMES

---

*Brazen Head Publishing* Have you ever thought about your own surname? Wondered about the stories behind them, especially if they are unusual? This Amazon NUMBER 1 BESTSELLING BOOK (Genealogy) tells the engaging story of when our surnames first came into use, why they were necessary and how people acquired them. After spending decades writing and researching the history of names, William Lewis presents in 'What's in your Surname?' a journey through the quite diverse origins of English surnames citing hundreds of examples along the way. On this engaging journey you will discover the origin of last names, from disparaging nicknames to saints' names and how history has shaped the creation of and evolution of surnames. There have been many books with surnames as their theme: dictionaries of surnames, books about unusual surnames, heraldry, researching family history and so forth, but very few look at British history solely through surnames. From Baker, Barratt and Bell through to Belcher, Blanchflower and Bugg, William Lewis covers the history of commonplace and exotic surnames in equal measure. A joy to read whether cover-to-cover or dipped into as a treasury of sources, 'What's in your Surname?' offers an engaging, vivid and revealing historical portrait of English surnames - and the unique and diverse places from whence they came. Read 'What's in your Surname?' today to discover the fascinating origins of hundreds of English surnames

#### TALKING TRINITIES

---

---

#### FOOTBALL'S GREATEST TRINITIES

---

*John Maguire* Welcome to this series of Short Talking Books. This volume focuses on some of the greatest midfield trinities the British game has ever seen. It is written in a conversational question and answer format. The print size offers an easier read for small devices like mobile phones.

---

#### SAUNDERS VILLA

---

---

#### RON SAUNDERS AT ASTON VILLA

---

*John Maguire* Welcome to this series of Short Talking Books. This volume focuses on Ron Saunders success in winning Aston Villa the Football League Championship in 1981. The book includes short profiles of the team and others who played a part in their biggest success. It is written in a conversational question and answer format. 'The Talking Manager's' series is designed as a 'on the go' travel book. The print size offers an easier read for small devices like mobile phones. Look for others in the series.

---

#### THE ODD MAN OUT

---

*Pitch Publishing* A detailed account of Ron Saunders's Aston Villa reign, The Odd Man Out tells how, against a backdrop of board room and player disharmony, he guided them to a first league title in 71 years (and thus far their last), only to sensationally quit the following season and join arch rivals Birmingham City with Villa on the brink of European Cup glory.

---

#### ODD MAN OUT

---

*eBook Partnership* Ron Saunders is the one manager in over a century to guide Aston Villa to English football's summit. The Odd Man Out is an exhaustive account of how he did so. How he took the Midlanders to promotion from the old Division Two in his first season. How he created and dismantled arguably the most exciting Villa side of modern times - one that inflicted Liverpool's heaviest defeat of

the entire 1970s. How he achieved two League Cup triumphs in three years, including a three-game final with Everton that will remain the longest in history. How he battled with 'Deadly' Doug Ellis - and won! Then, how he fell out with and ultimately sold fans' favourite Andy Gray and replaced him with a journeyman striker in Peter Withe, before steering the club to its first league title in 71 years. It also explores the mystery of his sudden resignation with Villa on the brink of European Cup glory, joining their bitterest rivals only nine days later. Saunders's tough-guy reputation has overshadowed his achievements. The Odd Man Out casts a whole lot more light upon them.

---

### **ODD ONE OUT**

---

*Crown Books For Young Readers* High school juniors and best friends Courtney and Jupe, and new sophomore Rae, explore their sexuality and their budding attractions for one another.

---

---

---

#### **A YEAR ON THE MOUND WITH A MINOR LEAGUE MISFIT**

---

*Penguin* A hilarious inside baseball account of year in the minor leagues Odd Man Out captures the gritty essence of our national pastime as it is played outside the spotlight. Matt McCarthy, a decent left-handed starting pitcher on one of the worst squads in Yale history, earned a ticket to spring training as the twenty-sixth-round draft pick of the 2002 Anaheim Angels. This is the hilarious inside story of his year with the Provo Angels, Anaheim's minor league affiliate in the heart of Mormon country, as McCarthy navigates the ups and downs of an antic, grueling season, filled with cross-country bus trips, bizarre rivalries, and wild locker-room hijinks.

---

### **ODD MAN OUT**

---

*Groundwood Books Ltd* While visiting his grandmother, Kip discovers his late father's secret notebooks, lists, and a confidential report that reveals a dangerous secret plan, but disaster strikes when he decides to reveal this information to others.

