Scent of a Woman

[Penguin UK](#) **Two soldiers travel across Italy at the height of summer: one is blind, graceful, gleefully vicious and wears a prosthetic arm; the other, 20 years his junior, is his guide. But as the men drink their way through the bars and brothels of Genoa, Rome and Naples, just who is guiding who?**

The Scent of a Woman

"Every Woman Has a Scent by Which She Is Distinguished. What Is Yours?"

[Xlibris Corporation](#) **There is nothing more beautiful to see than seeing a woman who is sure of herselfnot conceited, but confident; sound in her thinking; and strong in her stand; vulnerable, but not weak. She makes a statement without uttering a word. Her presence fills a room like a sweet-smelling aroma. She does not even desire the attention, but it cant be helped. Her scent announces her!**

The Scent of Holiness

Lessons from a Women's Monastery

[Ancient Faith Publishing](#) **Every monastery exudes the scent of holiness, but women's monasteries have their own special flavor. Join Constantina Palmer as she makes frequent pilgrimages to a women's monastery in Greece and absorbs the nuns' particular approach to their spiritual life. If you're a woman who's read of Mount Athos and longed to partake of its grace-filled atmosphere, this book is for you. Men who wish to understand how women's spirituality differs from their own will find it a fascinating read as well.**

Scent of a Woman

[Harlequin](#) **Danielle Chevalier has a taste for the finer things in life, especially the lush, exotic scents she creates at her fragrance business. Under pressure from her brother to sell the small outfit, Danielle is thrilled when she's invited to an exclusive conference aboard the cruise ship Alexandra's Dream. There she hopes to gain contacts necessary to rally her business and avoid the devastation of a takeover. But Danielle's dreams have a harsh run-in with reality when she meets Adam Burns, a representative from a major U.S. competitor who is determined to outmaneuver her in negotiations. Fighting off the advances of a competing fragrance company is hard enough, but resisting her attraction to Adam may prove to be the real battle—and mixing business with pleasure may just cost her both.**

The Scent of Buenos Aires

Stories by Hebe Uhart

Archipelago From one of Argentina's greatest contemporary storytellers, *The Scent of Buenos Aires* gathers twenty-five of Hebe Uhart's most remarkable and incandescent short stories in English for the first time. *The Scent of Buenos Aires* offers the first book-length English translation of Uhart's work, drawing together her best vignettes of quotidian life: moments at the zoo, the hair salon, or a cacophonous homeowners association meeting. She writes in unconventional, understated syntax, constructing a delightfully specific perspective on life in South America. These stories are marked by sharp humor and wit: discreet and subtle, yet filled with eccentric and insightful characters. Uhart's narrators pose endearing questions about their lives and environments - one asks "Bees - do you know how industrious they are?" while another inquires, "Are we perhaps going to hell in a hand basket?"

Scent of a Woman's Ink

Essays

This compilation of heretofore uncollected essays shows noted novelist and cultural critic Francine Prose at her most eloquent, incisive, and provocative. When Francine Prose's article, *Scent of a Woman's Ink*--which discussed how women writers are consistently underrepresented among the winners of major American literary awards--appeared in Harper's magazine three years ago, it touched off a storm of debate and counter-arguments, both in print and on the airwaves. In *SCENT OF A WOMAN'S INK: ESSAYS BY FRANCINE PROSE*, that article, along with Prose's equally pithy and incisive writings about the art and politics of writing and its at times jarring intersection with the culture it documents, confirms Prose's place as one of the most readable and relevant cultural critics writing today. From *Learning from Chekhov*, her elegant and considered essay on the art and craft of writing to *A Wasteland of One's Own*, her controversial and much-discussed piece about the commercially created and dumbed-down women's culture for *The New York Times*, Prose's essays are at once instructive and revelatory, and always provocative.