---

### **ODD MAN OUT**

---

---

#### **A MEMOIR OF THE HOLLYWOOD TEN**

---

*SIU Press* This documentation of the architecture of Santa Barbara, California has grown since the first edition was published in 1970: the second (1980) saw an expanded format and some 150 new photographs, and the third includes still more pages and photographs. The architectural examples presented here, selected from thousands taken on a block-by-block survey, were chosen for purity of style, historical significance, and uniqueness. Each clear and beautiful black and white photo is captioned with information on the original owner or building title; date of construction; name of architect, designer, or builder; address; and alterations or additions to the building. 11x10" Annotation copyright by Book News, Inc., Portland, OR

---

### **THE ODD MAN OUT -THE TAREAN PROPHECY-**

---

*The Odd Man Out-The Tarean P* Noel Rea relates this incredible account of an Alien abduction and his subsequent journey to another part of the galaxy. This is the story of what happened leading up to the abduction and the chain of events that took place on another planet, including an amazing prophecy of the future of our world. Covers the life story of the author and the aftermath upon his return to Earth. The revelations that are contained within this epic include mind control by other dimensional beings, how humanity has been manipulated by government and medical conspiracies and what lies in wait for us all as we head towards the year 2012. Noel's insight into relationships, self help, meditation and healing is also covered in this amazing book, which will give us all a greater understanding of the worlds around us.

### **ODD MEN OUT**

---

---

#### **MALE HOMOSEXUALITY IN BRITAIN FROM WOLFENDEN TO GAY LIBERATION: REVISED AND UPDATED EDITION**

---

*Manchester University Press* From government ministers and spies to activists, drag queens and celebrities, Odd men out charts the tumultuous history of gay men in 1950s and 60s Britain. It takes us from the earliest tentative steps towards decriminalisation to the liberation movement of the early 1970s. Along the way, it catalogues shocking repression, including laws against homosexual activity and the use of brutal medical 'treatments'. Odd men out draws on medical data and opinion polls, broadcast recordings, theatrical productions, and extensive interviews with key players, as well as an in-depth analysis of the Wolfenden Report and the circumstances surrounding its creation. It brings to life pivotal moments in gay mens' cultural representation, ranging across the West End and emerging writers like Joe Orton, the British film industry, the BBC, national newspapers, fashion catalogues and music magazines. Celebrating the joy of gay lives as well as the hardships, Odd men out preserves the voices of a disappearing generation who revolutionised what it meant to be a gay man in twentieth-century Britain.

### **ODD MAN OUT**

---

---

#### **READINGS OF THE WORK AND REPUTATION OF EDGAR DEGAS**

---

*Getty Publications* In Odd Man Out, Carol Armstrong offers an important study of Edgar Degas's work and reputation. Armstrong grapples with contradictory portrayals of Degas as odd man out within the modernist canon: he was a realist whom realists rejected; a storyteller in pictures who did not satisfy novelist-critics; a painter of modern life who was not a modernist; a member of the impressionist group who was no impressionist. Armstrong confronts these and other paradoxes by analyzing the critical vocabularies used to describe Degas's work. By reading several groups of the artist's images through the lens of a sequence of critical texts,

Armstrong shows how our critical and popular expectations of Degas are overturned and subverted. This is a reprint of the book first published by the University of Chicago Press in 1991.

## **PINTER'S ODD MAN OUT**

---

### **STAGING AND FILMING OLD TIMES**

---

*Bucknell University Press* "Pinter's Odd Man Out records Sidney Homan's experience directing the playwright's Old Times for both stage and television. His most commercially successful play, and surely one of his best, no other work of Pinter's has generated more critical and scholarly commentary - or more varied, sometimes conflicting readings." "In the two opening chapters Homan surveys the theatrical and critical history of the play before describing the "generic" world of Pinter that provides the context of Old Times: secluded rooms, their occupants, and the visitor who, in seeking entrance, challenges the room's exclusive yet deceptive serenity; the outside and the threat it poses; the subtext pressing on the dialogue; the power of the past and perception; the "presence" of the play itself; characters who function as artists; the issue of gender; mother and father figures; and the silence of Pinter's pauses." "Homan then describes his company's preparations for the performance, ranging from the director's concept, the set, props, costumes, lighting, and music to blocking and the rehearsal period. After his own account of the stage production and the ways in which the audience "taught" the performers through their reactions to and discoveries about the play, Homan turns to his actors (Stephanie Dugan, Thomas Pender, and Sandra Langsner) who, in their own words, describe how they wrestled with the characters of Kate, Deeley, and Anna from rehearsals to performance." "A chapter on "The Camera as Guest" records the experience of filming the stage play. Here the focus is on the technological and aesthetic differences between the media of television and the stage, and what effect such differences had on the filmed version of Old Times. To what degree does the camera allow the director to assert more control? What changes in blocking, set, and lighting were required?" "In an appendix Homan looks at Carol Reed's 1950s film Odd Man Out, which figures prominently in Old Times, and which may have been a source (in a highly flexible use of that term) for the play." "On the surface, Pinter's Odd Man Out concentrates on a single play. In reality, it is about the ways in which people in the theatre approach a production, the process they go through from rehearsals to opening night, and the complex interaction among playwright, director, actors, and audience. It also raises the issue of what happens when a work intended for the stage is translated to another medium, such as television. If the book at times suggests that the worlds of the scholar and the theatre professional are different, indeed incompatible in some ways, it also shows how the two professions can learn from each other."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. ### **ODD MAN OUT**

---

*AuthorHouse* In the tranquil South of the 1950s, identical triplets are a medical rarity. Though alike in appearance, Matthew, Mark, and Luke Reilly are as different as three brothers can be, and compete fiercely to claim their individuality. Amid the violence of the Vietnam War, each discovers his unique calling, breaking the widely held notion they are an indivisible trio. After Matthew is killed in an ambush, the surviving brothers return to a country they no longer recognize, and become estranged while pursuing career paths as divisive as the war itself. Luke wields power as a "starmaker" in the big leagues of national politics, while Mark earns the stars of a Marine Corps general. Years later, both find themselves serving a troubled president, embroiled in a fight for his political life. For a group of powerful conspirators, sex scandals are the least of their worries. If more serious transgressions are disclosed, lives both

inside and outside the White House gates will be ruined. Arranging the assassination of the century seems the cleanest solution. Aided by a modern-day Judas in the president's inner circle, a mysterious assassin known only as Cain is contracted to carry out the assignment. In the shocking conclusion, choices made by young men at war collide with their present beliefs. Three decades removed from the war that shaped their generation, the faithful and the faithless confront a life-and-death contest at Camp David. Like a deadly version of Musical Chairs, some will live . . . some will die . . . . . One will permanently find himself the Odd Man Out.

---

## **ODD MAN OUT**

---

*Beachfront Press* A half-million dollars in campaign money is missing and so is campaign manager Lowell Johnson. Everyone except Johnson's assistant Patty Moran believes he has left the country with the money. Seeking justice for her friend and mentor, she enlists a Minneapolis private investigator in what soon becomes a lethal version of hide and seek.

---

## **THE WATERFALL & ODD MAN OUT**

## **AMAZING STORIES**

---

---

### **FREEZING COLD TAKES: NFL**

---

---

### **FOOTBALL MEDIA'S MOST INACCURATE PREDICTIONS—AND THE FASCINATING STORIES BEHIND THEM**

---

*Running Press Adult* Sports fans love holding media "experts" accountable for bad predictions. Since 2015, Fred Segal has chronicled "unprophetic" sports predictions on the internet. His Freezing Cold Takes social media pages feature quotes and predictions from members of the sports world that have aged poorly or were, in hindsight, flat-out wrong. The pages have become a guilty pleasure for hundreds of thousands of sports fans who love to see (okay, and mock in good humor) sports media's infamous "hot takes" that went cold. With this book, Segal focuses on the NFL, and provides a vast collection of poorly aged predictions and analysis from NFL media members and personalities about some of the most famous teams and players in the league's history. He also explores ill-fated commentary related to draft picks, hiring decisions, and some of the NFL's most notable games. But this book is not simply a list of quotes. It delves through content mined from internet archives and original interviews with media, players, and coaches. Segal provides important background surrounding each featured mistake to offer essential context as to why the ill-fated prediction was made as well as why the personality who made the prediction is eating their words. Together, the fourteen chapters—each spotlighting Freezing Cold Takes about a specific team or topic within a certain defined period—create a wholly unique and endlessly entertaining lens through which to explore NFL history. A few illustrative examples: (1987-94 San Francisco 49ers): "The 49ers should do everyone a favor. Trade Steve Young. The myth. And the man." (1989-93 Dallas Cowboys): "The Vikings fleeced the Cowboys to get Herschel Walker" (2000 New England Patriots): "The Patriots will regret hiring Bill Belichick" (2008 Green Bay Packers): "Brian Brohm has more upside than Aaron Rodgers" (NFL Draft Picks): "The Dolphins could have had their next Dan Marino if they selected Brady Quinn" (2007)