Scent of a Mate

Jordan and Aric An alpha looking to claim his curvy, sassy mate is about to learn it's not as simple as a bite. **Mission: Scent a Mate** Jordan Alvarez knew that a promise to her best friend involved staking out the local wolf pack's scenting ceremony and recording the graphic details, but she was the writer and the only one with the balls to finish the task. No one would know that four human women had sneaked proof of their rituals, or at least, that was the plan until Aric Wolfe showed up. **Mission: Stake a Claim** Aric Wolfe knew his baby sister was up to something, and expected her best friend, Jordan, to be in on the chaos. He finally had an opportunity to lay claim to a mate that had been under his nose for years. Jordan's scent called to both the man and the animal, and he was done fighting the call of the beast. It was time to mark his mate. **Mission: Survive an Alpha** When a good intention creates a problem for the Wolfe family, Jordan finds herself being stalked by a woman intent on claiming Aric as her own. Battle lines will be drawn, love will be put to the test, and Aric will have to fight Jordan's strong personality to keep her alive. Two alpha hearts seeking control will either find the balance or risk losing their love forever. **Mature reader warning: Adult content including but not limited to: Violence and raw sexual language and actions.**

The Scent of Murder

A Mystery

Minotaur Books First in a new series from national bestselling author Kylie Logan, *The Scent of Murder* is a riveting mystery following Jazz Ramsey as she trains cadaver dogs. The way Jazz Ramsey figures it, life is pretty good. She owns her own home in one of Cleveland's most diverse, artsy, and interesting neighborhoods. She has a job she likes as an administrative assistant at an all-girls school, and a volunteer interest she's passionate about—Jazz is a cadaver dog handler. Jazz is working with Luther, a cadaver dog in training. Luther is still learning cadaver work, so Jazz is putting him through his paces at an abandoned building that will soon be turned into pricey condos. When Luther signals a find, Jazz is stunned to see the body of a young woman who is dressed in black and wearing the kind of make-up and jewelry Jazz used to see on the Goth kids back in high school. She's even more shocked when she realizes that beneath the tattoos and the piercings and all that pale make up is a familiar face. The lead detective on the case is an old lover, and the murdered woman is a former student. Jazz finds herself sucked into the case, obsessed with learning the truth.

The Scent of Shadows

The First Sign of the Zodiac

Harper Collins When she was sixteen, Joanna Archer was brutally assaulted and left to die in the Nevada desert. By rights, she should be dead. Now a photographer by day, she prowls a different Las Vegas after sunset—a grim, secret Sin City where Light battles Shadow—seeking answers to whom or what she really is . . . and revenge for the horrors she was forced to endure. But the nightmare is just beginning—for the demons are hunting Joanna, and the powerful shadows want her for their own . . .

Scent Of A Man

Maree Anderson The one woman who can resist him is the only woman he's ever wanted... Joseph is an Anglian noble living in a harshly religious society where the Council and their clerics enforce chastity, and women are oppressed and treated as chattel. Overnight, Joseph undergoes a rare transformation and becomes a Scentinel, a man who exudes powerful sexual pheromones that make him irresistible to females. His people believe he is evil and will execute him on sight. He's on the run, starving and desperate. He has nothing more to lose-or so he believes. Liliana is a “morally corrupt” European woman with an agenda. She's a creature even rarer than Joseph, a Null who can neutralize Scentinel pheromones. Her mission is to do whatever it takes to bring Joseph safely to European shores. There, he'll join Empress Vashti's elite band of Scentinel spies—provided he survives his training with his sanity intact, and learns how to suppress his pheromones at will. And falling in love with the man she must ultimately betray was never part of Liliana's plan. Scent of a Woman

The Scent of Empires

Chanel No. 5 and Red Moscow

John Wiley & Sons Can a drop of perfume tell the story of the twentieth century? Can a smell bear the traces of history? What can we learn about the history of the twentieth century by examining the fate of perfumes? In this remarkable book, Karl Schlögel unravels the interconnected histories of two of the world's most celebrated perfumes. In tsarist Russia, two French perfumers - Ernest Beaux and Auguste Michel - developed related fragrances honouring Catherine the Great for the 300th anniversary of the Romanov dynasty. During the Russian Revolution and Civil War, Beaux fled Russia and took the formula for his perfume with him to France, where he sought to adapt it to his new French

circumstances. He presented Coco Chanel with a series of ten fragrance samples in his laboratory and, after smelling each, she chose number five - the scent that would later go by the name Chanel No. 5. Meanwhile, as the perfume industry was being revived in Soviet Russia, Auguste Michel used his original fragrance to create Red Moscow for the tenth anniversary of the Revolution. Piecing together the intertwined histories of these two famous perfumes, which shared a common origin, Schlögel tells a surprising story of power, intrigue and betrayal that offers an altogether unique perspective on the turbulent events and high politics of the twentieth century. This brilliant account of perfume and politics in twentieth-century Europe will be of interest to a wide general readership.

Madame Mirabou's School of Love

A Novel

Ballantine Books Sometimes real passion means living the life you've always wanted. Nicole Bridges still can't believe she's taken up residence in a Colorado apartment complex nicknamed "Splitsville." She's still reeling from her husband's affair, a divorce she never saw coming, and having to leave the upscale, comfortable world she helped make for her ex and their teenage daughter. With little money, even less work experience, and no idea what to do next, she takes tentative steps-if only to keep her head above water. Along the way, Nikki unexpectedly finds herself falling in with eccentric new neighbors-and being seduced out of her funk by a charming, elusive ex-Londoner. And through her delight in the sensual elements of perfume, she will discover the courage to form bonds she never imagined. When a discarded flyer printed with the name "Madame Mirabou" provides the spark of inspiration, Nikki dares to blend the fragments of her life into a fragrance that's uniquely and passionately her own. From the Trade Paperback edition.

At the Scent of Water

The Ground of Hope in the Book of Job

Wm. B. Eerdmans Publishing The book of Job is often discussed as a theodicy - an attempt to justify the ways of God to man. In this remarkable rereading of Job J. Gerald Janzen brings new light to this familiar account, showing instead that God invites Job to give up the traditional Deuteronomic logic of reward-punishment for a life-affirming strategy of risk-reward. From this perspective, affirmation of life in the face of all its vulnerabilities is the path to true participation in the mystery of existence. / Drawing on a recent study of the thematics of the "east wind" in the Bible (the "whirlwind" in Job), Janzen proposes that the prominence God gives to rain in Job 38, with its renewal of the parched earth and the ensuing vigor of all forms of life, signals God's response to Job's thirst, heals Job's bitterness, and restores him to a life at the end of which he dies contented. Janzen demonstrates how life-crippling bitterness is transcended and hope in life's worthwhileness is restored in the face of grievous evil. The resolution of the Joban question lies, therefore, not in the usual interpretation of a vindication of divine justice, but rather in God's renewal of Job's appetite for life. / Janzen underscores this interpretation with a candid epilogue on his own struggle with aggressive prostate cancer, which enabled him to connect personally with Job and to find a fresh and illuminating grace. At the Scent of Water will be useful not only to provide a greater understanding of the book of Job in classrooms and on pastor's bookshelves, but also in the hands of any reader who has dealt with pain or doubt.

The Scent of God

Simon and Schuster In an elite all-boys' boarding school run by a Hindu monastic order in late-twentieth century India, things aren't what they look like on the surface... Anirvan, a young student, is fascinated by the music and silence of spiritual life. He dreams of becoming a monk. But as he seeks his dream, he finds himself drawn to a fellow student, and they come together to form an intimate and unspeakable relationship. The boys sweat at cricket and football, crack science and mathematics in pursuit of golden careers, and meditate to the aroma of incense and flowers. It's a world of ruthless discipline shaped by monks in flowing saffron. A sceptical teacher mentors Anirvan and reveals his suspicion of this vigilant atmosphere. Does the beating of the boys reveal urges that cannot be named? What is the meaning of monastic celibacy? What, indeed, holds the brotherhood together? Against himself, Anirvan gets sucked into a whirl of events outside the walls of the monastery, in the midst of prostitutes, scheming politicians and the impoverished Muslims of the villages surrounding the school. When the love of his life returns to him, the boys' desire for each other push them towards a wild course of action. But will that give them a life together in a world that does not recognize their kind of love?