---

## **THE FINEST YEARS**

---

---

### **BRITISH CINEMA OF THE 1940S**

---

*Bloomsbury Publishing* The British cinema during the 1940s was enjoying an unlikely renaissance. During the Second World War and its aftermath, filmmakers were finding a new freedom to reflect the national mood, producing works of unparalleled ambition and boldness. Films like "Henry V", "Brief Encounter", "The Red Shoes" and "The Third Man" have become enduring classics of British and world cinema. Now in paperback and with a new Preface, "The Finest Years" chronicles these seminal years for British cinema through the characters and aspirations of some of its leading personalities. Drawing on extensive interviews and original research, it brings to life the atmosphere, ambience and connections of a unique film-making community. It offers a critical but sympathetic, fresh view of

well-known individuals such as Carol Reed, David Lean and Michael Balcon. It also introduces readers to some lesser known, equally significant figures, including the flamboyant Italian impresario Filippo Del Giudice, and Robert Hamer, the maverick director of the Ealing comedy masterpiece *Kind Hearts and Coronets*. Charles Drazin demonstrates with affection and erudition how all of these and many more fine talents made the 1940s British cinema's renaissance years.

## **THE ODD MAN KARAKOZOV**

---

### **IMPERIAL RUSSIA, MODERNITY, AND THE BIRTH OF TERRORISM**

---

*Cornell University Press* On April 4, 1866, just as Alexander II stepped out of Saint Petersburg's Summer Garden and onto the boulevard, a young man named Dmitry Karakozov pulled out a pistol and shot at the tsar. He missed, but his "unheard-of act" changed the course of Russian history-and gave birth to the revolutionary political violence known as terrorism. Based on clues pulled out of the pockets of Karakozov's peasant disguise, investigators concluded that there had been a conspiracy so extensive as to have sprawled across the entirety of the Russian empire and the European continent. Karakozov was said to have been a member of "The Organization," a socialist network at the center of which sat a secret cell of suicide-assassins: "Hell." It is still unclear how much of this "conspiracy" theory was actually true, but of the thirty-six defendants who stood accused during what was Russia's first modern political trial, all but a few were exiled to Siberia, and Karakozov himself was publicly hanged on September 3, 1866. Because Karakozov was decidedly strange, sick, and suicidal, his failed act of political violence has long been relegated to a footnote of Russian history. In *The Odd Man Karakozov*, however, Claudia Verhoeven argues that it is precisely this neglected, exceptional case that sheds a new light on the origins of terrorism. The book not only demonstrates how the idea of terrorism first emerged from the reception of Karakozov's attack, but also, importantly, what was really at stake in this novel form of political violence, namely, the birth of a new, modern political subject. Along the way, in characterizing Karakozov's as an essentially modernist crime, Verhoeven traces how his act profoundly impacted Russian culture, including such touchstones as Repin's art and Dostoevsky's literature. By looking at the history that produced Karakozov and, in turn, the history that Karakozov produced, Verhoeven shows terrorism as a phenomenon inextricably linked to the foundations of the modern world: capitalism, enlightened law and scientific reason, ideology, technology, new media, and above all, people's participation in politics and in the making of history.

## **THE ODD MAN IN**

---

### **MUGABE'S WHITE-HAND MAN**

---

*African Books Collective* Denis Norman was born into an ordinary farming family in Oxfordshire, England in 1931, and 22 years later he travelled to Africa to become an assistant on a tobacco farm in Southern Rhodesia. Within a few years, he had bought his own farm, and had begun to rise through the ranks of the country's agricultural administration. He was President of the Commercial Farmers Union when Robert Mugabe came to power in 1980 and, with no previous political affiliations, he was appointed Minister of Agriculture in the inaugural Zimbabwean government. His story throws a unique and fascinating light on the political and economic development of Zimbabwe. His assessment of its politicians; whether colleagues or adversaries; is candid and acute. In particular he offers an unusually nuanced and rarely glimpsed portrait of Mugabe, who, having asked him to leave government after the 1985 elections, later invited him back to be Minister of Transport, then Minister of Energy, and finally Minister of Agriculture again before Norman resigned in 1997. Written with a fine balance of the personal, the professional and the political, this memoir offers an observant insiders view of the early promise, and subsequent decline, of a newly independent country finding its way in the world. Denis Norman faced many difficult situations as a government minister, but his penchant for focusing on the positive earned him the nickname, *Nothing Wrong Norman*. His engaging story reflects his encouraging attitude and he remains hopeful for the future.