The Scent of Desire

Discovering Our Enigmatic Sense of Smell

Harper Collins Shakespeare wrote that a rose by any other name would smell as sweet. But if you cannot smell, does the rose lose its sweetness? The first and definitive book on the psychology of smell, The Scent of Desire traces the importance of smell in our lives, from nourishment to procreation to our relationships with the people closest to us and

the world at large. Smell was the very first sense to evolve and is located in the same part of the brain that processes emotion, memory, and motivation. To our ancestors, the sense of smell wasn't just important, it was crucial to existence and it remains so today. Our emotional, physical, even sexual lives are profoundly shaped by both our reactions to and interpretations of different smells. Why do some people like a certain smell and others hate it? Is smell personal or cultural? How does smell affect our choices and our daily lives? Rachel Herz explores these questions and examines the role smell plays in our lives, and how this most essential of senses is imperative to our physical and emotional well-being. Herz investigates how our sense of smell functions, examines what purpose it serves, and shows how inextricably it is linked to our survival. She introduces us to people who have lost their ability to smell and shows how their experiences confirm this sense's importance by illuminating the traumatic effect its loss has on the quality of day-to-day living. Herz illustrates how profoundly scent and the sense of smell affect our daily lives with numerous examples and personal accounts based on her years of research. The wonders of our sense of smell are all explored in a compelling and engaging manner, from emotions and memory to aromatherapy and pheromones. For anyone who has ever wondered about human nature or been curious about the secrets of both the body and the mind, *The Scent of Desire* is a fascinating, down-to-earth tour of the psychology and biology of our most neglected sense, the sense of smell.

The Scent of Rain and Lightning

A Novel

[Ballantine Books](#) Written with the wisdom and grace readers have come to expect from the award-winning author of "The Virgin of Small Plains," this brilliantly moving tale is one of family, murder, and redemptive love.

The Scent of Sake

[Harper Collins](#) She was taught to submit, to obey . . . but she dreamed of an empire. The sole heir to the House of Omura, a venerable family of Kobe sake brewers, nineteen-year-old Rie hears but cannot heed her mother's advice: that in nineteenth-century Japan, a woman must "kill the self" or her life will be too difficult to bear. In this strict, male-dominated society, women may not even enter the brewery—and repressive tradition demands that Rie turn over her family's business to the inept philanderer she's been forced to marry. She is even expected to raise her husband's children by another woman—a geisha—so that they can eventually run the Omura enterprise. But Rie's pride will not allow her to relinquish what is rightfully hers. With courage, cunning, brilliance, and skill, she is ready to confront every threat that arises before her—from prejudice to treachery to shipwrecks to the insidious schemes of relentless rivals—in her bold determination to forge a magnificent dynasty...and to, impossibly, succeed. An epic and breathtaking saga that spans generations as it sweeps through the heart of a century, Joyce Lebra's *The Scent of Sake* is a vivid and powerful entry into another world...and an unforgettable portrait of a woman who would not let that world defeat her.