## **AMAZING SPIDER-MAN VOL. 4**

---

### **LIFE & DEATH OF SPIDERS**

---

*Marvel Entertainment* Collects Amazing Spider-Man (1999) #46-50. Was the radioactive spider bite that granted Peter Parker his amazing abilities an accident...or something more? Now the mysterious Ezekiel offers him a shocking explanation: Peter may be the latest in an ancient line of humans gifted with supernatural spider powers. But Peter won't have much time to ponder his origins, as his existence has drawn the attention of Shathra, an otherworldly being who sees Spider-Man as her prey. Overpowered and on the run, the web-slinger has only his wits and his courage to keep him from becoming Shathra's next meal. The Life and Death of Spiders also features the long-awaited reunion of Mary Jane and Peter. With one last chance to be together, will this couple finally reconcile?

### **SCREENWRITERS**

---

*Clube de Autores* Screen-writing is a unique literary form. Screenplays are like musical scores, in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers. They are written using technical jargon and tight, spare prose to describe set directions. Unlike a novella, a script focuses on describing the literal, visual aspects of the story rather than on its characters internal thoughts. In screen-writing, the aim is to evoke those thoughts and emotions through subtext, action, and symbolism. Prominent Hollywood script doctors include Steve Zaillian, William Goldman, Robert Towne, Mort Nathan, Quentin Tarantino etc., while many up-and-coming screenwriters work as ghost writers. This book is a modest catalogue of some of the most prominent screenwriters, listed from A to Z. The good are sometimes bad, and they can be even... Ugly. Many comments herein included were googled in deference to the multiplicity of information available today, yet they reflect exactly - or almost - what I thought. An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature. It all comes down to watching the truth 24 times per second, to quote Jean-Luc Godard s phrase. Not to mention that such truth may include sex scenes, violence, pedophilia, etc. We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones. We know, conversely, that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly, thanks to A. I. Bezzerides script. As a former screenwriter, Mr. Correa must avow that he found the job most gratifying. Writing that looks effortless is often hellish to write and revise. It was something he did have to slog through, but it proved particularly pleasing. Editing, discussing & finishing your work is particularly gratifying. Identifying your flaws and working to mitigate them is also gratifying. It is a general perception that creative careers are more interesting and fun than others. But the privilege of earning money through imagination and creativity is effectively hard-won. Please comment at will. Please disagree at will. Be facetious in your remarks, but please be neither vicious nor mean-spirited.

*Harlequin* A collection of stories featuring tough female heroines uncovering secrets and solving crime from bestselling Harlequin Intrigue authors Debbie Herbert, Rita Herron, and Barb Han! Appalachian Prey by Debbie Herbert Originally released by Harlequin Intrigue in 2018 After her father's murder, pregnant Lilah Tedder dreads facing deputy Harlan Sampson, her child's secret father, who left her heartbroken. Though she still wants him, Lilah knows his professional ambition won't let him associate with a moonshiner's daughter. But when a killer targets Lilah, Harlan becomes more than her protector. Now they must uncover old family secrets or pay the ultimate price. Left to Die by Rita Herron Originally released by Harlequin Intrigue in 2020 When she's discovered by ranger Fletch Maverick as she's fighting for her life in a blizzard, she has no memory of who she is or how she got there. But according to Fletch's

lawman brother, Jane Doe might be involved in a case that just landed on his desk. As Fletch struggles to figure out who this mystery woman really is, he and Jane first have to survive in the wilderness. But can they also resist the magnetic pull between them before it's too late? What She Saw by Barb Han Originally released by Harlequin Intrigue in 2020 Deputy Courtney Foster's brief fling with Texas ranch owner Jordan Kent was her time-out after getting shot in the line of duty. Only now she's hunting a killer...and she's just discovered she's pregnant. Jordan will put everything on the line to work with Courtney and capture whoever has suddenly turned his sights on the mother-to-be. Before long, they're in a race against the clock to stop a murderer from obliterating all their futures.