A Good Scent from a Strange Mountain

[Open Road + Grove/Atlantic](#) Winner of the Pulitzer Prize: "Uncannily perceptive stories written by an American from the viewpoint of Vietnamese citizens transplanted to Louisiana" (People). *A Good Scent from a Strange Mountain* is Robert Olen Butler's Pulitzer Prize-winning collection of lyrical and poignant stories about the aftermath of the Vietnam War and its enduring impact on the Vietnamese. Written in a soaring prose, Butler's haunting and powerful stories blend Vietnamese folklore and contemporary American realities, creating a vibrant panorama that is epic in its scope. This new edition includes two previously uncollected stories—"Missing" and "Salem"—that brilliantly complete the collection's narrative journey, returning to the jungles of Vietnam to explore the experiences of a former Vietcong soldier and an American MIA. "Deeply affecting . . . A brilliant collection of stories about storytellers whose recited folklore radiates as implicit prayer . . . One of the strongest collections I've read in ages." —Ann Beattie

Scent of Darkness

[Pantheon](#) Bequeathed an original fragrance designed for her by her perfumer grandmother, eighteen-year-old Evangeline becomes an object of intense desire to those around her and wonders if a lonely artist who does not register her scent is the only person who loves her for herself.

The Scent of Secrets

A Novel

[Ballantine Books](#) Set in Europe, in 1938, during the tense run-up to war, and perfect for fans of Jacqueline Winspear, Charles Todd, Robert Harris, and Susan Elia MacNeal, this gripping historical novel features the half-British, half-German actress (and wholly covert spy) Clara Vine, who finds herself enmeshed in a dangerous game of subterfuge. The colorful, lively streets of Paris come as a welcome relief to Clara Vine after the dour countenance of Berlin, where

bunkers and bomb shelters are being dug, soldiers march the streets in their high boots, and Jewish residents rush to make it home before curfew. Though Clara is in Paris to make a film, her true work is never far from her mind. Approached by a British intelligence officer, Clara is initially confounded by his request: Get close to Eva Braun and glean as much as she can about the Führer's plans and intentions. Clara has already established friendships with several high-ranking Nazi wives, but Eva Braun is another matter altogether. Hitler keeps his "secret" girlfriend obsessively hidden, fiercely guarding their relationship as well as Eva's delicate psychological state. From the gilded halls of the decadent City of Light to the cobbled, quaint streets of Munich, and even to the chilling, rarefied air of the Berghof, Hitler's private mountaintop retreat, Clara flirts with discovery at every turn—and a dangerous, devious plot unfolds. Previously published in the U.K. as *A War of Flowers* "A brilliant tale of spies and secrets, of intense psychological drama, of edgy climax and one extraordinary heroine."—Beatriz Williams, New York Times bestselling author of *A Hundred Summers* "A compelling story of love and betrayal in Hitler's Berlin . . . Peppered with real-life characters, this series offers a fascinating glimpse of the extraordinary world of the Nazi wives."—Daisy Goodwin, author of *The American Heiress* "An alluring blend of thrills, suspense, historic detail, and seduction."—Susan Elia MacNeal, author of the Maggie Hope series "An extraordinary, absorbing read with an array of characters so real you're there with them as war looms, and a pace that sweeps you from page to page. This is indeed a winner!"—Charles Todd, author of *Inspector Ian Rutledge Mysteries* Look for special features inside. Join the Random House Reader's Circle for author chats and more.

The Scent of Pepper

[Penguin Books India](#) Set in Southern India. *Scent of Pepper* tells the story of the Kaleyandas, a family born of warriors and the owners of vast estates, they are the envy of the local feudal gentry. Kavery Nambisan's elegiac novel peels away the layers of mystery surrounding a fierce and independent people, while simultaneously portraying a unique and compelling family who will linger on in the minds of every reader.

The Scent of Burnt Flowers

A Novel

[Ballantine Books](#) Fleeing persecution in 1960s America, a Black couple seeks asylum in Ghana, but fresh dangers and old secrets threaten their newfound freedom in this hypnotic debut novel. "I am truly blown away by this novel."—Jacqueline Woodson, New York Times bestselling author of *Red at the Bone* When the windshield of his Chevy Impala shatters in a dark diner parking lot in Alabama, Melvin moves without thinking. A split-second reaction marrows in his bones from the days of war, but this time it is the safety of his fiancé, Bernadette, at stake. Impulse keeps them alive, and yet they flee with blood on their hands. What is life like now that they are fugitives? Pack passports. Empty bank accounts. Set their old life on fire. The couple disguise themselves as a pastor and a reluctant pastor's wife who's hiding a secret from her fiancé. With a persistent FBI agent on their trail, they travel to Ghana to seek the help of Melvin's old college friend who happens to be the country's embattled president, Kwame Nkrumah. The couple's chance encounter with Ghana's most beloved highlife musician, Kwesi Kwayson, who's on his way to perform for the president, sparks a journey full of suspense, lust, magic, and danger as Nkrumah's regime crumbles around them. What was meant to be a fresh start quickly spirals into chaos, threatening both their relationship and their lives. Kwesi and Bernadette's undeniable attraction and otherworldly bond cascades during their three-day trek, and so does Melvin's intense jealousy. All three must confront one another and their secrets, setting off a series of cataclysmic events. Steeped in the history and mythology of postcolonial West Africa at the intersection of the civil rights movement in America, this gripping and ambitious debut merges political intrigue, magical encounters, and forbidden romance in an epic collision of morality and power.

The Scent of Magic

[Open Road Media](#) "A heady mixture of Cinderella, Snow White, Sleeping Beauty and aromatherapy in this new magical adventure" from the Science Fiction Grand Master (Publishers Weekly). An orphaned child and captive scullery maid, young Willadene possesses an uncanny ability to sense and understand the magical odors that pervade her world. It is this remarkable talent—or curse—that carries her far from the fetid kitchen into an apprenticeship with a revered herbalist and ultimately to the highest circles of the Ducal court. But there is depravity lurking within the castle's walls, inspiring brazen treacheries and usurpations—and foul abduction as unthinkable as it is unexpected. And an innocent girl finds the heightened sense that has been her fortune is now drawing her down into a maelstrom of evil.

The Joy of Sweat: The Strange Science of Perspiration

W. W. Norton & Company A New York Times Most Anticipated Book of the Summer A taboo-busting romp through the shame, stink, and strange science of sweating. Sweating may be one of our weirdest biological functions, but it's also one of our most vital and least understood. In *The Joy of Sweat*, Sarah Everts delves into its role in the body—and in human history. Why is sweat salty? Why do we sweat when stressed? Why do some people produce colorful sweat? And should you worry about Big Brother tracking the hundreds of molecules that leak out in your sweat—not just the stinky ones or alleged pheromones—but the ones that reveal secrets about your health and vices? Everts's entertaining investigation takes readers around the world—from Moscow, where she participates in a dating event in which people sniff sweat in search of love, to New Jersey, where companies hire trained armpit sniffers to assess the efficacy of their anti-sweat products. In Finland, Everts explores the delights of the legendary smoke sauna and the purported health benefits of good sweat, while in the Netherlands she slips into the sauna theater scene, replete with costumes, special effects, and towel dancing. Along the way, Everts traces humanity's long quest to control sweat, culminating in the multibillion-dollar industry for deodorants and antiperspirants. And she shows that while sweating can be annoying, our sophisticated temperature control strategy is one of humanity's most powerful biological traits. Deeply researched and written with great zest, *The Joy of Sweat* is a fresh take on a gross but engrossing fact of human life.

The Scent of Jasmine

Simon and Schuster When fulfilling a favor for her godfather puts Catherine Edilean Harcourt in danger, the southern belle must decide if trusting an alleged, yet attractive, convict will be the best or worst decision she's ever made. Charleston, 1799. A daughter of Southern gentility and a gifted painter, Catherine Edilean Harcourt has no lack of suitors at home in Virginia, waiting to fulfill her dream of marriage and family. But Cay's adventurous spirit, fostered by growing up with her three brothers, is piqued while visiting her godfather in South Carolina. Bedridden with a broken leg, he asks Cay to fill in for him on an urgent task: on her way to a fancy dress ball, she must deliver a packed horse to an old friend's son—who also happens to be an escaped convict charged with murdering his wife! Cay agrees to the plan, which doesn't go at all as planned... whereupon she finds herself fleeing Alexander McDowell's captors, riding blind into the night with the fugitive Scotsman. Through she should fear him, Cay finds herself overwhelmingly attracted to Alex, and drawn into his tale of misguided justice and his innocence as they seek refuge in the steamy Florida everglades. Will trusting him be the worst mistake of her life? Or will falling in love be the salvation both of them have been looking for?

The Perfume of the Lady in Black

Open Road Media The suspenseful sequel to the genre-defining *The Mystery of the Yellow Room* Set in a medieval castle on the Côte d'Azur, this classic locked room mystery reunites journalist-turned-detective Joseph Rouletabille; Mathilde Stangerson, daughter of a famed French-American scientist; and master of disguise Frédéric Larsan. Stangerson and her sweetheart Robert Darzac have just married and taken up residence in the Square Tower of the Fort of Hercules when Larsan strikes again. The attack leaves Stangerson frightened and confused, not only because she thought her nemesis dead, but also because she cannot figure out how he entered and escaped her room without notice. Only one man is capable of matching wits with Larsan, but when Rouletabille arrives in the South of France to investigate, he finds himself drawn deeper into his own past and his memories of a mysterious woman in black. Best known as the creator of *The Phantom of the Opera*, author Gaston Leroux takes the locked room mystery to terrifying new heights in *The Perfume of the Lady in Black*. This ebook features a new introduction by Otto Penzler and has been professionally proofread to ensure accuracy and readability on all devices.

Jitterbug Perfume

A Novel

Bantam *Jitterbug Perfume* is an epic. Which is to say, it begins in the forests of ancient Bohemia and doesn't conclude until nine o'clock tonight (Paris time). It is a saga, as well. A saga must have a hero, and the hero of this one is a janitor with a missing bottle. The bottle is blue, very, very old, and embossed with the image of a goat-horned god. If the liquid in the bottle actually is the secret essence of the universe, as some folks seem to think, it had better be discovered soon because it is leaking and there is only a drop or two left.

Performing the Scent of a Woman-Man?

A Case Study of the Transformation of Chinese Womanhood Across Generations in Tianjin, China

A Lady Cyclist's Guide to Kashgar

A Novel

Bloomsbury Publishing USA It is 1923. **Evangeline (Eva) English** and her sister **Lizzie** are missionaries heading for the ancient city of **Kashgar** on the Silk Road. Though **Lizzie** is on fire with her religious calling, **Eva's** motives are not quite as noble, but with her green bicycle and a commission from a publisher to write *A Lady Cyclist's Guide to Kashgar*, she is ready for adventure. In present day London, a young woman, **Frieda**, returns from a long trip abroad to find a man sleeping outside her front door. She gives him a blanket and pillow and in the morning finds the bedding neatly folded and an exquisite drawing of a bird with a long feathery tail, some delicate Arabic writing, and a boat made out of a flock of seagulls on her wall. **Tayeb**, in flight from his Yemeni homeland, befriends **Frieda** and, when she learns she has inherited the contents of an apartment belonging to a dead woman she has never heard of, they embark on an unexpected journey together. *A Lady Cyclist's Guide to Kashgar* explores the fault lines that appear when traditions from different parts of an increasingly globalized world crash into each other. Beautifully written and peopled by a cast of unforgettable characters, the novel interweaves the stories of **Frieda** and **Eva**, gradually revealing the links between them, and the ways in which they each challenge and negotiate the restrictions of their societies as they make their hard-won way towards home.

The Scent of God

A Memoir

Counterpoint A true story of spiritual and human desire is revealed through the forbidden love between **Beryl Bissell**, a New Jersey nun who entered the convent at age eighteen with the belief that God had called her to his way of life, and a handsome Italian priest, **Padre Vittorio**, who would become her secret love.
